

The Vengeful Son-in-law Chapter 26

[/ The Vengeful Son-in-law](#)

Elliot and the others were also very surprised. They were still confused. They didn't understand why Bob had offended the new chairman. They quickly distanced themselves from Bob to draw a line between them, afraid that they would get into trouble.

Bob caught on and said wrongly, "Chairman, what did I do wrong? Why are you firing me?" Ryan stopped, looked at Patrick and said, "Ask him yourself."

Hearing this, Bob, no matter how stupid he was, realized that Patrick had offended the new chairman! He just wanted to give himself a big slap now. He was so oblivious. When the new chairman mentioned Patrick just now, the chairman obviously did not look happy! But he hated Patrick even more. This scumbag was so stupid! Patrick actually provoked the new chairman and even implicated him. He must not lose this job as a human resource manager.

He hurriedly explained, "Chairman, this is a misunderstanding! I've long disliked Patrick. This guy is a parasite of the company who holds down a job without doing a stroke of work and makes no contribution. He will only use his little power to secretly sleep with new employees. I've long wanted to fire him!"

Then he shouted at Patrick with a cold face, "Patrick, from now on, you're fired. Take your things and get out of here!"

This twist made the women who were about to seduce dumbfounded. Their impression of Patrick changed completely. They only thought that Patrick was a piece of trash, not even as good as shit. On the contrary, the more they looked at Ryan, the more handsome they found him. Even though he was wearing some cheap clothes that only cost dozens of dollars, he still exuded an air of nobility.

Advertisement

And Megan was already speechless. She still felt unreal. Was this man still the jerk she knew?

Patrick panicked and ran over, crying and apologizing. "Chairman, I was wrong! It was my fault that I failed to recognize you and offend you! I won't dare to do it again! Please don't fire me. This job is really important to me, please!"

As he spoke, he slapped himself. There was no such thing as arrogance in his look anymore. Now he was just a stray dog.

Ryan ignored him and said to Bob, "When you pay him the bill, add two thousand dollars as compensation for scraping his car. Moreover, if I see him in ZQ from now on, you won't have to come to work."

Advertisement

After saying this, he walked straight into the ZQ Building and ignored Patrick's heart-wrenching confession.

From the beginning to the end, he did not look at Megan. His indifference was worse for Megan than hitting her in the face!

At the same time, Megan couldn't figure it out. Wasn't Ryan the useless son-in-law of the Scott Family? For so many years, he couldn't even find a job. He did housework at home every day and washed his mother-in-law's underwear. How did he change and become the chairman of the ZQ Media? Was something wrong?

Megan couldn't figure it out. She called Phoebe. "Hey, Phoebe, what are you doing? I've been doing well recently, um... Well, I want to ask, what's your husband Ryan's background?"

Phoebe was upset. She was going to sleep with Mr. Cook tonight, but when she came back at noon, she found that Ryan had not signed the divorce agreement, and she didn't know where he had gone. She was especially fretful. Now that she received a call from Megan who mentioned Ryan, the disgusting guy, she became even more annoyed. "What background can he have? He's just a country bumpkin from the countryside! I really regretted marrying him back then!"

"Are you sure he's really a poor man from the countryside, not someone from a super-rich family?" Megan asked with a frown.

Phoebe immediately became vigilant and said in a deep voice, "Megan, did Ryan ask you for money? I tell you, don't lend it to him, and don't believe him! Coming from a super-rich family? To hell with him! He's just a country bumpkin who's as poor as a church mouse! I should have listened to you and divorced him directly!"

"Is that so?" Megan's tone was a little strange.

"Megan, why do you suddenly ask about Ryan?" Phoebe asked doubtfully, "Is he by your side?"

"No, no!" Megan quickly denied it and said, "I just met someone who looks like Ryan, so I'm curious to ask you. Since I'm mistaken, that's fine. I'll see you another day."

After hanging up the phone, Megan began to sort things out with her beautiful eyes rolling. Judging from Phoebe's tone just now, she was very angry with Ryan. It was obvious that the relationship between the couple was not good, and most importantly, Ryan did not tell Phoebe that he was born in a super-rich family. Then she had a good chance of replacing Phoebe!

Advertisement

Megan was a very calculating person, especially good at seducing men. Patrick had already been fascinated by her without even touching her hand. She believed that as long as she had the chance to get close to Ryan, with her beauty and means, she could definitely conquer him!

Moreover, Ryan used to peek at her when she visited Phoebe's house, obviously interested in her. She used to feel disgusted, but now she just thought it was great. If she could catch herself such a rich husband, she wouldn't have to worry about the rest of her life. She would enjoy endless wealth! After all, he was an amazing person who could spend more than two billion dollars to buy the ZQ Media.

As for the misunderstanding just now, Megan was very regretful, but it was not a big deal. She knew men very well. Now Ryan must be very eager to hold his head high in front of her and wait for her to repent and apologize. At that time, she would cooperate and show her weakness. It was best to take advantage of the opportunity to win Ryan's heart. With her skills, she could get Ryan under her thumb!

Thinking of the beautiful scene, she began to laugh evilly.

Ryan did not know that he had been targeted by Megan. Now he was surrounded by Elliot and the others. He walked into the ZQ Building and felt very comfortable listening to them trying to curry favor.

Of course, he did not forget his original intention to buy the ZQ Media. Now that he was the chairman, he naturally wanted to have a deeper understanding of ZQ so that he could make plans for the future. He was hoping that ZQ would make a big profit for him.

Seeing that Ryan was so young, although Elliot and the others were very respectful to him on the surface, they still thought that Ryan was just born into a super-rich family and didn't have much ability. He only bought ZQ at such a high price to play with female stars.

But soon, when they reported ZQ's situation to Ryan and heard his opinion and the analysis of the market, they couldn't help but be surprised. They put away their contempt for Ryan and were more shocked by his vision and thoughts. He was not some playboy, but a really capable man. Many ideas and plans that he put forward made their eyes light up.

Ryan was originally a business genius and at least a third of the Howard Family's wealth was created directly or indirectly by him.

Now he must have no problem running a small ZQ Company. Moreover, he was steady in his work. Before he bought the ZQ Media, he knew a lot about the current situation of the company, so naturally, he could hit the nail on the head.

He was now a new official, but he was not in a hurry to launch a plan. He still maintained the original model first, and when the time was ripe, he would take action.

After the meeting, he evacuated everyone except Elliot. "Mr. Cook, stay here for a while."

When Elliot saw his solemn expression, his heart thumped, and he began to feel uneasy. He tried to recall that from the time he received Ryan where he did not do well and caused Ryan's discontent.

"Chairman, I was wrong. Please give me a chance to correct my mistake!" Elliot admitted his mistake first, showing his good attitude.

Ryan didn't say anything, but narrowed his eyes and looked straight at Elliot. He really wanted to fire Elliot. After thinking for a moment, he said meaningfully, "Mr. Cook, you've been very powerful recently. Lending 20 million dollars to the Scott Family in exchange for a beautiful woman to sleep with you for three days."

The Vengeful Son-in-law Chapter 27

[/ The Vengeful Son-in-law](#)

"What?" Elliot was stunned. For a moment, he didn't know what the new chairman was trying to tell him. He answered, walking on eggshells, "Yes, this is true. But, actually, I was just joking with the Scott Family. I didn't really want them to send a beauty for

me...

Elliot had been observing Ryan's expression, being extremely nervous and uneasy. He was increasingly aware that the young chairman was so unpredictable. He secretly lent 20 million dollars to the Scott Family in private. The news did not spread, and the new chairman actually knew it. This showed that the new chairman really knew a thing or two.

Bang!

Ryan suddenly launched an attack. He slapped the table, which scared Elliot into shivering and falling to the ground. "Elliot! How dare you!"

"Chehchchchch... Chairman..." Elliot was so scared that his face turned pale. He was all of a tremble, being in dread of him. "I was wrong. I was wrong! I beg your mercy!"

Advertisement

Ryan stared at Elliot coldly. "Okay, then tell me what you did wrong."

I..." Elliot's lips trembled as his mind was in a mess. He couldn't tell what he did wrong for a moment. Yeah, why was he wrong? The Scott Family was just a small family. They didn't run the family well in the past two years, losing a lot of money. The Scott Family was just a stray dog. Even if he had actually f*cked a beauty from the Scott Family and hadn't pay for it, it just seemed all right.

"Can't you tell it?" Ryan's eyes grew colder.

Elliot felt the increasing pressure from Ryan. His forehead was sweating crazily, and he was even about to cry. He couldn't tell the reason, so he could only slap himself desperately and kept yelling that he was wrong.

Advertisement

Ryan waited until he slapped himself a dozen times, and his face became a swollen ass. He then said, "That's enough. Stop your lame performance."

When Elliot stopped, he continued, "I know what's on your mind. The Scott Family is small, owning a small company. Even if you have slept with Phoebe and then cheat them, refusing to borrow them money, the Scott Family can't do anything to you. You can do whatever you want. Did I get you right?"

"Yes, yes, yes. Chairman, you are observant and intelligent. You said everything right. I'm wrong!" Elliot nodded like a rice pecker, more in awe of Ryan. What the hell? The new chairman is not an ordinary person at all. He actually knew his little secret immediately.

Ryan stared at Elliot, being exasperated at his failure, and said, "Elliot, you have been in the workplace for many years. Are you still that simple-minded? Scott Family is small, that's true. If you break your promise, they really can't do anything about you. But, don't forget, you live in the information age now. When the media start to work, it's easy to spread this news everywhere! And you are my general manager of ZQ. Once there is a scandal in our company, it will have a huge impact on our reputation! Can you be responsible for the decline of the market value? Huh?!"

Every word of Ryan's stabbed Elliot in his face, turning it pale. "Chairman, I'm going to reject Phoebe now! I promise I won't hurt ZQ's reputation."

"Yes." Ryan nodded. At this time, Ryan received a message. His phone screen lit up. The screensaver was a photo of Phoebe.

Elliot happened to see it. He was stunned for a moment. Why did this girl look so familiar?

"I don't mind if you agree to lend money to the Scott Family or not. But you should remember, wipe out your prurience towards Phoebe, understand?" Ryan frowned.

"I promise!" Elliot nodded hard. When Ryan left the conference room, Elliot finally relaxed and broke out in a cold sweat. The new chairman was too intimidating.

When he began to breathe more easily, he slowly calmed down, started to sort out what had happened just now. After the new chairman's meeting, he was specially asked to stay. This meant that this matter was extremely important to the new chairman.

Advertisement

But to be honest, this was not a big deal. First of all, the problem of affecting the company's reputation that the new chairman had said was untenable. The Scott Family was small and weak. Even if they hired the media staff, they could not compete with the media power that he had. Not to mention that the evidence was hard to collect. With Elliot's insidious means, he could completely blame his victim and charge the Scott Family with slander. By then, the Scott Family would even lose more.

Therefore, it was illogical for the new chairman to rebuke him for this. After their conversation, he did not think that the new chairman was mediocre. The new chairman must have some deep meaning in doing this! As a veteran in the workplace, it's a necessary skill to elicit the boss' mind by careful study.

So why did the new chairman do this? Censure him in order to establish his own prestige? Suddenly, he had sudden enlightenment. He knew it!

It was because of Phoebe, the beautiful woman sent by the Scott Family.

Elliot remembered everything. It was Phoebe who was on the new chairman's screensaver, wasn't it?

The new chairman used Phoebe's photo as his screensaver, knew Phoebe's name, warned him, and ordered him to wipe out his prurience towards Phoebe. It was obvious that Phoebe was the new chairman's type!

Put everything together, and Elliot figured it out...

The new chairman was obviously interested in Phoebe, but Phoebe was already married. As a chairman, it was unethical to directly rip her over. That's why the chairman knew that he had used 20 million dollars as a gimmick to threaten Phoebe to sleep with him. Only then did the new chairman fly into a rage!

The more Elliot thought about it, the clearer his mind became and the more excited he was!

The new chairman just reprimanded him like this to imply that he should know how to do it. Otherwise, the new chairman would have asked him to just cut it out. Why did he only emphasize the woman Phoebe?

Now, it was him who was on the stage.

After sorting it through, Elliot was extremely excited, making a pig's cry. If he succeeded in fawning on the new chairman this time, wouldn't his pay rise be a matter of certainty?

Ryan did not know that Elliot had misinterpreted his meaning. Now he returned to his office, closed the door, and walked back and forth with undisguisable excitement.

After four years of hardship, he finally returned to his peak and owned such a big company.

This feeling of recovering all that was lost was really wonderful!

Now that he was the chairman, he had to look like the chairman. At least in ZO, he couldn't wear his sloppy clothes bought at the stall. He asked his assistant to buy a few suits and plain clothes, which cost hundreds of thousands dollars.

After having dinner in the company, he was a little tired. He prepared to take a rest, going back to the Scott Family after he woke up.

There was a separate room in his office with a bed more than two meters wide. It was very comfortable. He lay in it and soon fell asleep.

At the same time, Phoebe also came out of the house. To fulfill the task, she specially put on exquisite makeup and wore a sheath dress, which perfectly outlined her s*xy figure. At the first glance, she could arise any man's s*xual desire.

She was attractive tonight, but her face was cold, like a walking corpse without a soul.

"Phoebe, I know you have suffered a lot from injustice because of this. When you succeed, all of the family will appreciate your efforts!"

"Yes, our Scott Family is in trouble now. We are facing a dangerous situation. You are the most gorgeous woman in our Scott Family. Only you can help."

"Three days will pass quickly. You don't have to worry. Besides, it's not a shame. Mr. Cook is the general manager of the ZQ Media. He owns a fortune of more than 100 million dollars. He was an able, rich and virtuous boss. If you become his woman, you will be treated several times better, compared with that loser Ryan!"

Before she left, many of the Scott Family were talking hypocritically to comfort Phoebe.

Suddenly, someone remembered and asked curiously, "By the way, where's Ryan? Where did he go?"

The Vengeful Son-in-law Chapter 28

[/ The Vengeful Son-in-law](#)

Only then did they realize that Ryan was not here.

"Tut, where else can he go? He must be hiding."

"That's right. Ryan is such a gigolo. Now that his wife is going to accompany Mr. Cook, can you expect him to come out and stop her?"

"I get angry when I think about what happened last time. This guy just can't do anything right. He spent his whole life's luck saving Samuel's life, but he didn't get any benefits! He can't even take back the birthday gifts that Samuel gave to our Scott Family. I've never seen such a stupid man before!"

"Exactly. If I were the one who saved Samuel, I would have had a meteoric rise and led the Scott Family to create new glory!" "Anyone with a normal intelligence to whom Samuel owes such a great deal would not mess things up like Ryan, let alone you!" "Stop it, I'm so angry!"

Because of what happened last time, they all had a lot of resentment towards Ryan. Now that the Scott Family was in trouble, Ryan, who had done such a big favor to Samuel, actually gained nothing from this. Especially when they thought of how submissive they were in front of Ryan, they became even angrier. It was a lifelong humiliation for them!

They made up their minds that they must teach Ryan a lesson when he came back.

Advertisement

As they were cursing happily, Phoebe scolded them with a cold face, "That's enough! If any of you still mention the word Ryan in front of me, I won't go to accompany Mr. Cook tonight!"

They were all frightened by Phoebe's serious look and fell silent.

Phoebe was in a bad mood mainly because of Ryan. She was going to accompany Mr. Cook now. Ryan didn't even show up. He shrank. What a coward! He was not a man at all.

At this moment, Richard stood out and said, "Okay, let's not talk about those unimportant things. Phoebe, I've fulfilled all your requirements. Now it's time for you to fulfill your promise." Phoebe nodded expressionlessly and got into the car.

Advertisement

"Phoebe, it's really hard on you. It's all Ryan's fault. He had the chance to save you, but he wasted it! Alas..." Elizabeth held Phoebe's hand, sad and angry.

James said, "Phoebe, I think Brian has a deep affection for you. When you come back this time, why don't you divorce Ryan and marry Brian?"

Phoebe smiled sadly and said, "Dad, do you think Brian will marry me after I accompany Mr. Cook?"

"This..." James was speechless. He lowered his head and smoked crazily.

Twenty minutes later, when they arrived at the ZQ Building, Phoebe said, "Dad, mom, go back. I'll go home myself in three days." Elizabeth and James's eyes turned red as they watched Phoebe leave.

Phoebe walked into the ZQ Building alone. She felt extremely cold and had to exert great strength every step she took.

Her appearance attracted the attention of a lot of people in the ZQ Building. It was just that she was too beautiful, and she was wearing such a s*xy sheath dress, which had an extremely strong visual impact.

Many people guessed that she was a new employee who would be packaged as a superstar by the company in the future.

A man immediately approached her to chat her up, but she ignored him with a cold face. She directly walked to the front desk and said, "Hello, my name is Phoebe. I'm here to see Mr. Cook."

Advertisement

The receptionist asked, "Mr. Cook? Do you have an appointment?"

Phoebe bit her lip and said, "Just tell him my name."

The receptionist looked Phoebe over seriously, twitched her mouth, and then called Elliot. "Hello, Mr. Cook, there's a woman named Phoebe here who wants to see you."

Elliot was smoking in the office. When he heard the phone call from the front desk, he trembled and said excitedly, "Hurry up and invite her up!"

After thinking for a moment, he added, "Forget it. I'll go down and pick her up myself!"

After hanging up the phone, Elliot quickly put down his cigarette, ran to the bathroom to wash his mouth and chewed gum, making sure that he did not have bad breath. Then he groomed himself and went downstairs to receive Phoebe.

He was almost sure that Phoebe was the woman the new chairman liked. He had to serve her well. Now that the new chairman had been in the office for a few hours, he must be waiting for him to send Phoebe in.

When he got downstairs, he saw Phoebe at the front desk. His eyes lit up and he was amazed.

He had seen the photos of Phoebe and knew that she was a beautiful woman. Now it seemed that the real person was much more beautiful than the photos, especially in this sheath dress, which made her both s*xy and elegant. What a stunner!

Unfortunately, he couldn't taste such a woman... Bah! As soon as this idea came to mind, he quickly shook his head and threw it out. This dangerous idea could not exist. She was the woman that the new chairman liked. If the new chairman knew that he had a crush on Phoebe, the new chairman would definitely not spare him!

Elliot cleared up his mind and walked over with a smile that he thought was friendly.

Phoebe also saw Elliot. Her pupils immediately contracted, her heart beat faster, and her nerves tightened.

Elliot was a fat man with a big belly. When he walked up, his whole body was trembling. Imagining herself being pressed down by such a fat man, Phoebe felt her heart trembling and was overwhelmed by sadness.

She was really unwilling to lose virginity to such a fat pig! If she had known, she would have lost it to Ryan! At least Ryan was not bad looking and had a good figure...

Eh? Wait, why did she think so? Threw it out! "Hello, hello. Are you Miss Scott?" Elliot walked up to Phoebe and smiled at her without looking sideways.

Phoebe's mind was in a mess and she wanted to squeeze out a smile, but it was awkward and even uglier than crying. She remembered what Richard had told her before she came. Enduring the grievance and disgust, she took the initiative to reach out her hand. "Mr. Cook, hello, I'm Phoebe."

When Elliot looked at her so closely, he couldn't help but feel warm in his heart. She was so beautiful. The man instinctively got excited and subconsciously reached out to shake Phoebe's hand. But immediately, a light flashed in his mind. Thinking of Ryan's dignified face, the evil thoughts in his mind disappeared completely. He quickly withdrew his hand and said, "Miss Scott, you're

beautiful. Let's go upstairs and talk business!"

Just kidding. Now that he knew that Phoebe was Ryan's dish, how could he dare to touch her? Besides, this was ZQ, and there were cameras everywhere. If Ryan saw it, he would be finished.

Phoebe was stunned. She didn't expect Elliot to retract his hand. What was going on? Was he not satisfied with her?

With this question in mind, she was very worried. The Scott Family was in a very bad situation now. She had to get the 20 million tonight.

When she got to the elevator, she couldn't help but ask, "Mr. Cook, are you unhappy to see me?"

Elliot was stunned. And then, seeing Phoebe in such a state of anxiety and panic, he understood that Phoebe thought he was not satisfied with her.

"No, no, I'm happy to be with you..." When he said this, he realized that he had said something wrong and quickly changed his words, "No, no, I didn't mean that, but..."

He was at a loss for words and didn't know how to explain it. He waved his hand and said, "You'll know when you go up."

Phoebe was even more confused when she heard this. She did not understand what Elliot was planning, but no matter what, she was ready to sacrifice herself. No matter what was waiting for her ahead, she would grit her teeth to the end!

"Mr. Cook, you promised that as long as I stayed with you for three days, you would lend 20 million dollars to the Scott Family without interest for three years. You won't go back on your word, will you?" Phoebe stared at him.

The Vengeful Son-in-law Chapter 29

[/ The Vengeful Son-in-law](#)

Looking at Phoebe's beautiful face and s*xxy body, Elliot really wanted to have s*x with it. But he also knew that once he had it, he would be killed. So he quickly moved his eyes away from Phoebe and said meaningfully, "Miss Scott, of course, I won't go back on what I promised you, but you should do your job well."

Phoebe bit her lips. "I'll listen to your arrangement. I'll do whatever you want me to do!"

Saying this, Phoebe's heart was filled with sadness and pain. What a proud woman she was, but she had to get money with her body.

Elliot frowned when he saw her like this. He was a little unhappy and said, "Miss Scott, you have to make it clear that your Scotts asked me to borrow money, not me to force you. This is a deal. Don't show a grieved look that I'm going to be damned! This is your job. Please show your attitude and don't look so reluctant!"

Phoebe shuddered and lowered her head, trying to hold back the tears that were about to fall.

The elevator arrived. Elliot came out and said, "Let me tell you. I'm not the one who lent you the money, but the new chairman.

You're lucky and won the favor of our chairman. If you serve him well, you will live a

luxurious life. On the contrary, if you don't serve our chairman well, you don't get this 20 million, and your Scott Family doesn't want to survive in H City!"

Advertisement

Elliot let go of his aura and his tone was serious and cold, which made Phoebe shiver.

She came to her senses and raised her head abruptly. "Mr. Cook, wait a minute. What did you mean by that? Didn't you say you wanted me to accompany you? Why did the man become your chairman?"

Elliot's face darkened and he said, "What, are you picky? You really think too highly of yourself, don't you?" "No, no, that's not what I meant..." Phoebe apologized in a hurry.

Arriving at Ryan's office immediately, Elliot slowed down, his face softened, and his tone became much friendlier. He said, "Miss Scott, our chairman is a young and handsome man, much better than me, a fat man. It's your blessing that you can be liked by our chairman. In the next few days, you should serve our chairman well and made him happy. Let alone 20 million dollars, two hundred million dollars is a piece of cake."

Advertisement

Two hundred million!

When Phoebe heard this number, her heart beat faster.

"Really, really?"

"Of course it's true. Who am I? I'm Elliot? Why should I lie to you?" Elliot smiled and said, "Well, in front of us is the chairman's office. The chairman is inside. You have to try your best to satisfy the chairman, okay?"

Phoebe gritted her teeth and nodded.

For a moment, she felt guilty and felt sorry for Ryan.

After four years of marriage, she was still a virgin and had never been touched by Ryan...

But soon, she threw the idea out of her mind. Ryan was not worth her guilt at all!

Elliot went to the office door. She knocked on the door first, and said respectfully, "Chairman, can I come in?" After a while, a plain voice came from inside. "Come in."

Advertisement

Elliot suppressed his excitement and pushed the door open. In order to get credit, he asked Phoebe to wait at the door. When he went in, he saw Ryan in the room. He walked over and said, "Chairman, I brought her over."

"Hmm?" Ryan didn't understand for a moment.

Elliot said with a wink, "Chairman, I've already told her. She admires you very much and said that she wanted to see you for a long time. Now that she's at the door, I'll call her in right away."

The more Ryan listened, the more confused he became. Elliot laughed so lewdly. What was he up to?

"Make it clear. Who did you bring?" Ryan frowned.

However, his seriousness became a disguise in Elliot's eyes. With the intelligence of the chairman, how could he not know that Phoebe was standing outside? Besides, it was the chairman who hinted at him! The chairman must be thin-skinned. In order to

keep a cold face in front of his subordinates, it must be like this! After all, he was still a young man. Even if he had outstanding ability, he couldn't do this so comfortably!

Elliot smiled and said with a meaningful look. "Mr. Howard, I still have something to do, so I left first. By the way, the technical side just reported that there was a malfunction in the monitoring system on our floor. It can't be repaired until tomorrow. Nothing that happened during this period can be recorded.

After saying this, he turned around and left.
Ryan was confused. What was Elliot doing?

Suddenly, Ryan's pupils constricted. Thinking of something, he suddenly stood up and hurriedly called out to Elliot. However, Elliot had already gone out, and at this time, he heard a familiar voice from outside the door. "Mr. Cook, can you transfer the twenty million to me first? We're in a hurry..."

Damn it! It was Phoebe! He guessed right.

Elliot was looking for death. He actually ignored his words and dared to let Phoebe come up! It seemed that he should be fixed up!

Elliot's voice came from outside the door. "What's the hurry? Who am I? Can I run away for 20 million? If you serve the chairman well tonight, I'll transfer it to you tomorrow. If you don't serve him well, you know the consequences."

"Okay..."

Phoebe's voice was very aggrieved. After a while, when he heard footsteps, he knew she was coming in!

In an instant, Ryan's scalp was numb and he was anxious. He looked around and was about to get under the bed to hide!

If Phoebe knew he was the chairman of the ZQ Media, it would be over.

"What should I do? Should I hide?" He thought.

However, this office could be seen through at a glance. There was nothing else in the room except a bed and wardrobe, and there was no way to hide.

The point was that Phoebe already knew that the chairman was inside, and it was unrealistic for him to hide.

Ryan looked around, looking for a way to deal with it.

He was anxious inside, and Phoebe was restless in the office, extremely nervous and uneasy. She wrung both hands in front of her lower abdomen, breathing heavily, and her legs were clamped tightly. She could clearly hear the sound of her heart beating and thumping.

This was the first time she had done such a thing. To her, it was a great challenge and an extremely embarrassing thing. She even prepared to die after completing this mission!

Originally, she thought that the person she was going to accompany was Mr. Cook, but now it inexplicably became the chairman of the ZQ Media, and this level was even more different.

As a native of H City, she was also very familiar with the ZQ Media. It was a large film and television company, and many of the popular stars were from it.

The more she thought about it, the more she should please the other party. As Mr. Cook said, once she didn't serve him well and offended the chairman, not only her, but also the entire Scott Family would be ruined!

Thinking of this, she took a few deep breaths and pinched her thigh forcefully to embolden herself. Then she walked to the room and said, "Chairman, I'm Phoebe. Please, have a taste of..."

The Vengeful Son-in-law Chapter 30

[/ The Vengeful Son-in-law](#)

After saying this, Phoebe felt extremely embarrassed. Her body was burning, her breathing was rapid, and she felt her feet were as heavy as a thousand pounds, and she couldn't move.

However, after she finished speaking, the room was still very quiet. The superior chairman of ZQ did not come out and did not respond.

After waiting for a minute, he still did not respond. Phoebe could not help but feel a little uneasy. Was the chairman not inside? Or was he not satisfied with her?

"Chairman? Are you listening? May I come in?" Phoebe asked tentatively.

Ryan was so flustered inside when he heard her voice. Seeing that Phoebe was about to come in, he quickly said in a low voice, "Don't come in."

"Ah?" Phoebe cried out softly, having an even more complicated feeling. She gritted her teeth and said, "Chairman, I don't quite understand what you mean."

Advertisement

Ryan continued in a rough voice, "You can go back."

Phoebe clenched her fists. She took two steps forward, approached the room, and said in a louder voice, "Chairman, we have a deal with Mr. Cook. As long as I come to accompany you

for three days and three nights, you will lend 20 million dollars free of interest for three years for us! You are a powerful and mighty person. Are you going to go back on your word?"

Ryan smiled bitterly inside the room. The damn Elliot! He made his own decision.

Finding that the chairman did not respond, Phoebe was inexplicably angry and felt that she had been fooled. She took two more steps forward, took a deep breath, and said with mixed emotions, "Chairman, Mr. Cook just said that you liked me. I think you must have investigated me long ago, but there are some things that you don't know! I, Phoebe, am the most beautiful woman in the Scott Family. Although I am married, my husband is impotent. He has never touched me even after we got married. I am still a virgin! So please don't think I'm dirty!"

After saying this, she heard something fall to the ground in the room, but she did not know what was going on inside, and she would never have thought that the man inside was her impotent husband she was talking about!

After a while, a deep voice came from the room. "Are you sure that there are no other reasons why your husband didn't touch you?"

Phoebe was stunned. She didn't expect the chairman to ask this. It was a little strange. However, she would never think that the chairman of ZQ was Ryan. She only thought that the chairman cared about whether she was a virgin or not. She answered, "Yes." In the room, Ryan clenched his fists and looked angry. Then he said, "Will you feel a little guilty about accompanying me?"

When Phoebe heard this, she was even more confused. "What was going on? Does the chairman of ZQ care that much?" She thought to herself.

"No, I've never loved him, so I don't feel guilty. We are a fake couple." Phoebe said seriously. A sound of something being broken came out, and Phoebe began to worry again. Did she say something wrong? However, just as she was about to speak, the chairman's deep voice came from the room again. "Come in."

Phoebe's heart beat faster all of a sudden. Finally, this moment came. She knew very well what was waiting for her next. The chairman of ZQ would have her rudely!

She walked in with heavy steps, unable to breathe smoothly, and her face flushed and body hot.

Entering the room, she first saw a luxurious big bed. Beside the bed, stood a tall man with a good figure, but his back was facing her.

For some reason, she actually felt the figure was a little familiar to her, and it seemed she had seen him somewhere before.

She didn't think too deeply. First, she was very nervous and complicated. Second, her mind was in a mess, and she would never think that the chairman was Ryan!

"Ch-chairman..." She called out softly, her tone trembling.

The next moment, she was stunned when she saw the chairman turn around.

She didn't see the chairman's face, because the chairman was wearing a clown mask. Phoebe was very confused. What was he doing?

Right. Now Ryan was wearing a clown mask, covering his entire face and revealing only two eyes. Otherwise, he wouldn't have dared to let Phoebe in.

While Phoebe was in a daze, Ryan saw clearly what Phoebe was wearing. She was wearing a tight hip skirt which set off Phoebe's perfect figure. The skirt was very short, revealing her pair of fair and straight thighs. She was perfect and flawless.

In addition, Phoebe's upper body was also very s*xy. She revealed her flat abdomen and the snow-white neck.

In order to please Mr. Cook, she specially put on makeup to make her look a little more charming and s*xy, which made men want to possess her!

Ryan was a little dazed, and his eyes were hard to move away. Ironically, as Phoebe's husband, he had been married to her for four years and had never seen such a s*xy Phoebe!

Phoebe had always been wrapped tightly in front of him, as if it was disgusting to be looked at by him.

"Miss Scott, you're so beautiful." Ryan sighed heartily.

Indeed, this Phoebe was the most beautiful and feminine Phoebe he had ever seen. Phoebe must have been preparing for this for a long time.

"Thank you for the compliment." Phoebe blushed and lowered her head shyly. Beauty was her most confident thing. All the men who had seen her would be amazed by her.

She found that the chairman of ZQ was not a greasy middle-aged man, but a young man of her age with a good figure. She was somehow happy. She felt it was not a torture anymore! After all, at first, she had thought she was going to stay with Elliot, and she even had had nightmares of being pressed against by that ugly fat man several times in a row.

But the chairman of ZQ was so young and capable. If her first time was given to him, it was not that unacceptable.

Phoebe's mind changed unconsciously.

Her body was not so tense, and she was not so resistant, and there was even a little expectation in her heart! The two of them began to remain silent again. The atmosphere was frozen. Phoebe was in a mess. So was Ryan.

He never thought that Phoebe would appear in front of him like this.

To be honest, after four years of marriage, it was untrue to say that Ryan had no feelings for Phoebe! Ryan was a man, and he would have his own desires. Every day, he had many thoughts about Phoebe, and even several times, he almost couldn't control himself.

But he controlled himself by his strong willpower.

Now Phoebe was waiting to be treated at his will in front of him, waiting for him to dote on her. His heart immediately warmed up, his body temperature became higher and higher, and his breathing became heavier and heavier!

With a grunt, he couldn't help swallowing heavily and the sound was heard by Phoebe.

In this ambiguous atmosphere, how could Phoebe not know that the chairman already had feelings for her? Her face was red, she gritted her teeth and began to walk towards the chairman...
