Lin Fan didn't know everything about Jiangnan Bai's family.

And now.

The family was completely stunned by the bad news.

Mrs. Shen was seriously injured and dying when he was in Jiangnan City to discuss cooperation with a group.

When the news came, Shen Yumei was almost fainted on the spot.

Baishan and Baiyi were also anxious.

Although on weekdays, the Shen family despised their family in every possible way, Shen Taigong is Shen Yumei's father and Bai Yi's grandfather after all.

There is no way to let go of blood kinship.

This is more than that.

The Kuo Shao who wounded Shen Taigong even let out a rhetoric, letting Bai Yi, the president of Jiang City's first beauty, take 10 million to make a plea, and only then will Shen Taigong and the Shen family be spared. Mobile phone:

Otherwise, only the corpse of Shen Taigong will be sent back.

After hearing the news from Shen Jian's phone call, not only the Bai Yi family, but even Lin Fan, were furious.

He didn't expect that in Jiangnan now, there are still people who dare to beat their own wives without knowing whether they live or die.

Jiangshi Airport!

Bai Yi's family of four is ready to board the plane.

In this trip to Jiangnan, in addition to visiting Taigong Shen, the new Bai family will also establish its own branch in Jiangnan, the provincial capital.

However, the family was quite helpless with Lin Fan's company.

"Lin Fan, are you sure it's okay? You know, you just offended the Jiangnan Bai family. If they knew that you went to Jiangnan City, they would definitely not give up! At that time, you will be very dangerous!"

Bai Yi looked worried. With Lin Fan.

Although they succeeded in annexing the Bai Group, it also resulted in the damage to Jiangnan Bai's interests.

Especially big and small white dust.

It was Lin Fan, the culprit who made Bai Chen's two tasks fail.

and!

In the eyes of the Bai Yi family, apart from being the genius doctor Lin Fan, the reason why Lin Fan was able to escape the danger last time was entirely due to a big luck.

Encountered the four great masters of the Blood Buddha Tu, the result of killing the white three groups.

otherwise!

Lin Fan was afraid that he was doomed to escape.

And now, when he goes to Jiangnan, it is like a sheep's mouth.

Not only Bai Yi.

Baishan and Shen Yumei, who were next to him, also persuaded worriedly:

"Xiaofan, in fact, you don't need to go this time. We are going to negotiate with the other party, not using force!"

"Yes, in case Jiangnan Bai family knows about it. Your whereabouts, according to that guy's fierce style, will definitely not let you go!" The Bai Yi family of three was extremely worried about Lin Fan.

Just heard this.

The corners of Lin Fan's mouth couldn't help but show a playful arc:

"Wife, parents, don't worry! I believe that as long as the Jiangnan Bai family is not a fool, I will definitely not dare to touch my hair!"

What!

Hearing Lin Fan's confident and even somewhat arrogant words, the Bai Yi family of three next to him was completely speechless.

After seeing the persuasion not to move Lin Fan.

They could only take Lin Fan and board the passenger plane heading to Jiangnan.

In first class.

When the Baiyi family just found their place to sit down.

Suddenly, a surprised man's voice came from a first-class seat next to him:

"Huh? You are... Bai Yi school girl?"
