

Chapter: 1280

Hear the words!

Everyone in the Shen family looked at Lin Fan with contempt.

“It’s shameless to steal other people’s things to give away to your wife!”

“Dare to steal the things from the King of the Blood Prison . It’s shameless, it’s really shameless !”

“I said, how can this waste be affordable? Ten billion jewels were originally stolen!”

At the same time!

The big guys present were all stunned.

Could it be that their news is wrong, and this guy in front of him is not Lin Zuo at all?

After all, as Lin Zuo, how could it be possible to steal other people’s things?

“Hahaha! I said, you let this trash fool you!”

At this time, Wang Mingzhe also laughed wildly, and then looked at Bai Yi unkindly:

“Bai Yi, it seems that this time, you have something to do. Divorce with him!”

“If you let the king of the blood prison know that you took the queen’s necklace, I’m afraid he won’t let you go!”

Now!

The old man Shen’s expression sank:

“Bai Yi, don’t you want to get rid of this rubbish? Now only Wang Shao can save you. As long as you divorce him and marry Wang Shao, maybe he can still use the Lin family. Strength, intercede for you in front of the King of Blood Prison.”

Hear the words!

Wang Mingzhe was also triumphant, looking at Bai Yi with a condescending look.

Now, he is looking forward to Bai Yi begging to him!

Unfortunately!

Bai Yi shook his head indifferently,

“Lin Fan, I didn’t steal anything from anyone! I don’t need anyone to save it!”

What!

Everyone in the Shen family was in a daze, looking at Bai Yi with a look of seeing a ghost.

Is this crazy?

Knowing that there is a dead end, but still insisting on seeking death?

Are you really planning to bury Lin Fan, a thief?

“Good, good!” Old man Shen nodded with a gloomy face, and shouted angrily :

“Since you are stubborn, then go to die!”

In Wang Mingzhe’s eyes, there was also a flash of anger:

” Timis , still stunned. What are you doing? This rubbish stole your master’s necklace, why don’t you arrest him soon?”

Hear this!

Everyone is Qi Qi’s playful look at Lin Fan, as if looking at a dead person.

All seem to think that Lin Fan will definitely die!

just!

But Timis glanced at Wang Mingzhe indifferently:

“Sorry, I can’t do this! Because that necklace belongs to Miss Bai Yi!”

What!

When the words fell...

Everyone was completely stunned!

Is that tens of billions necklace Bai Yi’s?

This is impossible!

Shen Ling had already said that Lin Fan stole that necklace, how could it be Lin Fan?

“Timith, did you make a mistake? This necklace clearly belongs to the queen, how could it be Bai Yi’s?”

Shen Ling suddenly angrily asked.

See it!

But Timis was already impatient, and said, “I’m not mistaken. This necklace originally belonged to the queen, but now she has given it to Miss Bai Yi!”

Now he knew that the man in front of him was the blood lord. The boss, the fierce King of the Blood Prison!

It’s his boss’s boss!

King of the Blood Prison, stealing from himself?

ridiculous!

boom!

And hearing Timmys’s words, the Shen family and all the guests present were completely dumbfounded!

Give it to Bai Yi, how is this possible?

Bai Yi is like an ant to the blood prison. How could the queen of the blood prison give her such a valuable thing?

This is impossible!

“Timith, I think you are crazy! Just this slut, how can you be qualified to let the queen give gifts?”

Shen Ling broke out, gritted his teeth and roared:

“You are a shelter, if you let the king of the blood prison know, You can’t escape death!”

“Shut up!”

At this moment, Timmy suddenly roared, with murderous intent in his eyes:

“Bitch? You dare to insult Miss Bai Yi as a slut? You are damned!

” Come on! Kill this woman! ”

Boom!

The whole audience completely exploded the pot!

Just because Shen Ling scolded Bai Yi a slut, Timmy was about to order someone to kill her?

This... how is this possible!

Is it possible that Timis really intends to cover Bai Yi and them?

The atmosphere in the field suddenly became extremely weird!

And the Shen family did not expect that Timis would be such an idiot, instead of catching the little thief who stole the King of Blood Prison, he would kill Shen Ling cruelly!

“I see who dares!”

Wang Mingzhe stared suddenly, and instantly shielded Shen Ling, with a bold expression on his face:

“Today, I save Shen Ling!”

Wen Yan!

Shen Ling suddenly looked surprised, and then a deep sense of complacency appeared on his face:

“Timith, you committed the crime knowingly. If you commit a crime, you are dead too!”

Just!

At the moment when Shen Ling’s voice fell!

“I don’t think you can keep her!”

Ye Shihao walked out slowly, tit-for-tat.

“I think too!”

“This woman, have to die today!”

However!

The four masters, at this moment, stepped out synchronously, all grinning, staring at Shen Ling with enthusiasm.

boom!

The temperature of the entire exhibition center dropped to freezing point at this moment!
