

Chapter 1177

This night, he hardly closed his eyes.

The next morning, after getting up, Pan Haoyang drove all the way to the Fu's old house, following the route of yesterday.

He was waiting at that fork in the road.

At more than eight o'clock in the morning, Fu Zhengxiong and Qin Wenyu walked out of the house. They both wore casual clothes.

It was talking and laughing, making Pan Haoyang extremely sick.

"Zhengxiong! It has been a month since you were ill last time, and Arron hasn't come to see you!" Qin Wenyu said very angry.

Fu Zhengxiong sighed and said: "We shouldn't help Elder Shu and work together to calculate Suzi. No matter how we look for it, Suzi is also Arron's wife. Putting Suzi to death, isn't it we can't live with ourselves?"

"It's okay now, Elder Shu has all planted himself in."

"Who would have thought that Suzi is really the granddaughter of Mr. Shu! And that Lanita is a fake."

Qin Wenyu sneered and said: "The current identity has been verified. Suzi is the granddaughter of Elder Shu, but the hearts of her and her mother are really cruel. Elder Shu has been sick for a month, Suzi Don't even look at Grandpa! Let alone you!"

Qin Wenyu sighed, "Don't worry about whose granddaughter she is, whether she is Arron's wife, but she is a woman who has wrists and is vicious. This is an indisputable fact!"

"You think, if she has no wrists and is not vicious, how could she hold Arron so firmly!"

"Arron is such a good guy!"

"For so many years, Shuang'er has always been inaccessible to Arron, Zhengxiong, you don't know, Shuang'er, this child we came to watch and grow up, she graduated from a famous foreign university, she is not ten times stronger than Suzi?"

Fu Zhengxiong sighed and said, "Don't mention Shuang'er! I see, Shuang'er and Arron are impossible in this life..."

Qin Wenyu: "Suzi is cheap, it's cheap!"

The couple said as they walked down the mountain.

This is going to exercise.

As a result, as he walked, he was blocked by a young man in front of him.

"Old couple, don't be unharmed!" Pan Haoyang said with a sneer, pursing his lips.

Fu Zhengxiong looked at the background, and he didn't look like Shan Stubble.

Qin Wenyu hid behind Fu Zhengxiong in shock. She took out her mobile phone and wanted to call the bodyguard and domestic helper at home.

Pan Haoyang laughed, "Qin Wenyu, you are almost 70, and you are so cherish your life? You said you have no children and no daughters. What are you doing if I kill you? Don't worry, I won't kill you. I just want to Say a few words to your man."

Qin Wenyu: "You...who are you!"

Pan Haoyang: "Old acquaintance!"

After a pause, he smiled at Qin Wenyu and Fu Zhengxiong: "Well, don't you see me familiar? Especially you, Fu Zhengxiong, you have to feel familiar when you see me."

Fu Zhengxiong: "..."

He really felt that the man in front of him who was about the same age as Arron was a bit familiar.

More than cooked.

It seems that I have known each other in my previous life, a very familiar feeling.

For a moment, he almost felt that this man was Arron.

For some reason, he has the illusion that he is Arron.

But, when you look closely, this man doesn't look like Arron at all.

They are tightly about the same height and body.

But why is there such an illusion?

Who is this man?

Fu Zhengxiong asked suspiciously: "Young man, you are..."

The man sneered at Fu Zhengxiong: "Old thing! Lift up your dirty eyes and take a look, do you know this young master?"

Fu Zhengxiong: "You! Young man, how do you talk!"

Pan Haoyang: "No matter how I speak, it sounds better than the two of you old and immortal!"

"Suzi is your daughter-in-law at any rate. At any rate, she gave birth to a granddaughter for your Fu family, and you even said that to her in your back! Fu Zhengxiong! Old things, you really stay the same for a lifetime!"

Fu Zhengxiong immediately asked: "Who are you from Suzi? What is your relationship with Suzi?"

Pan Haoyang smiled with interest: "Guess?"

Chapter 1178

Fu Zhengxiong was almost confused: "This shameless woman! She is married to my son, why is there a man like you outside talking for her!"

"Who are you, who are you!"

Pan Haoyang sneered extremely contemptuously. After he finished laughing, he grabbed Fu Zhengxiong's lapels: "Tell me the old things! I just came to recognize the door today. I don't know if you live here or not. I'm afraid I will do it. Wrong, when I heard you discuss Suzi, I knew that I was not mistaken!"

"Old stuff! When you talk about Suzi, first think about what you have done! Don't forget that there is a saying in this world that is called a gangster, and they all have to be paid back! It's not that you don't pay it back, it's time Not yet!"

Fu Zhengxiong: "..."

He has done too many wrong things in his life.

On business occasions.

Family.

But didn't he pay it back?

Of his own sons, Arron was the only one who died.

He is already a white-haired person giving away a black-haired person, how can he pay it back?

Who is this man in front of me?

Why did he run to his door to question him, and kept mentioning Suzi, which must have something to do with Suzi.

Fu Zhengxiong asked again: "Who are you! Don't think that you can come here easily and threaten our two elderly people to have a meal. You need to know that my son Arron is very strict about the deployment here. You can come in, but you can't get out!"

Pan Haoyang: "I came here yesterday! I came and walked in a big way! Do you think your son is well deployed? To tell you the truth, he never thought of protecting you at all! He hates you at all. Isn't it light?"

Fu Zhengxiong: "Who are you in the end!"

Pan Haoyang: "Guess?"

Fu Zhengxiong: "..."

"Debt collector! You owe me, and I have to let you pay it back, but not today! Because I haven't played enough! Fu Zhengxiong, remember for me, if you, the D*mn old woman, let me hear her behind If it's not for Suzi, I'll break you two out!"

As long as the words were necessary, Pan Haoyang got into the car and left.

Fu Zhengxiong: "You...who are you, don't leave if there is a kind of thing! It threatens the door of our Fu family!"

He chased it out angrily for a long time.

Behind him, Qin Wenyu sneered and said, "Who else can, of course, be a wild man who has a relationship with Suzi! This woman has never been a fuel-efficient lamp!"

Fu Zhengxiong: "Arron! Arron! I want to call Arron!"

If you speak, Fu Zhengxiong took out his cell phone and called Arron.

At that time, Arron was taking a car with Suzi and Lilly to set off.

They have to send the only one to kindergarten, and then send Suzi to work in the company.

For a while, Suzi's work was delayed. Fortunately, the company was opened by Darius and Lenny. Even if she was absent from work, her work would not be affected much, not to mention that Suzi made a great contribution to the company. It has no effect.

When the child was just put in the kindergarten, Arron's cell phone rang.

He picked it up and saw that his father was calling, and Arron didn't plan to pick it up.

He has been busy these days.

First, Suzi was persecuted by Mr. Shu, and now he helped Kraig deal with affairs every day, so he was too busy to get out of his way to settle accounts with his father.

After making a trip to Jiaxing Island and letting him know so many past events, Arron no longer had the slightest affection for his father.

Between him and Fu Zhengxiong, some are just settle accounts.

Afterwards!

The moment Suzi stopped him when he pressed the solid end button with his finger.

"Arron, he is so old, I am a person with a mother, and you are a person with a daughter, so many things pass, let him pass. In this world, if your twin brother cannot be found, he is Your only relative who is alive."

Arron let out a long sigh, and then connected, his tone was very cold: "What's the matter?"

Fu Zhengxiong said angrily, "Why does Suzi still keep going! She is seduce men outside again! Ah!"

Arron: "..."
