

# Chapter: 1352

You lose, come back!

Does this mean that even the Lin family can't help Lin Zekun?

Quiet!

The voice of the audience completely disappeared after hearing the words of the old Patriarch Lin!

There was a dead silence in the audience!

Everyone is silent!

Especially Lin Zekun!

After he heard his grandfather's words, his body trembled suddenly.

He could clearly feel the disappointment and indifference of his grandfather on the phone.

Obviously, he was extremely disappointed and contemptuous of his failure.

"Grandpa, listen to me, I haven't lost yet. Give me another chance!"

Lin Zekun was about to cry, begging hard on the other end of the phone.

Because he knows very well that once his grandfather is disappointed with him, then the position of the Lin Family's Patriarch will have nothing to do with him.

At this time, he completely regretted it!

If he does not insist on dealing with this waste, he will not fail, and his grandfather will naturally not be disappointed in him.

Even a waste discarded by the Lin family can't be dealt with. How can the Lin family rest assured to give him such a large family business?

just!

"Dududu..."

The old Patriarch Lin at the other end just cut off the call directly, and didn't even bother to talk nonsense with Lin Zekun.

boom!

Seeing this, everyone's eyes were round.

Cold sweat, rushing down!

Everyone realizes that the overall situation is set!

No...impossible!

Lin Zekun suddenly showed an expression of seeing a ghost.

How could I lose to this waste?

This is impossible!

Now!

Bai Yan and others were also limp to the ground one after another.

It was as if he had been drained of all the strength, his expression was lost, and Liushen had no master.

Especially Bai Yan, at this time, there was already a trace of yellow liquid flowing down wantonly from under the hem of her skirt.

She turned out to be scared to pee!

Because they watched with their own eyes, Lin Zekun was triumphant from the beginning, and gradually lost in the end.

And now, he was abandoned by the Lin family!

Lin Zekun's failure directly means their demise!

They are dead!

just!

At this time, Lin Zekun shook his head in disbelief, and then screamed like crazy:

"Impossible! How could I lose to a waste!"

He couldn't accept this scene!

He is the future heir of the Lin family!

Right now, he stared at Lin Fan grimly:

"You killed the dog! You damn it!!!"

"Come on, kill him for me!"

Just!

Whether it was the king of the north or the gods of the Three Great Wars, they were still standing there, as if they hadn't heard this.

And the King of the North sighed:

"Xiao Kun, listen to your grandpa!"

If Patriarch Lin is not really helpless, how can he bow his head to a trash who was swept out by him?

Now that the Nihuang Army is here, they can't help Lin Fan.

"No! I want him to die! You help me kill him!"

But Lin Zekun has completely lost his mind, and will kill Lin Fan anyway.

But without waiting for him to say anything, the King of the Northern Territory dragged him forcibly, planning to leave the spot.

See this scene!

Bai Yan and the others were already crying, completely frightened.

Lin Zekun patted his butt and left, but they are completely finished!

Without Lin Zekun, what would they use to resist the Blood Prison and Ni Phoenix Army Seat?

The Lin family was helpless with a trash son-in-law!

This is incredible!

Everyone can't believe it!

just!

Just when the King of the North wanted to take Lin Zekun away forcibly, a very cold word suddenly sounded:

"I didn't say you can go!"
