

The Best Son in Law Chapter 31 – 35

Chapter 31

Haoden Ye, of course, didn't know that Li Meiyan had already hit on him, and he separated from Maya Shen and went straight back to the shop.

"Mr. Ye, why are you in a place like this?" A pleasant voice was heard and Sun Qian's beautiful figure walked in.

"Miss Sun!" This sexy girl, every time Haoden Ye saw it, his heart couldn't help but skip a beat.

This girl was really too sexy for a man to look at, and he couldn't help but flutter his imagination.

"Mr. Ye still remembers me!" Sun Qian smiled and walked in, her petite body immediately pressed up against Haoden Ye's, "People thought you didn't remember them!"

"Miss Sun, you mustn't!" Haoden Ye one head two big, leaning so close, it's hard not to commit a crime.

"Ye is so annoying, do you think she's not pretty enough?" Haoden Ye had just dodged, but Sun Qian stuck to him again and even hugged his arm.

"Sun... Miss Sun, why are you like this?" Haoden Ye also panicked, it didn't seem good to be pestered by such a big beauty.

Sun Qian was surprised and looked at Haoden Ye, why was this rich second generation so strange.

There was a beautiful woman to fall back on, but he was still like avoiding the plague.

“Does Ye always think that I’m too casual?” Sun Qian revealed a sad look, “Actually, I’m not usually like this.”

Saying so, she did distance herself from Haoden Ye, but those watery eyes....

Crime! Haoden Ye’s heart cried out.

But he heard Sun Qian one mouthful of General Manager Ye, he should think of him as a rich man, Haoden Ye quickly explained, “You’ve been called my General Manager Ye, I’m just like you, I’m an ordinary person!”

“Ordinary people?” Sun Qian’s head tilted and fixed a glance at Haoden Ye before puffing out a laugh, “Can an ordinary person get to know the city’s Public Security Bureau’s Director Wu and have him step in to help you settle those punks? You can’t be funny, Mr. Ye!”

Bureau Wu should be the one that Zyden Holander hired to help himself, and Haoden Ye only just found out that he was the director of the city’s Public Security Bureau.

“Miss Sun, I’m really an ordinary person, but I just happen to know Bureau Wu, you see this shop is mine, if you don’t believe me, ask the next two!” Haoden Ye quickly explained.

Sun Qian’s heart “cut” and said, “When I don’t know, you rich people like this trick of pretending to be poor.”

“So that’s how it is!” Sun Qian immediately started acting mode and looked at Haoden Ye with an adoring face, “But the fact that Director Wu is willing to help you shows that you’re great! And you saved me, so I’ll thank you for everything, won’t I?”

Haoden Ye couldn’t think of a reason to refuse, so he scratched his head and said, “How are you going to thank me!”

“Of course I’m taking you to dinner,” Sun Qian smiled hip-hop.

“O Little Leaf, a friend is here!” The uncle who repaired the mobile phone next door walked to Haoden Ye’s door and greeted him with a smile.

Haoden Ye had been in this shop for several years, and the two next door treated him like a mouse dodger, never greeting him.

“Hello, Uncle Li!” Haoden Ye greeted politely, but he distinctly noticed that Uncle Li’s pair of thieving eyes quietly aimed at Sun Qian.

“Good, good, Little Ye ah, come to my place sometime, huh?” Uncle Li said, walking away one step at a time, his eyes reluctantly leaving Sun Qian’s delicate body.

“Alright, just one meal, just thank me then and forget it!” Haoden Ye only had a chance to address Sun Qian.

“Haoden Ye, haha, you’re busy!” At this time, another next door barber shop’s small Zhang walked through his door, also a pair of eyes on Sun Qian.

Haoden Ye laughed bitterly in his heart, so he had to deal with the greeting, making up his mind to quickly take this girl away, too good at attracting bees and butterflies.

“Fine, but people don’t just want to eat with you oh! Anyway, I’ll buy you another cup of tea and a chat.” Sun Qian immediately pressed Haoden Ye’s arm to go outside.

Haoden Ye had to close the door and follow her to the McDonald’s not far away.

When they arrived at McDonald’s, the two of them ordered, and Sun Qian couldn’t wait to say to Haoden Ye, “Is there any other business besides this store, Mr. Ye?”

Haoden Ye thought about it, he didn’t want to say anything about this company Shengwen International yet, firstly, he felt that Holander’s money wasn’t his own, so the company was also Holander’s, and secondly, he didn’t want others to know that he had a company.

“No more, I only have this shop, and you shouldn’t call me Mr. Ye either!” Haoden Ye hurriedly said.

“People are used to calling it, what do you want them to call you?” Sun Qian smiled like a hunting fox.

“Just call me Haoden Ye!” Haoden Ye immediately said.

“How can that be, I’ll just call you Brother Ye!” Sun Qian wasn’t willing to give up yet and continued, “Then do you recognize anyone in the entertainment industry, to be honest, I’m an actor, but I can only play a mass actor now.”

Haoden Ye was surprised to hear that this girl was actually an actress.

No wonder, she was so beautiful and had the desire to express herself, being an actress was just right.

“No!” Haoden Ye replied cleanly, then curiously said, “You’re so pretty, you must have a lot of scenes to shoot!”

“Yeah? You think I’m pretty?” Sun Qian touched her cheeks, slightly floating a touch of prop red.

Haoden Ye’s face also couldn’t help but blush, Sun Qian’s personality was very cheerful, making him speak without a sense of propriety.

“Well, Miss Sun is indeed beautiful!” Although it was a mistake just now, Haoden Ye didn’t have the slightest intention of taking it back.

“But people have no drama at all!” Sun Qian shrugged her shoulders, showing a lost look, “Even if there are scenes, they are all bed scenes, and some... people don’t want to talk about it!”

Haoden Ye naturally understood her words, but he was not surprised in the slightest.

With such a pretty face and such a good figure, I would be the first to sneak up on you if I were a director.

He was thinking, when suddenly an angry voice at the door said, “Xiao Qian, it really is you!”

When the two men turned their heads, they saw a young man walk in the entrance of McDonald’s.

The young man's body was slender and well-proportioned, strong but well-muscled, a casual suit on his body, dashing and handsome, while his face was even more handsome, and his temperament was like an idol star.

The young man was followed by four black-clothed bodyguards, while behind him, facing the doorway, was listening to a red Ferrari.

"Xiao Qian, who is he!" The young man walked up to the table of two people and rudely pointed at Haoden Ye and questioned Sun Qian.

"Sun Yuxuan, how many times have I told you that I don't know you well at all, please don't call me Xiao Qian anymore!" Sun Qian had a look of disgust on her pretty face from the moment he entered, "It's none of your business who he is!"

"Sian! I've been chasing you for so long and you haven't shown me a single good face, and now you're having dinner with this kid, where exactly am I inferior to him!" Sun Yuxuan's face turned icy cold.

Chapter 32

"I've already told you I don't like you, and you're the one who's doing it to yourself!" Sun Qian had an angry look on her face and snorted, "Do you think you're great because you're rich? Although I, Sun Qian, like money, I won't be with someone like you because of it!"

At this time the sound of two people arguing had attracted the attention of everyone inside the McDonald's, hearing the content of the two people arguing, many people revealed a surprised look.

"Damn, am I dreaming, or are they making a hype video, why is this woman putting a rich handsome guy who doesn't like her, looking at this poor guy?"

"He's so handsome, I would have fallen for him long ago, this woman is so insensitive!"

"Who is this kid, so lucky to be seen by such a beautiful woman!"

Sun Yuxuan's face gradually became colder because of Sun Qian's words, and suddenly he turned his head to Haoden Ye and said, "Kid! You have five minutes to get the hell out of here or I'll be damned!"

Haoden Ye had been watching the show from the side, but never would he have thought that Sun Yuxuan would threaten himself, he looked embarrassed, and explained, "Mr. Sun, you misunderstood, Miss Sun Qian and I have just met!"

Sun Yuxuan didn't know that Haoden Ye just didn't want to cause trouble and thought that he was afraid of him, the corner of his mouth showed a disdainful sneer and said to Sun Qian, "You like this kind of man, too?"

Sun Qian suddenly stood up from her chair, sat next to Haoden Ye, and kissed him on the cheek.

It was so sudden that Haoden Ye's face was immediately imprinted with a bright red lipstick.

Sun Yuxuan's eyes flashed with a touch of coldness and sneered, "Good, I'll show you today how the man you fancy wants me to beg for forgiveness!" After saying that, he twisted his head to whisper a few words to his own bodyguards.

The four black-clothed bodyguards sarcastically laughed and walked over to Haoden Ye.

"Sun Yuxuan, what are you doing, he is acquainted with the city's Public Security Bureau, Bureau Wu!" Sun Qian's face instantly turned white and quickly stood up to block Haoden Ye.

"Bureau Wu?" Sun Yuxuan sneered and said disdainfully, "You think I'll take that dead fatty seriously, give me a good beating and beat him until he begs for mercy!"

Sun Qian's delicate body trembled slightly, he knew Sun Yuxuan's tactics, today was the day he killed Haoden Ye, he only needed to throw a few million to his bodyguard, and the bodyguard would willingly take the blame for him.

And to him, a few million was nothing more than a sports car's money!

“Miss Sun, please step aside, we don’t want to hurt you!” A bodyguard grabbed Sun Qian’s hand and pulled her to the side.

The people inside the McDonald’s looked at Haoden Ye with pity, clearly seeing that Sun Yuxuan was a bad person to mess with and liked Sun Qian very much.

“Hey! Redhead, who let you find such a pretty girlfriend!” Many people thought regretfully in their hearts.

At this time a bodyguard had already walked up to Haoden Ye and smiled maliciously at him.

“I’ve already said that I’m not related to this Miss Sun at all, it’s your boss who misunderstood!” Haoden Ye was a little scared as he watched the other party about to fight.

It wasn’t that he hadn’t been in fights before, when his own two-dollar store first opened, there were punks who came to pick on him, and Haoden Ye had tried to protect his interests, but he was beaten up half to death.

And when he couldn’t get up from the beating, there wasn’t even one who would call 120 for him.

“Hehe, who made you unlucky, our boss wants to tell Miss Sun that if she dares to be with another man, that man will definitely not end well, but don’t worry, the most we’ll do is break your legs and make you a cripple!” The bouncer laughed heedlessly and said lightly.

After saying that, his fist wanted Haoden Ye to fly over.

Sun Qian’s face was pale and closed her eyes in fear, she regretted very much that she shouldn’t involve Haoden Ye in this.

And Sun Yuxuan was showing a cold smile, a poor man is only a few million dead.

However, the scene that happened very quickly made him dumbfounded.

But that fist was about to reach Haoden Ye's face when it suddenly stopped while one hand held the bodyguard's fist.

The people inside McDonald's all turned pale!

In everyone's eyes, Haoden Ye had one hand up, firmly holding the bodyguard's fist, and it didn't look like he was using much strength at all.

"I'm sorry, I've explained this many times, I really don't want to fight anyone!" Haoden Ye showed a bitter smile, and with a gentle push of his arm, the bodyguard who looked like he was 60 or 70 kilograms was pushed five steps away.

Everyone stared at him, and it felt like an unrealistic feeling like acting in a movie.

Haoden Ye's body wasn't robust, but his strength was so great.

The other bodyguards were also dumbfounded, and no one dared to make another move.

Sun Yuxuan was surprised for a while, and a look of shame and anger once again appeared on his face.

"What are you staring at, kill him for me!" In his mind, even if Haoden Ye was strong, he might not be a match for a few people.

These few bodyguards of his could be international level fighting experts!

The rest of the bodyguards immediately attacked Haoden Ye upon hearing this.

"Ah!" A scream came from a bodyguard who had attacked Haoden Ye from behind and was hit between the legs with a back kick from him.

"Ah!" Another scream and a frontal attacking bodyguard is punched under the armpit by Haoden Ye!

In less than ten seconds, all three bodyguards fell to the ground!

Inside the whole McDonald's, the air was terribly quiet!

Sun Qian was also dumbfounded, she didn't think that Haoden Ye could handle Sun Yuxuan's people so easily.

And then Sun Yuxuan's face became very ugly.

"Stinky brat, count you out, wait for me!" Sun Yuxuan didn't dare to stay, cursed and ran away, the limousine going in a desperate bid to leave.

"You're really amazing!" Sun Qian's eyes were full of little stars, kicked the bodyguard who was still on the ground and fell into Haoden Ye's arms, "Ah! Did you get a nosebleed, did you just get hit?"

Haoden Ye laughed bitterly in his heart, his nose bleeding wasn't because he was hit, but because of... certain indescribable things.

"Do you still have your dagger with you?" Sun Qian once again revealed a surprised look and grabbed at Haoden Ye's pocket.

Haoden Ye's heart jumped and quickly took a step back, covering his nose, "No, I didn't bring a dagger... I mean I brought a dagger... and it's not a dagger!"

Sun Qian saw him fidgeting with his words and suddenly blushed pretty red in realization.

"Let's go somewhere else to eat!" Seeing the people inside the shop looking at him with envious eyes, Haoden Ye quickly said to Sun Qian.

"Yes!" Sun Qian smiled like a little fox and nodded gently, "My treat!"

Two people left McDonald's and searched for a restaurant along the way, and Haoden Ye plugged his nose with toilet paper.

Shopping with a beautiful woman, he received many envious looks from people.

Chapter 33

“What’s the deal with you and that Sun Yoo Hwan! He looks quite rich!” Haoden Ye had nothing to say.

“He’s the vice president of our city’s Huawei Entertainment, and he’s also a popular figure in our city’s entertainment industry!” When Sun Qian heard Sun Yuxuan’s name, her face showed a look of disgust.

Haoden Ye saw the look on her face and wondered in his heart, why aren’t all beautiful women like rich and handsome men?

“You said you’re an actor and he’s an entertainment sensation, why wouldn’t he pursue you!” Haoden Ye couldn’t help but inquire curiously in his heart.

When Sun Qian heard it, she had an aggrieved look on her face and slowly lowered her head.

Haoden Ye’s heart jumped and quickly said, “I’m not saying that you’re a money-hungry woman, it’s just that many beautiful women like such men!”

Sun Qian gave him a wry smile, as if the haze had lifted, before she said, “I do like money, just not like him. I want to make lots and lots of money on my own and marry a man who really loves me!”

Saying that, her face immediately went cold, “All Sun Yuxuan saw was my body, he offered to sneak up on me the first time we met, I refused, then he pretended to love me and pursue me, in fact I already knew that he had a fiancée, Lin Yumo, the big miss of the Lin Clan!”

“What! Lin Yu Mo!” Haoden Ye’s eyes widened as he listened.

Lin Yumo but now the domestic premier actress, international level, acting since the age of eight, proficient in all kinds of drama, sometimes pure and sweet, sometimes flirtatious and touching, sometimes gentle and graceful, in short, the image of the goddess in men’s hearts, no she will not act!

Of course, the acting is only second to none, men like her because of her looks, Lin Yumo’s looks can be completely said to be heavenly beauty, almost as a national YY object.

It is said that a famous Hollywood movie star once proposed to Lin Yumo!

Moreover, in addition to Lin Yumo's supreme position in the showbiz world, her background was also very strong.

Her father was the president of the Lin Group whose strength could almost compete with the Holander Group, her own uncle was the commander of a military region in the south, her own uncle was the director of a national television station, and her....

All in all, her relatives are either powerful or rich!

I can't imagine that Sun Yuxuan is Lin Yumo's fiancé, so wouldn't he have offended a cruel man?

Seeing Haoden Ye's surprised look, Sun Qian smiled and said, "What's wrong? Scared? But you don't have to worry, I heard that Lin Yu Mo doesn't approve of this marriage and has refused to agree to the engagement!"

Haoden Ye laughed bitterly in his heart, thinking that that was also a big trouble.

The two of them went to a western restaurant and ordered a few cheap dishes.

"Brother Ye, can you help me ask Wu Bureau if he has any friends in the city's entertainment company!" Before the food came up, Sun Qian couldn't wait to ask.

Haoden Ye smiled bitterly and shook his head, "I'm not even close to Bureau Wu!"

Sun Qian revealed a disappointed look, she didn't think that Haoden Ye couldn't help her, thought that Haoden Ye wasn't willing to help her at all, a strange girl.

When Haoden Ye saw her sad, he suddenly thought of Zyden, and wondered if he knew anyone else, and quickly said, "But I can also ask other people for you!"

Sun Qian was overjoyed to hear this and immediately showed gratitude to Haoden Ye.

During the meal, Sun Qian ate very happily and talked a lot with Haoden Ye.

After finishing the meal, Sun Qian was only reluctant to leave Haoden Ye, and Haoden Ye quickly made a phone call to Zyden.

“Little Ming, I’m asking you one thing, do you recognize anyone from the entertainment company in the city, I have a friend who wants to act!” Knowing that Zyden’s character was straightforward and didn’t like hypocritical hospitality, Haoden Ye got straight to the point.

“We Holander’s Group has an investment in an entertainment company, so why do we need anyone else?” Zyden didn’t take it as a big deal.

“I’ll send you her information!” Haoden Ye used the chat software to send over Sun Qian’s information.

These were given to him by Sun Qian just now, and soon the phone rang with Zyden’s reply, “The conditions are good, and the image is also good... But it’s not that you’ve been submerged!” This took on a joking tone: “If it were one of my sisters-in-law, I could focus on holding her up and guarantee that she’d be red hot within two months!”

“Of course not!” Haoden Ye’s face flushed, remembering Sun Qian’s beauty, his heartbeat couldn’t help but speed up.

“All men, you don’t need to hide it from me, I see that this woman is not bad, she’s worthy of you!” Zyden laughed hip-hop.

Haoden Ye said a couple of words of thanks and hung up the phone.

“If there’s no Zyden, Sun Qian must not even look at me!” A strange thought suddenly appeared in Haoden Ye’s head, and his mood fell lonely.

He could see that Sun Qian was a very realistic girl who placed more importance on interests and money, but she was also very principled and strong.

Sighing, Haoden Ye walked towards the shop and received a call from Zyden halfway.

“Brother Ye, the girl you mentioned I’ve already arranged to be in the new movie I started filming recently, female number one, are you satisfied?” Zyden smiled heedlessly, “You’re guaranteed to make it to the bases today!”

“I don’t really have anything with her!” Haoden Ye smiled bitterly.

“Hehe, feelings can develop,” Zyden smiled and hung up the phone.

“Haoden Ye, you’re really amazing!” Just hung up the Zyden phone, Sun Qian called, sounding incomparably excited: “Not only did you help me find a new play, but it’s also a play by our city’s famous director Sun Wu Sun, the martial arts version of Liang Zhu, and it’s the female one!”

This Director Sun Haoden Ye knew, had made many popular movies, the style of film and television was more martial arts, and his own mother-in-law was more fond of the movies he directed.

“Oh, no need to be polite, Director Sun can see you because you have acting talent!” Haoden Ye hurriedly said a couple of polite words and pushed the credit to Sun Qian herself.

“Brother Ye is too modest, there are so many beautiful looking and acting people these days, without Brother Ye, how would Director Sun see me, I must thank you properly!” Sun Qian’s tone became soft and charming, “Can you come to someone’s school tomorrow? I’m moving to the set tomorrow, what if I don’t have time to treat you later!”

Haoden Ye was in a stir, and Sun Qian’s voice was really soft and charming, making his body light to hear it.

“Okay...okay, tomorrow I’ll...I’ll come to your school to find you!” Haoden Ye’s face had a hot feeling, but he started to get shy, and hung up the phone after saying that.

“Hehehe!” On the other end of the phone, Sun Qian also hung up the phone, the corners of her mouth curved up in a flirtatious manner, “Obviously so powerful, but always acting like he’s never seen the world, this man is so interesting!”

Chapter 34

In the evening, Haoden Ye closed the shop and went back to rest, and when he arrived at home, it happened that his mother-in-law Milda Hao came down from her Mercedes Benz.

Haoden Ye didn't dare to greet her and pretended not to see walking towards home.

"Humph! It's really bad luck today, with all the distractions in the restaurant, and I just arrived at my doorstep and bumped into this loser!" Milda Hao slammed the car door and said loudly without caring about Haoden Ye's feelings.

Haoden Ye pretended not to hear, but he looked lonely.

The dinner was very dull, Milda Hao with a sunken face, a look like always wanting to find fault with Haoden Ye, Haoden Ye was so nervous that he didn't dare to take a breath.

The good thing is that usually Milda Hao also does not give him a good face, Haoden Ye is used to dealing with her, and after dinner went to brush the dishes as usual.

"Mom, is there anything unhappy today?" Eating dinner, seeing that her mother was in a bad mood, Maya Shen and Milda Hao sat on the sofa watching TV and casually asked.

"Forget about it, the people from the Bureau of Industry and Commerce came to investigate our restaurant again, nonetheless saying that there have been more complaints from our restaurant customers lately!" Milda Hao looked exasperated.

"Is the restaurant really that much of a problem?" Maya Shen listened and became worried.

"Hmph, what could be the problem!" Milda Hao left her mouth, revealing a sneer: "Still not picking the bones out of the egg and knocking the mountain out of the tiger? A few years back, we've been using the Szechuan food next door to our house as typical, but last year the daughter of the owner of Szechuan food Li married a deputy director of the Servcorp law firm, and the Bureau of Industry and Commerce didn't dare to mess with them anymore, so they used my restaurant as typical!"

Milda Hao said, glancing coldly at Haoden Ye.

Haoden Ye had also been eavesdropping on the two people's conversation when he was brushing the dishes, and he couldn't help but mutter in his heart when he heard this.

“So mother-in-law is angry because of this, I wonder if Lawyer Jin can help!” Lawyer Kim was the lawyer who helped him figure out the landlord last time.

“If you really can’t send some money to the IAB!” Mother and daughter certainly didn’t know what Haoden Ye was thinking, and Maya Shen looked worried to Milda Hao.

“Useless!” Milda Hao’s face got bored, and then she looked lost and said, “Who let our family have a bad fate, son-in-law is not as outstanding as others!”

Maya Shen listened to her words, and her look also fell lonely.

In the evening rest, Maya Shen looked at Haoden Ye with some intense disappointment, making Haoden Ye feel very sad, so he didn’t dare to say a word and went to sleep.

In order to avoid Milda Hao, Haoden Ye got up early the next day.

“Usually not motivated, what’s the use of being so positive today?” Maya Shen was woken up, thinking that Haoden Ye was trying to show off because of what Milda Hao said yesterday, and snorted under the covers.

Haoden Ye didn’t dare to explain, hurriedly dressed and ran to Sun Qian’s school.

The Fosun Film and Television Academy was one of the top film and television schools in China, where there were countless handsome men and women.

“Stop, are you a student here?” As soon as Haoden Ye reached the door, he was stopped by the security guard, who came over with a serious face.

As soon as he looked at the poor and ordinary clothes on Haoden Ye, he knew that Haoden Ye definitely wasn’t from the film and television academy, and the school’s students would be very particular about their clothes even if their families were bad.

“I...I’m here to find someone!” Haoden Ye hurriedly explained his intentions.

“Looking for someone?” The security guard looked at him with a bad face, his eyes full of contempt, and his tone was somewhat reprimanding, “No outsiders are allowed in the school, tell me who you’re looking for and wait outside!”

At this time, there were many students coming in and out of the school entrance, and when they saw the security guard reprimanding Haoden Ye, they were pointing and laughing with contempt on their faces.

“He’s here for me!” At this time, a feminine voice sounded, and Sun Qian came over with her arms in her arms and her face cold.

“Sun... Sun School Flower!” The security guard was dumbfounded, Sun Qian is a school flower level beauty in the school, and the rich young man Sun Yuxuan is chasing Sun Qian, everyone in this school knows, he wouldn’t dare to offend Sun Qian.

Many students in front of the school also looked dumbfounded, no one could have imagined that Haoden Ye, a poor man, knew Sun Qian.

“Sorry, I didn’t know he was your relative!” The security guard hurriedly bowed to Sun Qian.

Sun Qian quickly walked to Haoden Ye, glanced coldly at the security guard, and suddenly grabbed Haoden Ye’s arm and said, “He’s my friend!”

“What!” The security guard was once again dumbfounded, “He... he’s your... friend!”

Those students at the entrance of the school were also dumbfounded and stood still, looking at Haoden Ye and Sun Qian with stunned eyes.

Haoden Ye’s face suddenly started to burn, and he didn’t expect Sun Qian to say this.

“I still have departure formalities to complete, so go to my dormitory and wait for a while!” Sun Qian didn’t care about other people’s gazes and pulled Haoden Ye inside.

“Actually, just say that I’m here to help you with your stuff, it’s better than having people misunderstand that you have a poor friend like me!” Walking away, Haoden Ye quickly drew back his hand and looked apologetic.

“Nasty, people’s family conditions are already bad, they love misunderstandings to stay misunderstandings okay?” Sun Qian looked at Haoden Ye with a careless face: “I like people who rely on their own efforts, relying on family is no skill!”

Haoden Ye admired the girl in his heart, Sun Qian puffed out a coquettish laugh, “How is it, do you think you didn’t help misidentify!”

The two of them said that when they reached the bottom of Sun Qian’s dormitory, Haoden Ye looked out, and his face became a red rag.

The girls’ dormitory, and it was also the girls’ dormitory of the Film and Television Academy, the scenery was truly extraordinary ah.

A girl with a sexy body and a beautiful appearance, a burst of heel-softening coquettish sounds came, and colorful lingerie drying on the window sill fluttered in the wind.

“Sun Qian! Why did you get a removal worker?” A few silhouettes came out from the entrance of the dormitory, each with pretty looks, pale skin and slightly disgusted eyes, obviously misunderstanding that Haoden Ye was a worker who had come to help Sun Qian move her things.

“But he’s got a nice figure, it’s not like you’re faking it and trying to pick up someone!” A girl with a petite figure walked at the front with a narrow smile.

A few girls giggled, Sun Qian didn’t blush, but Haoden Ye blushed first.

“Go go go, a bunch of female perverts!” Sun Qian didn’t have a good look at a few people, “He’s my friend, not a porter!”

Seeing these girls, Haoden Ye’s face changed slightly!

He found that these girls had a cloud of blackness on their foreheads, but it was very light in color and not life-threatening for now.

“This poor boy is Sun Qian’s friend?” Several girls looked strange when they saw the poor clothes on Haoden Ye’s body.

When Sun Qian was in school, although she didn’t approach rich classmates, she hadn’t heard how close she was with classmates from poor families!

“Sun Qian isn’t fancying someone, make up this excuse to cover it up, Sun Shao has been chasing her for so long, and she likes this poor kid!”

“Isn’t it all the rage nowadays for the rich to pretend to be poor? Maybe he’s really rich!”

“It’s not like I’ve never seen a rich kid pretending to be poor before, look at his unseen face, he’s still blushing when he sees us!”

A few girls whispered, Sun Qian had a look of shame and anger on her face, and she didn’t attack on the spot, pulling Haoden Ye inside.

Chapter 35

“Hey, handsome, come on in and have a seat?”

Walking in the hallway of the girls’ dormitory, the sound of girls laughing and joking is constantly ringing in my ears.

Are all the girls so hot now? Haoden Ye laughed bitterly in his heart, his face was hot.

He was actually not bad looking, very clear looking, slightly masculine, but he usually looked cowardly, it was easy for people to overlook this.

The girls of the film and television academy are usually in contact with people who are rolling in the entertainment industry, which one is as introverted as Haoden Ye, so seeing him blush these girls were immediately interested.

Of course, Haoden Ye was not just embarrassed about being teased by a girl at this point, but more worried.

He noticed that almost every girl had black gas on their foreheads, both thick and light, and some of them were sometimes absent.

And the only one who didn’t have blackness was Sun Qian!

Haoden Ye thought that she would be leaving the girls’ dorm today, and immediately judged that the blackness on the girl’s forehead must be related to this dorm.

“What are you doing! How can a boy enter a girl’s dormitory!” Just after arriving at the door of the boarding aunt’s duty room, a majestic cold voice came out.

With the voice, an old man with grey hair and a straight figure walked over.

Despite his age, the old man's spirit was very full, his eyes were sparkling, and he possessed a strong artistic atmosphere that ordinary old people didn't have.

"Sun Qian! Did you bring this man in?" The old man walked up to Sun Qian, his eyes very stern.

Sun Qian was obviously very afraid of the old man, her pretty face slightly white, and she quickly said respectfully, "Principal Zhang, this is a friend, come in and help me move some things!"

Principal Zhang swept a glance at Haoden Ye with a sunken face, his eyes slightly surprised and a little disappointed.

Sun Qian was his prized student, how come she made friends so level-less, even a poor kid like Haoden Ye was in contact.

"Sun Qian, I know you're now working with Director Sun and being a female, but the better your future, the more you should pay attention to the usual details, the school has school rules, how can you just bring boys in?" Principal Zhang's tone gentled down.

Sun Qian quickly apologized, and Haoden Ye followed suit.

"Haha, Principal Zhang should be proud to have such an excellent student, isn't it just bringing a boyfriend to the dorm? It's not exactly big...eh?" As soon as Headmaster Zhang finished speaking, a loud laugh came out, and a silhouette came out from behind Headmaster Zhang, and when he saw Haoden Ye, that person had a contemptuous smile on his lips.

When Haoden Ye heard the voice, he also looked over, but he saw that this person was in his early thirties, with thick eyebrows and big eyes, a pair of inverted triangle eyes on a national face, giving him a gloomy feeling.

And Haoden Ye also noticed that when this person said this, he secretly glanced at Headmaster Zhang with some gloating in his eyes, as if he was happy to see Headmaster Zhang angry.

“This student should not be from our university, right?” The middle-aged man gaped at Haoden Ye and looked at him with a slight smile.

“No, I’m not a college student?” Haoden Ye replied very honestly.

Hearing his words, Headmaster Zhang’s face turned gloomy, obviously he was very unhappy about Sun Qian befriending an idle member of society like Haoden Ye.

“Social personnel are even more unable to enter the girls’ dormitory! Sun Qian, the school will give you a warning about today’s incident!” With a muffled grunt, Principal Zhang.

Sun Qian was busy apologizing again, but her face looked distinctly unconcerned.

Principal Zhang didn’t say much and took the middle-aged man out.

When Haoden Ye saw the two people leave, he was anxious, he already saw that there was something wrong with the girls’ dormitory, and if he didn’t bring it up quickly, he was afraid that it would be dangerous right away.

“Headmaster Zhang, wait a moment!” Seeing that Headmaster Zhang had already reached the entrance of the dormitory, Haoden Ye finally couldn’t help but shout.

Only then did Headmaster Zhang and the middle-aged man stopped and turned around together to look over, both with some impatience in their eyes.

“Headmaster Zhang... Headmaster Zhang, I’d like to ask if anything strange has happened in the girls’ dormitory recently!” Haoden Ye was staring at Headmaster Zhang’s gaze, but he felt like he was being reprimanded by his strict father and habitually avoided his eyes.

“Strange?” Headmaster Zhang was also stunned and turned his head to look at Sun Qian, his heart couldn’t help but sneer, “What else could be strange except that the promising Sun Qian has a boyfriend like you!”

Muffled, Principal Zhang said, “What do you mean!”

Haoden Ye was shocked by his stern tone, and his heartbeat couldn't help but speed up.

His character had always been weak, and he rarely had the courage to speak face to face with Headmaster Zhang's stern teacher, plus what he was about to say was too appalling.

"I... I was going to say that I just observed that every girl in the dormitory has blackness on her forehead!" Haoden Ye gathered his courage and said everything that needed to be said in one breath.

With one sentence, the originally noisy girls' dormitory became quiet, and everyone stared at Haoden Ye with wide eyes.

Headmaster Zhang had an incredulous look on his face, but someone dared to play tricks in front of him, but the middle-aged man's face changed dramatically, and a dangerous glint flashed in his eyes.

The middle-aged man was Li Feng, the school's director of accommodation, and there was indeed something wrong with this girls' dormitory!

Sun Qian was also full of surprise at this time, if it wasn't for Haoden Ye helping her to become the female number one in the movie, she would have thought that Haoden Ye was crazy.

The other people in the girls' dormitory, on the other hand, were looking at Haoden Ye with astonished and ridiculous eyes.

There was black gas on his forehead? That's ridiculous. This guy's not crazy, is he?

"You! What do you mean!" Headmaster Zhang came back to his senses and blushed furiously, pointing at Haoden Ye in a fit of rage, "How dare you pretend to play tricks in a higher school, simply too insolent! Security! Hurry up and call the police!"

Upon hearing this, Sun Qian was shocked and rushed forward to plead, "Principal Zhang, don't be angry, my friend is joking with you!"

“I’m not kidding!” Haoden Ye spoke from the heart, instead of feeling less nervous, and said righteously, “When I first came in, I noticed that every single person in the girls’ dormitory had black gas on their foreheads, and soon they’ll be in danger!”

Everyone had a ridiculous look on their face when they heard that.

Come on, what age was this and still playing this kind of stalk?

“Outrageous!” Li Feng’s heart was panicking, but his face was a look of anger as he glared at Haoden Ye, “Seeing how honest you look, I thought you were a nice guy, but I never thought you’d come here to woo me! Hurry up and get out of the school, don’t defile this pure land!”

Sun Qian could not help but smile bitterly now as she saw that there was no avoiding the matter.

She looked at Haoden Ye and saw that although his face was a little fearful because of the school leader’s reprimand, his eyes were firm.
