

Chapter 471

Turning around, Haoden Ye saw a group of people using the entrance to the boxing gym.

At the front was a man in a suit with a slight build, but you could tell that he must have been very fit before.

With a steady pace, one step at a time, it was clear that he had been a trainer before.

The man was strong and oppressive, giving people a very strong sense of oppression and making them want to obey him.

However, faced with such a person, Haoden Ye's gaze remained aloof.

“Kid, which path are you from, don't you know my name, Yue Yun?”

With his eyes lazily sweeping over Haoden Ye, Yue Yun spoke indifferently.

“Where's my sister Cho?”

The same question was asked again by Haoden Ye.

Yue Yun's eyes glowed at the words, but his face pretended to be surprised, "Sister Zhou, did you say Zhou Juzhen? I don't know where she is, it's not like she's having an affair with me!"

Hearing his words, the boxers behind him and behind Haoden Ye all made laughter sounds.

"I'll ask you another change, where's my sister Cho?"

Ignoring them, Haoden Ye still spoke in an icy tone.

"Hey, your sister Zhou is in my bed, I'll give her back to you when I'm done playing with her, but for now, I'm going to take you for an appetizer!"

Cold light flickered in Yue Yun's eyes.

Upon hearing his words, Haoden Ye's heart sank.

"Now I give you two choices, hand over Zhou and I'll ruin one of your legs, and secondly, I'll find Zhou myself and I'll ruin the lower half of your body!"

Haoden Ye's eyes were cold and his tone was overbearing.

Everyone laughed out loud at his words.

Even Yue Yun laughed!

This kid is only one person, doing his best to drive so wild on his own turf.

Even if you can fight, I have dozens of capable fighters here, isn't it easy to waste you?

"I've been hanging around in Yuzhou for so long, and you're the first person who dares to talk to me like that in my territory!"

Yue Yun's eyes narrowed and his tone was overbearing.

"Waste him for me!"

Saying lightly, Yue Yun took a step back.

Now, the people in front of and behind Haoden Ye began to surround him, and more than a dozen people surrounded Haoden Ye in a circle.

"Don't blame me for not reminding you that anyone who gets in my way will end up no better than this man!"

Pointing at Zhao Xiong on the ground, Haoden Ye's tone was cold.

“Looking for death!”

Now, a few people were enraged by Haoden Ye and raised their fists to attack.

Outside of the crowd, Yue Yun was looking at Haoden Ye’s side in a good mood, a smirk on his lips.

He knew Xu Gufeng lost to Haoden Ye, but Long Bo Xi also said, this kid just knows how to spot acupuncture points, nothing else, it’s not simple to cripple him?

He wasn’t even in the mood for a good show now, because Long Bo Xi had said that tomorrow night, he would play Choo Joo Jin to him.

He’s still got to save his strength for tomorrow’s battle!

“Hey, if you want to conquer this woman in bed, you’ll need to prepare well, do you want to buy some drugs tomorrow!”

At this moment, Yue Yun’s mind was all on this matter.

“Ah!”

Two screams rang out, and the few people who fought against Haoden Ye suddenly retreated, each covering a part of their body and screaming repeatedly.

Yue Yun was awakened by the sound of the needle screaming, and upon closer inspection, Haoden Ye had actually finished off seven or eight people in a matter of moments.

Surprise flickered on his face and Yue Yun frowned.

“What are you all standing around for, let’s go together, I don’t believe this kid has three heads and six arms and no holes!”

Yue Yun didn’t want more of his men to get hurt, so he immediately ordered.

Hearing the words, everyone swarmed together, their fists greeting Haoden Ye together.

Yue Yun’s thoughts returned to Sister Zhou again, but he didn’t think about it for long as a series of screams rang out.

The figure of Haoden Ye in the middle of the crowd dodged left and right, and not a single one of these fists was even hitting him.

The people on their own side, one by one, fell to the ground, each screaming without knowing.

Now Yue Yun's face also started to become heavy, concentrating on observing the situation.

One by one, people fell, Yue Yun's face getting uglier and uglier.

In less than ten minutes, all of the forty or so boxers fell to the ground.

Yue Yun was standing alone, and opposite him was Haoden Ye.

“Boy, you're from that path, but you've got a few tricks up your sleeve!”

Yue Yun's eyes narrowed, knowing that he had hit a hard stumbling block.

Without answering Yue Yun's words, Haoden Ye slowly walked over to Yue Yun.

“Oh, what, you still want to fight me?”

With a cold smile, Yue Yun revealed a sardonic smile and said, “Kid, if you dare to touch a hair on my head today, I'll dare to touch your whole family!”

“Very well, your threats are very effective!”

The corners of his mouth slightly raised, Haoden Ye suddenly took a step forward to approach Yue Yun, then faintly said to “Alma”: “Get on his body, I want him to live in fear from now on!”

Nodding soberly, Alma floated out a blue light that shot into Yue Yun’s body.

Then, a look of extreme fear appeared on Yue Yun’s face, and his face turned white.

“Ghosts...ghosts!Let go of me, let go of me!”

The sound of fear echoed throughout the boxing gym, sending shivers down the spine.

“Boss, what’s wrong with you!”

There were a few who had better endurance and endured the pain raw, shouting in fear at Yue Yun.

However, at this time, Yue Yun was as if he was insane, as if he couldn’t hear them at all.

And inside his body, a blue light floated out.

“Daoist, this man has gone mad!”

There are still many ways for a ghost to scare a person crazy.

Nodding in satisfaction, Haoden Ye turned around and walked inside.

“Don’t pester me, don’t pester me!”

Yue Yun’s voice echoed in the boxing gym, the unstoppable boss just now had become a madman!

Bypassing the corridor of the boxing gym, Haoden Ye continued to walk inside.

“This is the place!”

Just when Haoden Ye wondered if death was not a wrong way, the front of the “Alma Su” leading the way suddenly stopped.

And at this moment, a black shadow quickly shot towards Haoden Ye.

Haoden Ye turned around violently and punched the shadow.

The shadow made a surprised sound, then the figure bounced off the ground, dodging Haoden Ye's attack.

Only then did Haoden Ye see that the person coming was actually a woman.

The woman was very beautiful, with a baby face, but a very hot body.

"Nice body!"

With a faint smile, the woman swept her gaze over Haoden Ye.

Her eyes were sharp, as if every place she saw could be a target for a blow.

"You're the ones who took Zhou?"

Faintly saying that, Haoden Ye's eyes grew cold.

"Young man, I think you're a good one, and let me remind you that you can't afford to mess with anyone in there!"

The woman showed a look of love for talent.

“If you go in now and admit your mistake, maybe my master will spare you, don’t worry, with my master, your future achievements will definitely not be small, otherwise... I’ll have to kill you here!”

“Is Long Bo Xi your master?”

Hearing the woman’s words, Haoden Ye frowned slightly.

“Good!”

The woman nodded gently and added, “My master is profound in martial arts, if you are willing to join him, he will definitely teach you very powerful martial arts!”

At that, she radiated two feminine glints from her eyes.

“This martial art will not only prolong your life, it will also make you more manly!”

It was a subtle statement, but Haoden Ye could understand it.

“Shame on you, woman!”

Upon hearing this, Li Daniu revealed a look of disdain.

He already knew that the one who had harmed his wife was this Long Bo Xi, the woman's master.

“Looking for death!”

The woman was scolded by Li Daniu, a cold light flashed in her eyes and her figure shot straight at Li Daniu.

On this side, Li Daniu didn't react at all.

Seeing that the woman was about to reach Li Daniu, the figure slumped.

Then I heard a woman scream and the figure recoiled.

When I looked at her again, the woman was pale and fell to the ground in shock and rage.

“You're an apprentice of Longpohi, you must know where he is!”

With cold eyes, Haoden Ye walked up to the woman and faintly said.

“A toast is a toast, even if I told my master where it was, would you be his opponent?”

The woman sneered, her eyes looking at Haoden Ye with disdain.

“Where’s Longbush!”

Ignoring her words, Haoden Ye faintly said.

“Well, I’m not going to tell you!”

The woman had a determined look on her face.

“There’s no way I can get an answer out of you then, I’ll have to figure it out for myself!”

Turning around, Haoden Ye swept his eyes behind “Alma Su”.

Nodding gently, “Alma Su” walked up to the woman.

“I’ve investigated, she’s a cop, and you’re trying to use her to extract a confession from me?”

The woman had an impish smile on her lips.

“It’s not her, it’s them!”

A wry smile flashed across Haoden Ye’s face.

The woman was slightly startled and suddenly felt the air around her freeze.

Then, the “Alma” in front of him had a sneering smile on his face.

For some reason, the woman began to feel a sense of fear.

“What’s going on, she’s just an ordinary woman, she doesn’t even know how to do kung fu, why does that make me feel so scared?”

Just as the woman was confused, the “Alma” in front of her suddenly had a flash of blue light.

Then, a person came out of her body.

The woman’s face changed suddenly and instantly went white.

Because she clearly saw that the woman who came out of “Alma’s” body was floating in mid-air.

“It’s an illusion, it must be an illusion!”

The woman bit her lip hard, trying to use the pain to wake herself up.

However, the pain was very intense indeed, but the sight in front of me hadn’t changed at all.

Suddenly, the woman felt a slight slump in her shoulders and looked backwards.

With just one glance, her mouth grew wide as she stood behind her, too.

And this man had no skin on him at all, but he was just a skeleton.

“It’s an illusion, an illusion!”

The woman felt a numbness in her scalp and tried to talk herself out of it in her mind.

However, even she herself didn’t believe it anymore, because if it was an illusion, why would the figures of Haoden Ye and Li Daniu appear before her eyes?

They felt so real to him, a constant reminder to her that this wasn't a hallucination.

"Bastard, you drugged me, didn't you? Why let me see visions?"

The woman shrieked and roared at Haoden Ye.

Judging by the sound of her voice, she was in a state of extreme fear.

"Oh, whether it's an illusion or not, you can decide for yourself, I'll just tell you that if you don't tell me where Long Bo Xi is, you'll soon end up in a terrible situation!"

A faint smile Haoden Ye Dao.

"Come down with us, the view of the dungeon is great!"

"You've gotten so many people killed, and there's a lot of old friends down there!"

In front of and behind them, the two ghosts let out a laugh.

Behind Haoden Ye, Li Daniu, who was watching the woman's face gradually become fearful, scratched his head.

He can't see the ghosts because it takes special conditions to see the ghosts.

Haoden Ye used the detention bell's and ordered the three female ghosts to only show themselves to women.

"I said, I said, you let them go!"

The woman was finally afraid, and she had realized that this time, the person she had offended didn't seem like an ordinary person.

"My master is inside the basement of the room, the basement is electronically locked, code 5854!"

Swallowing, the woman's voice was arduous.

Nodding to "Alma Su", Haoden Ye kicked open the door.

"Daoist, how short this woman sits, let's punish her properly!"

"Anyway, we can't go to hell for a while and can't reincarnate, so let us do a good deed too!"

At this time, two ghosts came together in front of Haoden Ye.

“Well, a little discipline is fine, but don’t harm her life!”

Haoden Ye was still more concerned about his own merits, if he killed this woman, his merits would become even less!

The two female ghosts were delighted with the news and their figures drifted away.

Inside the room, Haoden Ye began to search for the entrance to the basement.

The entrance wasn’t difficult to find, and it seemed that Yue Yun hadn’t deliberately concealed this basement.

Revenue code, the basement door opened.

A deep tunnel appeared, and Haoden Ye greeted “Alma” and asked her to check the situation inside.

A blue light floated out and slowly entered the basement.

At the same time, Long Bo Xi was lusting after the tied up sister Jiuzi.

“Miss Zhou, if you submit to me nicely, I promise I won’t treat you badly!”

“You’re dreaming, if you touch me, I won’t let you go even if you’re a ghost!”

“Being a ghost?”

Long Bo Xi suddenly burst out laughing at the news.

“I have a case of headless ghosts on my hands, than you can imagine right, what can those ghosts do to me?”

A smug grin flashed across his face, and Longpoix snorted.

“That’s not necessarily true,”

Just at that moment, a voice sounded behind Long Poihi.

Turning his head, Longpoix saw several silhouettes appear in the basement doorway.

“It’s you!How did you find your way here, where’s Kuan Ying?”

Upon seeing Haoden Ye, Long Bo Xi's face showed surprise.

And when Sister Jiuera saw Haoden Ye, a flash of surprise flashed across her pretty face.

Seeing that Sister Jiuera was fine, Haoden Ye was relieved.

"I was just thinking about how to punish you, and I never thought you'd give me the means!"

Returning his gaze to Long Bo Xi, Haoden Ye's eyes were cold.

"Kid, the beauty salon thing, I was just testing your strength, I admit, your pointing skills are really good, but to go against me, you seem to be a little short!"

Chapter 472

With an icy glance at Haoden Ye, Long Bo Xi had a cold smile on his face.

"Oh? That's not necessarily true, how do you know I'm only good at pointing?"

Shrugging his shoulders, Haoden Ye revealed an amused look.

“Oh, a man who can train pointing kung fu to your level, and is so young, has reached his limit, if you still know kung fu... Oh, I've lived most of my old man's life in vain!”

He would be right to think so, Haoden Ye was so young and his Dim Mak Kung Fu was already so good, how could he know anything else?

And then there was no longer Haoden Ye in Long Bo Xi's eyes, but instead he cast his eyes towards Alma Su beside him.

“Tsk, it seems you're quite polite to send me a beauty with such a superior posture!”

Licking his lips, Longpoix had a greedy look on his face.

Subconsciously looking at Alma Su, Haoden Ye looked strange.

“You like this beauty?”

A strange smile flashed across the corners of his mouth, and Haoden Ye smiled.

That was a bit of a surprise to Lombardi.

Hearing this meaning from Haoden Ye, he actually wanted to give this beauty to himself.

“Boy, it looks like you still know how to read a situation!Not bad this beauty has more Yin energy in her body, I like it very much!”

Lifting his nose, Longpoix had a greedy look on his face.

“Well then, I’ll give this beauty to you, but you have to enjoy the yin energy in her oh!”

Hearing Haoden Ye’s words, not only Long Bo Xi, but also Sister Jiu Er on the bed was dumbfounded.

“Haoden Ye, are you crazy!Hurry up and take this girl away, this old man has very cruel methods!”

“Hey, if you want to run, it’s too late now!”

With a cold snort, Long Bo Xi’s figure quickly pounced over to Alma Su.

At this time, it seemed as if Haoden Ye didn’t react at all, standing dumbly still.

Long Bo Xi sneered in his heart, seeing that he was about to reach Alma Su.

A wry smile suddenly appeared on the face of Alma Su in front!

In the blue sky, Long Bo Xi actually had a bone-chilling feeling!

The figure slightly faltered, and the hand that was going to grab Alma Su quickly withdrew.

“Why don’t you arrest me, old uncle?”

A voice rang in his ears, and Lombosi heard it loud and clear.

However, he clearly saw that “Alma” didn’t even open his mouth!

“Who is it!?”

Long Bo Xi looked around, but couldn’t see a soul.

“Of course I’m talking!”

The front Alma Su smiled again.

The smile is very beautiful, but it gives you an oozing feeling.

“Is it ventriloquism?”

Long Bo Xi frowned and turned his head to glare overtly at Haoden Ye, “Kid, what kind of trick are you playing!”

“Oh, but I just brought some friends over to have some fun with me! Now, I want more friends to come out and hang out with you!”

Slowly raising his hand, Haoden Ye spoke loudly through the air, “The wronged souls who were killed by Long Bo Xi, show yourself quickly!”

“A grievance?”

Hearing his words, Longbottom almost didn't laugh out loud.

“Kid, I didn't expect you to know illusion magic!”

A smirk flashed across his lips, and Long Poixi immediately had his own judgment.

This kid must know some kind of illusion to make himself see illusions.

“Even if the Emperor of Heaven comes today, he won’t be able to save your life!”

Shouting loudly, Long Bo Xi pounced on Haoden Ye.

And just at this time, a sudden chill rose up behind him.

Longpoche paled slightly and turned his head openly.

Just by looking at it, his whole body was set on the spot.

Behind him stood dozens of translucent figures.

And these were the women he had killed.

The dual cultivation of qigong requires men to cultivate the Yang vein and women to cultivate the Yin vein.

However, it is very difficult for women to cultivate.

Usually men who practice from a young age can have a small success by the age of fifteen and can do a double training.

Women, on the other hand, need to be born in a yin year and a yin month and have a negative constitution in order to practice.

And it takes a very long time to cultivate, even the most gifted ones need to be thirty years old to succeed.

However, if one cultivates the Yin Vein for a long time, it will again cause a woman to have a short life, so those who cultivate the Yin Vein usually don't live past the age of thirty.

Of course, the ideal type of person is one who is born with two Yin veins and one Yang vein, who can do double cultivation without cultivation, after learning the simple method.

That's why this cultivation method is usually practiced by women with men.

A woman who successfully cultivates to the age of twenty-five will find a disciple who will teach him the methods of Yang Vein cultivation.

By the time the man is fifteen and the woman's Yin Vein has been formed, this is the time for the double training.

Long Bo Xi also had a master back then, but he was greedy for women and ended up killing his own master.

This would naturally leave him with one less double cultivator, and he would have to rely on absorbing the woman's Yin Vein Yin Qi to cultivate.

But most ordinary people who were absorbed by the Yin Vein had only one way to die.

A woman who is only a virgin will not lose her life if she absorbs it once, though it will damage her body.

Long Bo Xi is lustful and has killed many women in the past.

And it was these women's faces that were in front of them.

"No way, that's not true!"

Being stared at by so many icy eyes, Long Bo Xi's face finally showed a look of dread.

Don't say it wasn't a fantasy, but even if it was, he was going to be terrified at this point.

"Apprentice, you're so cruel!"

At this time, a familiar voice sounded.

Longpoche turned around slowly and saw a horrible face.

On this face, the skin was festering, and one could only vaguely tell that this was his own master.

“Apprentice, why don’t you call Master!”

A smile slowly appeared on the rotting face.

Long Bo Xi had a face that had now turned white.

“He’s mine, all of you get out of my way!”

“I’ll eat him alive, the bastard!”

“I’m going to make his life hell!”

Seeing a ghost pouncing on Long Bo Xi, Haoden Ye sighed in his heart.

However, without Haoden Ye’s orders, these ghosts couldn’t do anything at all to Long Bo Xi.

Just their awfulness had driven Longbush mad.

Sister Jiuera on the bed and Li Daniu behind her had a horrified look on their faces when they saw this scene.

They didn't know exactly what Lombosi had seen, but they could imagine how horrifying a sight it was.

Within a few minutes, Lombosi had gone limp with fear.

Ignoring him, Haoden Ye walked directly to Sister Jiuera and untied the ropes for her.

Finally freed, Sister Jiuera burst into tears of joy.

"Haoden Ye, thank you so much for this time! How did you find me!"

Sister Jiuzi hugged Haoden Ye and had an urge to cry.

After all these years of carrying every danger on her shoulders, this was the first time she'd been saved!

"It's a couple of ghosts helping!"

Haoden Ye pointed at “Alma Su”.

Chapter 473

“Is she a ghost? Why I can see her!”

Looking at Alma, Sister Jiuzi revealed a puzzled look.

“She’s not, the ghost that possessed her is!”

Haoden Ye quickly explained.

“Sister Zhou, it’s Mayang!”

“I’m Ryou!”

“I’m Dreamflight!”

At this time, “Alma” spoke up, saying three words in a different tone.

“Holy shit, what’s going on with Officer So?”

“Dreamflight? Ryou? Aren’t you guys already...”

Sister Jiura was dumbfounded, whirled around and thought of something, walking quickly to Alma Su's front.

“Are you not at peace yet? Is there something you wish for?”

Her eyes moistened a little, and Nine sighed.

“It's Zhou's fault for not being able to protect you and letting you die in vain!”

“Alma” held the hand of Sister Jiura and shook her head repeatedly, “Sister Zhou don't mind, we have brought this on ourselves by getting addicted to drugs, in fact, we stay in the world because we have some wishes that are still unfulfilled!”

“Let me know all your wishes, and Zhou will take care of them for you!”

Sister Jiuzi looked much better at their words.

“I'd like to ask Cho to tell my mom that all the money I've saved over the years is on a card with a card number...”

The three of them each said their wishes, and Sister Jiura nodded to each of them.

“Thank you Sister Zhou, someone helped us get our wish over with, and the three of us can go in peace!”

After speaking, Alma Su, who was originally dumbfounded, was suddenly petite for a while.

Then her eyes regained clarity.

“Surname Ye, I’ll kill you!”

The first thing Alma did when he woke up was to look for Haoden Ye’s figure.

She’s seen everything that’s happened in the meantime.

“Don’t you dare let something dirty possess me, do you?”

“You’re still going to give me away to that awful old man aren’t you?”

As soon as the situation was bad, Haoden Ye pulled his legs out and ran.

“Surname Ye, I’ll see where you can run to, Auntie will definitely take revenge!”

Unable to catch up to Haoden Ye's speed, Alma could only roar from a distance.

"Ah! A scream is heard!"

The pale face on the ground, Long Bo Xi suddenly lifted his hands and inserted two fingers hard inside his eyes.

"I can't see you, haha, I can't see you!"

Then his face grew fearful again, and he covered his ears desperately.

"Stop pestering me, stop pestering me!"

The sound of panic echoed through the basement, chilling the bones.

The police arrived in less than five minutes, and Su explained the situation and gave some details of how the case was solved.

Of course, about Haoden Ye's content, she just automatically filtered it out and made up a lot of stuff in the interim.

The police may not believe these things if they are told anyway.

Long Bo Xi was half-dead when he was taken away, along with the insane Yue Yun.

By the time the entire case was finished, Haoden Ye had already returned inside the company.

At this time, Maya Shen was still inside the company arranging things.

After a hard work, it was already evening, and Maya Shen looked tired, but she had plenty of energy.

“You’re the boss, the company just opened and you’re a dumpster fire!”

Seeing Haoden Ye coming, Maya Shen immediately became greatly coquettish.

“Did Mom and Dad send them back?”

Seeing his own company, Haoden Ye arrived very pleased.

“Well, of course they went back, I think it’s getting late, let’s also go back to rest early, I’ll go and settle the workers’ wages for today right away!”

Nodding lightly, Maya Shen said she was going to walk out.

Just after taking two steps, he was pulled by Haoden Ye.

“Maya, let’s rest at the office tonight.”

Upon hearing the words, Maya Shen was startled.

Only the first two floors of the company are used, as there are not many employees at all.

Maya Shen brought an accountant and one in charge of the warehouse in Shengwen.

Big Bull Lee found a cold storage manager and two janitorial brothers.

And then there’s Mr. and Mrs. Lee Da Niu and Mischus of the caretaker company.

Out of them, there is no one else left.

The workers, however, lived on the third floor, and the fourth floor remained vacant.

Maya Shen had arranged a rest room inside, worried that Haoden Ye would not have time to go home when he was busy.

“Taking a break at the office? Mom and Dad are going to be worried!”

With a slight frown, Maya Shen raised concerns.

“Maya, didn’t you promise to accept me tonight? How about just letting our first time be inside the company I created with my own hands?”

Hearing this, Maya Shen’s pretty face blushed.

“I...I still want to get ready!”

There was a bit of tension in the tone.

“Ah! Haoden Ye, what are you doing!”

Suddenly, Haoden Ye pulled Maya Shen hard and his delicate body fell into Haoden Ye’s embrace.

Just after asking a question, Maya Shen was kissed by Haoden Ye.

In the past, Haoden Ye thought that only when Maya Shen completely accepted herself would be the time when she would truly become a couple with Maya Shen.

Now, however, he had changed his mind.

Men should just dominate their women, so why wait?

Haoden Ye wasn't going to wait!

"What are you all looking at!"

At the door, Li Daniu waved his hand, chasing away the few people peeking in like flies.

"Tsk tsk, the boss is just bossy, that's what men are for, sister-in-law is such a tough woman, but she can't lose her temper in front of the boss."

After tutting for a while, Li Daniu followed down the stairs.

Meanwhile, inside an underground bar in Dan City.

The bar was very lively, with young men and women constantly writhing and venting the stress of the day's work.

There was a young man in a seat in the corner.

If Haoden Ye came and saw this young man, he would be very surprised.

This man is his own first cousin, Shen Ling!

“Oh, young Shen has even arrived early!”

A silhouette approached, accompanied by a clear little voice.

Shen Ling hurriedly raised her head and looked slightly nervous when she saw the visitor.

“Mr. Zhang...Mr. Zhao, what do you want from me?”

The person who came was not a stranger, it was Zhao Chengyu who considered Haoden Ye as his number one rival.

Shen Ling spoke too nervously and almost said Zhao Chengyu's name wrongly.

Seeing the panic in his eyes that he tried to hide, Zhao Chengyu sneered in his heart.

Today he was going out in slight disguise, otherwise he would have been swamped by fans by now.

“What I’m looking for, Shen should know what’s going on!”

Sitting across from Shen Ling, Zhao Chengyu chuckled.

This Shen Shao, called Shen Ling mentally a bit floating.

“Waiter, the most expensive wine you have here, give me two bottles!”

With a wave, Zhao Chengyu called over a waiter.

The waiter was a hot, beautiful woman who listened to Zhao Chengyu’s words with a respectful look on her face.

Seeing her appearance, Shen Ling swallowed his saliva.

Glancing at his appearance, Zhao Chengyu’s eyes glowed.

That waitress turned around to get the wine, and Zhao Chengyu suddenly called out to her again.

“One more thing, beautiful!”

The beauty turned around and looked at Zhao Chengyu in confusion.
