

# I' m Sorry My Love Novel Chapter 1392 - 1393

## Chapter 1392

At this moment, Alyce sneered in her heart.

She and her biological father had no feelings at all, but humiliation and hatred.

So, how could Alyce believe it only if Mr. Shu said something to ask for justice for her.

She just feels sick.

She froze for a while and then sneered: "Can you not play tricks when you are not dead? Please tell me directly how you want to make our mother and daughter die, and don't make mistakes."

"I won't shoot you!"

"Even if my daughter and I die, we will be ghosts and we won't let you go."

"You will be 90 this year, right?"

"How many years can you live?"

"Maybe you just killed my daughter and me. At the celebration of you and your family, your baby niece, you died when you were happy?"

"At that time, my daughter and I will become ghosts and strip you alive, and then push you down to eighteen levels of hell!"

At the end, Alyce raised his eyebrows, sneered, and said fiercely in his mouth: "Old ba5tard! I will curse you for generations to die!"

"I swear that I will never ask to be your daughter again in my next life!"

"I will only be your enemy in my next life!"

“I want to seek revenge from you for generations to come!”

Alyce scolded red eyes.

Her scolding made the old lady of the Fu family who had not been involved in this matter a bit listened.

“Girl, this girl, old lady, I have never seen you before. I see your age. I am a little younger than my little daughter. I speak for you. You are the biological daughter of my brother Shu Jiaxian. ?”

Alyce: “...”

Being so easily disrupted by the old lady, Alyce came back to his senses this time.

As soon as I sat down, Alyce realized that my daughter and the old lady of the Fu family have a very good relationship.

She is a kind old lady.

So at this moment, Alyce was also polite to the old lady: “I’m sorry, the old man, it’s me who lost my temper. I am mainly too angry, making you laugh.”

The old lady looked at Alyce with a smile, and asked, “My brother Shu Jiaxian, is it your father?”

Alyce: “...”

“It’s that... the woman who destroyed the happiness of brother Shu Jiaxian and my sister-in-law for a lifetime, are you the child of that woman?”

Alyce’s face immediately became sad.

It’s funny.

Maybe people in the entire Shu family hated her and her mother Zhou Qin, right?

It seems that she has indeed come here today.

Good too!

It's not too much regret to die with my daughter.

She didn't say anything.

However, Elder Shu said: "Old sister-in-law, you... misunderstood my daughter."

"Oh?" The old lady smiled: "What a misunderstanding, let me hear you?"

"Alyce's mother, it was to save me back then. Her mother didn't take the initiative to seduce me, but I... did the thing that a man shouldn't do!"

"I did such a thing myself, but I have to blame Alyce's mother."

"I'm a big man, I actually transferred all the responsibility to a woman who saved my life."

"I think Alyce is right to curse. I will never be at peace in this life. Even if I die, for generations and generations, I shouldn't be at peace."

"Even if I go to hell one day, I personally meet Alyce's mother, and I kneel to her, it will not be able to make up for the mistakes I made."

## Chapter 1393

"Because I delayed Alyce's mother for a lifetime. I let her wait for me all my life."

"I made her bear the infamy for a lifetime."

When I heard Mr. Shu say this, the old lady of the Fu family's face suddenly changed: "Humph! Humph! Then you really deserve to be scolded! I have to scold you too! You old immortal thing!"

Fu Zhengxiong looked at his mother: "Mom..."

"You let this old immortal thing say it! If he is wrong, today my old sister-in-law will hit him with a stick!"

Fu Zhengxiong: "Good, good mom."

"Old stuff! Say it!" Mrs. Fu ordered Elder Shu with a cane.

"Hey, yes! Old sister-in-law."

Elder Shu continued: "For my entire life, I have always thought that I did the right thing. I didn't betray my wife. Even if a wild woman gave me a child, I am determined to be inhuman! I can definitely harden my heart. "

"I even managed to treat the children of my relatives better than the children born to me by a wild woman."

"I have always been proud of it."

"Until, when I saw my daughter again, she was fifty years old."

"My child, she didn't ask to come into this world. It's me! It was my sudden rise that brought her into this world forcibly."

"But I don't care about her."

"It was I who left my biological daughter in diaspora for half a century. It was me who joined my relatives and tried every means to insult and mutilate my biological daughter."

"She is so young, she especially needs her father's care, but what I gave her was exactly a blow."

"I hold my relative's daughter in my arms."

"The relative's daughter is proud of a white swan in front of my biological daughter, and looks extremely superior, but my biological daughter is inferior to the beggar."

"My child is like this, spent her entire childhood."

"I have money to help the children of my relatives go abroad and live the best and best life, but let my own biological daughter live in the sewers."

"I think, there is no more stupid old man like me in this world, right?"

“So, no matter whether my daughter scolds me for being immortal, or scolding me for being an old miscellaneous hairy. I think my daughter is merciful.”

“Old sister-in-law, after I supported my daughter once today, if you want to kill me, kill me, because my life is too painful. I think that my relatives will unite and kill me under my guidance. My biological daughter, I can’t face my ancestors and ancestors of the Shu family.”

“I’m ashamed of my ancestors!” Elder Shu howled.

The turbid tears of his eyes flowed from the corners of his eyes and flowed into her neck.

Then, he looked at Alyce and Suzi from a parallel perspective: “Alyce, Xiangxiang, you two don’t need to forgive dad, forgive grandpa. I don’t need you to forgive.”

“Alyce, Dad just wants to tell you that no matter what I do, I can’t make up for the harm I have done to you since I was a child.”

“However, I still have to brazenly defend you and Xiangxiang once today.

“Alyce, give Dad a chance, okay?”

Alyce: “...”

At this time, Darius looked at Alyce apologetically: “Auntie, give Grandpa a chance?”

Alyce: “...”

She really didn’t expect that things would turn into this.

She looked at Elder Shu incredulously, and said in a quiet tone: “Can you tell me what trap is this?”

There was an extremely helpless bitterness on Elder Shu’s face.

She didn’t plead with Alyce at all, but looked at Gu Jianing with anger.

Gu Jianing: “Aunt...uncle, you...the most hurt...me?”

“Do I have any blood relationship with you?” Old Man Shu asked.

Gu Jianing: “...”

“Invite truthfully! How did you frame Alyce and Suzi Suzi, otherwise, I will let you die today!” Old man Shu suddenly shouted angrily.
