

Chapter 456

Before Sister Jiura could even open her mouth to refuse, Xu Guanfeng had already opened her mouth, giving her no chance to even speak.

“Haoden Ye, you’re crazy!”

Sister Nine’s chest rose and fell in anger, the two clusters on her chest shaking violently with her angry voice.

“Sister Jane, you’re not going to go back on what you said and spilled, are you!”

Of course Xu Guanfeng was unwilling to give up this opportunity, and a smirk flashed across his lips.

“That’s right, Sister Jiura, you’re a big sister in Dan City, how humiliating to go back on your word in this situation!”

Haoden Ye also nodded along, looking very solemn.

Sister Jiura gave him a furious laugh and stared at Haoden Ye with a pair of eyes.

And several of Li Wei’s faces looked very unhappy.

They originally thought Haoden Ye was a good man, but they never thought he would bet on his boss!

“Doctor Ye, don’t mess up, you’re not ignorant of Xu Guanfeng’s power!”

“I should have listened to the boss and not let Dr. Ye come over!”

Several people looked unhappy and angry.

Ignoring them, Haoden Ye smiled at Xu Guanfeng and said, “In addition to the conditions you said, I want to add one more, if you lose, you have to accompany Sister Zhen forty million, and every time you see Sister Zhen, you have to call out an aunt!”

Hearing this, Xu Guanfeng’s brows furrowed.

“Boy, you have a big appetite, why should I listen to you!”

Xu Guanfeng looked unhappy, he didn’t think he would lose, he just felt that Haoden Ye was insulting him by making him call Jiuera sister aunt.

“Of course I won’t let you suffer either, just now you said that one person would beat up these people under Sister Jiu Er’s men, this time it’s the other way around, I’ll beat up all of you by myself, and you can do it together oh!”

Hearing this, everyone on it once again turned pale.

Xu Guanfeng almost laughed out loud, this Dr. Ye is not an undercover agent sent here by himself, this kind of condition can also be agreed to.

And the gang of black-clothed men who followed him couldn't help but laugh out loud.

How can he say such life-threatening terms?

The people on Sister Jiuzi's side almost also had the same idea as Xu Guanfeng, thinking that Haoden Ye was an undercover agent sent by the other side.

Sister Jiuzi's eyes were even wider, looking at Haoden Ye like a madman.

"Haoden Ye, you give me..."

Sister Jiuzi's pretty face was red with anger, opening her mouth and wanting Haoden Ye to get out.

But she had only uttered two words when Haoden Ye suddenly took a wrong step and arrived in front of her.

Sister Jiura only felt a stabbing pain in her back undershirt, then got weak all over, and couldn't even say a word.

"When a woman is out there, she has to listen to a man, you know?"

Haoden Ye suddenly stretched out his hand and grabbed Jier sister's waist, his eyes filled with "domineering" look at Jier sister.

This was such a state of affairs that everyone present was stunned.

"Boss...Boss is even having an affair...with this man?"

"No wonder the boss just left this kid alone with him and the boss was red in the face when they came out just now!"

Nine's men stayed on the spot as you looked at me and I looked at you.

And when Xu Guanfeng saw the close appearance of Sister Jiura and Haoden Ye, a chill flashed in his eyes.

At this time, Sister Jiura hated to swallow Haoden Ye alive, and her pair of eyes stared at Haoden Ye with deadly intent, trying to use her eyes to convey killing intent.

It was a pity that she was now weak, and the warmth from the place where she had been pierced by Haoden Ye caused her pretty face to blush as well, her eyes clouded with a layer of mist.

The look in his eyes looks like he's having an "affectionate" look.

Isn't it telling that a big sister of a mobster is showing such a look and lying in a man's arms like a little bird?

"I wonder what Mr. Xu thinks of my terms?"

Having subdued Sister Jiuer, Haoden Ye smiled slightly and addressed Xu Guanfeng.

Xu Guanfeng laughed and stood up expansively, "Fine, just do as you say, but I won't let you suffer, my brother won't be along for the ride!"

Seeing the other party's agreement, Haoden Ye finally pulled out the silver needle on Sister Jiuzi's body.

Although she was given freedom, the wood was already in the right place, and Sister Jiuzi couldn't refuse even if she wanted to, so she could only stare hard at Haoden Ye.

Her eyes just passed and she was suddenly slapped hard on the hip.

A jolt of electricity came from her hips, and Nine's petite body shuddered.

In his mind, he immediately recalled the scene when he was acupuncturized by Haoden Ye.

“Clear the area!”

Stifling a snort, Sister Jiuera's pretty face flushed, but her voice was full of anger.

Soon, the site was cleared, with Sister Jiuera and Xu Guanfeng's men and horses on either side.

“Kid, I won't bully you either, I'll only let one of my brothers on, Yang Tao, you do it!”

Xu Guanfeng swept his gaze towards one of the men in black.

The black-clothed man immediately had a cruel smile on his face and his gaze turned to Haoden Ye.

In the eyes, Haoden Ye was not a living person, but just a toy that he was playing with.

Haoden Ye also took a step at this time.

Behind her, Sister Jiura suddenly pulled Haoden Ye, and when she turned her head, she saw her eyes concerned, “You be careful!”

Xu Gufeng and the others also looked concerned, and Li Wei even showed a sad look.

Seeing his face, Haoden Ye thought of a poem, “The wind is blowing and the water is cold, the strong man is gone...”

“Take it easy guys, I have a way to deal with them!”

With a slight smile, Haoden Ye walked into the tournament arena.

“Hey boy, if you’re afraid of dying later, kneel down and kowtow three times to your grandfather and I’ll let you go!”

Looking at Haoden Ye contemptuously, Yang Tao smiled heedlessly.

“Mutual, and if you get scared later, just call Daddy, not Grandpa!”

Haoden Ye also smiled a fierce smile.

Yang Tao's eyes flickered with cold manners and snorted, "Master said that you can't easily hurt someone's life after going down the mountain, I didn't want to end you, you were looking for death!"

After saying that, Yang Tao pulled out of his stance and was about to make a move.

Here Xu Guanfeng's group of people were all smiling excitedly.

Only Xu Guanfeng frowned and looked solemn.

"Old Yang, don't kill him on the spot, this isn't the mountains, there are laws for everything!"

Xu Guanfeng reminded Yang Tao in a loud voice.

"Big Brother, don't worry, I'll just cripple him, at least so he can't touch a woman for the rest of his life!"

Smiling hehehe, Yang Tao swept his gaze towards Sister Jiuer.

Sister Jiuzi's pretty face went slightly white, then red again.

"When did I sleep with him!"

Sister Jiuzi, who had been teasing Haoden Ye, felt wronged for the first time.

“Well, just don’t let anyone see that it was us who hurt him!”

With a satisfied smile, Xu Guanfeng nodded.

“Boy, what a pity, such a beautiful woman, I can’t play with her anymore!”

“What are you afraid of, our older brother can help him play!”

A group of black-shirted men coaxed laughter.

Chapter 457

In the midst of laughter, Yang Tao slowly walked towards Haoden Ye, the corners of his mouth raised, revealing a smirk.

Li Wei and the others all revealed nervous looks, their eyes staring at the field without a second thought.

However, the strange thing was that the two men were already very close, yet they didn’t do anything immediately.

“Yang Tao, hurry up and fix it, I’m still anxious to taste Sister Zhen’s taste!”

Xu Guanfeng showed a look of impatience and pressed on.

“Yes, Senior Brother Yang, hurry up, but Senior Brother said that he’s done playing, and the brothers have a taste!”

Others pressed on.

The people on Sister Jiura’s side were incomparably angry at what they heard, but they were careful not to dare to fight back for fear of distracting Haoden Ye.

Another minute passed, and Yang Tao still didn’t move, just stood there, looking fixedly at Haoden Ye.

There were wondering looks on both sides of the table.

“Hey, you guys haven’t had anyone up here yet, it’s been so long since the fight!”

At this time, Haoden Ye suddenly spoke up.

People on both sides of the table listened.

After the fight, the two of them didn't move at all.

At this time, Xu Guanfeng looked slightly tight and pushed a black-clothed man beside him, "Go check on Yang Tao!"

The man hurried over to the field side, wanting to check on Yang Tao's condition.

As soon as his hand touched Yang Tao, the man stayed still.

"Senior... senior brother, senior brother Yang is not... out of breath!"

Everyone was dumbfounded at that!

Xu Guanfeng's face whooshed and stared at this side.

The two of them hadn't even exchanged blows, so why was Yang Tao suddenly out of breath?

Even if it was poisoned, it couldn't have been so quiet.

You know, but Haoden Ye was always in their line of sight.

The people on Sister Jiuzi's side were similarly filled with surprise.

It's a weird win, though!

"Senior Brother Yang!"

Presently, there were two black-clothed men who were frightened and ran over to try to check on Yang Tao's condition.

"Don't go over there!"

The two had only taken two steps when Xu Guanfeng suddenly shouted.

At the news, both men turned around at the same time.

But then Xu Guanfeng's face was pale, looking fixedly at the man who had just gone to check on Yang Tao.

"Brother Zhou!"

At this time, someone among the black-clad men shouted.

Only then did the two of them turn around, but they saw that Senior Brother Zhou, who was holding Yang Tao, was also standing fixedly, his eyes hollow, just like Yang Tao.

“Brother Zhou is also... dead?”

Both men gulped at the same time and took a quick step back.

“Surname Ye, you dare to poison it!”

The fierce light in Xu Guanfeng’s eyes flashed, staring viciously at Haoden Ye.

“You misunderstand me, I really didn’t poison them, and if you don’t believe me you can take them to sit on the autopsy report later!”

Shrugging his shoulders, Haoden Ye revealed an innocent look.

But no one in the room is likely to believe his words.

“You can’t even move and dare to say you didn’t poison it?”

On Xu Guanfeng’s side, someone immediately began to argue.

Truthfully, even Sister Jiuera didn't believe that Haoden Ye hadn't poisoned her.

"Ahem, well, originally this was my master's secret method, you guys had to say I poisoned it, so I don't have to, let's just fight for real!"

With a helpless smile, Haoden Ye pulled out of the fight.

The occupation had already shifted towards winning, and when Haoden Ye suddenly said so, the people on Sister Jiuzi's side got worried.

"Haoden Ye, they have no evidence that you poisoned them, that's why they lost, are you stupid!"

Sister Jiuzi was furious, not angry enough to look at Haoden Ye.

"Shut up, men talk, women shut up!"

Haoden Ye turned his head openly and stared very domineeringly at Sister Jiuera.

He was genuinely afraid that Sister Jiuera would order her men to do it and mess up today's plan.

Sister Jiuzi was furious and opened her mouth to curse.

Before the words were out of her mouth, she felt the eyes of her men around her become strange.

“How many lives do you have, this bastard, even my mother dares to flirt!”

Biting down on her teeth, Ninji held her anger against the words.

She liked to take the initiative and flirt with Haoden Ye, but also saw that Haoden Ye was inexperienced in this area and easily suppressed by herself.

Now that she was being molested by him, Sister Jiuzi felt very mortified.

Over here, once Xu Guanfeng heard this, how could there be any possibility of refusal, when he immediately took a step forward and said, “Fine, I’ll fight you!”

Upon hearing this, the people on Ninth Sister’s side became nervous again.

Haoden Ye’s bizarre poisoning method couldn’t be used, and they were aware of Xu Guanfeng’s power.

That’s murderous and bizarre as hell.

“Big Brother, kill this kid!”

“Big Brother, avenge the two younger brothers!”

A group of black-clad men shouted excitedly.

“Kid, if you can beat me today, I, Xu Guanfeng, will recognize you as my godfather!”

Once on the field, Xu Guanfeng’s eyes grew cold.

In both eyes, two cold manes shot out, making people chill.

Killing, not that he hadn’t done it before.

Only the people he killed didn’t know how they died.

There was dark power in his fist, and a single punch could cause undetectable damage to one’s internal organs.

“Kid, watch the move!”

Xu Guanfeng didn’t give Haoden Ye a chance to speak, and after one sentence, his figure leapt at Haoden Ye with a fierce leap.

In mid-air, the figure was like a descending tiger, very frightening.

Over here, Li Wei and the others saw it, and they all turned pale.

Rao when they faced off against Xu Guanfeng, Xu Guanfeng didn't even have this much momentum!

How could Haoden Ye, a skinny doctor, resist his tiger power?

And right at this moment, Haoden Ye also made his move.

He didn't have the strange movements that Xu Guanfeng did, but his palms tensed backwards as Xu Guanfeng jumped up.

Haoden Ye's arm shook fiercely as Xu Guanfeng's figure pounced mightily.

The palm that had been withdrawn suddenly protruded forward.

Xu Guanfeng's face changed as he saw how swift Haoden Ye was.

This slap not only sealed off his forward route, but he also took up his landing spot on his other foot.

“Good boy, have some skills!”

With a sneer in his heart, Xu Guanyuan Feng’s momentum was withdrawn and his figure tumbled through the air.

At this time the distance between the two people had been very into, Xu Guanfeng this a roll, just under the palm of Haoden Ye.

The figure tumbled while he slammed a hand into Haoden Ye’s abdomen!

Haoden Ye’s figure quickly pushed back, while Xu Guanfeng just happened to land on both feet.

“Yes!Big Brother is awesome!”

“Haha, this slap to the abdomen, this kid won’t be able to be a man anymore, not to mention touching women!”

The black-clothed man saw clearly that Xu Guanyuan Feng’s solid palm had hit Haoden Ye’s abdomen.

And the people on Sister Jiuer’s side saw Haoden Ye retreating and changed color!

“Dr. Yeh!”

Li Wei hurried forward, trying to assist Haoden Ye.

And Sister Jiuera's eyes suddenly turned red as she saw this.

With this slap from Xu Guanfeng, is Haoden Ye still alive?

"No need to come over, I'm fine!"

Right at this moment, Haoden Ye turned his head and smiled at them.

Chapter 458

His face was calm and he didn't look hurt.

Hearing his voice, everyone from Xu Guanfeng's side looked over.

At this point Xu Guanfeng's face was also surprised!

According to the power of his slap just now, Haoden Ye wouldn't be able to stand up now at the very least.

"Kid, count on you to have some skills!"

Xu Guanfeng's eyes narrowed, it seemed that Haoden Ye still had some ability.

But even if they are capable, what's the point?

His slap was a hidden power, if Haoden Ye didn't die now, he would die in pain in a few days!

"Seung-jeon Seung-jeon, is this Mr. Xu's admission of defeat?"

With a slight smile, Haoden Ye cupped his fists.

Hearing his yet, both sides of the room looked surprised.

Just a moment ago, Xu Guanfeng already had the upper hand, and Haoden Ye said Xu Guanfeng was going to admit defeat!

"Surname Ye, are you crazy, didn't you just get enough of a beating?"

"Bastard, you're looking for death today, aren't you!"

"Brother, don't let him provoke you, he just wants you to kill him and then have the police arrest you!"

The man in black began to roar.

And Xu Guanfeng couldn't help but look amused when he heard Haoden Ye's words.

Is this man crazy?

How dare you say such a thing after the loss you've just suffered.

"Kid, it's not over yet, I'll let you know right away, the power of my palm technique!"

With a cold snort, he prepared to strike again.

"No, you can't get lucky anymore!"

Shrugging his shoulders, Haoden Ye revealed an indifferent look, "If I'm right, you should be learning qigong."

Hearing Haoden Ye's words, Xu Guanfeng was slightly startled, never expecting Haoden Ye to see his own martial arts doorway.

"Qigong luck in the body, when punching it looks soft and weak, but in fact it secretly contains very strong force that can easily shatter one's internal organs and organs!"

Sweeping his eyes over Xu Gufeng's hand, Haoden Ye continued, "That slap you just gave my abdomen contained dark energy, trying to shatter my kidneys!"

Hearing this, Xu Guanfeng's smile gradually solidified on his face.

To be able to tell his martial arts doorway and look so relaxed, had Haoden Ye already defused his moves?

Impossible, Master had said that in today's society, there were hardly any people who could use Dark Force!

"Well, so what if you say it? My nineteen years of power will cripple you even if I can't beat you to death!"

With a cold snort, Xu Guanfeng.

Hearing his words, Sister Jiuzi paled slightly.

"Nineteen years! Pity!"

Haoden Ye looked taciturn, but instead, he said with a regretful look, "People who practice qigong gather qi in their dantian, look at your dantian now, is there still qi!"

Everyone was startled at his words.

Although they didn't understand what qigong was, Li Wei and the others knew that the Dantian was very important to Xu Guanfeng.

The people on Xu Guanfeng's side, on the other hand, stiffened slightly and turned their gazes to Xu Guanfeng together.

"My gas!Where's my gas?"

Under everyone's gaze, Xu Guanfeng suddenly shouted, his eyes red as he stared at his abdomen.

A qigong practitioner relies on a single breath to support his or her power.

And this Qi that they practiced was usually sealed inside their dantian.

Once the Qi was dissolved, it would be like nullifying years of your own power!

"Bastard, what have you done to me!"

Xu Guanfeng's eyes went crazy and looked at Haoden Ye with a fierce face.

"I'm turning your breath away!"

With a faint smile, Haoden Ye said.

Hearing his words, the faces of all the black-clothed people were white.

Thinking back to Haoden Ye's move just now, it didn't seem to hit Xu Guanyuan Feng's abdomen, was his Qi going to and being defused by Haoden Ye?

"No way, no way! I have hard qigong protection around me, and you'll dissolve my qi unless it hits me!"

Xu Guanfeng looked crazy, gritting his teeth and roaring at Haoden Ye.

"Oh, you don't need to know that, now I ask you, do you admit defeat?"

Ignoring his madness, Haoden Ye asked word for word.

Xu Guanfeng had thoughts of eating Haoden Ye alive at this point, however, sensing the dangerous light in Haoden Ye's eyes, Xu Guanfeng suddenly calmed down.

Since Haoden Ye knew how to dissolve his own qi, could he do qigong himself?

“Boy, you’ve got balls!”

Taking a deep breath, Xu Guanfeng tried to calm himself down.

“Even if you beat me, so what? You killed my two younger brothers, and we still have to settle this score!”

“Oh?” Hearing his words, Haoden Ye’s eyebrows slightly raised.

“You’re a qigong practitioner, don’t you know about the tortoise rest state?”

Pointing at the two people on the ground, Haoden Ye shrugged.

At this time, Li Wei and the others already knew that Haoden Ye was fine, and it looked like Xu Guanfeng had suffered a big loss, so they relaxed.

Hearing Haoden Ye’s words, Li Wei immediately understood, took a step forward and sneered: “Yes, people who enter the tortoise rest state, their metabolism will drop, similar to a dead person!”

No need for him to explain, Xu Guanfeng naturally understood what was going on.

Being able to move without moving allows one to enter a tortoise rest state, and it can also dissolve the Qi in one's body through the air.

Is this guy a human or a ghost?

A sudden chill rose in Xu Guanfeng's heart at this time.

He now finally understood that coming here rashly to find fault was really not a good choice.

Master had once said that among the city under the mountain, there were many high-ranking people, and told him to keep a low profile, but he had just come down the mountain, and he ran into Haoden Ye.

"Kid, you're tough this time, we'll see!"

Xu Guanfeng snorted coldly, then turned around to leave.

"Wait a minute!"

He hadn't reached the door in his steps when Haoden Ye suddenly called out to him.

“Ahem, it looks like there’s still forty million you haven’t given me yet, and aren’t you going to appoint me as your godfather?”

Haoden Ye smiled heedlessly, instantly changing from the image of a tall man to a wealthy fan.

Xu Guanfeng was going crazy with anger, defusing his anger, and he still wanted to ask for money.

Yet if you don’t give it yourself....

Thinking of Haoden Ye’s terrifying methods just now, he felt that it was better to be a little tighter.

“I have ten million dollars here, how much do you have there?”

Turning his head, Xu Guanfeng’s eyes were vicious to a group of black-clothed people.

One by one, the people in black looked miserable and pulled out their bank cards.

“I’ve got five million here!”

“Here’s my three million!”

Heaven Seeing Pity, these were all the ones they had worked so hard to save after following Yue Yun’s boxing for so long.

After receiving the gang’s money, Xu Guanfeng turned his head to Haoden Ye and said, “Tell me your account number and I’ll immediately transfer it to you!”

Haoden Ye hurriedly stated his Zhang Hao, and Xu Guanfeng immediately had the money transferred in a lump sum.

Seeing their appearance, Sister Jiuzi was not amused.

However, it soon occurred to her that if it wasn’t for Haoden Ye today, she would be the one crying now.
