

[TODAY, I GIVE UP TRYING](#)

# Chapter: 911

Finished!

Bai Yan immediately looked like a rabbit that was scared to pee, and left in a hurry.

Behind her, Bai Wen and Baiwu also glanced at Lin Fan in horror and bitterness, and then hurriedly got up to follow, and disappeared in front of them together.

Until the three people left.

Bai Yi's family of three still didn't react from the shock just now.

"Xiao...Xiaofan, do we really want to be an enemy of the Jiangnan Bai family?"

"That is one of the four hidden giants in Jiangnan. The horror of their power is beyond our imagination!"

Baishan's cold sweat, Flowing down, he asked Lin Fan with horror on his face.

More than him!

Bai Yi and Shen Yumei, who were next to them, also woke up from the shock just now.

When the mother and daughter thought.

What my family is about to face is the shocking anger of the Jiangnan hidden world giants, and the mother and daughter only feel a tingling scalp.

That's it!

Even if their new Bai family is backed by the great support of the Shengshi Group and a group of chaebols in the south of the Yangtze River, how can they be compared with the terrifying family that has been standing in the south of the Yangtze River for a hundred years.

This is a pebble hitting a rock!

Even Bai Yi has seen the scene of the destruction of his new Bai family.

"Jiangnan Bai?"

Looking at the panic of the Baiyi family of three, Lin Fan just smiled, and then said:

"Parents, wife, don't worry! The so-called Jiangnan Bai's are just bigger ants.!" "

If they do not too much, that's no problem, if they are too much, I'll make this family a hundred years, from the vanished! "

overbearing!

Arrogant!

Hearing Lin Fan's words, the Bai Yi family was slightly taken aback.

Do not know why!

At this moment, they actually felt a terrifying aura of looking over the world from Lin Fan's body.

That kind of feeling, as if everything in this world, was just a cloud of smoke in Lin Fan's eyes, and he waved away with him.

This is definitely the first time that the family has sensed this kind of aura from Lin Fan.

"Lin...Lin Fan, are you really the Grandmaster?"

Bai Yi looked at Lin Fan in disbelief.

Although she had seen Lin Fan's force before, she had always thought that he would only be able to do some work, far beyond ordinary people.

But today!

Between the wave of hands, the two quasi-grand masters, Bai Wen and Bai Wu, had no strength to fight back, which was simply unimaginable.

It's not just Bai Yi.

The gazes that Bai Shan and Shen Yumei looked at Lin Fan were also deeply shocked.

Who can imagine that a son-in-law who stays at home every day, can't fight back or scolds, will be a super master?

This is simply incredible.

just!

What surprised the family is that Lin Fan shook his head:

"Wife, I am not a master!"

Isn't it?

Bai Yi frowned and asked suspiciously:

"Then, the two bodyguards of Bai Wen and Baiwu just now, how can you say that you are the master?"

"That's because they misunderstood!" Lin Fan shrugged without explaining too much.

Grandmaster?

That's ants!

How could he be the king of the blood prison as a small master ant?

"Are they wrong?" Bai Yi hesitated.

She could tell that Lin Fan didn't seem to be lying.

However, if Lin Fan didn't lie, and he really wasn't a master, then how could Bai Wen and Baiwu be defeated so miserably in his hands?

This is simply incredible.
