## Chapter 1400

Hearing Arron say this, Suzi and Alyce both looked at Arron at the same time.

Especially Suzi.

She almost laughed angrily.

“Arron!” Suzi shouted: “The only one is older. She is already six years old. She has the right to choose to follow her father or mother.”

Lilly also looked at Arron with tears in his eyes: “Arron, I don’t want you anymore! I won’t want you anymore!”

Language must

She looked at Gu Xiaoqing again, and then, the six-year-old child suddenly cried and laughed: “I finally know what Gu Xiangyi’s mother means is your friend. She wants to step up to my mother and be your new girlfriend. Right?”

“I also finally understand why my mother woke up early this morning, her eyes were red and swollen.”

“You are getting divorced, you don’t want my mother, right?”

“If you have a new woman, you don’t want my mother!”

“Arron! You can don’t want my mother, and I can don’t want you! I don’t care about your property, you don’t care about your Fu Group, not now, nor in the future! I will never love you forever! You stinks Bad guys! Ouch, everyone...”

Lilly was crying and lying in his mother’s arms.

Her crying cramped Suzi’s heart.

Suzi cried and looked at Arron: “Mr. Fu! Miss Gu is younger than me and has more education than me. In the future, your children will have more advantages. Please put the only one. Please see that he is also your biological child. For sake, let the only one have his own choice.”

“The only one said just now, she doesn’t want anything.”

“She doesn’t want the shares of the Fu Group, and he doesn’t want any of your property.”

“Since the child has given up what she deserves, then I won’t fight for her, Arron. Regarding my matter, my innocence problem has been solved. Please let the three of us leave, okay?”

Suzi’s tone was almost pleading.

However, Arron was expressionless, and even his expression was still cold.

Seeing him like this, Gu Xiaoqing, who shrank in fright, seemed to have seized the opportunity.

“Fu...Fu Siye, you...you like me, don’t you?”

“I know that you must like me, otherwise you won’t have such trouble with Suzi, you are going to get divorced, right?”

“I can! I can be your girlfriend. Did you listen to my mother just now? I am excellent.”

“I am a high-achieving student who graduated from a well-known financial school in the world. I marry you and we are a perfect match. I will make your Fu Group flourish, and I will...”

Seeing Arron looking at her with a cold face, Gu Xiaoqing shuddered in shock.

She pleased with a smile: “Fu...Fu Siye, I...I have a lot of skills, you think, women who grew up in foreign countries are very relaxed. Yeah.”

“On that day, in your company, I made a fool of myself, and I was still able to go out. It can be seen how much effort I have in that area is behind me.”

Gu Xiaoqing was already very incoherent.

Darius next to him sneered: “A woman like you! You said it because of you! You can say it directly because of its profoundness!”

“Just now they said that you seduce Brother Arron, I still didn’t believe it, but now you have said it yourself!”

“Woman! I said that as long as it is a woman who dares to destroy my cousin’s marriage, I will all be rude to you! Today I will personally send you to the police station!”

Gu Xiaoqing: “Cousin...”

“Don’t call my cousin, I think my ears are dirty after hearing it!”

Here Suzi sneered: “Brother Darius, you think it is dirty, but some people think it is not. You still don’t want to take a trip to the muddy water for my business. Because...”

She said blankly: “Because someone is more cruel than you, if you touch the woman in his heart, he might retaliate against you, Brother Darius, it’s not worth it, let’s leave calmly.”

Darius: “...”

Suzi was right.

If Arron wanted to protect Gu Xiaoqing, no one could stop it.

At this time, Arron sneered: “Suzi, your mouth is really getting more and more poisonous. Not only are you the most poisonous, your expression is still so calm, haven’t you found that you are more and more like me now?”

Suzi: “.....”

## **Chapter 1401**

Arron looked at Lilly again: “The only one, didn’t you just call Christopher and let her come in and arrest someone?”

Lilly: “I don’t want to talk to bad guys!”

Arron was also not angry.

He only took out his cell phone and dialed a set of phone numbers, and it was quickly connected over there.

A clear voice came from the phone: “Four Lord...”

“Come in, get all the materials.” Arron said.

“Good Fourth Master!”

Christopher came quickly.

Almost immediately, he came to the restaurant.

It was not surprising that Christopher was surprised to see that some of the people present were astonished, some were calm, some were decisive, and some were stunned like prisoners.

He seemed to know this situation.

Christopher only came to Arron and handed a briefcase to Arron: “Master, all are here.”

“Yeah.” Arron carefully looked at the contents of the briefcase.

After reading it, he returned the colleague’s package to Suzi.

Suzi’s heart suddenly chilled.

Could it be that in this briefcase, all the contracts with her were rescinded?

Dissolve the marriage contract?

If she guessed correctly, how should she let her go out of the house, how can she not get a penny of information?

Thinking of this, she couldn't help but sneer in her heart.

This kind of big group company, big president, they think really thoughtful.

When you are good, I will hold you up to the sky, wishing you would not pick the moon for you if you want the stars.

What about bad times?

You don't want to take him a penny.

This is the ruthlessness of the CEO!

She Suzi hasn't been so stubborn, she said to Arron very coldly: "Arron! I told you very clearly last night, I won't ask you a penny, I will leave the house alone! But my daughter No, the daughter must get her hard part."

"But now the only one has stated her position. She would rather not see you for the rest of her life, and would not ask you for a penny of property."

"So Arron, it doesn't make sense for you to show it to me now."

"I don't want to watch it! I don't even bother to watch it! Take it away!"

"Madam!" Christopher shouted immediately: "Madam, you should look at the files inside! Madam..."

Suzi: "....."

Christopher has always taken good care of her.

She hesitated, took a briefcase and opened it, then took out the files inside, looked at it, she was stunned.

She looked up at Arron: "You..."

Arron didn't look at Suzi, but only asked Christopher: "Where is the person?"

Christopher smiled: "It's outside."

Yubi, he shouted outside: "Come in."

At this time, a person walked in slowly from outside.

The person was standing inside the door, and the noon sunlight cast on him, making him stand in the sun shrouded all over, looking extremely healthy.

"Xiangxiang..." the man shouted.

Suzi was stunned for a moment, and then tears burst out in her eyes, and she was speechless for a long time: "..."
