

# Chapter: 1394

boom!

Zhao Yanzhi waited for less evil, but he felt his brain roar!

The word by word was like a thunderous sensation, as if to tear their brains apart, making them petrified in an instant!

Lin... Lin Zuo, only in his early twenties?

Isn't that the same age as them?

OMG!

This is incredible, right?

They had heard that Lin Zuo is very young, but according to their guess, no matter how young he is, he should be thirty or forty years old.

But I did not expect that he was only in his twenties!

Only in his early twenties, he sat on the fourth most powerful position in the military. What kind of monster is this?

At this moment, they were completely stunned by the shocking news, one by one was silent, unable to make a sound!

There is nothing in my mind!

In their early twenties, the impact of these four words was so terrifying that they couldn't believe it.

then!

Zhao Yanzhi and others all showed a bitter smile.

Although they are expensive and powerful, they stand at the top of the power, but compared with the forest seat that overwhelms the Chinese heroes and sits firmly on the throne, they are not as good as the ants.

"I really want to see that Lin Zuo, if I can be friends with him."

A girl said with a face full of admiration.

Wang Yun smiled bitterly and shook his head:

"In this life, I am afraid that we will not catch up with the forest seat after we have exhausted it?"

Even the arrogant Zhao Yanzhi looked moved, and there was a little different light in his eyes.

Such a man, I am afraid that she is a hundred times better than her current fiancé, the second Shaolin Tianxun of the Lin family, right?

The evil young men who were originally aloof lowered their proud heads at this moment and were completely hit.

I feel that the gap between them and Lin Zuo is heaven and earth!

Some people are indeed born kings!

"Well, about Lin Zuo, I will tell you slowly, let's go in first!"

Long Qianxi said to everyone.

just!

Hearing this, Zhao Weizhi moved his mind again, and said with a grinning smile:

"Mr. Long, I'm afraid I can't leave now. You Fengqi Institute has mixed into some idlers and so on. I strongly request you to chase him away. Go out!"

"So as not to cause trouble and make Lin Zuo unhappy!"

What!

Long Qianxi's expression suddenly changed. His grandfather had warned him that it was Lin Zuo who was serving this time. If Lin Zuo was unhappy on a business trip, he would be kicked out of Lin's house.

If what Zhao Yanzhi said is true, it is his negligence!

Upon hearing this, Wang Yun also suddenly reacted, and said maliciously:

"Brother Long, there is such a person who not only trespassed at your Fengqi Courtyard, but also injured my brother just now, you see..."

really have?

Long Qianxi's face suddenly became extremely ugly, and he scolded angrily: "Where is he? Dare to be wild in my Fengxi Courtyard, I think he wants to die!"

Wow!

When everyone saw this, they all smiled, knowing that Lin Fan was going to be completely finished.

at this time!

Bai Yi also changed her pretty face, and then quickly grabbed Lin Fan's hand, her voice changed in anxious tone:

"Go! Lin Fan, let's go!"

If you don't run at this time, it will be completely over!

just!

Lin Fan didn't seem to hear him, still with a disdainful sneer at the corner of his mouth.

"It's him!"

Zhao Yanzhi suddenly pointed at Lin Fan, his eyes were full of strong mockery, looking forward to seeing Lin Fan this trash, kneeling and insulting!

The same is true for Wang Yun and others. In their opinion, trash has to look like trash, and it is only worthy of kneeling!

Ok?

Following the direction Zhao Yanzhi pointed, Long Qianxi cast his gaze towards Lin Fan.

Then...

Boom!

His expression suddenly stiffened, his brain was like a flash of lightning torn past, and the whole person was completely dumbfounded.

The last time he intercepted Lin Fan, he had to engrave the appearance of the man in front of him deeply into his mind.

Unforgettable!

But now, seeing this great god standing in front of him, he was completely dumbfounded!

"Lin...Lin..."

Lin Fan smiled slightly and said: "Who do you think wants to die?"
