

# I' m Sorry My Love Novel Chapter 1374 - 1375

## Chapter 1374

“Suzi! You deserve to die!” Fu Zhengxiong opened his mouth and scolded his daughter-in-law.

Suzi: “.....”

She was awakened by Fu Zhengxiong.

Since Arron went out to answer the phone and locked the door, Suzi could not get out.

He couldn't get out anyway, and Suzi simply continued to sleep in the room.

In just ten minutes, she was still asleep, and she was awakened by Fu Zhengxiong all at once.

She was sore all over, and her heart was torn apart.

After such a short while, she had a dream.

She dreamed that she and Arron were divorced, but after the divorce, she shed tears every day.

Her heart could not do without Arron, she felt that she was extremely melancholy, and her heart would be melancholy and die.

Such a dream made her cry even when she fell asleep.

As a result, when she was extremely sad, she was woken up by a phone call from Fu Zhengxiong.

The phone call instantly pulled Suzi back into reality.

Hearing the extremely yelling call from his father-in-law, Suzi only sneered feebly: “I, Suzi, shouldn't you die or not, should you decide? I

guess you must really want me to die soon, but I just won't die! I still have a daughter and an old mother to support, so why should I die?"

Suzi's weak tone, listening to Fu Zhengxiong's ears, just did not hurry, and deliberately wanted to piss him off.

His anger suddenly jumped up again: "You! Suzi, you are arrogant when you die! Are you arrogant? That's good! Very good, let's talk about it when you come!"

"Come?" Suzi asked back: "Where to go?"

"Family banquet!" Fu Zhengxiong said viciously: "You forgot what you promised me last week. For the family banquet on the weekend, you personally promised me that you want to come!"

"Haha!" Suzi smiled suddenly.

Tears of laughter came out: "Family Banquet! I promised you last week, but I regret it now!"

"How can you turn your back!"

"Humph!" Suzi sneered: "I'm going all the way to Qin Muchu. It's not common for me to go back and forth! Wouldn't I commit a capital crime if I didn't go to your house for your family banquet? Oh! !"

Fu Zhengxiong: "....."

Here Suzi has hung up the phone.

It's so funny.

She is about to divorce Arron!

No!

Not a divorce!

Overnight, the relationship between her and Arron went backwards for another fifty years!

They are now the relationship between the prisoner and the master again.

She is his prisoner.

His slave.

Overnight, she was no longer a wife, but a slave next to him!

I'm not a wife anymore. I'm not just doing my wife's duties anymore, right?

Then why does she go to the old house?

What a joke!

After closing the thread, Suzi hugged himself lazily in the quilt.

At this time, Arron just opened the door and came in. After he hung up his father's phone, he was about to come in to see Suzi. His cell phone rang again. Even if he didn't look at his cell phone number, Arron knew that the call was made by Gu Xiaoqing. Coming.

This woman!

The call was really timely.

On the surface, the clothes are extremely cold, but in fact, how can you have the slightest cold temper?

## Chapter 1375

If it was Suzi, she wouldn't even call him for half a phone call.

However, Arron still connected to the phone.

"Hello?"

On that end, Gu Xiaoqing's voice was calm: "Mr. Fu, I...I have something to tell you."

Arron: "Yeah."

“Well, Uncle Fu made an appointment with me and my mother last week to let me, my mother and my uncle, go to the Fu’s old house as a guest. At that time, Uncle Fu said that you, your wife and your daughter will also come.”

“Is there any problem?” Arron asked rhetorically.

Gu Xiaoqing’s tone changed very sincerely: “That’s Mr. Fu, your wife doesn’t like me, so I think...you still don’t want to come?”

Arron: “...”

“Fu Siye, please don’t get me wrong for not letting you come to your house, because...because Uncle Fu invited us, my mother and I shouldn’t come, because we are widows and orphans, so we dare not. Why did you defy Uncle Fu, so I just tell Master you.”

“Because, I’m afraid of Madam. She is... unhappy.”

Gu Xiaoqing’s tone was like an aggrieved little daughter-in-law.

It was as if she was trying her best to ask for everything.

In fact, Gu Xiaoqing at the other end was indeed stunned.

At noon, she was sitting in the same box with Arron, but the two of them couldn’t even pull their hands.

Even Arron didn’t open his eyes to look at her.

Originally Gu Xiaoqing thought that she would be able to climb into Arron’s bed by sitting all night, but it was her Gu Xiaoqing who thought too simple.

A man like Arron is indeed very difficult to catch.

She didn’t dare to act rashly, and she didn’t dare to reveal her intentions prematurely, she could only step by step, slowly.

She has even figured out the doorway.

That is, advance by retreating.

She now took the initiative to tell Arron to ask Arron not to go to the Fu's old house, and to take the initiative to tell Arron that she didn't want to annoy his wife too much. It is to retreat as progress.

Sure enough, here Arron said lightly: "It's okay! Don't worry about this. You are a guest, and she is the host. As a host, you should treat your guests."

Gu Xiaoqing was suddenly excited: "Really, really?"

Arron: "Nothing else, I'll hang up first, see you in the old house of the Fu family."

"Yeah! Good Fourth Master, let's... see you in the old house!" Gu Xiaoqing said excitedly.

She originally wanted to say something more concerning, but Arron had already hung up the phone.

Gu Xiaoqing, who was hanging, shook her heart.

However, after another thought, she was happy again.

Because Arron was originally such a person. She likes this kind of Arron. If Arron was a dog-licking man lying in the hospital, could she still be so rare about Arron?

Of course not!

"Mom, let's hurry up and clean up, we will be dressed beautifully today.

Hee hee, Mom, I'm very excited when I think of today's scene, Mom, tell me, how will Uncle Fu expose Suzi today? "

"Two men, haha! Carrying Fourth Master Fu, she has two men!"

"Now Suzi can't tell with his mouth full."

"Mom! I suspect that Siye Fu may already know that Uncle Fo has grabbed Suzi's stone hammer. Will this happen? Siye Fu is driving Suzi away at home, so she can get out of it?"

Seeing her daughter so happy, Gu Jianing was also very pleased:  
“My daughter is capable. It has only been two rounds and almost killed Suzi!”

“I heard that Suzi was originally a female prisoner that Arron captured. It is estimated that now that Suzi is being driven out by Arron? Ha! What will Suzi be like today, and can he still be eligible to go to the old age? The house, when we arrive at the Fu’s old house, we will know it at a glance.”

Suzi naturally couldn’t hear the two thoughts of mother and daughter, still sleeping in the blanket.

At this moment, Arron, who just walked in, was also talking to Suzi:  
“Get up, pack yourself up, and go to the old house with me today.”

“Don’t go!” Suzi said simply.
