Now!

He looked at Lin Fan in disbelief:

“Impossible! This is impossible! How could this thing be in your hands?”

This is impossible!

Seeing this, everyone present was dumbfounded!

Director Xu, actually knelt down to this trash?

At the moment, everyone was rubbing their eyes vigorously, wondering if they were dazzled.

Director Xu was so aggressive just now that he wanted to put Lin Fan to death! A genius remembers in a second:

But now!

After seeing Lin Fan take out the shabby seal, he was so scared that he knelt down on the spot?

A pair of incredible eyes stared at the seal at this moment.

What is this thing?

See here!

The Xiao family father and son couldn't help being stunned, and suddenly there was an ominous premonition in their hearts.

Is this seal worth five billion yuan?

However, just under everyone's horrified gaze, Lin Fan smiled slightly and looked at the director Lin with interest:

“Because this thing is mine!”

Director Lin's back was completely wet, and he was almost fainted when he thought that he had committed such a big mistake.

In an instant, the eyes of the guests who looked at Lin Fan changed, and the colors in their eyes were extremely shocked.

For them, the impact of this scene is too great!

But now!

However, after seeing the black seal that Lin Fan took out, he was completely scared and paralyzed to the ground, begging for forgiveness.

This is incredible!

Make them all feel like they are dreaming!

Not only them, but even Bai Yi was dumbfounded, her pretty eyes glowing with incredible light, staring at the seal firmly.

She has seen it because of this seal!

About a month ago, she found it in Lin Fan's drawer and found it ugly! After that, she used this seal to cushion the foot of the bed!

But now, Lin Fan took out this seal and scared the person in charge of Jin Fuli Shi in Jiangbei?

What is the terrible origin of this seal?

And this time!

“Don't worry, I didn't intend to embarrass you!”

Hearing this!

Director Lin was so moved that he was about to cry, and he was sincerely afraid to knock Lin Fan a few times:

“Thank you, sir! Thank you, sir for not killing!” At this time, Director Lin was completely wet with cold sweat on his back. The whole person is like fished out of the river.

For a moment, he felt that he had stepped into the ghost gate with one foot.

Because he knew very well that with the ability of the man in front of him, if he wanted to kill him, it would be just a sentence.

But right now!

Xiao Tingjun roared extremely angrily:

“Director Lin, are you crazy? How could that broken seal be worth 5 billion? You absolutely let this waste be fooled!”

He couldn't accept this scene!

fake!

No matter what the seal is, it must be fake!

This waste must die today!

however!

Director Lin glanced at him contemptuously:

“Five billion? An idiot with no bead! This seal is more than five billion?”

“Don't say it's five billion, even fifty billion! Five hundred billion! can not afford!”
