

Chapter: 1266

If anyone can marry him!

In the future, she will become the noblewoman of the Lin family, with power over the world!

I'm afraid that even dreaming will wake up with a smile!

Even the elders such as Mr. Shen stared at Wang Mingzhe with excitement.

Originally, Wang Mingzhe was a prominent family member, but now he is highly regarded by the Lin family, and his future is even more limitless. This is simply a dragon and a phoenix among the people.

“You deserve to be Young Master Wang, you just have the ability! Even Jinding has to personally invite!”

Cuiping quickly flattered her, and at the same time looked at Lin Fan contemptuously:

“Much better than some rubbish! It's a world, a world!” is not this a Rolls-Royce parked outside the team, but also specifically pulled hundreds of meters of red carpet, was so impressive it! I did in this life to enjoy this kind of ultra-luxury treatment! ‘ ‘

by the Jinding personally greeted Shao Wang. Shao Wang really has a face. Our Shen family is also in his light. It has been so beautiful for so many years.”

“Nonsense, you don't look at who Shao Wang is, the future ruler of the Wang family.” , The future top executives of the Lin family, even Jinding has to flatter themselves !” Everyone flattered and complimented Wang Mingzhe.

Obviously at this moment, everyone felt that Jinding must have come to Wang Mingzhe.

And this time!

Wang Mingzhe also raised his head proudly, like a rooster that had been fighting for a long time. At the same time, he looked down at Lin Fan, his eyes full of disdain.

That look, as if to say:

“I saw the waste, this is the gap between you and me!”

At this moment!

Seeing Wang Mingzhe's posture, Shen Ling suddenly smiled sinisterly, and said,

“Mom, you compare this kind of rubbish to Shao Wang, aren't you insulting Shao Wang?”

However, there is more to it!

In the next moment, Shen Ling looked at Bai Yi and said with a smile:

“Cousin, this is a great opportunity for you! It's rare that Young Master Wang doesn't dislike you as a broken shoe. Why don't you just dump Lin Fan this waste? Miss this village? But this shop is no longer there!”

“You!”

Bai Yi trembled with anger, and wanted to scold him.

But right now!

A voice that horrified everyone was the first to sound:

“How can you be sure that they are here for you?”

What!

The moment the words fell, everyone present was completely stunned.

Then one after another stared at Lin Fan with extremely stunned eyes.

When the reaction is over!

Everyone in the Shen family was full of anger.

Especially Cuiping, Dang even yelled:

“What are you, is there a place for you to speak?”

On the side, Shen Ling even sneered:

“I didn't come to him, it's impossible to come to you.

Right ?” As soon as these words came out, the contempt on everyone's faces became more and more intense!

Come to find Lin Fan? Unless Jinding is crazy!

But at this time!

Lin Fan shrugged and said casually:

“Maybe, is it really coming to me?”

Ga!

The audience seemed to be turned on the mute switch!

There was a dead silence in an instant.

Everyone's eyes widened one by one, and their faces were dumbfounded. At this moment, they wondered if they had heard it wrong.

Lin Fan actually said that Jinding came to him?

When everyone at the scene reacted, everyone heard a big joke, and Qi Qi burst into a roar of laughter.

Then, facing Lin Fan, he viciously humiliated him:

“With your trash, what qualifications do you have to be invited by Jinding?”

“Hahaha, what an idiot! Jinding is backed by blood, which is blood. The property of the Prison King, whoever can be invited by him must be the top dignitaries, and you said that they would invite you to this waste?”

“Such a shameless person is really only seen in his life! Even if it is useless, I still like to be full of mouths. Running the train, Bai Yi was really blind to see such a thing.”

When this sneer and insult came out.

The Baiyi family, at this time, felt ashamed and lost their home. Lin Fan's words were too exaggerated, and they were simply humiliating themselves.

at the same time!

Elder Shen was also extremely angry, staring at Lin Fan with a pair of eyes:

“Damn trash, get out of me! Get out now!”
