

Chapter 402

“You! Shameless!”

Knowing the other party's purpose, Maya Shen became furious.

“Huh? Don't pretend to be so noble. I can get as many women like you as I want! I'll sit down and talk to you, but just to get you to volunteer! Even if you don't obey me, sooner or later you'll obey the suitor!”

Zhao Chengfeng was scolded in public and his face was embarrassed.

Zhao Chengyu's order was to force Muah Shum to give in!

The one who showed up was Zhao Chengfeng, but the one who did the work was him, Zhao Chengyu.

A woman's self-esteem drops once she has an affair with someone else, and she is still at Zhao Chengyu's mercy at this time?

As for why Zhao Chengyu himself didn't come, it was mainly because he didn't want to be the bad guy and affect his public image.

At this point Maya Shen's fist dug in, her face white with anger.

However, she also knew that what Zhao Chengfeng said was true.

Once Zhao Chengfeng dragged out the contract, the company was going to lose money.

Blame it on myself, for being in too much of a hurry and not negotiating the details carefully enough... as much as \$200 million in breach of contract!

“Hey, I’ll give you a day to think about it, but if you don’t, you’ll be waiting for your company to be wiped out with you!”

Zhao Chengfeng slowly stood up and proudly walked away.

It was just getting dark, and Haoden Ye and Sister Jiuera took the bus back to the city.

After discussing the details of the cooperation with Sister Jiuzi, Haoden Ye was very happy to go home.

Sister Jiuzi, in order to thank him, promised that if the investment lost money, she would bear it, and if it made a profit, all the money from the profit would go to Haoden Ye.

For this advantage, of course, Haoden Ye has to take advantage of it, knowing that this cooperation he also put out a lot of effort.

And he didn't make Sister Jiuera suffer, so why not.

Just before arriving at the house, I saw that Maya Shen's car had just stopped as well.

As soon as she got out of the car, Maya Shen was cold, and when she saw Haoden Ye, she immediately said angrily, "Haoden Ye, where did you go last night, why didn't you tell your family!"

Yesterday, he had been thinking about Zhou Fei Fei, and Haoden Ye forgot to tell his family that he wouldn't be back.

"Sorry Maya, I was so busy I forgot!" Haoden Ye quickly apologized.

"Not even talking about it, knowing that the family would be worried?"

The more Maya Shen spoke, the angrier she became, and in the end, there were tears coming out of her eyes.

Seeing her cry, Haoden Ye's heart shook with tension.

Thinking that his wife must have been very worried about him last night, Haoden Ye felt regret.

Quickly stepping forward and hugging Maya Shen, Haoden Ye apologized, "I'm sorry Maya!"

Maya Shen was originally grieving, but after hearing him apologize, she finally couldn't restrain herself.

"Haoden Ye, I'm sorry, I didn't mean to get mad at you... I lost money for the company and a lot more!"

The sound of sobbing and weeping sounded, and Maya Shen lowered her head.

Upon hearing that it was a loss of money, Haoden Ye wasn't worried.

"Maya, it's okay, it's just money, no one will blame you!"

Haoden Ye's tone was gentle.

"You don't understand, I'm losing a minimum of \$200 million on this one!"

The more Maya Shen said, the more sad it is, hard work for a year, the company still makes less than 200 million.

“Two hundred million?”

Now Haoden Ye was also surprised, Maya Shen’s working ability was clear to him, how could she casually lose 200 million.

“It’s okay Maya, 200 million isn’t much, I’ve earned it back by selling a few more pills Kuu!”

Trying to look relaxed, Haoden Ye comforted Maya Shen

Seeing his warm eyes, Maya Shen’s heart surged with happiness and hugged Haoden Ye tightly.

“Tell us what the loss is because of first, and maybe we can make up for it!”

Haoden Ye also understood that even if he made his money back, in the heart of the strong Maya Shen, this matter was still a pit.

Intermittently, Maya Shen told the story.

“I never thought that this Zhao Chengfeng would be so sinister as to use this method against me, Haoden Ye, I’m so sorry!”

After saying things, Maya Shen apologized repeatedly.

And then, Haoden Ye's eyes had narrowed.

When I heard Maya Shen say Golden Jade Entertainment, Haoden Ye still didn't know that this company had a relationship with Zhao Chengyu

However, upon hearing of Zhao Chengfeng's name, Haoden Ye immediately connected Zhao Chengfeng with Zhao Chengyu.

"I can't believe he did this!"

A surge of anger rose in his heart, but Haoden Ye's face remained relaxed.

"Maya, don't worry about it, I'll help you out!"

"Forget it, you'd better not get involved, the worst that can happen is that I'll pay for it, and the money will be on my own account!"

Lowering her head, Maya Shen lost her way

Seeing his wife sad, Haoden Ye was naturally distressed.

Without further ado, the two men returned home.

All night long, Maya Shen was down and out.

At night, Maya Shen fell asleep, and Haoden Ye got up and went to the window and shouted to the outside, "Miyu!"

With a whoosh, a shadow swept in from the outside of the window.

"Hey boss, I didn't look inside this time, I just hid in the corner!"

The first time he was called in by Haoden Ye, Miyu had a few moments of embarrassment.

"Let's not talk about that, do you know Zhao Chengfeng?"

Haoden Ye frowned.

"Boss, let's go out and talk about it, so we don't wake up our sister-in-law!"

At the mention of this person, Miyu looked serious.

Nodding gently, the two men went over the window to the outside.

“As the Holander family’s bodyguard, we Mickeys more or less know some information that others don’t!”

Seeing safety around him, Miyu lowered his voice.

“As you know, the Holander family has us as bodyguards, as do other families, and we have personal friendships with these bodyguards, so we still understand each other’s protection!”

“This Zhao Chengfeng is Zhao Chengyu’s cousin, one of the heads of Zhao Chengyu’s Golden Jade Entertainment, he’s actually not very capable himself, he mainly helps Zhao Chengyu with his unsightly deeds!”

When he heard this, light shone inside Haoden Ye’s eyes.

“See, it’s an illegal thing, isn’t it?”

Miyu was busy shaking his head, “No!”

He licked his lips before continuing, “Actually, it’s something that can’t be known to the public.”

“A lot of big companies have special media relations under their hands to maintain their credibility, and these PR firms have a wide network of people who can hype and erase anything and everything as long as they are paid!”

“Zhao Chengyu has a great public image, but few people know that he’s a man with a beastly face and his biggest flaw is sleeping powder!”

“Anyone in the fan base that he’s interested in, he’ll find someone to get his hands on, and these are women who really like him and want to be with him after being slept with by him.”

“Some women threaten with special tactics, such as photos of two people dating, or getting the media to release them!”

At this point, Mi Yu’s lips revealed a smirk, “This is the time for Zhao Chengfeng to make his move, he will use his PR power to twist the facts and make up all kinds of rumors about these women!”

“Some women can’t handle it and simply choose to commit suicide!”

Chapter 403

“Oh?”

Haoden Ye’s eyes narrowed.

Against Zhao Chengyu, he really didn’t have a mental picture.

And Zhao Chengfeng, who was Zhao Chengyu's cousin, was equally bottomless.

“Boss, I've heard about him bullying his sister-in-law, should I go teach him a lesson!”

Watching Haoden Ye fret, Miyu's eyes narrowed.

“Are you capable of doing that without anyone noticing?”

Hearing his words, Haoden Ye rolled a white eye.

“Besides, even if he did, would Zhao Chengfeng give up bullying Maya after taking such a big loss?”

He's rich, and he's protected by a contract.

“Watching your sister-in-law get bullied makes you feel really bad!”

Shrugging his shoulders, Miyu showed a look of exasperation.

Haoden Ye's heart was a little surprised that this kid would even think of Maya.

He was wrong, though, Miyu was a high-minded and very prideful person.

Forced to come to protect Haoden Ye, he consciously elevated Haoden Ye's status in his heart as well.

Haoden Ye's wife was being bullied, and he, the bodyguard, of course felt embarrassed.

“Leave this to me! You tell me where he lives now!”

After some thought, Haoden Ye decided to take action himself.

The night is hazy, inside the room of the Phoenix Hotel in Dan City.

“Second Brother, don't worry, this matter is almost secure!”

Zhao Chengfeng held a wine glass in his hand, proudly on the phone.

“How is that woman now? Did you have someone follow her? In case she tells her husband, I might be in one more trouble!”

Inside the phone, Zhao Chengyu sounded a little unsure.

“Haha, don’t worry, women usually don’t dare to say anything when it comes to this kind of thing!”

Zhao Chengfeng, however, wasn’t worried at all and shrugged his shoulders.

“That’s two hundred million dollars, and her husband would hate to send her to your bed if he knew!”

“But I hear they’re very affectionate!”

Zhao Chengfeng was still uneasy.

“Haha, how deep can a relationship be these days?”

Zhao Chengfeng left his mouth open, his confidence was not without reason.

What kind of relationship is worth two hundred million in today’s society?

Unless he’s the owner of a large corporation like Zyden, he simply doesn’t take money for granted.

He's seen too many chaste women who've fallen victim to this kind of thing, not even daring to tell their husbands, and have become the playthings of other men.

I've also seen too many men who hear that their wives have lost such a large sum of money and send them here nicely.

Afraid that Zhao Chengyu was unsure, Zhao Chengfeng smiled and said, "Don't worry, even if they are married, I still have a back-up!"

Playing with the just in his hand, he watched the bright red amber wine shake in the glass.

"I've arranged people, once they break the contract, immediately arrange for reporters to conduct interviews, will also arrange for lawyers to fight them in a lawsuit, after this incident, their company is even stinking!"

Smiling smugly, Zhao Chengfeng.

"Okay, I'll give you three more days, and within three days, this woman must be good in my bed and let me play with her!"

After saying that, Zhao Chengyu hung up the phone.

Looking at the phone, Zhao Chengfeng's eyes narrowed.

“Three days, I guess I still have time!”

Closing his eyes, the image of Maya Shen appeared in Zhao Chengfeng’s mind.

“I didn’t think a place like Dan City would have such an extreme...Pin’s beauty!”

It wasn’t that he hadn’t seen a particularly pretty girl, but the pretty ones were often a little worse in temperament.

Especially a woman like Maya Shen who is going to be strong and lean will arouse a man’s desire to conquer!

“No, we need to find a woman to let off steam!” Zhao Chengfeng swallowed the wine in his cup in one gulp, picked up his phone and dialed a number.

“Is this the place?”

Haoden Ye lifted his head and looked at the tall Phoenix Hotel.

Stepping into the hotel, Haoden Ye found Zhao Chengfeng’s room.

The room number was something he let Mi Yu get, and Mi Shu had been following Zhao Chengyu for the past two days, and Zhao Chengfeng and Zhao Chengyu had frequent contact, so naturally it also fell into his line of sight.

Squeezing the poison in his hand, Haoden Ye took a deep breath.

Zhao Chengfeng was a member of the Zhao family, and even Old Zheng couldn't help him in this matter.

He's on his own now!

This poison would make people physically uncomfortable, and it was still possible to scare Zhao Chengfeng.

Raising his hand, Haoden Ye prepared to knock on the door.

I can't believe we opened it ourselves!

"Well?Who are you!"

Zhao Chengfeng hurriedly opened the door when he heard footsteps outside and saw that it was a man.

"I'm..."

Just as Haoden Ye raised his hand to cast poison, his face whooshed.

He saw that Zhao Chengfeng was surrounded by a mass of greenish-black Qi!

There were five or six clusters, and although they were not heavy, they were condensed but not scattered.

“Sir, have you been feeling unwell lately!”

Ghostly, Haoden Ye got out of his mouth.

“You’re insane!”

Zhao Chengfeng’s eyebrows furrowed, a look of disgust on his face.

“Sales pitches come inside the hotel, and this hotel doesn’t care?”

After saying that, Zhao Chengfeng slammed the door with a bang.

“Is this person also haunted by a spirit with an obsession?”

Haoden Ye couldn't help but be stunned.

You know, a ghost haunting this kind of thing once or twice is considered normal, and it would be a bit weird to see it frequently.

Looking at his right hand, Haoden Ye wondered in his heart.

“Does it mean that with the soul detention bell, I can see these souls?”

To be sure of his thoughts, Haoden Ye stood in the doorway and gently shook the detention bell.

In an instant, a scream was heard!

The sound came from all directions, as if the entire hotel was full of ghosts!

Some of these voices were getting so far away that they should have run away, while others were drifting in his direction.

Four clusters of green-black Qi from transformed into four beautiful women in front of Haoden Ye.

Although their bodies are emitting black and blue breath, and their appearance is very strange, but you can vaguely see how beautiful their faces are at times.

And they're all naked!

"Daolord spare us, we wouldn't dare!"

Unlike the obsession, all four ghosts were even conscious.

"Who are you guys and why are you pestering this guy!"

Frowning, Haoden Ye was confused.

"Daoist, we all let this man inside get us killed, the ghosts say we have grievances and can't go down to the underworld, we need to resolve them before we can reincarnate!"

One of the long-haired beauties lowered her head, sadness on her face.

"Yeah, I got pregnant by Zhao Chengyu, my husband found out, and I committed suicide out of sadness!"

"I was threatening to make public Zhao Chengyu's relationship with me, and was made to drive a car and play dead by Zhao Chengfeng!"

A beautiful woman with long legs and a thin waist.

“I disobeyed him, paid off an entertainment reporter, made up a story to stink up my reputation, and killed myself with a broken heart!”

A beautiful woman with a plump and sexy body.

Several beautiful women each with their own characteristics, who must have been goddesses to an unknown number of people when they were alive!

Chapter 404

“All four of you want revenge?”

Thinking of Zhao Chengfeng’s viciousness, Haoden Ye’s heart was also very angry.

“Yes, the four of us will not be able to resolve our grievances if we do not punish such wicked people!”

The four souls nodded at the same time, their faces shrouded in green and black breath, emitting a chill!

“So that’s it!” Haoden Ye slowly nodded his head.

The way of poisoning he put aside for the moment and began to ponder if he could use the four souls.

However, it suddenly occurred to him that if he helped these four ghosts cause Zhao Chengfeng to die, he would be punished as well.

Lifting his head, he looked over the four souls.

The four beauties were trembling and looking at Haoden Ye in awe.

These souls, which are enough to frighten an ordinary person, are so fearful in front of Goody.

“Daolord, please let us go, we promise we won’t harm anyone else!”

When the long-haired beauty saw Haoden Ye staring at her, her petite body trembled slightly.

Even though she’s a ghost, she’s afraid of losing her soul!

A ghost with too deep a grudge can’t descend into the underworld, and if a superior person sees her, he or she can just let her be annihilated in both form and spirit, and just check a box in the book of life and death.

Unless the grievance is large enough and dies in a place with heavy gloom, these high spirits cannot deal with it.

The other three ghosts waited for her to finish and nodded fearfully.

“No! You misunderstand me, I have a problem with this man too!”

Hastily shaking his head, Haoden Ye explained.

The four ghosts were dumbfounded!

Haoden Ye didn't even come to catch them, but had a problem with Zhao Chengfeng.

“Really? Can the Taoist help us punish him?”

The plump beauty was pleasantly surprised at the news.

“I can indeed help you, but not by killing him!”

Thinking of the ghostly man's words, Haoden Ye sighed in his heart.

“And I don't know how to help you!”

The four punks listened and just stayed there.

“No way Daoist, you have a detention bell, would you not know how to help us?”

“Right. Usually ghosts don’t have soul-catching bells, only the temporary soul-gathering locks issued by the hell when they come up to detain ghosts, and they have to be handed in when they run out!”

“I heard from one of my sisters in Shanghai that even the high masters who detain souls in the yang world are not qualified to take the detention bell!”

The four ghosts were even discussing it in seven different languages.

“I really don’t know, a ghostwriter gave me this thing!”

Shrugging his shoulders, Haoden Ye was helpless.

“What? You know the Ghost Collector!”

The four ghosts turned pale at that!

You know, the ghost mandarin but only the ghosts on earth and the grievous spirits that the ordinary earthly ghosts can't solve.

The Ghost Collector wouldn't even bother to do anything if he didn't cultivate the grievance for a hundred years or so!

When the four ghosts heard this, they immediately kneeled down to Haoden Ye.

"Daoist, please help us to resolve our grievances!"

The four ghosts whimpered and cried, their voices sounding truly bizarre.

"I told you, I can't do it!" Haoden Ye smiled bitterly.

"If you can't use it, I can help you!"

At this time, the tall, beautiful woman stood up and looked expectantly.

"When we wandered through the sun again, we knew some grievous spirits who told us many legends about the Detention Bell!"

Seeing Haoden Ye's searching gaze, the tall beauty immediately began to explain.

“We are too shallow in our grievances and unlike the ghosts of horizontal deaths as well as tragic deaths, we simply cannot possess others to be seen!”

With a glance at Haoden Ye’s right hand, the tall beauty greedily licked her lips.

It’s weird to look at, but it’s also heart-stopping to watch.

What’s more, her body was still naked at this point.

“If you can let us borrow a little of the yin energy inside the Detention Bell, it won’t take much, so we can help you punish Zhao Chengfeng, an evil man!”

“Huh?Is that okay?”Haoden Ye was surprised at the news and extended his right hand, “How to borrow!”

The tall beauty looked surprised to see his agreement

She grabbed Haoden Ye’s hand and pressed it to her chest.

The touch felt cold, like wiping on ice, but Haoden Ye’s mind still jumped.

“Can you guys...ahem, can you put your clothes on!”

Hearing Haoden Ye’s words, the four beauties were stunned.

One look at themselves and they all looked ashamed.

“I’m sorry, but we have too little yin energy to transform, and it’s very difficult to barely maintain this state!”

All four beauties bowed their heads in shyness.

With a glance at the tall beauty, Haoden Ye wondered, “You’ve borrowed Yin Qi!”

“No...no, you need to trumpet the detention bell!”

The tall beauty looked embarrassed, running into Haoden Ye who had a baby she didn’t know how to use, and she didn’t dare to say more for fear that Haoden Ye would be annoyed and angry.

“Oh!Restraining Bell, lend her some yin!”

Haoden Ye hurriedly gave orders to the Detention Bell, and in an instant, the blue light on his hand was great, and a green Qi floated into the body of the tall beauty.

In an instant, the blue light on the beautiful woman's body!

"Thank you, Daoist!"

The tall, beautiful woman's voice surprises, and she turns around with an extra shirt on her body.

Haoden Ye was also pleasantly surprised, and followed suit, lending a bit of yin energy to all three other ghosts.

"Thank you, Daoist!"

All four beauties were dressed and, on them, an icy coldness emanated.

This kind of breath made Haoden Ye feel a little terrifying!

"Why aren't they here yet!"

In the room, Zhao Chengfeng was waiting a bit impatiently.

Knocking on the door, Zhao Chengfeng was delighted and quickly opened the door.

At the door stood a tall, slender, ruggedly pretty woman.

“Hey, pretty girl, you’ve kept me waiting!”

Zhao Chengfeng didn’t wait for her to enter, so he hugged the pretty girl’s slender waist and played with it.

He didn’t notice in the slightest that there was a deep chill in the beauty’s eyes!

The door slammed shut.

Zhao Chengfeng thought about Maya Shen in his mind, but his hands were pressed on the beautiful woman’s breasts.

“It’s cold, did you just take a shower?”

The touch was a chill, and Zhao Chengfeng raised his head in surprise.

In the instant he looked up, Zhao Chengfeng went white.

That beautiful and sexy beauty from just now had an oozing blue glow over her face!

“Ka-ching!” An ear-splitting sound rang out.

The beautiful woman slowly lowered her head with an oozing smile on her face.

“Why, Mr. Jo, am I not beautiful now?”

Zhao Chengfeng only felt soft and his body unconsciously retreated.

“Who... who the hell are you! I told you I’m a member of the Zhao family, so don’t joke with me!”

Zhao Chengfeng was scared and retreated.

“Hehehehe...”

The skin on the ghastly face twisted up and the corners of his mouth slowly arced!

An eerie aura echoed throughout the room, chilling Zhao Chengfeng to the bone.

Soon, several silhouettes slowly appeared in the room.

“Kang Jae Ah, Dai Xiao Dance, Xu Gui Ran, Cai Mingyue...”

Four women whose names he could name, because they were all killed by his plan!
