

Chapter 477

Divine Doctor Zou didn't wait for Haoden Ye to finish his diagnosis and smiled slightly.

“Do you want to take a closer look, Doctor Zou, but you just looked twice before you even took my wife's pulse?”

Gu Changwu listened with a few worries on his face.

“Good, Mrs. Gu is pale and obviously short of blood, but her breath is still very steady!”

Haoden Ye listened and also added a sentence in a row.

“Oh, Dr. Ye, is this a sign that you can see why Mrs. Gu is lacking in blood? Usually people who are just starting to study Chinese medicine think that people with Qi deficiency will breathe weakly, but in fact, there are very few places where Qi deficiency problems show up, and they may not necessarily breathe weakly!”

The Zou Shen doctor took on the attitude of teaching a newbie a lesson.

Seeing his appearance, and then looking at Haoden Ye, Gu Changwu had a feeling of superiority.

“Dr. Yeh, get out of here, my wife doesn’t need your attention!”

A touch of impatience flashed across his face, and Gu Changwu once again issued an eviction order.

Hearing his words, Doctor Zou’s face showed some pride.

With people saying that, Haoden Ye could only get up and walk out with a slight sigh.

“Ouch!”

He had just taken a step when Mrs. Gu on the bed suddenly opened her eyes with a wince, and her spirits seemed to have recovered a bit.

“Honey, what’s wrong with you!”

Gu Changwu heard her make a sound and showed a nervous look.

“I... I don’t know, that Dr. Ye just now didn’t know where he touched me, I feel much more comfortable!”

Mrs. Gu frowned, a puzzled look on her face.

Hearing his words, Gu Changwu and Doctor Zou were both startled!

Doctor Zou's face was embarrassed, he just said that Haoden Ye didn't know Chinese medicine, but as a result, he made Mrs. Gu much more comfortable when he did.

This side of Haoden Ye still had a wondering look on his face.

"Mrs. Gu, I didn't treat you just now!"

Haoden Ye was honest.

Hearing this, Doctor Zou looked a lot better.

"So it's just luck, I thought you were deep in hiding, little brother!"

Smiling, Doctor Zou had a look of regret on his face, "Hey, this way, Mrs. Gu's condition still won't get better!"

With a glance at Mrs. Gu, Doctor Zou immediately said, "Little brother, where did you just touch Mrs. Gu? You don't know how to diagnose and treat yourself anyway, so how about telling me and I'll work out a medical plan for Mrs. Gu?"

He was afraid that Haoden Ye had really treated Mrs. Gu and hurriedly asked Haoden Ye under the false pretense of seeing a doctor.

After reminiscing, Haoden Ye had really forgotten exactly where he had touched Mrs. Gu.

Come to think of it, it seems like she was just given a pulse.

The Zou Divine Doctor saw him contemplating, thinking that she was reluctant to speak, and a cold light flashed in her eyes.

“Mr. Gu, if Dr. Ye doesn’t tell me, I won’t be able to treat him quickly!”

Turning around to look at Gu Changwu, Doctor Zou chuckled.

“Dr. Yeh just touched my chest and I feel much better about the stuffiness!”

At this time, Mrs. Gu on the bed suddenly.

Hearing this, Gu Changwu and Doctor Zou’s faces both changed slightly.

Just now they could see clearly and didn’t notice Haoden Ye banging Mrs. Gu’s chest.

If a doctor is going to diagnose a patient, why would he sneak around and touch people?

Gu Changwu's face darkened.

Where Haoden Ye had ever touched Mrs. Gu's chest, he couldn't help but frown at the words.

Mrs. Gu is pretty. Who wouldn't believe you if you said that?

"You get out of here!"

Gu Changwu's face darkened and he gave Haoden Ye a vicious glare.

The Zou Divine Doctor also had a look of disdain on his face.

"What are you letting a doctor out for, I'm going to let Dr. Ye treat me!"

At this time, Mrs. Gu on the bed was unhappy.

"Why can't anyone else cure it, he treated me a little and I'm much more comfortable, does it work to change anyone else?"

Seeing that his wife was upset, Gu Changwu also became nervous.

“You go see to my wife!”

Cold-faced Gu Changwu said, and a dangerous glint flashed inside his whirling eyes.

“I’m warning you, don’t lay a hand on my wife, if I find out, I won’t spare you!”

With a cold snort, Gu Changwu.

Haoden Ye had planned to leave right away, and mentally sighed when he heard this.

There’s no way to explain this!

“Mrs. Gu, are you feeling uncomfortable anywhere?”

Walking up, Haoden Ye asked about her symptoms.

“Just a tightness in my chest and no strength in my body, just like a cold!”

Mrs. Gu looked as if she had the strength to do so.

“A cold?”

Haoden Ye was dumbfounded, Mrs. Gu’s body temperature was normal, she couldn’t see anything wrong at all.

But since it was a cold, he followed the cold diagnosis.

Reaching out his hand, Haoden Ye intended to test Mrs. Gu’s body temperature.

This time, to prevent people from thinking he was messing around with people, Haoden Ye faced a few people head on and only used two fingers.

After testing it out, Haoden Ye found that Mrs. Gu’s body temperature was also normal.

“Yes, right here, give it a gentle squeeze!”

Mrs. Gu’s face immediately showed a pleasant look and her voice had strength.

“Dr. Yeh, you’re amazing, I’m much more comfortable!”

Hearing this, several people in the room were dumbfounded.

Haoden Ye just slightly touched her forehead, and Mrs. Gu said much better?

Is this man's hand magical?

It's even the Zou Shen Doctor who can't help but be dumbfounded, he just tested Mrs. Gu's body temperature too, it's simply fine!

Haoden Ye was also filled with doubt, did he really have divine power in his hands?

He tried to increase the force, and Mrs. Gu immediately had a pleasant look on her face.

“Does that mean it's a headwind?”

Haoden Ye had a few indistinct thoughts that a head cold was similar to a cold, and also had these symptoms.

However, people with headwinds do not experience significant symptoms of anemia.

Haoden Ye guessed that it might be because Mrs. Gu herself was relatively white, plus her female physiological period, which was why she was anemic.

Guessing a general idea, he was much more mentally relieved.

With such a patient, it was all guesswork for him, too.

“Madam should have a head cold, I’ll acupuncture it a little!”

“It’s ridiculous!”

Hearing Haoden Ye’s words, Doctor Zou revealed a displeased look.

He should have thought of the symptoms of headache first, but because of his arrogance, he didn’t inquire about Mrs. Gu’s symptoms.

At this point, when I heard Haoden Ye deduce the symptom of headwind, I still objected even though I knew it was true.

“How dare you call it a head cold when you don’t even match the basic symptoms of a head cold, have you ever studied medical common sense as a doctor!”

This is a righteous look, and those who see it will think he’s right.

Gu Changwu immediately revealed a suspicious look.

On Haoden Ye's side, since he already knew about the other party's illness, he wanted to treat it quickly.

At this time, hearing that the Zou Divine Doctor had said such words just to make a fool of himself, Haoden Ye's face darkened.

Chapter 478

“Does Doctor Zou mean that as long as one symptom doesn't fit, regardless of any circumstances, you can conclude that this person is not suffering from this condition?”

With an icy tone, Haoden Ye stared at the Zou Divine Doctor.

“It's common sense, of course, as a doctor, don't you know?”

With a cold smile, the Zou Shen doctor asked rhetorically.

“Well, then, this Mr. Gu is obviously suffering from a deficiency fire, why did Divine Doctor Zou give him medication to lower his jiao?”

After saying that, Haoden Ye raised his hand and pointed at Gu Changwu who was not far away.

Hearing this, both of them turned pale at the same time.

Gu Changwu was surprised because he had indeed taken the medicine to lower his joints and the medicine was given to him by the Divine Doctor Zou.

And Doctor Zou was surprised because Haoden Ye had actually judged that Gu Changwu had taken the medicine that lowered his jiao.

“You...how did you know I took the coke reduction medication!”

Gu Changwu stared at Haoden Ye, not daring to believe it.

“Mr. Gu’s body is dry, obviously caused by anxiety, but there is no sweat on his forehead, and it doesn’t fit the symptoms of anxiety, this Dr. Zou has given you medication to lower your anxiety, is Mr. Gu feeling better?”

Hearing Haoden Ye’s words, Gu Changwu nodded his head in a row.

“According to Doctor Zou’s logic, if you don’t see any sweat on your forehead, it’s not anxiety, so how do you explain it, Doctor Zou?”

A word that made the Zou Shen doctor freeze where he was.

If this was considering the fact that Gu Changwu's own physique was one that rarely sweated, then the argument he had just made would have to be disproved.

"You...you're just being forceful!"

The Zou Divine Doctor grunted, overtaking his tone of displeasure.

After listening to the two people's conversation, Gu Changwu's attitude towards Haoden Ye was completely changed.

"Divine Doctor Ye, what do you think should be done to treat this disease of non-smoking?"

He was no longer looking at Doctor Zou at all, but smiled directly at Haoden Ye.

The Zou Divine Doctor's face sank and became extremely ugly.

"This one only needs acupuncture, but I want to make sure it's light first!"

Haoden Ye said, pulling out the silver needle.

"Changwu, take Doctor Zou and Mr. Shen and go out, don't disturb Doctor Ye's treatment!"

Mrs. Gu in the bed spoke weakly.

Hearing his words, several people present were a little strange.

It's just acupuncture for treatment, Mrs. Koo is not afraid of people watching?

Dr. Zou had long since stopped wanting to carry in the room, and Gu Changwu's change in attitude towards him made him feel very unhappy.

However, this is Gu Changwu's house, he can't be angry with him!

However, if his wife had a request, of course Gu Changwu would not refuse.

"Shen, Dr. Zou, let's get out of here!"

A doctor shouted out, and the Zou Shen Doctor's face once again looked a little worse.

"Hmph, this quack, sooner or later he'll cause trouble!"

The Zou Divine Doctor snorted coldly and stepped out.

Here, Haoden Ye had pulled out the silver needles and was ready to give Mrs. Gu acupuncture.

However, when he turned around to place the needle, he saw that Mrs. Gu had opened her eyes and was smiling at him.

There was no sickness visible on her face.

“I’m sorry, Doctor Ye, but no one can know about what I did with Chengyu!”

Smiling, Mrs. Gu said, suddenly sitting up in bed and starting to tear her clothes off.

“Mrs. Gu, what are you doing?!”

Haoden Ye revealed a surprised look, his brain digesting this Mrs. Gu’s words.

Makoto? Is that Jo Sung-ok? Is there anything Mrs. Gu and Zhao Chengyu can’t let people know?

Before he could figure it out, Mrs. Gu suddenly screamed, “Dr. Ye, what are you doing!”

Upon hearing this, Haoden Ye's body shook, and two words popped up in his mind, "framed"!

Sure enough, as soon as Mrs. Gu finished speaking, the rooms were kicked open with a thud.

"Surname Ye, what are you doing to my wife!"

Gu Changwu's face was red and he fiercely rushed towards Haoden Ye.

The Divine Doctor Zou and Shen Ling who were following behind him also looked surprised.

Their faces changed when they saw Mrs. Gu in bed, disheveled and in tears!

"Haoden Ye, what are you doing, how could you do such a thing to Mrs. Gu!"

"How dare you, as a doctor, take advantage of a patient!"

Two people shouted at the same time, without exception, to throw dirty water on Haoden Ye.

And then Gu Changwu had already reached Haoden Ye and raised his fist and punched Haoden Ye.

Good thing Haoden Ye reacted quickly and dodged it in a flash.

Gu Changwu pounced and almost stumbled and fell to the ground, turning around sharply and staring at Haoden Ye with a pair of vicious eyes.

Apparently, he also wanted to attack Haoden Ye again.

“Mr. Gu, listen to my explanation, it was Mrs. Gu who wronged me!”

Haoden Ye looked for a gap and quickly explained.

“My wife wronged you? My wife doesn’t know you, so why are you being wronged?”

Gu Changwu shouted furiously and raised his fist to strike again.

Haoden Ye’s figure flashed and took a step backwards, snatching away his second attack.

And Gu Changwu’s words rang out in his mind.

“Yes, this Mrs. Gu doesn’t know me, so why is she accusing me unjustly?”

Haoden Ye usually looked a little slow, but he wasn’t an idiot.

Even if Mrs. Gu wanted to wrong him, there had to be an opportunity, and there just happened to be someone in the room who created it!

Turning his head abruptly, Haoden Ye looked at Shen Ling and said, “It’s you, you’re in cahoots with Mrs. Gu!”

Being looked at by Haoden Ye like this, Shen Ling’s face showed a few signs of cowardice.

But it’s come to this, and there’s no turning back for him.

“Huh?Haoden Ye, you see lust, why do you still want to involve me, I just asked you to come over to help me see a doctor, who knew you were such a low character!”

With an angry snort, Shen Ling looked like a righteous man.

“Surnamed Ye, don’t be sophomoric, if you dare to bully my Gu Changwu’s woman, I think you’re tired of living!”

Gu Changwu saw that Haoden Ye knew kung fu and didn't dare to attack easily.

He pulled out his phone and bellowed into it, "Hey! This is Gu Changwu, immediately bring all the criminal squad to our house, someone is trying to molest my wife!"

After saying that, Gu Changwu hung up the phone.

"Hmph, fortunately Mr. Gu is a member of the crime squad, now this scum won't get away!"

The Zou Shen Doctor saw Gu Changwu finish his call and sneered at Haoden Ye.

Hearing his words, Haoden Ye's heart sank.

This is obviously someone's design to frame himself, but I never thought that even Shen Ling would be involved.

Thinking that this big cousin was actually harming himself with every intention, Haoden Ye was very sad mentally.

However, the most important thing now is to get out of the jam, not to grieve.

“Mr. Gu, think about it, is there any doubt in this matter or not!”

Looking straight at Gu Changwu with both eyes, Haoden Ye spoke in a sincere tone.

“First of all, your wife’s illness is very strange in itself, she can see the symptoms but not the cause, it’s obvious that she’s faking it!”

Hearing Haoden Ye’s words, Doctor Zou immediately said, “What do you mean you can’t see the cause of the disease, I already know the cause, you’re the one who’s talking nonsense and made Mr. Gu believe you!”

Chapter 479

Hearing his words, Haoden Ye looked slightly choked.

Obviously, this Zou Divine Doctor was planning to take advantage of the opportunity to bring down the well.

“Well, even if the condition is right, according to Doctor Zou’s diagnosis, if I touch Mrs. Gu’s forehead with my hand, will she feel better?”

Dr. Zou said that this was a disease of weakness of Qi, and according to this disease, touching the forehead with the hand would indeed not help in the slightest.

Doctor Zou couldn't argue with this, but just snorted, "The patient is feeling better, not necessarily because the disease has been relieved, who knows what method you're using to make Mrs. Gu feel better."

His retort was very weak, giving Haoden Ye some confidence.

"Besides, even if I'm horny as hell, there's no way you guys are going to lay a hand on Sweetie Gu right outside the door!"

This argument was the most favorable to Haoden Ye at the moment.

Hearing his words, the Zou Shen Doctor revealed a speechless look.

He really couldn't find any justification for that.

Haoden Ye cast his gaze towards Gu Changwu, expecting him to start considering his words.

However, as if Gu Changwu didn't hear him, he coldly snorted, "Feel free to argue, if you dare to bully my Gu Changwu's woman, you won't get away with this jail sentence!"

Apparently, even if his wife was suspicious, Gu Changwu didn't want to believe that she would lie to him.

The man, obviously, is obsessed with his own wife.

Haoden Ye had a feeling of wanting to cry!

A couple of men were deadlocked for less than five minutes when the noise outside started.

“Haha, who dares to bully Old Gu’s wife, come on, let me see!”

Haoden Ye actually heard a familiar voice.

But at the door, Zou Dahua walked in with a few people.

“Zou...Zou!”

“Haoden Ye!”

The two men looked at each other, all stunned.

Here, Gu Changwu was gloating a bit, but didn’t dare to get angry, and was about to go up to Zou Dahua to greet him, and was dumbfounded at the sight of the two men.

“Zou, you know this guy?”

Gu Changwu frowned, his face puzzled.

“Ah...I know him, I asked him for a favor before!”

Zou Dahua came back to his senses and nodded subconsciously.

Whirling around, he turned his head to Gu Changwu, “You said he bullied your wife?”

Gu Changwu nodded subconsciously, whirling around with an angry look, “He’s the one, taking the opportunity to treat my wife and standing my wife cheap!”

Zou Dahua frowned at the news.

Haoden Ye was a person he didn’t have deep contact with, but he still understood the character.

Mr. Holander offered him a billion dollars, but he refused, who would take advantage of a woman?

While it is true that Mrs. Gu is a beautiful woman, people’s wives are even more beautiful than Mrs. Gu.

“I’m afraid there’s been a misunderstanding...”

Zou Dahua coughed dryly and walked up to Gu Changwu.

“And what misunderstanding, he molested the wife, we saw it with our own eyes!”

Shen Ling also didn’t expect that Zou Dahua and Haoden Ye knew each other, and Gu Changwu seemed to be a little afraid of Zou Dahua.

He was willing to give his face to frame Haoden Ye, and if he didn’t succeed, it would all go down the drain.

“See it with my own eyes?”

Zou Dahua was startled, he didn’t believe that Haoden Ye was this kind of person, but if people saw it with their own eyes, even if he didn’t believe it, he couldn’t.

“Zou, don’t listen to his nonsense, this man is my cousin, and he’s also involved in today’s incident!”

Zou Dahua heard even more confused, what do you mean he had a hand in today’s events?

Was it a threat to Xu Feiyan that he was involved, or what?

“Shut up, all of you!”

Zou looked across at a few people before turning to Gu Changwu, “You saw this with your own eyes?”

Gu Changwu thought for a moment before saying, “I didn’t see it with my own eyes, but isn’t that clear enough? We were at the door just now, leaving the one surnamed Ye to treat my wife, and only came in to see when we heard my wife’s screams from inside!”

Zou Dahua revealed a dazed look and gazed at Mrs. Gu on the bed.

As soon as Mrs. Gu saw him looking this way, she immediately made a weak face and said weakly, “Brother Dahua, you can’t be biased just because the one surnamed Ye is on good terms with you!”

Afterwards, Boing Boing cried out.

This gesture made Gu Changwu feel so bad.

But what kind of person is Zou Dahua, where does he know how to take pity on a woman.

“Cry cry cry cry! Why are you crying? When you and Wu got married in the first place, I disagreed, you two have vastly different personalities, how did you get together!”

With a muffled snort, Zou Dahua’s face showed impatience.

“Today, it’s easy to get together with the guys from the crime squad, and when I run into this stall of yours, I’ll ask you, how did Haoden Ye molest you?”

Hearing his question, Mrs. Gu stopped crying, “He saw my husband and the others go out, so he pushed me down on the bed and said...that this was how he must be cured, and touched my...body with his hands!”

Said Mrs. Gu, showing an aggrieved look.

Zou Dahua was stunned and confused, “Haoden Ye is healing, what are Xiao Wu and the others doing out!”

At this question, Mrs. Gu’s eyes flashed with a touch of panic.

“I... I was afraid they were disturbing the healing of the surname Ye, so I let them out!”

Mrs. Gu lowered her head slightly and whispered.

“Oh?”

Zou Dahua had a strange smile on his lips and whirled around to raise his head to Haoden Ye, “Is what she said true? Did you touch her?”

Haoden Ye showed an aggrieved look and quickly said, “I didn’t touch her at all, she was the one who started to take off her Y-suit, and then she also said...”

Halfway through, Mrs. Gu suddenly screamed and wailed.

“You’re a rascal, bullying me and lying, honey, I don’t want to live!”

He said standing up and running to the window.

Gu Changwu was shocked at the sight, and quickly stopped and hugged her, his eyes filled with anger to Zou Dahua: “Big Brother Zou, am I your brother or is he your brother, look at you pushing Non Smoke!”

As soon as he finished speaking, Zou Dahua suddenly walked up to him and pulled him by the arm, “You let go and let her jump!”

Gu Changwu was startled and whirled with anger, “What did you say, she’s my wife, your sister-in-law, and you told her to jump off the building?”

The corner of Zou Dahua’s mouth showed a smirk, raising his hand to slap Gu Changwu and snorted, “You’re at least a member of the Interpol, do you have a brain or not, even if you’re an idiot, knowing that you’re right outside the door, you dare to lay a hand on your wife?”

After saying that, Zou Dahua pointed at Haoden Ye, “His own wife is ten times more beautiful than your wife, do you think anyone cares about your wife?”

Gu Changwu was blinded by his slap, and the strength in his hands loosened.

Mrs. Gu, perhaps using too much force, broke free of his embrace.

Without Gu Changwu to stop her, she ran to the ledge faster.

She was about to reach the ledge, but she didn’t dare actually jump off.

Three steps away from the ledge, she immediately let out a scream and fell to the ground, pretending to be exhausted.
