

Chapter: 915

In Bai Chen's tone, he was full of confidence.

And hearing this, the rest of the people also nodded.

Reject Jiangnan Bai's?

That is the worm shaking the tree, looking for a dead end!

And just when everyone wanted to continue talking, there was a loud noise outside the door.

Ok?

Hearing this movement, Old Lady Bai frowned, and a deep displeasure appeared on her face:

"What's the matter? What's arguing outside?"

As his words fell, a housekeeper hurriedly stepped forward, respectfully. Said:

"Back to the old lady, it's... it's the two gentlemen Bai Yan and Bai Wen Baiwu who are back!"

Are you back?

This sentence made the smile on Bai Chen's face more intense:

"Hahaha...It seems that things have been settled!"

"Let them in!"

When Bai Chen's words fell!

The noise outside was silent for an instant, but the next three figures staggered in.

However, when Bai Chen and others looked at it, they were all startled.

Especially the white dust.

As if he had seen a ghost, the whole person stood up from the seat in an instant, his eyes widened, and his face was incredulously asked:

"Bai Wen? Bai Wu? How did you make it like this?"

Confused!

Not only Bai Chen, but the surrounding old man Bai, uncle Bai Hai and others, could hardly believe their eyes.

Bai Yan, with disheveled hair, a bright red palm print on her face, and blood stains on her mouth.

Bai Wen and Bai Wu, their cheeks were cracked, their cheeks were sunken, their entire faces were completely deformed, and they looked utterly miserable.

No one here can imagine how the three people who left in high spirits would come back so embarrassed and miserable.

And just when everyone was shocked.

Puff!

Bai Wen and Bai Wu knelt in front of Bai Chen instantly:

"Master Bai Chen, we are guilty! The Bai Yi family dare to violate our Jiangnan Bai family's order and refuse to hand over the industry and the group!"

"Moreover, that is called Lin Fan's bastard, he hurt us! Ask Master Bai Chen to be our brother! "

Boom!

Hearing Bai Wen and Baiwu's words, the inside of the hall instantly exploded.

Disobey Bai's order!

Lin Fan shot to hurt people?

This... this is crazy.

The faces of every Bai family were filled with deep horror and fear. In their eyes, the Bai Yi family had caused a great disaster, and that Lin Fan was purely looking for death!

"Trash!!!"

Bai Chen's heart was even more furious at this moment.

His handsome face was distorted with anger at this moment, and his entire complexion showed a vicious and cruel expression: Mobile phone terminal:

"Are you two eating dry food? As quasi-masters, since they are The family doesn't know what is good or bad, you should teach them some lessons!"

"And that Lin Fan, he is a trash son-in-law, how could he beat you?"

"You two, you simply lost the dignity of my Jiangnan Bai family!!!"

Bai Chen was furious.

After hearing his words, the deformed faces of Bai Wen and Bai Wu showed a deep wry smile:

"Master Bai Chen, we have all been deceived! That Lin Fan, he is... Grandmaster!"
