

Chapter 1097 – 1102 of Punished by His Love Novel

Chapter 1097

Because there is not too much hatred, there is not much inferiority.

So in front of Gu Jianing, she was able to say very frankly that she did not have a father.

Gu Jianing understood her very well.

At this moment, the two of them are wearing a pair of trousers.

Gu Jianing generously said: “It’s okay Alyce, although you don’t have a dad to love you, but my dad loves me very much. Not only my dad loves me, but my uncle and aunt also love me. My aunt and uncle happen to have no daughter. Tell my uncle, let him recognize you as a goddaughter, my uncle is very nice.”

When the two people talked about this, it was just around the corner.

A colleague around the corner, Alyce saw the huge ‘Shu Zhai’

‘Shu Zhai’!

What a coincidence!

Alyce's heart trembled.

At exactly this time, Gu Jianing also smiled and said: "Actually, you know Alyce, my uncle's family also has the surname Shu, and they happen to have the same surname as you, so let my uncle be your father, and you will have a father in the future."

"Oh..." Alyce suddenly leaned on the wall, clutching his stomach.

"What's the matter with Alyce?" Gu Jianing asked worriedly.

"I...Jianing, I...I'm a little diarrhea, I won't go to your house, otherwise it's so ridiculous, I...I'll find a place to go with diarrhea first, I...that's your house, right? I know, I'll come over in a while." Alyce also ran away.

"Alyce, you remember that this is not my home, this is my aunt and uncle's home, my uncle's surname is Shu, when you come over soon, just report my name,..."

Alyce ran away crying.

She felt that the world would really joke with her.

She took a taxi home in a daze. Seeing Alyce desperate, Zhou Qin asked her: "What's the matter, baby? Didn't you go to a classmate's birthday party? Why did you come back?"

"Mom...I finally know who Gu Jianing is. I always think she is very familiar. I seem to have seen her somewhere. Now that I remember, she is the classmate of my kindergarten. She called me... .. Dad, uncle, she celebrated her birthday today in Shuzhai."

Zhou Qin: "..."

Seeing her daughter look so lonely, Zhou Qin persuaded: "It's okay, then let's not attend her birthday party, okay?"

"Not good!" The twelve-year-old kid can't do everything so rationally.

The good friend she just made.

She really wants to go to the party of good friends and best girlfriends, she really wants to participate!

"Okay!" Zhou Qin said immediately: "Then mom tells you, be brave, you wore beautiful clothes today, you gave your classmates favorite gift, if you play at your classmate's birthday party, One song, your classmate's family will definitely like you."

After a pause, Zhou Qin said again: "Maybe your father will like you too."

The twelve-year-old child actually longed for his father's approval in his heart.

She is in junior high school and she has excellent grades.

She talks about civilization and politeness. Teachers and classmates like her very much.

She is a great piano player.

She is a brave child!

After crying, Alyce went to Shu's house again.

She reported Gu Jianing's name, and the butler at the door let her in.

When I walked in, I saw the entire Shu's family. It was a very luxurious birthday party scene. The beautiful scene was never seen before Alyce grew up.

She envied Gu Jianing very much.

She felt that she must perform well today.

Halfway through the birthday line, Gu Jianing introduced Alyce to play a piano.

Alyce played Bandari's Snow Dream.

Very artistic, everyone in the audience was stunned.

Elder Shu and his wife were also taken aback.

Taking advantage of this opportunity, Gu Jianing pulled Alyce in front of Mr. Shu and pleaded: "Uncle, Alyce also has the surname Shu. She has no father. You should be her goddad, okay?"

Chapter 1098

"Dad..." Alyce shouted openly.

Elder Shu: "..."

Before Elder Shu could react, Mrs. Shu was suddenly shocked: "Ao...you little hoof! Little ba5tard! So it's you! It turned out to be you!"

Alyce: "..."

She was so frightened that she didn't know where to hide.

She stood there blankly.

Madam Shu's sharp fingers have been poked on Alyce's forehead: "You little b!tch! You...how did you find it! Isn't it your b!tch's mother who sent you over!"

"How innocent our Ningning is, how did you lie to us Ningning and let her let you in!"

Elder Shu also looked at Alyce with an angry look: "You...you are so uneducated! How did you come in! Who! Who let you in this house!"

Alyce: "Dad, I'm Alyce, I'm Alyce, and I'm your daughter. Didn't you praise me for playing the piano just now?"

With tears in her eyes, she looked at her father very bravely.

She missed her dad so much.

"Dad..."

"Go away!" A fifteen or six-year-old boy kicked Alyce to the ground.

"Who is your dad! You little Yezhong from nowhere! Get out of here! Get out of my house immediately!" The fifteen-year-old boy was already close to the height of an adult. He kicked Alyce on his body, Alyce hurt Can't get up for a long time.

She looked at everyone in horror.

In the end, he set his sights on Gu Jianing.

Gu Jianing looked at Alyce with tears on his face: "Alyce! You are so shameless, you have a scheming! Are you taking advantage of me!"

Alyce: "Ningning, you are my best friend."

"Who wants to be girlfriends with someone like your mother's junior! You want to be girlfriends with me for a long time! Alyce, why are you so scheming! Get out of my aunt's house now! You shameless Things!"

After that, Gu Jianing actually cried: "My birthday! I am afraid that my birthday will be ruined by you!"

Alyce: "..."

At this moment, she also shed tears.

She is twelve years old.

Understand everything.

It stands to reason, this is clearly her home, isn't it?

Dad is her biological father?

Isn't it worth a niece?

She raised her head and looked at her biological father expectantly.

Elder Shu looked at Alyce with disgust: "So young, so scheming? Did your mother teach you?"

Alyce: "Dad..."

"Don't call my dad!" Elder Shu flatly refused: "It's nothing more than three things. Your mother has done an excessive thing! This is the second time. If there is a third time, you go back and tell your mother, I You have a bibimbap system!"

Speaking of words, Mr. Shu lifted Alyce's little arm, like a little chicken, and pushed Alyce outside.

At that moment, Alyce was as ashamed as he was.

Her own home.

Her own father.

She was kicked out.

Elder Shu carried Alyce out of the gate at once, then grabbed her hair to make her raise her head, and said to the domestic helper at the door: "You have seen it, remember her to me, and dare to come again. Beat it to death!"

Yubi, Alyce fell to the ground with a sudden push with a big hand.

She took a mouthful of mud.

Chapter 1099

He almost knocked off his front teeth.

She didn't know how she came home that day, she knew that she hated her mother.

Especially hate it.

When he returned home, Alyce didn't even wash his face, so he was furious at his mother: "Why! Why did you give birth to me! Why did you give birth to me!"

“What’s wrong with you, my dear daughter, what’s wrong with you?” Zhou Qin looked at the child very distressedly.

“Why did you fall like this, why your arm is green, and your skin is broken, who hit you? Tell mom, who hit you! I’ll go and fight her!”

“You man! The man I called my father beat!” Alyce looked at her mother coldly.

Zhou Qin: “...”

After a pause, Zhou Qin suddenly vomited blood and fell to the ground.

“Mom!”

“Mom, what’s wrong with you Mom, I’m sorry mom, I’m sorry! I didn’t mean it, I’m sorry mom...”

The twelve-year-old girl cried very helplessly. Holding her mother’s head, Yang Tian shouted: “Who will save my mother...”

At that time, people did not have mobile phones.

The twelve-year-old girl cried for a while, knowing that this would not save her mother’s life, so she didn’t run outside desperately, found a kiosk and called the emergency number of the hospital.

Ten minutes later, an ambulance arrived in the hospital.

That time, it was Zhou Qin’s chance. When she was hospitalized, someone donated a heart.

It just fits Zhou Qin’s.

Therefore, Zhou Qin's life continued.

Because of this incident, Alyce took a one-year absence from school to concentrate on taking care of her mother.

One year later, my mother recovered. They moved away under the droves of Mr. Shu.

Alyce went to another school to study, and she was asked to never step into the door of Shu's house.

Once, Alyce ran into Madam Shu outside, and Madam Shu blocked her and cursed: "Little shit hoof, little shit, shameless thing, why are you still alive."

All kinds of ugly words make it impossible for a fifteen or six-year-old girl to bear it.

She was in the rebellious period, and she quarreled with her mother when she returned home.

Mother's body is getting weaker and weaker.

I was so weak that I couldn't even teach others the piano, let alone be a painter.

She looked at her daughter with tears on her face.

"Alyce, I'm sorry, mom. If my mother didn't save her greed, she won't be greedy for more than ten years and gave birth to you."

"Mom, I'm sorry mom... I won't quarrel with you again, mom... don't die, mother, don't die..."

Zhou Qin said bitterly: “Stupid boy, the doctor told her mother that her mother could live up to eleven or twelve years, but now her mother has lived for seventeen or eighteen years, and her age is getting older and older, almost forty. , Mom’s body has been consumed almost.”

“No...No mother, I don’t go to school anymore. It’s enough for me to graduate from high school. I go to work, I make a lot of money and buy the best drug mother in the world...”

Zhou Qin shook his head: “Child, listen to my mother, you must listen to your mother now, and your mother must arrange your future.”

“I am obedient to my mother, I am obedient.” Alyce hugged her mother and wept bitterly.

“You have the blood of the Shu family on your body. You shouldn’t be like this. It was your mother who brought you into the world forcibly. Mom thought of a way. If you listen to your mother, you will not only be liked by your father in the future, but you will also be loved by your father. Madam likes it, you can go back to Shu’s house in the future, listen to your mother, okay?”

Alyce: “What did you say, mom?”

Zhou Qin shook his head: “Baby, you go to Shu’s house and tell the housekeeper at the gate. I want to find Mrs. Shu, so I’ll say I’m dying. I want to see her for the last time...”

“No...” Alyce cried silently.

“Go!” Zhou Qin ordered.

In order not to make her mother angry, Alyce went to Shu’s house and called the real Madam Shu over.

Chapter 1100

Alyce stood at the door of Shu's house.

The two butlers looked at the fifteen or six-year-old girl in front of them like door gods: "Who are you looking for!"

"I'll find Madam Shu." Alyce bit her lip and said humiliatingly.

According to her own wishes, she wouldn't want to come to Shu's house, but her mother would be dying and she had to come.

"Mrs. Shu can see if you want to! Get out!" The butler was reluctant to look at Alyce at all.

Alyce wanted to break in, but couldn't break in.

But when I went back, did I see my mother's desperate eyes again?

The sixteen-year-old Alyce could only squat at the door and wait.

She thought, she only had to wait until the evening, maybe the man who was his father in blood relationship would come back, really can't wait today, wait till tomorrow morning, someone will go out, right?

Alyce waited at the door until the evening.

During dinner, a car parked at the gate of Shu's house.

Elder Shu, Madam Shu, their young master, and Alyce's classmate Gu Jianing got out of the car.

Gu Jianing saw Alyce at first sight: "I said why are you so cheap! Why are you coming to my clothes aunt's door!"

When Mr. Shu saw Alyce, he glared at her, then turned his head and asked the housekeeper: "What's going on!"

The housekeeper shivered in shock: "Back to Lieutenant General Shu, I drove her away. I thought she was gone. Who knew she was like a dog, curled up here?"

Elder Shu stepped up to Alyce: "Don't think that if you stay at my door all day, I will take you home! I will give you all the living expenses that should be paid to you! If you show up at our house again, I will kill you!"

Alyce looked at her biological father with tears in her eyes.

She wanted to call Dad, but she didn't.

She felt extremely humiliated.

Is it like mom said?

When my mother dies, let her come into Shu's house in a fair way?

Become the eldest lady of the Shu family?

She is not!

She don't want to be the eldest lady of the Shu family!

If mother dies, she will be a stray cat!

But at this moment, her mother is at stake, and she can't go against her mother's wishes.

Alyce stammered and said, “My mother...my mother said that she has something to say to Mrs. Shu.”

“Look for me?” Mrs. Shu raised her hand and lifted Alyce’s ear. He raised Alyce and cried out: “Aw...”

“I’m telling you, I want to ruin my family! I want to get my claws deep into my house! No way! You roll me, how far you roll me! Although I don’t have a daughter in my life, but I have Nephew! My niece lives by my side all the year round, enough to make up for my lack of daughters! Get out of here!”

With that, Mrs. Shu began to cry.

Her tone was also much softer: “What do you wives want! How can you stalk and bite my husband like this! Ooh...what do you want? ! I am a good family...”

Seeing Madam Shu like this, Alyce didn’t know what to say.

Gu Jianing also came over to drive Alyce: “You are not leaving! Are you going to piss my aunt to death!”

As soon as he turned around, Gu Jianing took Elder Shu again: “Uncle, kill her! Kill her, and she won’t be here to disturb your lives!”

Before Grandpa Shu could react, their little son, a young man who was already about twenty years old, a very energetic young man, had raised his feet and kicked Alyce straight on the chest.

“Oh...” Alyce immediately felt a smell of sweetness in his mouth.

She didn’t dare to spit it out.

Chapter 1101

She was afraid of vomiting blood.

She still has a mother to take care of. She can't die. What if her mother is dead?

The fifteen-year-old child swallowed the sweet and evil blood abruptly.

She bit her lip and said weakly, "My mother...My mother is about to die, she wants to see you before she dies... Madam Shu, my mother said... .It's about your dying daughter, Madam Shu. My mother would like to invite you to visit."

Madam Shu was immediately stunned: "You...what did you say?"

"My mother wants to kiss you." Yubi, Alyce immediately ran away.

If she doesn't run, she will vomit blood.

She didn't want to vomit blood in front of Shu's family anymore, she was afraid that they would laugh at her and bully her weakness even more.

She did not go home that night.

Because I don't want my mother to see myself being beaten like this.

That night, Alyce was cold and painful, and she only felt uncomfortable with fire in her chest. She didn't know where to go.

Only saw a haystack in the dark.

She felt soft and slumped on the haystack. Slowly, she didn't know if she was unconscious or asleep.

When I woke up again, it was already dawn.

In front of her was a middle-aged couple.

“Children, are you awake?” the woman asked.

Alyce didn't know where she was. She raised her head and looked around.

This is an adobe house, which is very old. Older than the place where she lives with her mother.

“Excuse me...where is this?” Alyce asked.

At this time, the man said: “This is the suburbs, we are vegetable farmers here, kid, you are injured, who were you beaten by? What about your parents? Did you call the police? We send you back?”

Alyce nodded, then shook his head: “No...no, I can go back by myself.”

She got up and staggered out, before going out the gate, she fell down again.

The couple helped her up and raised her in bed for another two days before she could walk down the ground. When she thought that her mother was still lying on the bed, and no one would take care of her for two days, Alyce hurried with the couple. The old couple said goodbye.

When she took the vegetable farmer's car all the way into the city, and then returned to his and mother's residence, it was already dark again.

She didn't know what was going on with her mother. Alyce walked in with her hands and feet, only to hear someone talking intermittently.

“Mrs. Shu, I...I'm sorry, I was...I was so angry with you that I stole your child, the one who was raised by my side. Child, it's actually your child, your child is not dead, she is my Alyce...”

Maybe it was because Zhou Qin was dying.

People believe in the words of the dying person.

In short, both Mrs. Shu and Mrs. Zhou believed Zhou Qin's words.

Madam Shu raised her hand and wanted to hit Madam Shu, but when she saw Madam Shu was dying, she eagerly asked: "Where is the child, I ask my child, where is my daughter!"

Zhou Qin said weakly: "She...she was angry with me. She hasn't come back for two or three days. You...hurry up and find her."

Hearing Zhou Qin's words like this, Mr. Shu and Madam Shu were no longer in Zhou Qin's bed, but turned around and left.

Since then, no one has bothered about Zhou Qin's life and death.

They only looked for the little girl named Alyce with great fanfare.

But no one knew that Alyce was by his mother's side at that moment.

She grabbed her mother's hand and asked bitterly: "Mom! This is what you want to tell the summer vacationer?"

Chapter 1102

After seeing her daughter, Zhou Qin struggled to sit up and said, "Quick! Go back to Shu's house. They believed it. Because their mother was dying, they believed her mother's words, Alyce, remember, after you arrived at Shu's house, , Secretly find some of your brother's hair to keep, or find Mrs. Shu's hair to keep."

Alyce cried and asked her mother: "What are you doing looking for their hair?"

“Prevent them from doing a paternity test. You are your father’s daughter. This is not wrong, but you are not Madam Shu’s daughter. You can only be Madam Shu’s daughter before you can enter Shu’s house. Otherwise, they are not yours.”

“Mom, I don’t want to go to Shu’s house...”

“Observe Alyce, now they won’t hate you anymore, they think you are their dead daughter, and Madam Shu won’t hate you anymore.”

“No mother, I won’t go.”

“You dead child, why are you so stubborn! Mom, mom can’t take care of you anymore, mom is dying, you still need to go to college, you still need others to take care of you, mom can’t take care of you anymore!”

Alyce cried and said to her mother: “Mom, they won’t recognize us, and we will never be able to walk into Shu’s house, because the man you call my father, he just provided a sperm, he just provided a sperm. Just a sperm!”

“People will always treat us as strangers, do you understand mom!”

Mom just cried, just blindly drove her away: “Don’t worry about me, you go back to Shu’s house!”

Seeing her mother being so obsessed, Alyce said to her mother: “Mom, let’s do this. If they find here during this period, I will go back with them. If they don’t come here anymore, I just want to go back, and I can’t go back either. .”

Seeing her daughter like this, Zhou Qin’s tears were hazy.

Maybe it is the infinite guilt in my heart for my daughter, maybe she is indeed over.

A week after that, Zhou Qin passed away.

Before Zhou Qin's death, as Alyce expected, no one in the Shu family would come back.

Zhou Qin is dead.

Only her daughter who was less than eighteen years old was by her side, knowing that her body was cold.

The teenager lay next to his mother's body and cried for three days and three nights before informing the funeral home to pull the body away and activate it.

From Zhou Qin's critical illness to Zhou Qin's death, no one had ever seen Zhou Qin. During this period, anyone who came to see Zhou Qin would know that the child they had worked so hard to find was actually alone there. I lived in the small courtyard for more than a month.

A month later, Alyce returned to the vegetable farmer's house in the suburbs that had rescued her.

"Uncle Auntie, can I...work for you? I will help you buy vegetables, you only need to give me a bite, I will not go to school." Alyce has been hungry for a few days.

Mother did not leave her a lot of money.

Therefore, she was almost hungry.

"Hey, the child who is struggling, come in quickly." The couple energized Alyce in the room.

They are also poor people. They are middle-aged, and their only child fell ill and passed away. The couple owed a debt to the child in order to see a doctor.

So Zhou Qin couldn't eat free food when he arrived at this house.

After more than a month, she went to work in a nearby factory.

More than a month, she happened to have just passed her birthday, and she had just turned eighteen years old.

At the age of eighteen, Zhou Qin changed her name to Sally, Alyce.

After working in the factory for two years, Sally Alyce also saved 10,000 to 20,000 yuan. Originally, she wanted to buy something delicious for her adoptive father and mother to celebrate. However, she bought a lot of vegetables and went home, but found that many police officers were at home.

Later, Alyce learned that the daughter of the couple was raped to death by a powerful man in Murakami when she was a teenager. The couple's only daughter was not angry enough, so they killed that man.

Then the husband and wife fled from the local village, where they grew vegetables incognito for ten years.
