

## Chapter 453

“Okay then, just go get 400,000 for Dr. Ye as today’s consultation fee!”

She was going to give Haoden Ye the 200,000 they had, and after hearing what Li Wei said, she gave Haoden Ye the same 200,000.

No one in the room felt the money was paid inappropriately.

Haoden Ye not only cured Piao Zi and Li Wei, but everyone’s years of hidden illnesses were cured.

“Thank you, Sister Jiura, it’s the first meeting with my brothers today, and I didn’t bring a meeting gift, so let’s share this 400,000 with my brothers.”

Everyone was stunned when they heard this.

Li Wei’s face turned red and he was about to refuse, but Haoden Ye snatched him before him.

“If you guys refuse, you’re not giving me Haoden Ye face, let’s not talk about brotherhood in the future, we’re strangers to each other!”

Haoden Ye’s words were cold and icy with an unquestionable tone.

Upon hearing that, Li Wei immediately shut his mouth.

A few men, all of them looked touched.

“Alright, you all go home and rest, don’t go anywhere for the next two days, recover at ease, and if you feel like you lost this time, recover well and find your place in a few days!”

Eyeing a few people, Sister Jiura smiled softly.

The crowd nodded at the news and that’s when they left the room.

The room became empty, Sister Jiura looked immediately relaxed, and Haoden Ye looked tense indeed.

Every time he was alone in a room with this woman, it was torment for him!

As mother and daughter, Sister Jiuzi and Zhou Xiaojun were simply too different as well.

Zhou Xiaojun is straightforward and cheerful, with a peculiar brain circuit, and Jiura is flamboyant and touching, even giving the impression of a wind s. He is also a very good judge of character.

“What are you waiting for, come over here and rub my shoulders!”

Sister Nine closed her eyes and lounged on the couch again.

This was even taken for granted, paying no attention to the glorious image Haoden Ye had just established.

With a bitter smile, Haoden Ye could only comply.

Reaching behind Sister Jiuera, Haoden Ye stretched out his hands.

As far as the eye can see, Sister Jiuzi's round and full pair of eyes can be seen.

From his angle, he could see not only the view inside the deep ravine in the middle, but even the ripples of his breasts shifting slightly as he rubbed them with his own hands.

Beneath a layer of gauze, the delicate outline of someone's body inside was also revealed.

"You've bought the hearts and minds of my men as soon as you arrived, are you going to eat me up and be the boss yourself?"

With a soothing smile, Sister Jiuzi's eyes shone brightly at Haoden Ye.

I don't know if it was an illusion or not, but Haoden Ye always felt that she had noticed his peeking at her breasts, so his smile was a little playful.

"Ninth sister is joking, I have no interest in the mob!"

Hastily averting his gaze, Haoden Ye spoke with a bit of embarrassment.

"Yeah, you're a man who can't even eat what's brought to his mouth!"

Sister Jiuzi closed her eyes and spoke in a somewhat grudging tone.

Not knowing if she was sincere or not, Haoden Ye directly took this as her teasing herself.

It's not the first time I've been molested anyway!

"It sure is still comfortable for you doctors to pinch!"

Panting soothingly, Nine's sister sounded exhausted.

"Earlier I had a massage therapist who specializes in physical therapy for eight thousand an hour, which is not even half as much as you!"

Feeling that this beauty in front of him thought of herself as a massage master, Haoden Ye couldn't help but smile bitterly.

“Oh right, I forgot to mention before, that rejuvenation pill you gave Jun, give me a pair too!”

Sister Jiuzi suddenly remembered something and opened her eyes.

“My pharmaceutical company has just opened and I haven't procured any herbs yet, Sister Jiuzi will have to wait!”

Replying back to her, Haoden Ye remembered something and added, “But this medicine isn't cheap, you have to be prepared!”

“Not cheap?”

With a self-deprecating smile on her lips, Sister Nine sighed, “Can it be more than the money I've lost in the past two days?”

Hearing her words, Haoden Ye was slightly startled, “Is Sister Jiuzi such a prudent person, also gambling?”

Slowly opening her eyes, Sister Jiuzi's eyes were a little petulant.

“Are you really stupid or not, I'm talking about the betting fist of course!”

She said, her tone lowering.

“I’m such a big club, I always have to find some means to make quick money, especially since I’m not allowed to sell drugs and many harmful businesses here, there’s less money to be made!”

“My underground boxing gym is not formal, but the safety is according to international competition standards, and many people who don’t have the opportunity to fight officially come to me for a fight!”

What she said Haoden Ye could understand, it was very difficult to raise a boxer now.

Not to mention a lot of nutritional medication, the various equipment places a boxer needs to train, as well as hiring a boxing master, is a big expense.

Also, the boxing world has an insider’s view of how popular a boxer is, too.

No matter how good you are at boxing, if your personal image is bad and you don’t have many fans, no one will like you.

A lot of boxers back in the day also had a history of being forced to fight black boxing!

Sister Nine's underground boxing ring is a chance for these people to box.

“But even underground boxing matches are competitive, and the way to determine their superiority is naturally for me, the boss, to step up, put up the money for the bet, and hit the other guy with my boxers!”

After saying that, Sister Jiura sighed, “Just in these two days, I lost almost 40 million!”

Hearing this, Haoden Ye's face changed.

How much money is flowing through the underground boxing ring after losing \$40 million in just a few days?

“Hmph, surprised huh?”

Seeing his face turn pale, Sister Jiuzi showed a smug look.

“That's not just what I lost, the total amount of bets that followed me was nearly 400 million!”

This, once again, made Haoden Ye dumbfounded.

Apparently, there are still a few people who like underground boxing matches.

Truth be told, Haoden Ye was a bit jealous.

“Then the other guy must be pretty good!”

Afraid that he would be tempted, Haoden Ye quickly changed the subject.

“Not so great before!”

Hearing his words, Sister Jiu Er frowned.

“My boxing gym is considered to be one of the top boxing gyms in E Province, and the fiercer competition with me is Yuzhou underground boxing gym boss Yue Yun’s boxing gym, which has been pressured by me before, but recently, I don’t know where I’ve invited experts!”

Sister Jiuera said, frowning slightly, “Can you teach that pointing technique of yours to my men, I’ll give you twenty million!”

Hearing that, Haoden Ye couldn’t help but smile bitterly.

“If I can teach them, I can teach them for free, but the pointing kung fu has to be matched with acupuncture, and the practice is finger work!”

Haoden Ye said, stretching out a finger to quickly move it.

The faster the needles of the Xuanjiu Needle, the more effective it was, Haoden Ye was proficient in the Xuanjiu Needle, and his fingers were naturally more flexible than the average person.

But I saw his fingers wiggle up and down rapidly like a viper spitting out letters.

Sister Jiura stared for a moment, her eyes suddenly clouded with a dense layer of fog, her pretty face unconsciously red.

#### Chapter 454

At first, Haoden Ye didn't pay much attention, and when she noticed the strange appearance of Sister Jiura, she couldn't help but be stunned.

“What's wrong? Are you not feeling well?”

A hand pressed against her forehead, and Haoden Ye tested her body temperature.

“No...nothing!”

Unexpectedly, Sister Jiura revealed a panicked look, her pretty face blushing like a shy twenty-eight-year-old beauty.

The first time he saw her behave like this, Haoden Ye was greatly surprised.

Thinking back to what had just happened, Haoden Ye suddenly understood.

“She won’t see my hand...associate it with a certain hawk!”

Come to think of it, your own fingers might actually have that effect!

At the thought of this, Haoden Ye blushed.

“Should we consider going on the road?”

Haoden Ye’s heart just jumped when he thought about the happy lives of those male supermen.

“What were you thinking, asshole!”

Not knowing if she was guilty or not, Sister Jiuzi immediately snorted when she saw Haoden Ye’s look.

Coming back to his senses, Haoden Ye looked embarrassed.

Boyfriend or not, I guess if he did fuck Boyfriend, Maya Shen would go to the set with a kitchen knife and castrate himself.

Biting her lip lightly, Nine averted her eyes.

“My people are scouting out these guys to see if they can be recruited to come here, but if not, I’ll have to shut down this boxing gym!”

At this point, Nine’s voice was thick with sadness.

Knowing that she was an older sister, Haoden Ye actually had the thought of helping Sister Jiuzi in his heart.

“You don’t have to worry, we can always find a way out for our brothers when our business is done!”

Thinking of his investment, Haoden Ye quickly comforted Sister Jiuzi.

“You don’t understand! There are a lot of things that you can’t just let go of if you want to!”

Shaking her head and sighing, Ninji’s tone was lost.

Seeing her sad, Haoden Ye didn't feel a bit of heartache.

At this time, a noisy voice reached inside the ear.

“You guys get off me, I'm going to fight this bastard!”

Listening to the voice, it turned out to be Li Wei's voice.

Haoden Ye and Sister Jiuzi were startled at the same time, and Sister Jiuzi hurriedly got up.

As soon as the two of them reached the door, they saw Xu Gufeng rushing over.

“Sister Zhou, it's bad, something happened at the Night Bar, Xu Guanfeng brought a few people to cause trouble and brought Li Wei's sister inside the private room, then closed the door to prevent people from entering!”

Upon hearing that, the cold light in Sister Jiuzi's eyes flashed.

“Sister Zhou, tell them to let go of me, I'm going to fight Xu Guanfeng!”

Li Wei's eyes were red and he shouted loudly as he broke away from several people.

“My parents died early, it’s this one sister who is with me ah, Sister Zhou, you have to help me!”

The eyes of the bloodthirsty men in the hall are actually moistened.

“Calm down, can I sit idly by while my Zhou Jiuzhen’s people are being bullied?”

Sister Zhou glared at Li Wei, then said to Xu Gufeng, “Bring someone with you to go with me!”

“Sister Zhou, do you want to call for more people!”

Xu Gufeng looked worried as he listened.

“It’s too late! If I let Lili be bullied, I wouldn’t have to work as a boss!”

Sister Jiura immediately shook her head: “Moreover, this is our territory you, with the fanfare to bring people, alarming the police we lose!”

With that, she hurriedly swept a glance at Haoden Ye and said, “Arrange a car to take Dr. Ye back!”

Upon hearing the words, Xu Gufeng nodded his head in succession.

Sensing the dangerous meaning inside her tone, Haoden Ye looked worried.

“Nine-san, why don’t you call the police, and never be impulsive!”

Hearing his words, a few people outside gave him looks like a fool.

“My Zhou Jiuzhen’s people are being bullied, ask the police for help, I still need to hang around in Dan City!”

Sister Jiuzi also had an amused look on her face and gave Haoden Ye a hard stare.

Seeing that she didn’t listen to the advice, Haoden Ye couldn’t help but smile bitterly.

He really didn’t trust Sister Jiuer to take people alone, and quickly said, “It’s okay if you don’t call the police, I’ll go with you!”

Hearing his words, Sister Jiuer frowned and looked unhappy, “This is a matter of our way, what are you following!”

“I’ll just go with you to check it out, and protect you in case it does happen!” Haoden Ye hurriedly said.

Hearing his words, a warmth flashed in Sister Jiuzi’s eyes.

Soon, though, she shook her head.

“Sister Zhou, if Dr. Ye wants to go, let him go, I’ll just have someone protect him, we can’t wait!”

At this time, Xu Gufeng was anxious.

“Okay, you be safe!”

Sister Jiuzi said, stepping out of the room.

In the meantime, as the car sped down the road, Sister Jiuzi beside me was browbeaten.

Seeing her appearance, Haoden Ye mentally just sighed.

For some reason, Haoden Ye felt that the title of Big Sister was a burden to Sister Jiuzi.

Soon the car pulled up in front of the night bar.

At the door, the two girls were looking anxiously, and as soon as they saw Sister Jiuer's car arrive, they ran over crying.

"Sister Jane, you should go inside quickly, Lili has been locked up by them for ten minutes!"

As soon as Li Wei heard this, he rushed inside without saying a word.

Sister Jiuzi did not hesitate and immediately followed quickly.

The bar was very nicely set up, full of the heavy metal of an urban night, but it was still midday and there were hardly any customers.

Following Sister Jiuzi, Haoden Ye went all the way to the second floor private room, and once upstairs, he saw Li Wei and the two recognized wrestling together.

Xu Gufeng and the others, seeing this, did not wait for Sister Jiuer to speak, when they immediately went up to help.

The two recognitions seemed to know that they were no match, and quickly let go of Li Wei, the figure taking a step back, a mocking sneer on their lips.

Li Wei got only, lifting his leg and kicking at the door.

The sturdy door was kicked open by him.

At this time, Haoden Ye and the others arrived at the door, just in time to see the light inside.

But there were seven or eight people sitting inside, all looking at the couch with lustful smiles.

And then on the couch, a see-saw man in his early thirties was on top of a girl.

The girl was seventeen or eighteen years old, beautiful, with fair and delicate skin and delicate features, like a fairy sister in a soap opera.

The girl's clothes were now ripped open and her chest was completely exposed to the group of men.

The skirt underneath was also ripped and the underwear was pulled up to the man's knees, and the whole thing was almost completely inchless.

The girl's eyes were filled with tears and a look of despair and pain.

The man, on the other hand, was all smiles, with some mockery in his eyes.

“Bastard, I’m going to fight you!”

Seeing this scene, Li Wei’s eyes reddened and he stormed inside.

The people inside had also been looking here for a long time, seeing her rushing over, when two more men dressed in black, one left, one right, struck down at Li Wei’s chest.

The two men were seemingly slow to strike, but there was a dark strength in their hands, and Li Wei didn’t realize this in the slightest, only that the two men were quick to strike and he had time to rush to the middle-aged man’s front.

Chapter 455

But he was only close to two people, and the two fists suddenly sped up and hit Li Wei squarely in the chest.

Li Wei muffled a snort, his figure retreating incessantly.

The two men glanced at each other with a stroke of pride.

Other people couldn't see it, but Haoden Ye could see that this punch, when combined with Li Wei's previous injuries, was enough to make him gasp within three days!

Now Haoden Ye didn't dare to hesitate and hurriedly took a step forward to catch Li Wei, a silver needle in his hand stuck in Li Wei's undershirt.

He moved so quickly that the other man didn't even notice and thought he had gotten his way.

"Xu Guanfeng, how dare you come to my chassis and cause trouble!"

At this time, Sister Jiueru also entered the room, her eyes coldly staring at the man on the couch.

And the man stopped moving at this point, while the girl, seeing the ninja coming, immediately broke away from the man and ran this way.

Li Wei hurried forward to hug his sister, and Haoden Ye had already taken off his shirt and handed it to him.

With a grateful look, Li Wei quickly wrapped his sister up and had her escorted out.

"Oh my gosh, I'm so damned that I've alerted Jane!"

A touch of mockery flashed inside his eyes, and Xu Guanfeng sat down lazily in the sofa, a pair of eyes darting indulgently at Sister Jiuer's delicate body.

"Is Jane upset that I didn't call you? If you're interested, Mr. Xu is willing to play with you!"

A glint of silver surly light flashed in his eyes, and Xu Guanfeng smiled heedlessly.

Hearing this, Xu Gufeng and the others immediately had angry looks on their faces.

"Xu Guanfeng, Sister Zhen was also molested by you, I don't believe I'll let you walk out of this bar today!"

With a fierce glint in his eyes, Xu Gufeng snorted coldly.

"Our big brother is talking to this woman, and you have a part in interrupting!"

As soon as Xu Gufeng finished speaking, a black-clothed man in the near distance stepped forward and punched Xu Gufeng in the chest.

His punch also contained dark energy, but Xu Gufeng was unaware of it and used his scalp to take it with his fist.

As the two punches clashed, Xu Gufeng's face changed and his figure retreated.

Seeing this, the people of the Ninth Sister all looked surprised.

Obviously two punches were exchanged, and Xu Gufeng looked a bit more fit, so why was he being beaten back by this man?

"Xu Guanfeng, you dare to be this crazy even in my chassis, it was your boss who made you come!"

Seeing Xu Gufeng being beaten, Sister Jiura's eyes flashed with concern as she stared coldly at Xu Gufeng.

"Sister Zhen really is an understanding person, yes, our boss sent me here, he is interested in your bar and wants to dish over to make some money, you know, we don't make much money at that place in Yuzhou at all, the brothers don't have money to find women!"

Xu Guanfeng smiled heedlessly and swept his gaze over Sister Jiura's seductive and delicate body.

“Of course, if Sister Zhen can’t give up this bar, we won’t force you, if you promise to compensate me for one night, I’ll give this bar to Sister Zhen!”

A lecherous smile flashed across his face, and Xu Guanfeng licked his lips.

“What if I don’t even agree?”

Sister Jiuer’s face became very gloomy down, her petite body trembling slightly.

Haoden Ye had never seen her look so angry before, and his brows furrowed.

“Oh, of course we wouldn’t dare to do anything to Jane, but it’s a legal society, can we still kidnap her?”

A dangerous glint flashed in his eyes, and Xu Guanfeng’s eyes narrowed.

“If Sister Jane really felt we were a threat, she could have just made us brothers here, and I’m rotten to death, but it’s not good that I’m going to cause Sister Jane a lawsuit!”

He put on such a roguish face, Jiuzhi was really a bit of a rat.

“Sister Jane, let me do this kid, I won’t disturb him even if I go to jail!”

Gritting his teeth, Li Wei roared.

With a glance at Li Wei, Sister Jiuzi's eyes flashed with hesitation.

Eventually, she shook her head and said, "Don't be impulsive!"

Xu Guanfeng looked at Sister Jiuer with a playful and mocking face, with a touch of greed in his eyes.

"Of course, it's not like there aren't other solutions!"

While Sister Jiuer was considering whether or not to do it, Xu Guanfeng suddenly spoke again.

Sister Jiuer was slightly startled and her eyes fell back on him.

"Let's be here, in a fight, I'll beat these guys you brought here by myself, as long as one of them beats me, I won't want this bar, and I'll additionally compensate Sister Jiuer for ten million dollars in damages, how about it?"

Hearing this, everyone on Sister Jiu Er's side turned pale.

This condition, looks very tempting, after all, Xu Guanfeng only one person, and five people on the side of Sister Jiuzi, even if the odds of winning a battle of wheels is also large.

However, thinking of what Haoden Ye had just said, Sister Jiuer's confidence disappeared.

Haoden Ye had just said that a punch from Xu Guanfeng could kill Li Wei within a few days!

His boxing was too weird, so wouldn't it be like going to die again if his own people went back on?

However, the other party has already said this, if you refuse, you will lose face today.

Whether to gamble with the lives of her men or risk doing away with Xu Guanfeng, Jiuzhi hesitated.

"This...can I have a word!"

While Sister Jiuer was having a hard time, Haoden Ye's voice suddenly sounded.

He had been standing behind Li Wei since he first walked in the door, and Li Wei was so tall that Xu Guanfeng and the others had barely seen him.

Hearing the voice, Xu Guanfeng turned his head and swept a glance at Haoden Ye, a contemptuous look on his face, “What are you, the bosses are talking, and you have a part in interrupting!”

When Sister Jiuzi saw Haoden Ye suddenly speak, her face also showed a displeased look.

“You shut up, you don’t get to talk here!”

Sister Jiuzi glared at Haoden Ye, her voice stern.

“I’m not one of your men, why should I listen to you!”

Haoden Ye stared with both eyes, not in a good mood.

As soon as this was said, the people on Xu Guanfeng’s side were stunned.

Haoden Ye had been following Sister Jiuer, but she wasn’t even Jiuer’s person?

Sister Jiuer was blocked by Haoden Ye’s words also for it, her pretty face angry.

Ignoring Sister Jiura, Haoden Ye turned his head and smiled at Xu Guanfeng, "Let's say, I'll fight you, win the bar for you, Sister Jiura... oh no, Sister Zhen will accompany you for a month, if you lose...."

Hearing his words, Xu Guanfeng's eyebrows immediately furrowed.

The man in front of me had said he wasn't one of Sister Jiura's men, yet he dared to bet on her!

The people on Sister Jiuzi's side also stared at Haoden Ye when they heard his words.

"Haoden Ye, you shut up!"

Sister Jiuzi was furious, she even let herself accompany Xu Guanfeng for a month, and he could say such things?

And he wants to fight Xu Guanfeng himself!

Haoden Ye didn't pay any attention to her and continued to say what was interrupted by Sister Jiuzi: "If you lose..."

This time he hadn't finished speaking, but Xu Guanfeng immediately said, "If I lose, I'll pay Sister Zhen twenty million dollars in damages!"
