## Chapter 1504

Kraig didn't explain anything to Dalia, but bluntly said to him: "You and Collin pack things together, and take my car to Wanhai County together."

"Why!" Dalia cried out in anger.

She wanted to slap Kraig in the slap: "Kraig, you devil! Devil, I'm the only mother. If my mother has a long and two shortcomings, I will kill you, you devil! Devil! I curse you not to die! "

Seeing Dalia's hysterics, Kraig was not angry.

After all, he asked Arron to do Collin first.

Is this to blame him in the end?

At this point in the matter, it was useless for Kraig to explain. He raised his hand and ordered the hundreds of subordinates behind him.

Seeing the gesture, the men immediately surrounded Collin and Dalia.

Collin immediately guarded Dalia behind him: "Master, if you have something to say, say it, she is a pregnant woman, and she is pregnant with your father's child. If you want to kill or kill, we all greet Collin and let it go. She, let this poor woman go, okay?"

No one answered Collin.

A group of people grabbed Collin and Dalia together and pushed them into the car.

The car they took was Kraig's car.

Kraig sat in the front passenger seat, while Collin and Dalia sat in the back row.

“Listen!”

Kraig said coldly: “If you want to see your mother, just follow me! Now your mother is in my hands. You can’t do anything if you don’t follow me.”

Dalia screamed: “Kraig, you are not human...”

Kraig expressionlessly: “Well, I am the devil, haven’t you already said it?”

Dalia: “...”

“Xiaoshan, don’t talk. How can you be reasonable with such a beast? We are going to die anyway, so what are we to struggle? It is better to be decent and obedient.” Collin said, hugging Dalia in the back of the car. .

Dalia, who was originally very angry, stopped obediently when she heard Collin say this.

She nestled in Collin’s arms and wept, “Brother Dashan, why are our lives so bitter?”

Collin is a man after all.

He is another man who has seen the world and worked hard in Nancheng.

Collin became more and more confident when he saw Kraig following him and holding the two into the car.

Because he knew that neither he nor Dalia could escape.

Since you can’t escape, it’s better to accept it indifferently.

He calmly smiled at Dalia: “Most of the people in this world are born to suffer sins, they are fate. Actually, we are happy, aren’t we?”

“God tortured me for a long time, letting my wife die, but God let me know. We stayed together on Huangquan Road, so we won’t be lonely when we get there, what do you think?”

Dalia nodded: “Yes, Brother Dashan, we are crying, but we are also satisfied.”

In this way, the two people spoke happy words of comfort to each other without any scruples.

Although they are crying.

Although he was talking about his bitter words.

It was in the ears of Kraig and the driver Xiao Song, but they were all dog food.

The driver Xiao Song was really wronged for his father.

When he was wronged, tears were about to fall.

He drove all the way and thought, how did the Lord endure it?

If the master was originally a big master, he wanted to sit on the back seat and lay flat and sleep for a while.

But now the master is aggrieved and sits in the passenger seat, so he has to listen to the two people scolding him without anger, and then sprinkle sugar and dog food on him.

Oh gluten!

Lord this endurance.

## Chapter 1505

It’s a model of flexion and extension.

Xiao Song couldn’t help looking at his father frequently, and his father closed his eyes calmly, Xiao Song couldn’t see his joy, anger, sorrow, and joy.

This felt that he had an unparalleled respect, and Xiao Song, who scared him, didn't dare to think about it anymore, but focused on driving.

From Dalia's county seat to Wanhai County, it takes about four hours by car.

They arrived in Wanhai County at midnight.

At this time, in a seaside villa in Wanhai County, a seventy-year-old lady was begging two guards: "Please, let me see my son and my daughter, as long as I see them two, You just cut me off, and I have no complaints."

However, no matter how the old lady begged, the two guards remained silent.

Until Kraig's car parked outside the villa and the door opened, Dalia and Collin were so familiar when they heard the pleading in the villa at the same time.

"Mom, mom!" Dalia shouted before entering the door.

The old lady was surprised at first, and then limply rushed towards Dalia in surprise.

She had inconvenient legs and feet, she couldn't take two steps and fell down. Collin hurried forward to support the old lady.

The family of three was finally reunited.

"Mom!" After Collin yelled out, tears were suddenly left.

The man didn't cry all the way, he had been comforting Dalia until this moment when he saw his mother, he shed tears from the man.

The man held his old mother in his arms while holding Dalia in his arms. The three of them hugged each other together, and there was no way they looked like they were looking for death.

Rather, they are extremely happy.

“This is all right, now we can die together. We are a family of three, no, a family of four can die together. It’s great.” Collin said with great contentment.

Yubi, he looked back at Kraig.

Kraig also looked at Collin coldly.

To be honest, he has the urge to kill Collin at all times.

For so many years in Rong, he has fought countless battles at home and abroad, but he has never suffered from this moment, and has never tested his humanity in this moment.

However, once Kraig saw the woman with a pregnant belly, Kraig felt relieved.

She paid too much for him.

But he occupied her for seven or eight years, but he never gave her anything.

Maybe this is the only thing he can give her.

As long as she feels happy.

“What’s the matter!” Kraig looked at Collin coldly. If words can kill people, maybe Collin is already dead.

Collin had a grateful expression: “Mr. Jun, thank you, thank you for taking us by car to reunite us with our mother. Thank you for letting us die together. Actually...”

The man looked at the sea outside. He smiled and said, “Actually, there is nothing wrong with being buried in the sea. The sea is vast and clean. My mother and Xiaoshan, I, and I are content.”

“Thank you Mr. Jun.”

“You do it, we have no complaints.” Collin said calmly.

Kraig: “Want to die so?”

Collin shrugged: "I... don't think we can still live. So I don't make any illusions."

"That's because you are all villains! Do you understand the villains? You all treat the abdomen of a gentleman with a villain's heart! You are! So is Dalia! Your whole family is!" At this moment, Kraig suddenly broke out.

Collin: "....."

Dalia + old mother: "..."

Kraig's tone suddenly became very weak: "You will definitely not be able to go back to the original small town, and don't go back to the large mountainous area in the northeast. Where the living environment is too difficult, you will settle here in the future. Yes, I'll use that ten million to start a small fishmonger business in the future."

Dalia: "You...what did you say?"

Kraig gave Dalia angrily: "I said you are the most vicious woman in the world!"
