

# Chapter: 1339

For a moment!

Everyone's expressions are ugly to the extreme!

This scene is so spectacular!

It's like an army of hell walking through the world!

They all know that these people are the strongest combat power in the blood hell!

Grandmaster!

Top master!

Grand Master!

Come out!

Long 9 and the others were completely shocked!

They never dreamed that the King of the Blood Prison would dispatch all the strongest combat power in the Blood Prison to China, just to save the waste?

crazy!

This is crazy!

To offend the entire China for a waste, is it really worth it?

And this time!

Their bodies were trembling uncontrollably and frantically, and they were obviously fearful to the extreme.

These ten thousand people can't stop them!

Now!

Long 9 was extremely nervous and asked Song Yuanzheng:

"Song Yuanzheng, where is Lin Zuo? Have you contacted? With our ability, we can't stop them at all!"

Hearing this, Song Yuanzheng suddenly sneered:

"Don't panic, I People have already contacted Lin Zuo. It is said that he is already on his way to Jiangnan, and he will be there in ten minutes!"

What!

Everyone was shocked!

Actually, it's ten minutes?

Wouldn't it be the same time as the arrival of the King of the Blood Prison?

These two emperor-level existences will arrive at the same time, and they will collide strongly?

However, there is more to it!

Song Yuanzheng continued to sneer and said:

"In addition to Lin Zuo, I also heard that Nihuang Army Zuo is also rushing to Jiangshi! At that time, one dragon and one phoenix will fight the king of the blood prison! These idiots... can't stop them. Live! Hahaha!"

Boom!

Just listen to this!

Everyone felt that their adrenaline was climbing wildly!

The face was full of shock and ecstasy!

Nihuang Army Seat, also coming?

Four military seats!

Here are two!

OMG!

There are two of China's official four strongest combat powers! 小@说初出

It can be seen that the senior management of Huaxia is completely furious and wants to completely wipe out the blood prison!

Now!

On Dragon 9's face, there is a deep sense of pride and a kind of glory that regards death as home!

"Everyone listens! Both the Lin seat and the Nihuang Army seat are on their way here. Before that, we must guard this pass! Don't let the two army seats disappoint us!"

Roar! ! !

Everyone yelled in unison. At this time, they only felt that the winning ticket was in hand, and morale skyrocketed!

Then, the eyes that looked at the strong man in the blood prison were full of thick disdain and contempt.

With two enemies and one, and the Lin family in charge, the blood prison is completely over this time!

"Hahaha! Blood Prison Mad God, your wishful thinking is wrong, today none of you will want to step into Jiang City for half a step!"

Song Yuanzheng laughed wildly, only to feel that he could challenge the mad god of blood prison in the unprecedented scenery at this time!

In those eyes, there was a strong madness and pride:

"Now, kneel down and admit my mistakes! Maybe I can still intercede with the two soldiers and spare you a dog!"

However!

At this moment, Zhao Chuan had a little doubt in his heart. He always felt that things were not that simple.

Because he had received the order from the Nihuang Army Seat before, her order was...not to stop the blood hell!

But now he rushed to Jiang City personally to wipe out the blood prison?

Isn't this superfluous?

and!

The King of Blood Prison has always been on good terms with Huaxia, how could he fight Huaxia for a trash?

wrong!

Inside, there are details that they don't know!

just!

Just now!

Zhao Chuan's cell phone rang suddenly!

He glanced at the caller ID, and his body was tight, and drops of cold sweat spread all over his forehead.

then!

He pressed the speakerphone and said tremblingly:

"You...Hello!"

After a long time...

Bang!

Zhao Chuan was sitting on the ground with a gray face, his face pale, and he didn't know what he heard. At this time, it turned out to be an expression of seeing a ghost alive.

"Zhao Chuan, what's the matter with you?"

Long 9 asked puzzledly.

However, there was no reply!

Zhao Chuan trembled like chaff, as if he hadn't heard everyone's words, completely immersed in his inner world, shaking violently uncontrollably.

One minute!

Two minutes!

three minutes!

Seeing Zhao Chuan slumped to the ground, unable to even speak, everyone suddenly had a bad premonition.

It seems that something terrible is about to happen!

I don't know how long it has been!

Zhao Chuan finally came back to his senses, and then he screamed in hysterics,

"Get out! Get out!"

"Otherwise, it's too late!!!"
