

I' m Sorry My Love Novel Chapter 1386 - 1387

Chapter 1386

Seven hundred and six chapters: finally speak.

Arron looked at Suzi again.

Suzi looked calm.

He looked at everyone present, and the expressions of those present were different.

Fu Zhengxiong and Qin Wenyu and his wife have very determined expressions.

On the faces of the mother and daughter of Gu Jianing and Gu Xiaoqing, there are expressions of excitement, joy, and pride that have tried every means to conceal them, but they have not concealed them.

Sitting next to them was Darius.

Darius's expression was stunned, he said with a blank tongue: "How is this possible? With Suzi's character, she is looking for two men outside? How is this possible?"

"In the six years she has fled, she has lived with Sanford, but the two have always been siblings. The two have never surpassed. Now that Suzi's life is so happy and stable, how can she go outside to find a man?"

"Look for two more?"

"How can this matter make sense?"

Darius was talking to himself, but it was more like questioning Fu Zhengxiong.

Fu Zhengxiong ignored Darius, Fu Zhengxiong kept looking at his son.

And Arron was still looking at everyone's expressions.

His eyes moved from Darius to Alyce, and he saw that Alyce's face was extremely angry, vowing to desperately.

With tears in his eyes, Alyce glared at Father Shu.

Even though this was spoken from Fu Zhengxiong's mouth, the person Alyce hated most on this occasion was Elder Shu.

This D*mn old thing!

Alyce couldn't wait to drain all the blood on Elder Shu's body.

He really said one thing, do another thing!

More than a month ago, he was still very repentant. After more than a month, he was able to sit here personally and denounce his granddaughter.

This old man who drinks human blood is immortal!

After a while, if this dead old man dared to be rude to Xiangxiang, Alyce immediately rushed to kill the old immortal!

Isn't it just father killing!

What's wrong!

She Alyce wanted to kill her father!

Arron silently looked at Alyce's expression, and then moved from Alyce to his daughter Shen Only.

I saw Lilly's eyes full of tears.

The six-year-old girl is full of indomitability to her mother.

My eyes are full of distress for my mother.

The eyes are full of fearlessness.

This little thing, it is estimated that it is ready to go, his grandfather beats down.

Arron turned his attention to his grandparents again.

He found that his grandparents were all irrelevant.

Especially the old man Fu Hengsheng.

Six years ago, Fu Hengsheng, who was in his early nineties, was extremely dictatorial.

Today's Fu Hengsheng is indeed old.

Old, without any lethality.

This is the case with the old man, and even more so with the old lady.

It seems that today's family banquet, this crusade to seize the evidence of Suzi, has nothing to do with their old couple.

Chapter 1387

Now, Father Shu is after the rest.

Suzi looked at Elder Shu, and found that Elder Shu was expressionless.

Not only was he expressionless, his eyelids were drooping all the time.

It seems that you don't want to come into contact with the vengeful eyes from your own daughter, right?

"Arron! Take a look, this is the evidence! All the evidence! You have it in Aunt Jianing's phone!" At this time, Fu Zhengxiong suddenly called Arron.

Arron saw that his father threw the phone to him.

“Suzi, let me tell you! Don’t think that the surveillance video of the Qingshan International Hotel was disturbed by your close man, and we can’t show any evidence! The entanglement between you and those two men, your aunt Jianing I got it!” Fu Zhengxiong scolded Suzi very fiercely.

After angrily, he looked at Arron again: “Look! Look at the video inside. Who is one of them, did you see it?”

“It’s the man who often molested me and your aunt!”

“That man beat you, not because of my mother! It’s because of the badass grandpa you!” At this time, he kissed two lines of tears and immediately yelled at his grandpa.

Fu Zhengxiong sneered: “Suzi! If you don’t learn well, you don’t have to behave properly, and I have broken your granddaughter!”

“If it weren’t for the conclusive evidence, I was scolded by my granddaughter today, and I couldn’t tell with my mouth long! Arron, do you know who is who often harass us!”

Arron looked at his father very calmly.

“The fourth brother of the Island Master of Jiaxing Island! Pan Haoyang!” Fu Zhengxiong suddenly patted the table angrily.

“Pan Haoyang had revealed his true colors in the hotel that day! However, he was let go by Suzi! Pan Haoyang was in the Qingshan International Hotel, in front of so many people, in such a big crowd, let her lover Pan Haoyang go away. Up!”

When talking about this, Fu Zhengxiong was so angry that he couldn’t control himself.

If it weren’t across the dining table, Fu Zhengxiong would have liked to go up, Suzi would kill him!

Because all of his experience was placed on Suzi, that Fu Zhengxiong didn’t see it at all. At this time, Elder Shu raised his head too much and looked at Fu Zhengxiong in shock.

Then, he looked at Suzi.

Suzi didn't lift his eyelids.

"It's her! Suzi prevented the police from arresting people, and Suzi risked his death to release Pan Haoyang!"

"Who is Pan Haoyang! The fourth son of Gasing Island! His existence will threaten our entire Fu family. He is not only Suzi's underground lover, he is also the enemy of our entire Fu family!"

"But he was clearly caught that day, but he was let go by Suzi!"

"Suzi! What else do you have to say today, what else can you quibble about!"

Say yes, Fu Zhengxiong looked at Suzi angrily.

Suzi: "No."

"You..." Fu Zhengxiong was almost exasperated and almost died.

"Arron, take a look! Take a look!" Fu Zhengxiong's fingers trembled.

"She can't deny it now, she can't deny it at all."

Arron remained silent.

At this time, seeing that it was almost time, Gu Xiaoqing stood up.

Her tone is very calm and objective: "President Fu, in fact, on such occasions today, I shouldn't call you Mr. Fu, I should call you Brother Fu. I know that you and your wife are in a very good relationship. I really don't want to ruin you. I feel sorry for the fourth brother."

"My mother photographed these times yesterday, and it was really not voluntary."

"It was because in that situation, my Uncle Fu and Aunt Fu couldn't deal with the cruel killer, the fourth son of Jiaxing Island, Uncle Fu couldn't help but let my mother take pictures and leave evidence."

"Fourth brother, I know this will hurt you a lot, you must... want to open a little bit."

“Actually...” When talking about this, Gu Xiaoqing glanced at Elder Shu.

She must take Mr. Shu with him.

“Actually, my aunt’s vision of seeing people is the most accurate. Although my aunt is older, he can see through people’s hearts. My aunt has always thought that Suzi is a very unscrupulous woman who plays with men very much. I think now , The aunt and grandpa saw nothing wrong.”

“Since you mentioned your aunt and grandpa, then ask the old man what you mean first?” Arron suddenly said.

Yubi, he looked at Elder Shu, and asked in a low tone: “Master, what do you plan to do with Suzi?”
