

# Chapter: 1294

Hearing these frivolous words, everyone present was shocked.

I subconsciously thought that there will be another great character on the stage, right?

just!

When they looked at the door and saw the plainly dressed young man, there was a touch of disdain on their faces.

Just this dressing is not much better than the smelly beggar. How dare you challenge Zhang Lei with such a trash?

Really looking for death!

Everyone shook their heads and cast mocking glances at Lin Fan, as if they were watching a joke.

however!

Enemies are extremely jealous when they meet!

Now, Zhang Lei's eyes are covered with bloodshot eyes, and the viciousness in it is as if he wants to smash Lin Fan into pieces.

The person he hated the most finally came to him again.

then!

The corner of Zhang Lei's mouth raised a sinister smile:

“Lin Fan, you are here at real time! I will be in front of you in a while and completely crippled your family!”

“And you, nothing.

Ca n't do it! Hahaha!” He finally found one, a great opportunity to avenge Lin Fan!

He had long heard that the Bai family was very dissatisfied with Lin Fan, a trash son-in-law. If his father-in-law and mother-in-law were brutally beaten because of him today, he would definitely be swept out of the house.

“Shao Zhang, kill him! Kill this damn bastard! He should be broken into pieces!”

The moment Lin Fan appeared, Cuiping went crazy, her eyes full of resentment and hatred.

So far, she thinks that Shen Ling's death was caused by Lin Fan!

Damn it, this bastard!

just!

Lin Fan didn't even look at them, and walked towards Shen Yumei and Baishan:

“Dad, mom, who beat you like this?”

Seeing the injuries of the Baishan couple, Lin Fan's eyes suddenly became cold .

At the same time, a deep self-blame appeared in his heart.

Bai Yi asked him to take good care of his parents, but as soon as her forefoot left, his parents were humiliated. This was his negligence.

“Xiao Fan, you go! They want your life, leave us alone , go!” Shen Yumei immediately howled, she knew that Cuiping and his wife had gone crazy.

When Lin Fan appeared, they would definitely kill Lin Fan together.

Want my life?

Lin Fan smiled, with such contempt, and then said:

“Mom, rest assured, nothing will happen!”

What!

When Li Xiangru and the others heard the non-marginal words, they all sneered suddenly, with thick contempt on their faces.

Does this guy know what he's talking about?

All right?

What can you do with you, trash son-in-law?

I have offended the Zhang family, so I didn't hurry to run away, so I dared to show up in a big way?

This is crazy!

“This kid, really knows how to live and die, dare to talk so much in the face of Zhang Shao, I am afraid that his life will be lost for a while!”

“Too stupid! People are rich and important, just his virtue. , What to use to fight against others?”

“If I were him, I would kneel down and beg for mercy, maybe I could get back a dog's life, a trash and dare to pretend, it's ridiculous.”

The eyes of everyone looking at Lin Fan were full of deep contempt. In their opinion, Lin Fan was an ordinary person, and Zhang Lei could pinch to death with a single finger.

Now that you dare to say that it's okay?

It's so funny!

But Lin Fan turned a blind eye to everyone's contempt, and said coldly to Shen Yumei:

“Mom, you just have to tell me who beat you like this.”

“It's me, how?”

Hearing this, Li Xiangru is like that. He walked out and looked at Lin Fan with disdain:

“Is it possible that you would dare to kill me if you are such a trash?”

Now Lin Fan can't protect himself, so he wants to be nosy?

It's ridiculous!

then!

Lin Fan's cold eyes stared at her,

“Now kneel down and apologize, you still have a chance!”
