

I' m Sorry My Love Novel Chapter 1594 - 1595

Chapter 1594

Hearing Kraig's hoarse voice, Dalia's face turned red.

She knew in her heart that it was Kraig who was reconciling with her.

She didn't have much sympathy in her heart, only a sense of security.

She has been with Kraig for seven or eight years, and she knows that Kraig has a good temper.

If Kraig hadn't suddenly broken Dalia's heart overnight, Dalia would have always felt that Kraig was actually a good character.

The reason why she was so heartless towards Kraig was that, on the one hand, Kraig suddenly kicked her out of the house, and on the other hand, she never said anything or told anyone.

That's because she was saddened by Kraig's love for Elma.

700 years of companionship by my side, nurturing each other, eating and living together day and night. But it can't compare to a woman who is far away.

As soon as the woman came back, she was ruthlessly kicked out of the house.

This is where Dalia is most heartbroken.

Twenty days ago, she heard Suzi's explanation to her with her own ears. She knew that Kraig had indeed been looking for her, and she had been regretting it. In this way, Dalia still believed that Kraig was actually a good character. not bad.

But her love for him can't be brought up no matter what.

People often say that a broken mirror is re-rounded, how can it be round?

Not to mention broken mirrors.

It is a woman who has a cesarean section, and a wound is pulled on the stomach. After stitching it up, it will never return to its original shape.

What's more, he hurt her so deeply?

What's more, when they meet again, there is a Collin who can never live again.

However, even if Dalia had such a big estrangement towards Kraig, she would still have a sense of security when she returned to Kraig's arms.

She is really tired.

More than three months of ups and downs, life and death, hardships, gains and losses, made Dalia's heart extremely haggard.

She was determined to follow Rob for the rest of her life.

Because she wanted to be quiet and peaceful.

However, God used to joke with her.

Mom is still alive?

What a surprise?

But what my mother is encountering now, only Kraig can solve it.

At this moment, Dalia wrapped her arms around Kraig's neck, very obediently cooperating with Kraig to kiss her dry, pale lips.

However, her actions were still dull.

However, men don't care.

After kissing her for a while, she saw that her little face was still as red as an apple, and her pregnant belly fit his suit.

He was suddenly afraid that his buttons would hurt her, and hurriedly undid the suit.

Since then, the two have grown closer.

The man kept wrapping his arms around the woman's thick waist, and the other arm circled from the front, just touching her stomach.

His big, moist hands rubbed.

Suddenly, he felt something stab him.

Kraig was startled.

Then she asked the woman in her arms, "My son will move?"

Dalia did not speak, but buried her head deeper.

Don't speak, don't speak.

Anyway, there will be time to slowly warm her up in the future, and one day, he will be able to warm her heart again.

He put his arms around his woman again, his son, as if he had found a rare treasure.

No, rarer treasures than rare treasures.

After four months.

He had been desperate, decadent, and depressed. He originally thought that it would be impossible to find his wife and children in this life, but at this moment, his wife and son are in his arms.

He hugged them tightly.

How emotional?

Kraig almost burst into tears.

Chapter 1595

Jing Yu.” At this time, Dalia shouted eagerly .

Kraig: “Huh?”

“My mother she...” She knew how inappropriate it was to ask him at this time.

But isn't the reason why she suddenly changed her attention because of her mother?

Kraig knowingly asked: “Your mother, what happened to her old man?”

Dalia didn't answer Kraig's question, she just asked him: “Jingyu, you have come to me several times, but you all feel ashamed of me and feel that I am in harmony with me. The seven or eight years you've been together are actually quite memorable, don't you?”

“Of course!”

“You think I'm very good, right?”

“In my heart, you are irreplaceable. Yes, Ah Shan, only after I left you did I realize that there is no woman in this world who treats me like you are.”

Dalia suddenly took the initiative to cover his lips.

Elden, who was driving in front, couldn't help but turn his face away.

In fact, both Elden and Kraig knew why Dalia came back.

Elden couldn't help but sighed in his heart: “Mrs. really cares about love and righteousness. In order to save her old mother, there are many people who are determined to return to the Lord's side without hesitation. Moreover, she can become so proactive. And unrestrained.”

“Ashan, your body is not suitable now, let alone look...” Kraig looked outside the car as if nothing had happened.

and the driver in front.

“So many people are watching us, and when we get home, there will be time.” Kraig said in a teasing tone.

Dalia didn't seem to hear it, she only said: “Jing Yu, Jing Yu, I... I love you.”

Kraig: “I know.”

“Jing Yu, you... ..Can you save my mother?” She finally made up her mind about her ultimate goal.

Kraig: “Okay, what happened to your mother? But it doesn't matter, no matter what happens to her, I will save her. I will save her!” She

knew that this was a bureau set up by herself.

She knew that her mother was not in any danger now, and he had arranged for him to get into a nanny car and drive all the way back to Kyoto.

She knew that Dalia suddenly turned to look for him because she wanted to save her mother.

But at this moment, Kraig still couldn't help but smile bitterly in his heart.

and her seven or eight years of relationship.

She was still pregnant with his child.

He looked for her for four or five months, day and night.

In the end, in fact, he is not as high as an old lady in her heart.

Then what can be done?

The moment you drive her away effortlessly, you should understand that if you chase her back, you will have to pay a thousand times the price.

Moreover, it is not necessarily the same as before.

However, Kraig still feels that this is very fortunate.

Good luck!

“Thank you Jingyu, thank you!” Dalia burst into tears with excitement.

She hugged him tightly, her pale face rubbing against his chest.

As long as he promises, mother will be saved.

“Tell me, what happened?”

“I just received a call. When my mother was throwing herself into the sea, she seemed to touch something. The defense was high-tech, and she seemed to be compensated...”

“We will pay, no matter how much it is, 1 billion, 10 billion, we will pay.”

“Thank you Jingyu, thank you!” Dalia cried.

“Okay, stop crying, we’ll go save your mother now.” Kraig said gently.

“Yeah.”

Kraig made a phone call to make arrangements.

The people below are all arranged by him in advance, and they naturally know what to do.

After arranging all this, Kraig looked out of the car window at the stunned people.

“Rob!”

Kraig suddenly shouted, and before Rob could answer, he said in a low voice, “What’s the name of your new woman?”
