

Chapter 408

Hua didn't take his eyes off of Maya Shen, his eyes were unbridled.

“Oh, I just bought a Ferrari to give to Celeste...”

At this point, he turned his head.

“Is she in today?”

“Well, Miss Sun is still shooting, you go in first!”

The man was busy making a gesture of invitation.

Hua, however, did not go in immediately, but walked up to Maya Shen.

“This lady has a high name, I'm Hua Yun, the president of the Dahua Group!”

He said, holding out his hand in a very gentlemanly manner, with what he thought was a charming smile on his face.

Seeing his flippant smile, Maya Shen had a look of disgust on her face.

Frowning, Maya Shen ignored him and pulled Haoden Ye instead, "Let's go, can't I trust you now?"

Here, before Haoden Ye could speak, Hua's face was gloomy.

"Pretty girl, you're not giving a damn!"

Hua spoke in a bad tone and reached out to try to pull Maya Shen's arm.

Haoden Ye didn't want to cause any trouble, and he wasn't happy when people touched his wife.

Reaching out and pushing Hua's hand away, Haoden Ye rudely said, "This gentleman, she's my wife, please don't touch her!"

"What kind of a thing are you to talk to me like that!"

Hua was furious, pointing at Haoden Ye's nose and cursing.

"Hey, what's wrong with your wife? If I fancy it, it's mine!"

Said Wahl, pulling a wad of bills out of his suit pocket and slapping them in his hand.

“Here’s a hundred thousand dollars, make your wife promise to have dinner with me and that money is yours!”

Seeing this arrogant Brother Hua, Haoden Ye really wanted to laugh.

“I’m sorry, I have the money, but I only have one wife!”

Shrugging his shoulders, Haoden Ye didn’t even glance at the money.

“Stinking poor, what’s the pretence!”

Brother Hua looked disdainful and was about to mock Haoden Ye for a couple of sentences.

The person who stopped Haoden Ye and the others saw a quarrel on this side and was afraid that it would get too big, he hurriedly said, “Brother Hua, Miss Sun is about to finish filming, in case she leaves early again, that’s not good!”

It was only after hearing his words that Wah withdrew his gaze.

Nodding at Haoden Ye, Brother Hua sneered, “Kid, wait for me, I’ll get your wife into bed sooner or later!”

Finish stepping inside.

Watching his back as he left, Maya Shen said coquettishly, "It's just too much!"

Seeing Haoden Ye staring at the man's back, Maya Shen pulled him, "Honey, don't be angry, don't bother with this kind of person!"

After a glance at his wife, Haoden Ye's psychological fire was quite a bit lessened.

"You're not angry, but it just occurred to you that this man is here to find Sun Qian!"

With such a long couple, Maya Shen could still not understand Haoden Ye's mind, and her mind could not help but sour.

"You're afraid she'll pester Sun Qian?"

Biting her lip, Maya Shen asked in a low voice.

"Well...ah!" Haoden Ye turned his head and saw that his wife was unhappy.

"Maya, Sun Qian is a country girl, the first time she met me, she was bullied by a rich second generation, if it wasn't for me... Hey!"

Haoden Ye sighed.

“As hard as it is for people, do they want you to care?Who do you think you are?”

Maya Shen was even more displeased, but thinking about Brother Hua’s face just now, she also felt disgusted in her heart.

Both are women, and Maya Shen doesn’t want Sun Qian to be bullied.

“You two, what are you still standing here for!”

Seeing Haoden Ye’s two people still not leaving, the man at the door became unhappy.

“If I hadn’t stopped Wah, you guys would have suffered for sure, and you didn’t even get a thank you!”

The man talked about what had just happened.

“This Hwa is quite a man, isn’t he?”

Haoden Ye still didn’t thank him, but instead became curious about Hua.

“Did you ask about Wah’s background, too?Get out!”

The man finally got impatient.

Without saying anything more, Haoden Ye pulled Maya Shen and turned to leave.

“You don’t care about Sun Qian anymore?”

Pulled by Haoden Ye, Maya Shen kept trying to break free of his hand.

“I thought you didn’t want me to get involved in this?”

Turning his head, Haoden Ye looked at her with amusement.

“It’s all women, I don’t want her to be embarrassed okay, do you think we women are all as heartless as you men?”

Maya Shen snorted, rightfully so.

With a bitter smile, Haoden Ye shook his head.

Women, they’re so unreasonable.

Pulling out his phone, Haoden Ye called Wu Dao.

It took two calls before Wu's guide got through.

"Oh, Yeh, why do you have time to see me today?"

On the other end of the phone, Director Wu's voice was tired.

"Director Wu, I came to look for Sun Qian, but I was stopped at the door by your men!"

Haoden Ye told the situation honestly over the phone.

Here Maya Shen saw Haoden Ye calling Misdirection and looked surprised.

But come to think of it, she wasn't surprised that Haoden Ye knew Wu Dao.

"Okay, I'll talk to the guy at the door...I'm busy right now, so wait for me in the break room!"

After hanging up the phone, Haoden Ye came to the door of the crew again.

“Mr. Yeh, you’re here, I’m so sorry just now!”

The person who had an indifferent attitude with Haoden Ye just now was now polite.

“Hey, I really didn’t know you were a friend of Director Wu, I’m Ye Xiaoxuan, just call me Ye!”

Smiling in accompaniment, Yeh was full of pleasantness.

How did he know that Haoden Ye was really a friend of Wu Dao.

By the way, what kind of friends does Wu Dao make, dressed so shabbily.

With a slight smile, Haoden Ye ignored Ye Xiaoxuan and walked straight inside.

The crew was busy inside, and Haoden Ye’s eyes drew back to finally find Sun Qian’s figure.

At this point she was surrounded by the crew, filming a commercial.

A black evening gown, which accentuated her proud figure, with a few black pearls, gave off a glamorous glow.

Seeing Sun Qian, who was dressed in a beautiful outfit, Maya Shen bit her lips.

I have to say, this woman is really fascinating.

And she has one advantage over herself, and that's sexiness!

After a line, Sun Qian's performance ends and the lights on the set press dimmed.

"Yes!" That's when the crowd rang out in praise.

The crew seemed to be used to it and didn't look at the man, only Haoden Ye and Maya Shen looked over.

It was Brother Hua, who was now looking at Sun Qian with an infatuated smile on his face.

Sun Qian took a glance in his direction and was slightly stunned, whirling with surprise on her pretty face.

Pushing past the makeup artist who was trying to remove her makeup, Sun Qian ran over to Hua.

Hwa saw him coming, a look of surprise on his face.

He opened his arms directly, revealing a pose ready to embrace Sun Qian.

When the crew saw Sun Qian's reaction, they all had a look of surprise on their faces.

You know, Sun Qian used to love to ignore Brother Hua.

And then she looked like she was very excited to see Wah.

Many of the young men in the cast looked disappointed, had their goddesses sunk too?

Thinking of Sun Qian being picked up by a rich kid like Hua, many people could not wait to rush over and punch Hua twice.

Chapter 409

Obviously, Sun Qian rarely showed such enthusiasm towards Hua.

Soon, Sun Qian's figure arrived in front of Hua.

Brother Hua was so excited that tears were coming down his eyes and said loudly, "Xiao Qian, you've worked hard!"

Soon, the smile on Wah's face froze!

Because the figure of Sun Qian ran right past him and behind him.

When Hua turned his head, he saw two people standing behind him, wasn't it Haoden Ye and Maya Shen?

The eyes of everyone in the crew followed Sun Qian's figure to Haoden Ye.

Seeing Sun Qian pouncing over, Haoden Ye's face tensed up.

This would have been a hug, and the explanation you worked so hard on would have been over.

He quickly gave Sun Qian a wink, hinting to her that Maya Shen was on his heels.

However, his eyes were hurting, but Sun Qian was as if she hadn't seen it.

"Yeh!"

With a squeal, Sun Qian directly fell into Haoden Ye's arms and hugged her tightly.

Maya Shen's pair of eyes were about to go round, and fire flashed inside them.

The gloomy look on her pretty face was a clear message: "Haoden Ye, explain to me!"

"Ah!Haha, Miss Sun has a cheerful personality, we're great friends, haha!"

Haoden Ye quickly laughed and pretended to be very cheerful.

The eyes of Maya Shen and everyone in the crew were strange, some of them subconsciously nodding their heads.

"Well, Sun Qian does have a cheerful personality!"

"What are you doing these days, people don't come to you and you don't come to me?"

Releasing Haoden Ye, Sun Qian had a petulant look on her pretty face, whining.

Maya Shen's pretty face reddened, and so did Haoden Ye's.

“Ah, ha ha!Miss Sun really has a rotten personality, haha!”

Haoden Ye’s muscles stiffened with laughter.

“Ah!Sister Shen is here too!”

As if Sun Qian had just discovered Maya Shen, she smiled and released Haoden Ye, pulling Maya Shen’s hand.

“Hugging my husband in front of me, pampering him, and talking to me like that!”

Maya Shen’s heart was burning with anger, but her face made a professional smile.

At this point, nothing to lose face over.

“Miss Sun, my husband and I would like to come see you!”

She bit the word husband very hard, as if she hated every one of them to hear it.

“What!That man has a wife?”

“Why is Sun Qian so close to him, and his wife doesn’t look angry!”

The crew looked at each other and whispered.

In fact, if it was a cute girl like Ju Xiaohuai who jumped on me, no one else would think much of it, but Sun Qian, well....

This woman is so sexy, a person would think that way.

“Hehe, how come Brother Ye and Sister Shen are free to come today!”

Sun Qian still had a smiling face.

“|...”

Maya Shen’s face was just red when she thought of the purpose of today’s visit.

She was going mad now and couldn’t think of how to explain it for a moment.

People are so intimate with their husbands in front of their own face, they have to pretend to be graceful, this is really not a good feeling.

“Here’s the thing, I’m going to buy Maya an anniversary gift, and I want your help picking one out!”

Haoden Ye took a look at Maya Shen and was very careful.

Now that’s a problem that’s not easy to explain.

He now wondered if Sun Qian did it on purpose.

When the two of them first met, Sun Qian seemed to have a hard time dealing with Maya Shen.

In order to make Maya Shen feel better, Haoden Ye intentionally hugged Maya Shen’s waist very intimately.

“What is the relationship between these three people, it looks like Sun Qian is very intimate with this one surnamed Ye, and his wife isn’t angry that he’s intimate with his wife in front of Sun Qian, and Sun Qian doesn’t seem angry either!”

“Hey, what kind of God is this, rich people are so openly bagging second wives?”

“Bah, how can Sun Qian be a second wife, do you think that surnamed Ye looks like a rich man?”

There was a heated discussion here as the crew packed up their things.

“So!”

The inside of Sun Qian’s eyes glowed, but her face didn’t show any anger.

“That’s fine, I’ll take off my makeup and get dressed, I still have to take my leave from Director Wu!”

Sun Qian smiled with a whiny smile, swept her eyes away from Haoden Ye, and turned around to leave.

“Celestia, who is he would!”

At this time, an icy voice sounded behind Sun Qian.

Sun Qian turned around, a look of disgust on her face.

“Wah!How come it’s you again, didn’t I tell you to stop pestering me!”

Sun Qian looked very disgusted.

Brother Hua had been standing behind Sun Qian since a moment ago, his face black and blue and cold.

At this point, hearing Sun Qian say that, Hua was even more furious.

“Sun Qian, I’ve been chasing you for so long, I’ve spent no less than a thousand and millions for you, and you’re just not giving me face?”

Clenching his fist fiercely, Hua had a sneer on his face.

“I didn’t want any of your gifts!”

With a flash of disdain on her pretty face, Sun Qian was not happy.

Brother Hua was red in the face, and it wasn’t just Sun Qian’s indifference that made him angry, but the fact that he could feel the eyes of everyone in the crew looking this way!

“Sun Qian!” A fierce glint flashed inside Hua’s eyes, and he reached out and grabbed Sun Qian’s wrist.

These hands, he’s never touched them before!

Sun Qian had a pained look on her face and broke free of Brother Hua’s hand, screaming under her breath, “You let go of me!”

Brother Hua's face smiled coldly, and his eyes became cold: "Bitch, shame on you, I'm trying so hard to chase you, and you're hooking up with this poor man! Where the hell is he better than me!"

His words, too, were a source of confusion for all present.

Brother Hua was handsome, his family was okay, and he was plainly dressed in comparison to Haoden Ye's looks.

And yet he has a wife as good-looking as Maya Shen, and Sun Qian is especially fond of him!

"What I have to do with him is none of your business!"

Sun Qian snorted coldly, her tone disgusted.

Hua was furious, raising his arm and a slap was about to hit him.

Everyone was pale, how heartbreaking it would be for Sun Qian's fair and pretty face to receive such a slap.

Just as Hwa's hand was about to drop, a hand gripped his wrist!

Hua's hand punched, his gaze furiously looking over, meeting Haoden Ye's indifferent pair of eyes.

"Bastard, don't you dare touch me!"

With a sneer, Hua was furious and reached out to hit Haoden Ye in the chest.

The punch came quickly and with a lot of force.

You know, Hua usually pays attention to his fitness and his body is not the sissy softness that is popular nowadays.

And in comparison, Haoden Ye's body had a slightly thinner figure.

However, just as Hua's fist was about to hit Haoden Ye's chest, the fist suddenly faltered and his wrist was grabbed.

With five fingers like iron, Hua's wrist was actually in excruciating pain.

The pain was so intense it made him go white.

Chapter 410

It was Haoden Ye's hand again, firmly gripping Hua's fist.

Seeing this, everyone present turned pale.

The girl on set, in particular, couldn't believe her eyes.

Haoden Ye's strength was so great for someone with such a thin body.

Sun Qian and Maya Shen looked very surprised as well.

"Haoden Ye's strength is this strong?" Maya Shen bit her lips, mentally sad.

Her own man she's getting less and less understanding....

"You...you let go of me!"

Hua felt ashamed when his fist was held by Haoden Ye.

With a cold snort, Haoden Ye's arms shook, releasing Hua's fist.

Under the tremendous force, Hua's figure retreated incessantly.

"What are you waiting for, beat him to death!"

Wah went red in the face and turned his head in shame and anger at the bouncer.

“Wah, this kid is not simple, I think we should call it a day!”

His bodyguard didn't move, but instead looked at Haoden Ye with gloomy eyes.

He was also a practitioner and knew that Haoden Ye's move just now seemed ordinary, but it wasn't simple.

“Rubbish, what do I need you for!”

Wah was even angrier, staring viciously at his bodyguard.

At this time, a deep voice came.

“What are you arguing about, this is the crew, not a place for you to fight!”

Hearing voices, everyone looked over.

Who's that guy with the big beard, if not Director Wu?

“Director Wu, you’re just in time, this man is messing with the theatre, get him out of here!”

As soon as Hua saw Wu Dao come over, he immediately ran over to the evil one.

Everyone in the theater shook their heads as they saw Wu Shai face off.

You know, Wah’s company is one of the investors in this film by Director Wu.

Although they all knew that Hua would find fault first, they didn’t have to think about how Wu Dao would choose.

Who let people with money and power? And Haoden Ye looked like a poor man.

“Get the hell out of here!”

Wu Dao heard Hua’s words and immediately roared.

With a smug sneer on his face, Hua turned his head to point at Haoden Ye and sneered, “Do you hear me, Wu Dao told you to get out!”

However, listening to his words, Haoden Ye didn’t move a muscle.

And Maya Shen didn't move, but looked at Hua with strange eyes.

Soon, Hua felt that the atmosphere around him was a bit weird.

He turned his head subconsciously, but everyone was looking at him with strange eyes.

"You get the hell out of here, you hear me!"

Wu Dao roared again, but it was shouted at Hua.

Brother Hua was directly stunned and stupefied, looking at Wu Dao.

"Director Wu, you... you've got to be kidding, I'm an investor in your film, believe me I'll withdraw my investment right now!"

Hwa grumbled.

"Investment?" Wu Dao's face grew even angrier at the news.

"I, Wu Zongrui, am afraid that no one will invest in my movie? If it wasn't for your old man Huayang's sake, I'd let you get your hands dirty? Get the hell out of here right now, and if I see you on the set again, I'll call the police!"

Wu Dao's words were anything but polite.

Hearing his words, not only Brother Hua, but also the crew revealed a look of surprise one by one.

It was Sun Qian, whose face was also surprised.

Director Wu is actually very short of funds for this film, and if Wah withdraws his funding, it will have a great impact on the shooting of the TV series.

Many people see Director Wu as a director of integrity, but his personnel in the circle are not very good.

Everyone's subterfuge. You're the one with integrity. Isn't that offensive?

Also, director Wu's films have very little commercial run and little to no hype to promote them, resulting in very fair prices for his films.

With big investments and little money to be made, fewer and fewer companies are willing to invest in WuDao.

If it weren't for his own high talent and connections, a director of such character wouldn't have made it in the entertainment industry.

And for Haoden Ye, he blatantly refused Hua's investment?

In fact, Sun Qian doesn't know that Director Wu will never be short of money when he makes a movie.

The so-called shortage of funds is just a case of Wu Tao not wanting his friend to suffer.

When people invest \$100 million in him, he will use up to \$50 million, and the rest will be returned as profit.

It's just that he doesn't want to tell anyone about these things.

Being scolded so angrily by Wu Dao, Hua looked very embarrassed.

"Okay, you guys are tough!" With a cold snort, Wah turned and walked away.

Having chased Hua away, Director Wu came over with a smile on his face.

"I'm so sorry to have lost you an investment, Director Wu!"

Haoden Ye's face was very overly-conscious.

After all, this incident was started because of himself, and it was Wu Dao who suffered.

“Oh, little brother, I, Wu Zongrui, make friends based on loyalty only, if you are so out of touch, you can invite Hua back!”

Wu Dao laughed and joked.

Maya Shen had been watching indifferently.

Director Wu’s reputation is not very good in the circle, and many directors have vilified him.

But the fact that he doesn’t like subterfuge is still recognized by everyone.

She thought that such a straightforward director must have a very straightforward personality, but she never thought that listening to him talk at this time, he felt very easy-going.

“Director Wu, this matter was started because of us after all, if you don’t mind, our company can invest in your movie instead!”

Maya Shen was worthy of being a mall elite and saw the opportunity to make a move.

It's impossible for a small company like hers to come up with too much investment capital.

And too little money for Wu-Tao to put in his eyes.

Although the profits were not high, but being able to climb into the relationship with Wu Dao was the same as climbing into a friendship with the Dan City Wu family.

“Oh, Yeh, you're not an easy wife.”

Wu Dao guessed what Maya Shen was thinking as soon as he heard it, and he smiled.

“Miss Shen is welcome to invest in us, but if you want to climb up our Wu family with my help, I'm going to disappoint you!”

Having her heart pierced by Wu Dao, Maya Shen couldn't help but blush.

The ginger is still old and hot!

“But you can invest if you want, I don't mind the money!”

Wu Dao said casually, sweeping his eyes over Sun Qian, “You take Miss Shen to sign the contract, I’ll have a chat with Little Brother Ye!”

Sun Qian nodded and walked away with Maya Shen.

Wu Dao pulled Haoden Ye’s arm and pointed at the door, “Let’s go, let’s talk!”

Perhaps it’s because he’s been a director for so long, but Director Wu speaks with a hint of unquestionableness.

“Did Director Wu want to see me about something?”

Away from the crowd, Haoden Ye was confused.

“Hey, if you say it’s a thing, it’s a thing, and if you say it’s not a thing, it’s not!”

Hehehe, Wu Dao smiled at Haoden Ye.

“Miss Lin is leaving Dan City!”

Upon hearing this, Haoden Ye frowned slightly.

“Ah... why is Wu-director telling me this?”

Haoden Ye's figure of Lin cheng floated before his eyes.

“Hehe, you're not righteous, you don't tell me the truth about this kind of thing... I've asked about your conflict with Zhao Chengyu, and you still dare to tell me that you have nothing to do with Miss Lin?”

Wu Dao revealed a look of displeasure and gave Haoden Ye a fierce stare.

Thinking of Lin Yumo's figure, Haoden Ye frowned slightly.

“Guide Wu, I really don't understand what you mean!”

Thinking of Zhao Chengyu's words that day, Haoden Ye had a bitter smile.

“Zhao Chengyu also said that I'm related to some kind of rain ink, and I'm guessing that Lin Feng was the one who messed with this!”
