Chapter: 1311

puff!

Hahaha!

Everyone burst into laughter after hearing this!

No one believed Lin Fan's words, only that he was pretending to be an idiot again.

With a rant and ridicule, Lin Fan was once again completely surrounded.

just!

With a puff, Zhang Yichen was completely paralyzed on the ground, with blank eyes and a dull expression.

At this time, she just felt cold all over!

That's it!

Completely finished!

The thing she worries the most has happened.

After all, her stupid family members angered this man and caused a terrible disaster that could destroy the door.

But at this time, the Zhang family did not realize what they had done, and their faces still had a vicious smile.

And Zhang Lei directly shouted out loud:

"Do it!"

Swish!

At this moment, many experts in the Zhang family, like an arrow from the string, crazily culled towards Lin Fan.

With a thick grin on his face, he planned to completely crippled Lin Fan!

See it!

Zhang Lei, Zhang Wenxiang, Zhang Granny and others all had a gloating smile on their faces.

Already ready to clap and applaud!

just!

At this moment, the scene that made everyone horrified and dying was when they slammed into their eyes.

Puff puff!

The blood splashed several times, and the few strong men who were about to abolish Lin Fan fell to the ground instantly for some reason, and their heads were in a different place!

Tragic death!

It was only an instant, and was completely killed in seconds!

what!

Everyone was terrified and couldn't believe their eyes at this moment!

At the same time!

In front of Lin Fan, a man appeared at some unknown time.

He was burly and violent, and he was holding a few heads in his hands at this time!

"Warrior White Tiger?"

Everyone exclaimed when they saw each other, with deep fear on their faces.

As soon as he appeared on the stage, he killed several members of the Zhang family in seconds. What is going on!

See it!

The complexion of the Zhang family members was suddenly hard to see the extreme, and the faces were filled with consternation, and there was no way to understand them.

The opponent should kill Lin Fan!

Why didn't he say anything and directly attacked their Zhang family?

This is crazy!

Zhang Lei suddenly changed his expression, and roared:

"Baihu, are you crazy? You dare to kill our Zhang family powerhouse,

do you Bai family want to lead the war?"

"Kill!" But Baihu didn't say anything nonsense, he was violent. Culled out, the momentum is crazy.

It's like being completely irritated!

These chores, dare to insult the gods in his heart?

Unforgivable!!!

"You!"

Zhang Lei's heart trembled suddenly, as if he had seen a ghost, he suddenly had an ominous premonition in his heart.

Something is wrong, this is very wrong!

Not only him!

The Zhang family members present were also shocked by Bai Hu's abnormality, and the clothes on their backs were completely soaked in cold sweat.

This guy, but a well-known Samsung warrior in China, has always been known for his bravery and combativeness, killing countless people! But their Zhang Family and Bai Hu didn't have any intersection, why did the other party kill people directly when they came?

At this moment, all the guests present were completely stunned, and a pair of eyes were filled with a deep shock.

This...what the hell is going on?

The Bai Hu of the Bai family didn't kill the thief Lin Fan, but instead slaughtered the people of the Zhang family. Does the Bai family really want to lead the war?

Incredible!

This is incredible!

However, a scene that made them even more desperate was about to happen.

Lin Fan twitched at the corner of his mouth and smiled lightly and said,

"Baihu, come back!"

This is a commanding tone!

But what everyone can't believe is that at the moment when he heard this, the white tiger shook his body, and then respectfully agreed: "Yes!"

Then, under the horrified eyes of everyone, Forcibly suppressing his own killing intent, honestly stood beside Lin Fan!

Quiet!

There was a dead silence in the audience!

Everyone can't believe their eyes!

Oh my God, what did they see!

The famous white tiger general, the lover of the dragon tiger and the god of war, actually took orders from a waste son-in-law? how can that be!
