

# I' m Sorry My Love Novel Chapter 1346 - 1347

## Chapter 1346

This scene is really messy.

Suzi couldn't help but sneer.

"Xiangxiang, this...what's going on?" Alyce looked at her calm daughter.

Suzi's face was filled with sorrow that could not be concealed: "Mom, it's okay. We can't hide from some things that should come, because in this world, many people think that our mothers and daughters deserve to suffer in two days."

"There are a lot of people who are unjust and dishonest, but feel that we should be abandoned. They have to take the lead."

"In that case, the dog bites the dog."

"Big deal, I don't have anything anymore."

The mother didn't understand what the daughter said, she knew that her daughter had big ideas since she was young.

When she was twelve years old, she was bullied at school and smeared with shit on her head. She was able to clean it up by the river alone without having to go home without crying in front of her parents.

The daughter looks soft and weak, but in fact she is very strong in her heart and is not easy to be defeated.

At this moment, Alyce naturally didn't want to drag her daughter. She wanted to live and die together with her daughter.

"There's a mother! Don't be afraid!" Alyce hugged her daughter.

Suzi smiled: "Well, mom!"

The mother and daughter just stood there, looking at Gu Jianing and Gu Xiaoqing who were dumbfounded.

Looking at the panic, Fu Zhengxiong forgot to say something.

And, watching Qin Wenyu shrinking into a ball in shock.

To say that the person who is most afraid of such a scene here is Qin Wenyu, because this man who appeared to threaten their personal safety many times always caught Qin Wenyu and beat him violently.

Therefore, Qin Wenyu has shrunk into Fu Zhengxiong's arms without any scruples.

"Zhengxiong, you...you hold me tight." The sixty or seventy old lady was so frightened that she acted like a baby at this moment.

This can make Fu Zhengxiong difficult enough.

Ten minutes ago, he was still indulging in another old woman's acting like a baby, and ten minutes later another old woman threw directly into his arms to act like a baby.

Ha!

This scene is really interesting.

If the people in the entire lobby were not confused by the sudden two men, Fu Zhengxiong and Qin Wen had given the triangle relationship between the three old things Gu Jianing enough to become a hot topic in this hotel.

But at this moment, everyone was stunned.

The first greasy man who broke in was seen by many people just now. He should be Suzi's lover.

And the second one who broke in came in a black costume, with a sun hat, a mask, and sunglasses. Who was it?

The shot turned out to be so cruel!

The man wore military boots on his feet. The bottom of his military boots was thick and hard. He put the previous greasy man on the ground with one foot, then lifted his foot and put it directly on the greasy man's face.

"Puff..." The greasy man's mouth was kicked.

Blood spurted on the floor of the lobby that could be seen.

All the waiters in the scared lobby panicked and screamed.

"Ah...Killing!"

"Run..."

In the lobby, most of them were little girls, all of them were frightened, some ran upstairs screaming, and some simply shrank under the bar.

Those who are a little bolder will stick their heads to secretly watch the bloody scene outside.

I saw that the greasy man who had just come in and hooked up with Suzi had been beaten by that hard-dressed black man, and even lost the ability to parry.

The hard-wearing man slapped and scolded at the same time!

"You licking dog! Say! Tell me how you did Gu Xiaoqing's dog licking when the 15th and the 10th arrived, you are so blatantly harming Suzi for the woman you want to lick!"

The man could only spit blood in his mouth: "Puff...Puff..."

## Chapter 1347

Gu Jianing and Gu Xiaoqing, who were frightened and silly, were bold.

After all, they are sea turtles!

Especially Gu Xiaoqing, she was not scared.

She has also seen some bloody scenes!

Just the night before, she was bloodied by this D\*mn licking dog!

At this moment, Gu Xiaoqing boldly suppressed the fear in her heart and yelled at the man in black: “Who...Who are you! Where did you come from? Do you know that this is Qingshan International University? Hotel, you can't get away! Security guard, don't be afraid of him, close the door, she can't get away...”

Gu Xiaoqing's words are indeed a reminder of security.

The security ran to close the door immediately.

As soon as the man in black saw Gu Xiaoqing yelling at him so, he immediately let go of the man on the ground and rushed towards Gu Xiaoqing directly.

“Ah...” Gu Xiaoqing sat on the ground in shock, her limbs trembling.

At this time, the black-clothed man with a strong attire was rushed. When the man saw Gu Xiaoqing sitting on the ground, he lifted his foot and stepped on Gu Xiaoqing's body.

The bottom plate of his army boots is full of extremely hard steel plates. Stepping on this foot, Gu Xiaoqing's small body is estimated to be paraplegic from a high position.

However, at this moment in the lobby of this hotel, Gu Xiaoqing has a diehard licking dog here.

Although the licking dog has been beaten to death.

But the licking dog opened his eyes swollen into slits and saw that when the black-clothed man was about to step on Gu Xiaoqing, the licking dog made a dash and rushed to Gu Xiaoqing's body quickly, protecting Gu Xiaoqing with his body.

“Aw...” The man sprayed Gu Xiaoqing's face with a mouthful of old blood.

His body pressed against her.

Coupled with being stepped on by a black-clothed man like this, it really is that the bump is aimed at the groove, and it can't be more accurate.

“Aw... Licking the dog so hard, what are you doing! Broad daylight!”  
Gu Xiaoqing scolded and licked the dog.

The consciousness of licking the dog is a little confused, he still smiles at Gu Xiaoqing: “I...you are my goddess, I want to protect you, I said yes, I will use my life to protect You, and, please remember the password of my bank card...”

Gu Xiaoqing: “.....”

Even if a man does not admit it, she does not admit it.

But at this moment, it is obvious that this man is really her licking dog.

That being the case, Gu Xiaoqing should have instructed this man's series of actions just now?

The little girls who were watching the excitement behind the bar still understood the whole story.

“It seems that this person named Suzi was murdered earlier?”

“Before he was murdered. This is for sure, but now who is this black man who is beating to death?”

“Hey, it's messy.”

“It's probably not a good thing.”

“Don't speak, don't be heard by this desperado, we are dead.”

Desperadoes must not hear the discussion of the two young girls behind the bar. He has always made quick decisions, and only when he can get his whole body back as much as possible, he chooses to start.

But this time it was different.

The door of the hotel was closed, and it seemed that he could not leave today.

Then kill one by one.

The black-winged pretender man raised his foot and kicked the dog licking on Gu Xiaoqing's body aside, and then bent over to lift Gu Xiaoqing up. The first woman he wanted to kill was Gu Xiaoqing.

Because she designed a very vicious trap for Suzi.

However, the moment he bent down to catch Gu Xiaoqing, the dog licking next to him suddenly raised his hand and grabbed the mask and sunglasses that the man was wearing.

The man's carved face was suddenly exposed.

Suzi suddenly said: "Pan... really you?"
