

# I' m Sorry My Love Novel Chapter 1398 - 1399

## Chapter 1398

Elder Shu held up the muddy eyes and looked at his biological daughter: "Alyce..."

"Please don't call me so hypocritical. I am fifty years old this year. When I was called Alyce, I was driven over like a beggar. When it was worse, I was driven by your family. The servant kicked out."

"Now, I don't need to be called my nickname anymore. Calling me like this will only make me feel extremely sick."

"Aunt..." Darius cautiously called Alyce: "Grandpa he..."

"Darius." Alyce stopped Darius.

Her expression was calm: "I have never denied that you are my nephew. That's because you have never hurt me, and we really have blood vessels."

"But your grandpa is different."

"I know, you want to say that the purpose of your grandfather's coming here today is for me and Xiangxiang."

"But have you ever thought about it? He is not for us, but for himself, a kind of repentance in the heart of a dying old man?"

Darius: "..."

Alyce looked at Mr. Shu and said calmly, "Isn't it a sequelae that you left behind for what you did today?"

"From the day Gu Jianing and I were born, we have been labeled by you."

"She is a princess."

“And I, I’m rubbish, a bltch, a shame.”

“Gu Jianing thinks from the bottom of my heart that I am not worthy of living in this world, and not worthy of any happiness. From the beginning to the end, from living to death, I should live in spurn.”

“That’s why she abused me unscrupulously.”

“Isn’t this caused by you alone?”

“You came today, just to correct the mistakes you made.”

“But what about corrected?”

“I have endured all the mistakes you made.”

“The fatherly love that I missed when I was a child, when I was kicked by someone else insulting me, I watched Gu Jianing all kinds of insults in my own home, and watched Gu Jianing in front of my father like an incomparably noble little girl. Like a princess, she embraced Huan’s knees.”

“That kind of taste, the kind of feeling of being helpless when I was young, I can’t make up for it in this life.”

“Because I will never be back when I was a kid, do you think you can make up for me?”

“What you did today is like I am a pet you domesticated. You beat me all over with cuts and bruises. Let me know how bad you are. Then you can heal me and give me some sweetness, so that I will crawl in the future. Under your feet, lick your feet?”

Elder Shu looked at his daughter in tears: “Alyce, don’t talk about the child, don’t talk about it. It’s father’s fault.”

“Dad knows that no matter what Dad does, he can’t make up for the harm he has done to you.”

“So, what you did today was not for me to forgive you, right?”

Elder Shu: “...”

No!

It's not!

Of course, what he did today is to hope that his daughter can forgive him.

He is very old.

There is no day he does not yearn for his daughter to come back to him and accompany him through his old age.

There is Xiangxiang.

He hopes to make up for his fault.

If not, he can't see his dead ancestors.

If one day, he died and saw Zhou Qin underground, what should he do?

Elder Shu didn't dare to think about it.

He only hoped that his daughter would forgive him and go home with him.

But now after being told by his daughter, Elder Shu feels extremely ashamed.

He could only say against his will: "Yes, Alyce, Dad never...has no extravagant hope that you can forgive me, Dad just hopes that your future life will be peaceful and comfortable."

Alyce: "That's good, I thank you!"

If the words must be said, she no longer looks at Mr. Shu.

She turned and looked at Fu Zhengxiong, who had been in shock all the time: "Mr. Fu!"

## Chapter 1399

Fu Zhengxiong: "Alyce...Sister Alyce?"

Alyce laughed at himself: "I didn't know each other, I didn't know each other since I was little, and we didn't have much friendship between us."

As soon as he said this, Fu Zhengxiong blushed immediately.

"In terms of relationship, it is also my daughter who married your son."

"But now, the two of them are going to divorce."

"Furthermore, isn't this also your goal today, Mr. Fu?"

"If my daughter and your son are divorced, there will be no relationship between us."

"So Mr. Fu, don't call me that, I won't accept it."

Fu Zhengxiong: "....."

There was a burst of blue, red and white on his face.

Alyce continued: "I just want to tell you about the two men in your mouth. One of them is my daughter who was framed by your sister Gu Jianing's daughter."

"And the other man, my granddaughter has said, you should find the problem from yourself, not just sprayed blood on my daughter!"

Fu Zhengxiong: "....."

He couldn't help but wonder more.

Why did everyone let him find problems from himself?

What is the secret between them?

Seems to know, but didn't tell him?

"Little, Alyce..." Fu Zhengxiong stammered at Alyce.

“Should you not apologize to my daughter! The woman you provoke yourself, your female guest, who designed to frame your daughter-in-law, shouldn't you apologize!” Alyce said in a non-committal tone.

Fu Zhengxiong: “.....”

At this time, the old lady spoke: “Zhengxiong! Apologize to your daughter-in-law!”

Fu Zhengxiong: “Mom...”

“Don't think I can't see it! This woman named Gu is seduce you!” The old lady said suddenly.

Gu Jianing: “I...I don't.”

“Your little trick of maggots and maggots can be concealed from Wenyu, but cannot be concealed from my old immortal! Your mother and daughter are both for the man of our Fu family! Are they not?”

“Zhengxiong! Say it yourself!” the old lady scolded.

Fu Zhengxiong: “.....”

His old face blushed, and then turned to look at Gu Jianing: “Old woman! I didn't expect you to have such a deep thought!”

Seeing her husband say this to Gu Jianing, Qin Wenyu immediately realized something.

She raised her hand and slapped Gu Jianing severely on the face: “A shameless woman! At this age, she still wants to catch someone else but her husband! Even if Alyce doesn't send you to prison, I will Will kill you!”

“Do you think that Qin Wenyu is a vegetarian!”

Alyce: “...”

At this moment, the faces of her and her daughter Gu Xiaoqing were even more embarrassing than those of crying father.

Looking at the table of people who blamed each other and abused each other, Alyce sneered contemptuously: "The family banquet you set up, you are free to solve the things you want to solve, it seems that there is nothing wrong with my daughter here, right? No, Xiangxiang, take the only one, let's go!"

Suzi: "....."

At this moment, my heart is very warm.

It turns out that her mother can also hold up a piece of sky for her.

Great!

It's okay to live with my mother in the future, with my only one.

She lowered her head and looked at the only one: "Go with mother, and then with grandma, okay?"

Lilly nodded firmly: "Good mother, let's go, you, me and grandma, we will never come here again, never come again!"

Yubi, she looked at Arron again: "Dad, I don't want you anymore!"

Arron, who hadn't spoken for a long time, stood up suddenly and said in a very low tone: "No!"
