

# I' m Sorry My Love Novel Chapter 1364 - 1365

## Chapter 1364

Suzi's tone is not like a husband and wife.

It's like...

It's the tone of two gangsters of equal status in the negotiation, and Suzi's is the loser. Her current tone is to lose, not to lose, even if you lose, you must straighten your spine.

The man looked at his woman like this, and suddenly smiled in his heart.

Interesting.

"What do you want to talk about?" Arron asked.

"I think..." Suzi took a deep breath and smiled slightly: "I think, no matter what we talk about, don't talk at the door? If you have to talk at the door, I Don't mind."

Arron: "..."

After a pause, he said: "I have been waiting for you. Until now, if I call your cell phone, you won't answer my call."

Suzi: "Can't go up?"

Arron naturally hugged Suzi's shoulders. Seeing her shoulders were cold and cold, he frowned and took off his suit and wrapped her directly.

Suzi wanted to struggle.

However, she just moved a bit and didn't move anymore.

The showdown is about to come, let him behave before that, it doesn't matter.

Suzi, your main thing now is to calm down.

Calm down, you can handle it better.

However, a man is also not allowed to struggle with her.

He hugged her tightly, and he could hold her in his arms with his arms all the time, even if she wanted to struggle, it wouldn't help.

The man put his arms around Suzi, entered the elevator, went upstairs, and entered the house.

In the huge flat, there is no sinking sole, but a rested space, which looks so empty and quiet.

The man took Suzi to the sofa and let her sit on the sofa.

And he was sitting on the coffee table opposite her.

His legs spread out, protecting him in his own world.

"Suzi, what happened to you today?" Arron asked.

Suzi raised his eyes and looked at Arron.

Look at the posture of the two again.

Such a posture, such a distance, is very ambiguous.

Moreover, it is really unfavorable for her.

She would often indulge in his side of the world, being a gentle and shy little woman.

At this time, she couldn't.

She wants to stay calm.

Her back was straight and she looked at him with an indifferent smile: "Arron, she... is younger than me, more educated than me, more knowledgeable than me, and most importantly, her net worth is more innocent than me, you Choose her...I understand."

Arron: "Well! There's more."

Suzi: "What else?"

Arron: "Aren't you going to talk to me... straight to the point? Tell me what you think? Speak straight to the point."

"Divorce." Suzi said.

Arron raised an eyebrow and looked at the little woman in front of him.

She is very calm.

Calm beyond his imagination.

"Huh! What then?" Arron asked with interest.

Suzi: "....."

He speaks very little.

Almost no statement.

However, Suzi knew that he was still the dominant player.

Her heart was shaking.

Working hard to stabilize his trembling heart, and trying not to let his voice tremble, Suzi calmly spoke again: "Arron, from the time when I had the only one with you, in fact, We are a mistake."

## Chapter 1365

"I was used by others to save your life with my own body."

"That start is a wrong start."

"Later... then you see, you have always hated me."

"My whole body is sour and stinky, the woman who comes out of jail, who is penniless, lives at the bottom of society, a woman like me, in

any case, has nothing to do with the most powerful man in the whole man.”

“But at the time, I was whimsical and wanted to give my own children a complete home.”

“Actually... thinking about it now, my thinking was wrong at the time, because... I was too young at that time, and I was terrified in my heart. I didn't dare to face the future alone, so I thought Find someone to lean on.”

“However, I want to do what I want, but...in fact, I have been on the run for six years.”

“Six years later, you caught me back.”

“Arron, I think you might have loved me.”

“Because of my escape, because mine is not in your control, because I...have your flesh and blood.”

“I think what you have given me for more than a year is true love.”

“But, your true love cannot be me alone.”

“Because you are the king of Nancheng, how can anyone in this world be a man who is the overlord of one party, who can stand by a woman and wait for a lifetime?”

“I...I understand you.”

“But I can't want a man who treats me halfheartedly.”

“I can't stand my man putting me in the cold palace, and then make new friends.”

“In the more than a year since I have been in contact with you, I have learned something about you. You look cold, but you are not ruthless.”

“So, I can imagine that in the future days I will be left out in the cold, and I will give you enough living expenses every month, take the kids,

and watch you and your new love-and-out couple, and I will go I can't even say the word 'no'."

"As long as I dare to resist, or do something that is detrimental to your new love, my fate will be quite miserable."

"So, I can only stand by myself, I might still have a good life, right?"

Seeing the woman so eloquent and so calm.

He knew that her conditioning was very clear.

She has no emotion at all.

This reminded him of the first time he saw her seven years ago, when he had just fished her out of prison. At that time, she was indeed dirty and stinky, and her clothes were in dilapidated condition, but even then, she was still The rules are very clear to him.

She really hasn't changed at all.

But she seemed to have changed again.

"Well, your analysis is very interesting, then?" Arron asked with interest.

Suzi: "So, we are divorced!"

"I will move out tonight, and we will go through the divorce procedures tomorrow morning."

"I know you are worried that I will divide your property, so I will tell you now that I will not divide your property a penny."

After a pause, she laughed at herself and said, "Because I know that even if I want to divide your property, you might leave me dead."

"Hmm!" The man snorted coldly, "You really know your husband!"

Suzi: "Of course!"

"Walking out?" the man asked.

“Not all!” Suzi said.

Man: “Huh?”

“There is only one.” Suzi said.

“The only thing is my birth. You don’t even know that I was pregnant with her. You don’t even know that I was single and raised her for six years. So it’s impossible to give it to you, but the only property is the only property in the Fu Group. For the shares, I want to fight for it. What belongs to her can’t be lost!” Suzi said very hard.

The man said amusedly: “Well, he will bargain with me.”

After a pause, he said: “What if I don’t give it to you?”

Suzi swallowed his throat: “That’s the only thing that deserves...”

“Woman, you got it wrong, I mean, the only one, I can’t let the one leave me.” The man laughed.

Suzi suddenly became angry.

She got up and grabbed Arron’s clothes: “Fu! Don’t deceive people too much! Are you murderous? Okay! Do you want to try! If you dare to take away my only one, I’ll stab him with a knife D\*mn you!”

Arron: “...”
