

Chapter: 1358

“Our Bai family also had a chance to fly, didn’t they?”

“Hahaha, my brother-in-law of Baiyan turned out to be a dignified dark emperor, it’s amazing!”

This woman is already crazy!

Click!

Lin Fan grabbed her throat with one hand and lifted her up in the air.

With tears in Bai Yan’s eyes, she still looked at Lin Fan obsessively.

Great!

He could actually die in the hands of the Dark Emperor, not in the hands of the waste son-in-law.

“Brother-in-law, I know I was wrong.”

She laughed happily, tears in her eyes constantly streaming down.

“I know.”

Lin Fan nodded hoarsely, and said:

“But everything is too late!”

Click!

Then, Lin Fan broke Bai Yan’s neck brutally, causing Bai Yan’s body to instantly weaken, and the expression in his eyes gradually disappeared.

boom!

Seeing this, the Three Great War Gods and the Northern Realm King suddenly tightened and looked at Lin Fan in fear.

For fear, I will become the next one!

The atmosphere is extremely suppressed at this moment.

especially!

When they saw Lin Fan turned his head to look at them, one by one was about to urinate suddenly, and they trembled violently.

The heart beats fiercely at a terrifying speed!

“You should be thankful that you and I have no enemies!”

Lin Fan said lightly:

“Today’s matter, you better be tight-lipped. If my identity is known to the outside world, I assure you that even if you escape to the end of the world, I will let you...”

“No death!”

Boom!

Upon hearing this, the North Realm King and the other four felt a roar in their brains, and then they knelt before Lin Fan as if they were crazy.

“Don’t worry, we must keep this secret firmly !” Cold sweat slid down from their foreheads.

Great!

Take a life back!

At this time, they all felt that their legs were weak, and they could not even kneel firmly.

They never imagined that one day, the three great war gods, the king of the North, who was already powerful in the north, would kneel on the ground like a dog...

In front of the man in front of them, they could not give birth to a trace. The courage to resist!

Because at this moment, they met, the real king!

“Blood Prison Hearing Order!” At this time, Lin Fan shouted angrily!

“Yes!”

The blood prison powerhouse who killed all the Lin family members was the coefficient kneeling on the ground, looking at Lin Fan very enthusiastically, expecting their king to give them orders.

The blood prison has forbared for three years, and now their king has finally returned to the underground world!

“From today, the Blood Prison has declared war on the Lin Family!”

“Yes!!!”

A loud and excited shout, frantically resounding!

.....

And now!

The Baiyi family was waiting outside, but they really didn’t want to leave.

Lin Fan was delayed, and with every minute of delay, the worries in their hearts became stronger again.

“Dad, mom, let’s go first! I’ll just wait for Lin Fan here!”

Bai Yi said to the Baishan couple. If Lin Fan fails to reverse the situation, at least two people will survive, right?

As for her, she had already decided to live and die with Lin Fan.

just!

When I heard this, Baishan didn’t understand Bai Yi’s plan, and immediately said with a straight face:

“What do you mean by this? We are a family, how can there be any reason to abandon the family and run away?”

“But...”

Baishan directly Interrupted with a cold face:

“No need! We’re just waiting for Xiaofan. If he comes out, we will leave! If he doesn’t come out, our family will die with him!”

“You are my daughter, but he is My son!”

This man who was cowardly and incompetent all his life finally took a rare hard breath today.

Bai Yi sighed with a wry smile, knowing that no matter what he said was useless at this time.

Squeak!

At this moment, the gate of the manor was pushed open.

Swish!

At this moment, the three gazes eager to see through, all cast their gaze towards the gate of the manor.
