

Chapter 405

Twenty minutes later, downstairs at the Phoenix Hotel.

“Thank you Mr. Yeh, we can finally be transcended!”

It was still the same tall beauty from earlier, still emitting terror, but the greenish glow emanating from her body had turned pale white.

“Your grievances have finally been resolved, now you can go reincarnate!”

Thinking of the terrifying scene just now, Haoden Ye was also a bit chilled.

Or do ghosts know how to scare people?

Looking away, a few doctors were grabbing Zhao Chengfeng and pulling him into the car.

The words “Dan City Psychiatric Hospital” on the car are very eye-catching.

“Ghosts aren’t on duty during the day, and it’s already early in the morning, so they won’t come to detain us until night!”

The tall beauty lowered her head, a slight blush on her face.

At this time, she was still attached to the beautiful woman Zhao Chengfeng had recruited.

“Well! So go ahead and go back and see your families!”

Haoden Ye sighed, his tone gentle.

The four beauties looked at each other, the tall beauty's cheeks shy.

“Daoist Master, the four of us have deliberated and decided to repay you!”

Looking at this body she possessed, the tall beauty said, “The four of us, we want to take turns using this body to serve you!”

“Huh?” Haoden Ye couldn't help but stare and waved his hands incessantly, “No no no!”

“Is the Daoist disliking us?” The four beauties revealed sad looks as they listened, “The owner of this body is doing that kind of thing herself, she definitely won't mind!”

“But I mind! I have a wife, though!” Haoden Ye shook his head repeatedly.

The four beauties listened with a look of disappointment.

They wanted to serve Haoden Ye, mainly because they wanted to go down there and have some relations.

Who knows what will reincarnate in the next life, to climb up with this person who has ghost mandarin relations, and maybe go down and get better treatment.

After bidding farewell to the four beauties, Haoden Ye returned home.

Zhao Chengfeng was scared silly by the tall beauty and was forced to reveal his plan to harm Maya Shen.

Haoden Ye recorded the sound and went home to give it to Maya Shen.

Maya Shen saw the recording and was very surprised.

“Haoden Ye, thank you!”

Maya Shen was so excited that she was about to cry!

Of course, she was also curious as to how Haoden Ye had obtained these recordings.

But with her understanding of Haoden Ye, he definitely had his own way.

Getting the recording, Maya Shen went to work at ease.

Haoden Ye, on the other hand, fell back to sleep, tomorrow was the opening of the pharmaceutical company, and he wanted to get some rest today.

At noon, Maya Shen arrived at the restaurant where she met with Zhao Chengfeng.

“Miss Shen, I’ve always heard of your great name, but today I finally get to meet you!”

Inside an upscale restaurant in Dan City, Zhao Chengyu and Maya Shen sat opposite each other.

As his eyes swept over the beautiful woman’s mature and sexy body, the corner of Zhao Chengyu’s mouth raised a smile.

Zhao Chengfeng went crazy, and this incident made Zhao Chengyu very surprised.

Without this right-hand man, he’d have to do it himself.

So early in the afternoon, he called Sheng Wen International.

Maya Shen didn't want to come, but Zhao Chengyu apologized three or four times and promised to re-sign the contract, which was still set by Maya Shen herself.

As long as she could meet this beauty, Zhao Chengyu was confident that she would be taken down!

Haoden Ye stole his woman, he was going to steal Haoden Ye's woman.

With his good looks and family background, it wouldn't be easy to charm Maya Shen?

"Mr. Zhao, you're welcome!"

Seeing this international star, Maya Shen couldn't believe her eyes.

Despite the previous feud, Zhao Chengyu's attitude of admitting his fault was very good.

And she had the contract redrawn and hired special legal counsel to look over it.

When Zhao Chengyu arrived at the company, she signed the contract without even looking at it, and she liked this clean and clear way of doing things.

“Mr. Shen, I’m really sorry about what happened before, my people are not doing well, I apologize to you!”

Zhao Chengyu’s attitude was sincere and compelling.

“We absolutely cannot tolerate people like Zhao Chengfeng, and as soon as I heard about this, I immediately sacked him!”

Zhao Chengfeng’s madness, Zhao Chengyu strictly controlled the news, and he was certain that Maya Shen couldn’t have heard about it.

And it was true that Maya Shen didn’t know, because Haoden Ye didn’t tell her.

Sitting across from this big star, Maya Shen was still psychologically stressed.

You know, not only is Zhao Chengyu very well established in the acting world, he also has a very large entertainment company under his own umbrella.

Also, he is very handsome and very charming.

Just like men like to look at beautiful women, women naturally like to look at handsome men, it's human nature.

“Mr. Zhao, I really don't understand how you could choose a small company like us to work with.”

With a couple of polite words, Maya Shen couldn't help but ask out her doubts.

You know, although Shengwen International's investment is not small, it is really not a big company in Dan City.

With a charming smile on her lips, Zhao Chengyu said, “There are two main reasons why I am working with your company!”

“First, it's because of you, Miss Shen!”

As she said this, Zhao Chengyu showed an appreciative gaze to Maya Shen.

Usually at times like this, girls are thrilled to see him looking like this.

Naturally, Maya Shen was also happy, but only happy.

Why wouldn't she be happy if her own work product was recognized?

"Mr. Choo is overpraised!" Maya Shen forced her excitement and smiled modestly.

"Oh, Miss Mayast never be modest, I admire women like you most for your talent and unique charm!"

Zhao Chengyu showed an admiring look and began to hint at his favor.

Usually at times like this, a girl must blush and look incredulous.

However, Maya Shen is still thinking that Zhao Chengyu is praising her work, even busy with a modest smile.

This was a bit confusing for Zhao Chengyu.

"She's a career woman, mall elite, and she likes all the talented and strong men, right?"

Zhao Chengyu didn't think that he had just failed, but rather took it as an error in judgment.

"Oh, Miss Shen is too modest, in fact, your ability is inferior even to my own!"

Zhao Chengyu sighed, his face letting out a heartbreaking sadness.

“Sooner or later a star has to go overboard, and I’m so tired of acting and running my own entertainment company at the same time!”

Sighing again, Zhao Chengyu shook his head.

“But what can we do if we don’t? If I don’t stick to my business, I have to go back and inherit the family business!”

Saying that, Zhao Chengyu’s eyes hardened, “But I think a man should do his own career, even if his family is rich, so what? That’s not what you’ve fought for!”

Hearing this, Maya Shen’s eyes lit up!

Chapter 406

A man’s figure floated before her eyes.

“A man should make a man look good on his own!”

Haoden Ye’s words echoed in her ears, and Maya Shen’s eyes got lost.

“Done!” Seeing Maya Shen’s performance, Zhao Chengyu was delighted.

He thought Maya Shen’s opinion of himself had finally changed!

“I can’t believe Mr. Zhao is so ambitious!” Maya Shen praised heartily.

“That’s why I appreciate people like you even more!”

Zhao Chengyu chuckled and continued, “As for the second reason, it’s because of your husband!”

Upon hearing that, Maya Shen slightly revealed a look of surprise.

“No wonder the hallowed star Zhao Chengyu would cooperate with our company, it’s because of Haoden Ye!”

Thinking about it, she couldn’t help but have a touch of joy on her pretty face.

“In fact, I had a bit of a problem with Mr. Yeh, and I may have acted too aggressively and upset him!”

Zhao Chengyu revealed an apologetic look.

Maya Shen was stunned to hear that, she was willing to come for Zhao Chengyu because Haoden Ye had introduced her!

“You...you have a problem with Haoden Ye...is there something about him that displeases you!”

Thinking of this, Maya Shen couldn't help but get nervous.

You know, if Zhao Chengyu wanted to screw their company, he could easily crush Sheng Wen International!

“You misunderstand!It's all my fault because Mr. Yeh and I fell in love with her at the same time... Ah!! said the wrong thing, so just forget it!”

Zhao Cheng pretended to make a slip of the tongue, then hurriedly changed his words and made a panicked face.

A touch of suspicion swung from inside Maya Shen's eyes, and her delicate body trembled slightly!

“Mr. Zhao, what do you mean, who does Haoden Ye like?”

“Hey, Miss Shen, don't make this difficult for me, I promised Mr. Ye not to say anything about this matter!”

With a slight smile, Zhao Chengyu sighed.

The fist slowly clenched, a wave of hurt longs to Maya Shen's heart.

Although she had said to herself that she didn't mind Haoden Ye having affairs with other women.

After all, she understood her own situation, she couldn't even fulfill her wife's obligations, could she blame Haoden Ye?

But why are you so sad to hear about him being with another woman?

"Mr. Zhao, if you want to continue working together, you'd better make this matter clear with me!"

Taking a deep breath, Maya Shen stabilized her emotions.

"All right!" Zhao Chengyu had already been eagerly waiting.

He sighed deeply and made a show of being embarrassed, "By the way, she's also a very famous actress, and..."

He was just about to say something about Lin Yumo when Maya Shen's pretty face changed slightly.

“Sun Qian!” Maya Shen’s face hardened, “I can’t believe that Mr. Zhao also likes Sun Qian, she is indeed very charming!”

“Who is Sun Qian?” Zhao Chengyu was stunned and whirled with anger, “Haoden Ye is still hooking up with other women!”

Thinking of this, the hatred for Haoden Ye in Zhao Chengyu’s heart added a few more points.

However, what Maya Shen said next almost drove Zhao Chengyu crazy.

“I already know about Sun Qian, and I don’t... mind if Haoden Ye is with her!”

Lowering her head deeply, Maya Shen sighed.

“Huh?” Zhao Chengyu was directly stunned!

What kind of wife is that? Her own husband was with another woman and she didn’t even mind.

This woman is out of her mind!

“Miss Shen, you may have misunderstood, the woman I’m talking about is not called Sun Qian... According to you, Haoden Ye may not just be hooking up with a woman, I’m so sorry!”

Zhao Chengyu revealed a look of pity while his tone intensified.

“I don’t mind!”

Fiercely clenching her fist, Maya Shen’s delicate body trembled slightly.

“You woman is crazy, what kind of bewitching soup did the surname Ye put into you!”

At this time, Zhao Chengyu also did not calm down and his face was fierce.

His status was noble and handsome, it was fine if there were women willing to pay for him, what kind of thing was Haoden Ye, why should he get what he had.

Zhao Chengyu’s outburst caused Maya Shen to come back to her senses, and she couldn’t help but be stunned.

“Mr. Zhao, please calm down, this is between me and Haoden Ye...”

Now that this situation was instead comforting him himself, Maya Shen couldn't help but laugh and cry.

“Bitch, what right do you have to talk me out of it, when you can't even look at your own man!”

Zhao Chengyu was completely furious and looked viciously at Maya Shen.

“Mr. Zhao, don't be angry, if you mind, can't I let Haoden Ye and that woman separate?”

Maya Shen was afraid that it would affect the cooperation between the two and hurried.

“It's unbelievable!”

Seeing that Maya Shen was still so calmly thinking about the cooperation, Zhao Chengyu finally became nonchalant and stood up and turned around.

Looking at his angry figure leaving, Maya Shen was also angry.

It was midday, and Haoden Ye had just woken up.

After taking a shower, Haoden Ye got dressed and went to the construction site.

Now that the building has been renovated, workers are feverishly busy setting up for tomorrow's opening.

Li Daniu was very proud of himself and explained the procedure he had arranged for tomorrow's celebration for Haoden Ye.

Of course, he didn't plan it, but Sister-in-law Lee hired someone specifically for the occasion.

"Well, Big Bull has a very good arrangement, so let's do it tomorrow."

After a quick walk around the site, the two men reached the entrance to the building and prepared to go out.

Bang!

The door was actually kicked open just as we reached it.

Haoden Ye was caught off guard and gave his nose a hard bump.

"Who!"

When Haoden Ye raised his head in surprise, he saw Maya Shen's pretty face filled with anger.

"Ye, you've caused a lot of trouble outside. Don't interfere with the company's business if you're in current debt!"

Maya Shen pinched her waist and shouted angrily at Haoden Ye.

It was the first time she had yelled at herself like that since Haoden Ye had been productive, and Haoden Ye just stayed there.

The workers on the construction site also stayed and looked here.

Li Daniu's eyes were wide and gossipy.

"Tsk, tsk, found it, found it, sister-in-law finally found it!"

He's even a little excited!

"Maya, what's going on, just tell me what's going on first, okay?"

Haoden Ye smiled bitterly and hurriedly pulled Maya Shen inside.

"Explain that clearly? How are you going to explain that!"

Maya Shen remembered Zhao Chengyu's angry appearance just now, and her anger was unbearable.

"People Zhao has told me that you're not just having an affair with Sun Qian, you're also having an affair with an actress, right? Haoden Ye, you're out in the wind. Flow I don't care, at least don't interfere with the company's normal business!"

Maya Shen was extremely angry, and didn't care if it sounded good on her face or not, she cursed out in one breath.

"Huh? Ye isn't just having an affair with a woman?"

Li Daniu was disappointed.

He knew Sun Qian alone, he didn't know any other woman.

How come I, Daniel Lee, am not the first to know the boss's gossip?

Chapter 407

"What actress, what Zhao!"

Haoden Ye stared, he couldn't remember who this Zhao was.

“Golden Jade Entertainment’s Zhao, they even said they’re rivals with you!”

Haoden Ye’s words were taken by Maya Shen as a cover-up, looking cold and steely.

“Golden Jade Entertainment? Cho Seung-yuk? Did you meet with him?”

Haoden Ye frowned once he heard Zhao Chengyu’s name also made a scene.

“Our company still has to work with Golden Jade Entertainment, and I’m going to talk to you about this at home!”

Seeing that Haoden Ye was angry, Maya Shen’s heart was unconsciously a little embarrassed.

Agreeing to work with Zhao Chengyu, she didn’t talk to Haoden Ye.

“Go home and say? Why didn’t you just tell me! What did you promise him again?”

Now Haoden Ye was also angry, just after being cheated, Maya Shen was working with Zhao Chengyu again.

Don't women have long memories?

"Don't you dare change the subject, I'm asking you, who is that actress!"

Feeling that she was being suppressed by Haoden Ye, Maya Shen immediately began to resist.

"How do I know who it is! You believe what Zhao Chengyu said?"

The two men were now having a real fight, and the workers around them were watching this.

"If you ask me, the boss is too ungrateful, and the boss's wife is so pretty, and she's out messing around!"

"We don't understand the life of a rich man!"

Liu Daniu was even more of a joy to watch!

"It's good for the company to work with Zhao, and I drew up all the contracts myself, so you don't need to worry about that!"

Finally feeling the need to explain to Haoden Ye, Maya Shen lowered her head.

“I don’t have to care if the company is mine!”

Staring at Maya Shen with angry eyes, Haoden Ye was furious.

“The company is yours, you and I are husbands!What woman are you fooling around with and do I have the right to ask?”

Not ashamed of being a mall elite, Maya Shen started to counterattack when she got a chance.

“You woman...”

As his face grew red, Haoden Ye realized that he really couldn’t fight.

“I don’t care what you suspect me of, working with Zhao Chengyu just won’t work!”

Haoden Ye placed the final condition: “Everything else is negotiable!”

“What’s wrong?I’ve got you right where you want to be, don’t I?Aren’t you glad that someone finally knows you’ve been fooling around with women?”

Seeing Haoden Ye's angry appearance, Maya Shen finally felt triumphant and raised her head slightly.

"Yes! You suspect I'm having an affair with Sun Qian, right? I'll prove it to you!"

Haoden Ye was also furious, unable to think calmly at all, and quickly stepped forward to pull Maya Shen away.

The wrist was painfully gripped by Haoden Ye, but Maya Shen didn't want to show any signs of pain.

"Where are you taking me?"

Getting into the car, Maya Shen hugged her arms, her face cold and steely.

Haoden Ye, on the other hand, started the car and sped off without saying a word.

The car soon arrived at Sun Qian's set.

The address Haoden Ye already knew, just hadn't come to see it.

"What did you bring me here for?"

Seeing the Ruixin Film and Entertainment Company's sign appear, Maya Shen's face changed.

It's not uncommon for couples to quarrel, and if they come here to make a scene, it's embarrassing for both of them.

"Don't you want to know who I'm fooling around with?"

Getting out of the car, Haoden Ye pulled Maya Shen down as well without a second thought.

"Haoden Ye, have you had enough of this, and I didn't say I believed Zhao Chengyu!"

But Maya Shen is a good face, how can she get off.

"You get down here!"

A roar came out, and Haoden Ye stood in front of the car door, looking very domineering.

In this instant, the obedient, cowardly and obedient Haoden Ye who used to be in front of her disappeared and turned into a domineering man.

For some reason, Maya Shen didn't even feel angry.

In a moment of distraction, she actually got off by Haoden Ye Lai.

“Haoden Ye, can't I trust you anymore? Are you going to make a scene for all to see?”

Maya Shen's pretty face blushed and struggled to break away from Haoden Ye's hand.

“Hmph, you don't believe anything I say, Zhao Chengyu said a couple of words and you take it seriously, we must clear things up today!”

Haoden Ye looked very stubborn and still pulled her inside.

Seeing his resolute look yes, Maya Shen cried and laughed.

She would fight with Haoden Ye, mainly because she was angry.

If a man really had a ghost with a woman, would he still be so blatant about making a big deal out of it and drawing attention to it?

“Well, I believe you, honey!”

Hugging Haoden Ye's arm with force, Maya Shen spoke softly.

The call of a husband softened Haoden Ye's heart a bit.

But the anger in my heart is still unsettled.

"No, we have to be clear today!"

Seeing his resolute attitude, Maya Shen had no choice but to be dragged away by her, her mind pondering how to make a big deal out of it later.

The two men went to the studio, which was busy.

"Who are you two, this is our crew's studio, who let you in!"

A staff member stopped them just inside the door.

"I'm a friend of your Wu-director!"

Not intending to pay any attention to him, Haoden Ye pushed the man away.

"A friend of Director Wu's?"

The man swept Haoden Ye up and down and looked unhappy.

“Does Director Wu have a friend like you? You’ve got to be kidding me!”

Maya Shen was fine, wearing a professional outfit, looking absolutely business elite, but Haoden Ye was a sweatshirt, looking like a street vendor.

“I’m really wondering about my friend Guide Wu, I don’t believe you let him come over, he’ll know when he sees me!”

Haoden Ye also had the phone number of Wu Dao, but there was no need to call when it came to this place.

“No, you two aren’t allowed in there!”

The man snorted, his face unkind.

“Where’s the security? Now why do you let everyone in!”

Knowing that this was someone’s job, Haoden Ye didn’t embarrass the person.

“They won’t even let you in, so I think we should forget it.”

Pulling Haoden Ye’s hand, Maya Shen begged.

“No, you won’t know what to think until we come clean today!”

Haoden Ye sank his face, not giving in at all.

Maya Shen also laughed bitterly when she heard that, Haoden Ye’s stubborn temper came up, and she couldn’t pull it off.

“What a beautiful woman, are you an actress here?”

At this time, a flippant voice behind him sounded.

The two men turned around subconsciously, but a handsome man approached them.

The man was in his late twenties, dressed in a luxurious suit, with a Ferrari parked behind him.

He was followed by a man with a strong suit and body and looked like a bodyguard.

“Oh, Mr. Wah!”

Seeing him coming, the man who had just stopped Haoden Ye stepped forward.

“Brother Hua, why are you free to come over today, and are you here to see Miss Sun again?”

The smile was full of flattery.

When Haoden Ye and Maya Shen heard Miss Sun, they were stunned at the same time and looked at each other.

This Miss Sun must be Sun Qian, is this Brother Hua related to Sun Qian?

Thinking of this, Haoden Ye couldn't help but feel suspicious.

Sun Qian's character he understood, there was no way she would like a second son like Hua.

When Sun Yuxuan pursued Sun Qian in the first place, Sun Qian didn't even question it.
