## Chapter 1622

Arron put one arm around Suzi, and Suzi greeted Dalia with a smile on his face: “Hi, Sister Shan, Mr. Jun, it’s such a coincidence that we came for the check-up at the same time?”

Dalia also had a smile on her face: “I just finished the maternity checkup, look at Jing Yu, nagging endlessly, I have been with him for seven or eight years, I have never seen him become so nagging, Jing Yu, you should learn from you My good brother, Mr. Fu.”

Standing in the middle, the pregnant woman who was envious of Dalia just now: “...”

Is she about to win the lottery today?

On the opposite side stood a sweet and handsome pregnant couple.

As a result, when he turned around, he found that there was a sweeter and more handsome pregnant couple standing behind him.

Moreover, the two couples also know each other.

The pregnant woman stared at Dalia and Jun Jingyu.

Look back at Suzi and Arron again.

After a few seconds, she reacted and said to her husband, "Come on, let's buy a lottery ticket and go to my husband. I think I will definitely be a lieutenant general today."

A pregnant woman with a big belly walked out with her husband.

This will make a woman with a big belly more energetic than her husband.

The husband was pulled by the woman and followed suit.

"I said you big-bellied woman, why do you think it's the first time? Why do you have to buy a lottery ticket just after the maternity checkup? You didn't bother me just now that your feet are swollen, and you want to get on the bus quickly. Are you resting?"

The pregnant woman said to her husband as she walked, "I don't have any pain in my feet now, and it doesn't matter if my feet are swollen. I can bear it. I just want to buy lottery tickets, ten tickets at a time, no, one hundred tickets."

Man: "You're crazy! Time is running out!"

The woman with a big belly still pulls her husband coquettishly: "Husband, you are right, we have to buy lottery tickets today, because I am very lucky today."

"You... picked up the money, why didn't I see it." The husband asked angrily.

The pregnant woman was probably annoyed by her husband's questioning, so she said impatiently: "Hi! My luck today is better than picking up money. I just asked the doctor what to eat to make the baby look beautiful. ? Guess what the doctor said to me?"

"The doctor said that if I want to see more happy things and more beautiful things, it is best to see paintings of super big and beautiful stars every day, so that my children will be born beautiful."

"Although I didn't see a big star today."

"But I have seen two couples who are more handsome than celebrities."

“Two pairs of four people, the looks are all first-class and first-class.”

“The most important thing is that the two couples here are very sweet, the man is super nice to the woman.”

“More importantly, one of these two couples is in front of me, the other is behind me, and I am between them...”

“Husband, how good do you think I am in the cloud?”

The pregnant woman’s husband is angry and funny: “Co-authored, you just saw two beautiful pregnant women and their mighty and domineering husbands!”

“That’s right!”

“Does this have anything to do with you buying lottery tickets?”

Pregnant woman: “...”

Behind them, Suzi, Arron, Dalia and Jun Jingyu laughed together and couldn’t close their lips.

Especially when Jun Jingyu saw Arron laughing, he suddenly said with emotion: “Shaoqin, you didn’t like to laugh in the past. I have been brothers with you for so many years, I rarely see you laugh.”

“You’ve really changed a lot now.”

Arron raised his hand and beat Jun Jingyu: “You will know when you become a father, there will be 100,000 little beasts around you to ask you why, there will be all kinds of strange ideas to discuss with you, and hope all day long. You stay with her.”

“At that time, all the hostility in you will be smoothed out by a little thing involuntarily.”

Jun Jingyu said with great interest, “It’s amazing! I can’t wait. In three months, I can be a father.”

Seeing Jun Jingyu so happy, Suzi asked, “How is the result of the obstetric examination?”

Speaking of the obstetric examination, Dalia smiled incredulously: “I really didn’t expect that my child, who has suffered so much with me, is still growing so well.”

## Chapter 1623

“Do you know why I’m so thin and pale?” Dalia asked.

Suzi was puzzled: “What’s wrong, Sister Shan?”

Dalia pointed to her stomach: “This little thing has only been overweight for six months now. Although my nutritional intake is not good, this little thing is very self-regulating in my stomach, and it absorbs all my nutrition. gone.”

“Little guy! It’s very sturdy.”

Suzi smiled: “Look at Sister Shan, life is like this.”

“Any life in this world is actually strong, and it is not easy to be destroyed.”

“It’s the same with the baby in your womb. Look how active he is to survive.”

“Yes.” Dalia said comfortably.

Suzi looked at Suzi’s pale face: “Sister Shan, you should make up for your body. You are too thin and you will not be able to give birth at that time. Once my prenatal check-up is over, I will take you to my mother’s place.”

“Let her do it for you.”

“Sister Shan, you haven’t met my mother, have you? My mother’s cooking skills are very good, and my mother also planted a vegetable garden. I’ll take you to eat my mother’s cooking in a while, and there will be several more by then. Friends, it’s fun when we get together.”

Dalia readily agreed.

She and Jun Jingyu were sitting in the corridor outside the obstetrics and gynecology department, waiting for Suzi and Arron.

After more than an hour, they completed the prenatal examination.

Compared with Dalia's stable tire, Suzi's is much worse.

She has always had signs of miscarriage. Even though she is four months pregnant now, the doctor's tone is still not optimistic.

When he came out, Arron looked worried.

Suzi has a more open expression than Arron: "It's okay Shaoqin."

After all, she was in exile for six years.

She is different from Dalia.

In fact, Dalia was only framed by Qiu Cunxin in the last half month, which made her life even more chaotic.

But Suzi was different.

From the moment she fled, she has shouldered the heavy responsibility of protecting her children and her brother Xu Zeyan.

She was on the run during her pregnancy and had to take care of Xu Zeyan.

Often eat the first meal but not the next meal.

Even after giving birth just later, she didn't even do confinement, so she did the physical work that men were unwilling to do.

For six years, in order to take care of her family, her children, and her brother Xu Zeyan, she has always been up early and late at night, and has been working very hard.

So much so that in just a few short years, the body has suffered a huge loss.

If you want to make up for it, it will be difficult for a while.

Thinking of Suzi's body becoming like this, Arron felt like he had blown his head off.

Suzi in turn persuaded Arron: “Shaoqin, I have never failed what Suzi wants to insist on. I just want the child in my belly, and the child in my belly will be fine!”

Arron was very moved.

But he didn't say anything, he was even less good at expressing than Jun Jingyu.

He only hugged his wife gently and said, “Go, go to my mother's place to eat.”

Suzi nodded: “Well.”

This morning, four people and two cars drove all the way to Alyce's idyllic farmyard.

As soon as the four of them entered the door, when Dalia saw Alyce, she was stunned: “Yes...is it you?”

### Chapter 1624

When she saw Dalia, Alyce was also stunned.

Then she came to Dalia and held her hand: “Look, how fateful we are. I didn't expect you, my benefactor, to be my daughter's friend.”

Dalia also burst into tears: "Auntie, so you are Suzi's mother? Why didn't you tell me earlier?"

Alyce laughed and said silly boy, I didn't know you and Xiangxiang were good friends at that time? "

"Maybe you and Xiangxiang didn't know each other at that time."

"Mom, you and Sister Shan...what's the situation?" Suzi was stunned.

Alyce smiled and said, "When I just escaped from Lin Zhijiang, I ran to the foot of a mountain and passed out of hunger. It was Ah Shan who saved my mother."

Suzi was immediately excited: "Thank you, Sister Shan."

Dalia said apologetically, "I originally wanted to keep your mother as a domestic helper, and I asked her for a long time where her home is and if there is anyone else in her hometown. I wanted to take her to get a health certificate, but your mother took advantage of me not to notice. , go by yourself."

"Auntie, I've been looking for you for many days."

Alyce smiled apologetically: "I didn't know whether my daughter was alive or dead at that time, and I just escaped from the Lin family. I only often heard from the domestic servants of the Lin family that their daughter Lin Xiyue was going to marry the richest man in Nancheng. I am afraid that the Lin family will cover the sky with one hand, so I dare not show my face."

"I can only hide around and look forward to seeing my daughter come back one day."

"Mom..." Suzi choked and was speechless.

Alyce smiled gently: "It's all over, don't you think it's very good now? Mom is very happy."

"And a lot of friends like you came to accompany mom. Mom is satisfied. Come in quickly. You two are both pregnant with children. Come in and rest."

Everyone else in the room came earlier than Suzi, Dalia and the others, and Dalia knew them.

But there was still an unfamiliar face.

The man had a gentle smile on his face, and he was no stranger to Dalia: "Sister Shan, you are finally back."

Dalia: "...you are?"

Before waiting for the man to answer, Shen Weiyi ran into the man's arms and proudly introduced to Dalia: "Aunt Shanshan, this is my uncle."

Dalia immediately understood that the man in front of him was called Xu Zeyan.

He and Suzi are not really siblings.

But more affectionate than siblings.

Especially in Alyce, Xu Zeyan is more like a master.

Although Alyce shouted, "Auntie." But he was doing things, as if she was Alyce's son.

Seeing Xu Zeyan hurriedly greeting the guests, Alyce felt a lot easier. She pulled Dalia to sit in front of her and said gently, "Child, you are suffering."

Dalia shook her head: "Auntie, what is it that is more difficult than me with you, I heard Suzi say something about you."

Alyce sighed: "In this world, most people can't get what they want."

"I always wanted father's love when I was a child, but my father would rather give father's love to someone who is not related by blood and not give it to me, because he felt that I was his shame."

"Later I went through decades of hardships, I became old, and I no longer needed the care of my father's love, but he came to recognize me."

“Because he is old and needs the joy of Zilun. You can see that he also wants something.”

“And Xiangxiang, who didn’t even want new clothes since he was a child, was bullied, beaten, and abused by his biological father when he grew up.”

“And Ze Yan, he is obviously a son of an aristocratic family, a child who shouts a golden spoon, but he and Suzi suffer together in the world and can’t stand up for five or six years.”

## Chapter 1625

“I’m talking about the people around you, child.”

“We’re all holding on, so you see, it’s much better now.”

“Zeyan’s legs can walk normally. I also found my daughter. Although my father and I are not very good now, I don’t hate him so much anymore.”

“Everything will be fine, boy.”

Dalia nodded: “Auntie, I understand, I know.”

“I will be strong, I will be positive, I will protect the child in my belly, I will fight for my marriage, and I will fight for all my rights.” After speaking, Dalia looked back at Jun Jingyu.

She said in a relaxed tone: “If she dares to bully me in the future, I will not spare him lightly, I will take all his property as my own, if he is a little careless to me, I will Get him out of the house!”

“Jun Jingyu, listen to me! I have many people supporting me now!”

“I have my mother, Aunt Shu, and Shen Xiangrong and Yanyan to support me!”

“Me, me, me! And me! And my uncle, as well as my aunt Rayna, and my aunt Galia, all support you.” Shen Weiyi said immediately.

Jun Jingyu smiled immediately: “Look at how many people support you, even the little one Shen Wei is with you now. She used to be

Uncle Jun, and Uncle Jun called me short, Ah Shan, are you still One less thing to say to support you!”

Dalia was startled: “Also, who else?”

“The child in your stomach.” Jun Jingyu said.

Dalia’s little face suddenly turned red.

However, there was a happy smile on her face at this moment.

As Aunt Shu said, most people in this world can’t get what they want.

It seems that people are born with suffering, but fortunately, her children are still there, and her mother is still there.

It’s just that Brother Han Zhenshan is gone.

She will live well in the future, for her mother, for her children, for her dead brother, and for those who care about her.

Her face gradually had a very strong and very calm look.

Seeing Dalia getting better, Suzi’s heart was also relieved.

After a meal, my mother took a moment to chat with Suzi alone.

“Xiangxiang, your brother is so old, and you are still single, so don’t worry about it.” Alyce said.

Suzi: “Then... what can we do?”

Alyce sighed and said, “It’s because of you that you’ve delayed these six or seven years. You have to think about him from time to time. If there is a suitable girl, introduce him to one.”

“You see that Chu Tianling has a little girlfriend, A Zhen has Galia, Jun Ruian has Rong Rong, can’t you find one for Ze Yan?”

Suzi smiled helplessly: “Mom, I’m not a matchmaker.”

She was standing in the kitchen doing dishes with her mother, looking out from the kitchen to see the whole living room.

She looked at Xu Zeyan in the living room and sighed: “My brother is now in charge of the entire Xu Group, and he can be counted among the people in Nancheng. In his company, if he wants to find a girlfriend, he can draw hundreds of them. .But he didn’t like it.”

Alyce also sighed: “I’m afraid that in his heart, he will never let you go. People have almost lost both legs to you. It’s too unfair to let him rest on you for the rest of his life.”

Suzi nodded: “Well.”

When she was thinking about where to introduce her girlfriend to Xu Zeyan, Suzi’s cell phone rang. She glanced at the cell phone number, which was strange, so she picked it up and connected: “Hello, who is it?”

“It’s me, do you remember me?” There was an extremely cold voice over there.

### **Chapter 1626**

Suzi: “Who are you?”

The voice on the phone was really terrifying.

It was shrill and hoarse, and Suzi couldn’t even tell whether the other party’s voice was male or female.

“Hey hey hey.” The voice was like a devil, with a terrific smile: “You don’t remember me, I am your dream, your nightmare!”

“Maybe I’ll get into your dreams tonight and torture you to death!”

Suzi rolled his eyes: “Qiu Cunxin! Are you crazy! Do you think I’m a three-year-old child?”

At that end, it really was Qiu Cunxin: “You’re crazy, you bastard! Bitch! If it wasn’t for you taking a few women to my fiancé’s house and beating me up, I wouldn’t have ended up like this! “

“If it wasn’t for your support for Dalia, Dalia might have died long ago!”

“Suzi! I will definitely get into your dreams and torture you!”

Suzi: “You are wrong, Qiu Cunxin! Between you and Dalia, no matter whether there is interference from our external force, you are doomed to lose.”

“You may never know why!”

“I’ll tell you!”

“Between you and Jun Jingyu, there are only good memories of your first love, and this goodness has been smoothed out by Jingyu’s long waiting time.

His patience and tolerance for you will be exhausted sooner or later.

Because he is a man of flesh and blood, with the warmth and affection that someone should have. “

“When he was injured, when he was drunk, when he had a cold and fever, Sister Shan was by his side.”

“His stomach is not good. Sister Shan went to the countryside to buy organic soybeans so that he could drink a bowl of bean noodle porridge that nourishes his stomach, and picked the best soybeans one by one.”

“Excuse me, what have you done for Mr. Jun?”

“What else did you do in Mr. Jun’s place besides asking for it?”

“You didn’t do anything!”

“You and Mr. Jun have no common years at all. Do you know how important years are to one?”

“It’s as important as life!”

“Sister Shan has been with Mr. Jun for eight years! She has been with him not long after you left Mr. Jun. At that time, it was also when he was in the most pain. Sister Shan healed his wounds! “

“How many eight years in life?”

“Qiu Cunxin, you lost to yourself. You did it yourself! How can you blame others?”

“I tell you very clearly, I have never helped Sister Shan about Mr. Jun’s search for Sister Shan, because Sister Shan didn’t want to implicate us! Because I was too busy with my own affairs at the time!”

“So you can’t blame anyone!”

Qiu Cunxin suddenly burst into tears on the other end of the phone, crying hoarsely and miserably: “Blame me? Blame me? It’s all my fault? Is it because I’m too self-willed, because I’m too confident, everything is my fault?”

Suzi: “...”

Hearing Qiu Cun’s heart-wrenching tone, she didn’t know what to say.

However, Suzi didn’t have any good impression on Qiu Cunxin.

Then a woman who is dead, dead, whether she is dead or alive, she should bear how miserable she is.

It has nothing to do with myself.

When Suzi was about to hang up the phone, Qiu Cun Xin suddenly said in a cold and vicious tone: “Why, why are you so lucky! Why do all men like you! Why do all men like you! You have obviously given

birth to children! Now, what exactly does he like about you! Aren't you a b!tch!"

Suzi: "Inexplicable, crazy!"

You must hang up the phone immediately.

She didn't know who Dalia was talking about.

Is that Jun Jingyu?

how is this possible!

Jing Yu only likes Sister Shan, everyone can see that.

What a neurotic woman.

Suzi turned off his phone and continued to wash dishes.

"Who called?" asked the mother.

## **Chapter 1627**

"Qiu Cunxin!" Suzi replied.

After a pause, she added: "It's the woman who robbed the man from Sister Shan. She's so stupid! Blame someone else!"

"That woman is stupid enough. In this life, she will never snatch A Shan's man again. Suzi Suzi, since A Shan is back, don't worry about it any more. Now you are mainly worrying about your brother. He also If you are in your early thirties, you have to find a woman to start a family."

Suzi nodded: "I see, Mom."

She joked: "Mom, you feel more sorry for my brother now than you do for me."

The mother smiled and said: "Yes, that is a poor child, he also knows that he loves his mother, it is no different from his own son, the mother thinks that there is another child, and the children have both children, so Xiangxiang, must find a good one for your brother. Yes, get

married and have children as soon as possible, so that I will have a few more children and grandchildren.”

“Follow your orders! Your Majesty!” Suzi said coquettishly.

The task that her mother gave her was naturally done by her heart.

This afternoon, after leaving his mother’s house and saying goodbye to everyone, Suzi, who was sitting in the car, said to Arron, “Shaoqin, does your company have any good-looking beauties?”

The driver driving in front: “...”

He put a big question mark in his heart: why?

Even Shen Yi, who was sitting between his parents, looked up at his mother in confusion: “Old mother, do you have a fever today?”

With that said, Shen Weiyi raised his little hand and touched his mother’s forehead, then wiped his own forehead: “Don’t burn it?”

“Mom, why do you ask if there are any good-looking beauties in Dad’s company?”

After asking, Shen Weiyi looked at his mother.

She Niang looked at Shen Weiyi, and looked at Christopher who was stunned.

He looked at his man again.

The man was silent.

Right now, he has something on his mind.

He has been connected to three calls from overseas in the past two days.

The voice is a voice changer, and each speech is very brief.

Three words each time: “Why!”

Arron was guessing, who could it be?

And today, just over an hour ago, when he was chatting with Jing Yu in the living room of his mother-in-law's house, Arron received this call again.

Another three words: "Why!"

In that voice, it seems that love and hate are intertwined!

So at this moment, Arron has been thinking, who is this person?

Seeing Suzi looking at him, Arron asked, "What did you say?"

"I'm asking you, does the Fu Group look good-looking, beautiful and elegant, and also a senior executive. A beautiful woman must be a beautiful woman, at least you must be eye-catching." Suzi said very seriously arrive.

Arron: "..."

After a long while, he swallowed his throat and said incredulously: "Suzi, what do you... mean?"

"You won't be pregnant and mentally handicapped. You are afraid that women outside will find me, so you have to..."

Arron said half of what he said and didn't say any more.

He has never been interested in beauty.

In the six years without Suzi, he has always been abstinent.

He never takes a second look at beautiful women, okay?

Isn't she pregnant?

A woman's desire to survive is so strong, because she is pregnant and can't do anything with her husband, how could she think of such a self-destructive trick?

"What do you think!" The man blamed the woman.

The woman suddenly understood that the man, the driver in front, and her own daughter had misinterpreted her meaning.

“I mean! Does your company have any good and beautiful women who introduced me to be sisters-in-law!” Suzi said viciously.

Arron: “You want me to be... a male matchmaker?”

### **Chapter 1628**

Suzi + Shen Weiwei: “...”

After a long while, Suzi reacted: “Christopher!”

“Uncle Yan!”

Christopher said aggrievedly: “Madam, little princess, you agreed not to hit me.”

“Besides, don’t you also hope that Master Zeyan can get married as soon as possible. There is a woman who loves him, and then he has his own child. Master Zeyan is really suffering.” Yan Kuanshu said the truth.

Not only did he feel that Master Ze Yan was too bitter.

Even the fourth master felt the same way, or else the fourth master would not spend a huge amount of money to heal Zeyan’s young

master's leg, and even took all his efforts to take back the family company of Zeyan's young master.

You must know that Master Zeyan is the rival of the fourth master!

Don't say that Fourth Master and him sympathize with Young Master Ze Yan.

Even Galia felt sorry for Xu Zeyan.

"Madam, in fact, both Galia and Young Master Ming Zhen have already introduced their girlfriends to Young Master Ze Yan, but you have been trying to protect your baby for a while now, so I don't know if you don't go to work in the company."

Having said that, Christopher suddenly sighed: "Eh..."

Suzi couldn't help but ask, "What's wrong?"

Christopher paused before saying, "Galia has introduced a few to Master Zeyan, but it's a pity that Master Zeyan, he doesn't seem to be interested in girlfriends."

"He..." Christopher hesitated.

Suzi couldn't help worrying: "Christopher, did you notice that my brother...is there a problem with his sexual orientation?"

Arron couldn't help but worry.

Although he hates that kid!

Eat that kid's vinegar too.

However, he still felt sorry for this relative.

Arron looked at Christopher worriedly.

Christopher suddenly said "Hi", then smiled: "No, it's not what you think! But...I don't know if there is any problem with Master Zeyan's sexual orientation, not only is he not interested in girlfriends, I haven't seen him interested in men either."

“Then what are you trying to say!” Suzi was anxious.

## Chapter 1629

Christopher immediately said: “Because Galia honestly introduced a girlfriend to Master Zeyan these days, I contacted Master Zeyan a little more. I found that besides working in the company, the place where Master Zeyan went the most was actually the shelter. .”

“Asylum?” Suzi was puzzled.

“Well, it’s the kind of shelter that specializes in sheltering homeless people. There are men, women and children in it. Master Ze Yan spends most of his spare time on taking care of the homeless in the shelter.”

“Almost every other day, he calls himself to deliver meals, clothes and the like.”

“And he will spend a lot of time helping them find families, and sometimes he will follow up to see if those homeless people are well taken care of after they return to their families.”

“Once, I personally saw him do mouth-to-mouth artificial respiration for a 60-year-old aunt... The aunt was dirty and smelly.”

Suzi: “...”

Arron: “...”

Shen Yiyi’s eyes suddenly turned red, and after a while, she burst into tears: “My uncle... woo woo, my uncle he... we used to be in Quxian. At that time, my mother was also working as a brick mover on the construction site, and when she came home, she was covered in mud, and my mother’s jeans were full of holes.”

“My uncle must be helping the homeless because he feels sorry for my mother.”

Arron couldn’t help but sigh: “I didn’t expect that stinky boy to have such feelings!”

Suzi rested his head on Arron's shoulder: "My brother, he is the best person in the world. We must help him build a family. Shaoqin, you have to take this as a matter and introduce him to my brother. A good woman who is cold and warm, and considerate. Did you hear me!"

Arron nodded and said deeply: "Well."

Although he has a lot of time, although he is often harassed by an overseas phone call in the past two days, Arron still allocates some time to observe the women in the poor company.

He really is like a male matchmaker, watching them secretly.

Half a month later, he really liked one.

He called Xu Zeyan himself: "Stinky boy! I introduced you to a girlfriend. You come out today to have dinner with the girl and watch a movie."

Xu Zeyan: "Fourth brother, you...what did you say?"

### Chapter 1630

Xu Zeyan couldn't believe his ears.

Fourth brother Fu actually introduced him a girlfriend?

Even if he was worried about his personal problems, shouldn't it be Mama Shu, or Suzi, by the way, and Ming Zhen's girlfriend Galia, and a little Rayna!

how.....

It was the fourth brother's turn.

"Fourth brother...you are...the only one who is being forced by Suzi, what is it like being forced by them two? It used to be said that your wife is strictly controlled, you are afraid of being inward, and you are a wife slave, I still don't believe it. , I now... Fourth brother, I have to believe it now."

Now Xu Zeyan is not afraid of Arron at all.

Six years ago, he was unfamiliar with Arron and did not dare to get close to Arron.

Most of Xu Zeyan's knowledge of Arron came from Chu Tianling.

Chu Tianling said that Arron murdered like numbness.

Said he was cold-blooded and bloodthirsty.

Said that he was ruthless and ruthless, and together with a few brothers of the same mother, he showed no mercy at all.

At that time, how afraid of Xu Zeyan was this earthly king?

He remembered that if he followed Chu Tianling and suddenly encountered Arron, he would be frightened with weak legs.

Later, he will call himself a very useless person.

Later, it was Suzi who made him a brave and responsible man.

He became no longer afraid of Arron.

However, the fear in my heart still exists.

It's different now.

Now, he understands Arron, he sees the fatherly side of Arron, and knows that Arron has suffered like that, and he finds that Arron is actually very righteous in his bones.

Especially after Arron helped him regain the Xu Group.

Xu Zeyan even felt that Arron was not scary at all.

Now Xu Zeyan not only kisses Suzi and Shen Wei, but he also kisses Arron involuntarily. He even thinks he is more kissable than Arron than Chu Tianling.

So, at this moment, he understood very well Arron, a very manly man. If someone hadn't forced him from behind, how could he have taken on the errand of introducing him to his girlfriend?

Xu Zeyan couldn't help laughing: "Haha, fourth brother... Would you introduce me to a girlfriend? What does this girl look like? Is she beautiful?"

Arron said angrily: "Don't talk nonsense! Don't make girls wait!"

Xu Zeyan immediately responded: "As per your order! Fourth brother!"

To be honest, he really had no idea about introducing his girlfriend to start a family of his own.

He even thought about not getting married in this life.

He even distributed his future property.

That is half of his sister, and the other half is Shen Weiyi.

If Shen Wei has a younger brother and sister, then Shen Wei's younger brothers and sisters will be divided equally.

However, because of the girlfriend introduced to him by fourth brother Fu, Xu Zeyan had to bite the bullet and go on a blind date.

Blind date!

It was so unfamiliar to him and a little embarrassed.

To say that in the early years, when he was four or five years old, he and Chu Tianling mixed together, and they really played.

It's just not as crazy as Chu Tianling played.

Now, let alone play, he is also very distressed when he sees the homeless women in the shelter.

Because it would remind him of the years he and Suzi were living abroad, and that's how they suffered.

Because Suzi made him a person full of compassion.

So now Xu Zeyan has only one respect for women, whether old or young, beautiful or ugly.

## Chapter 1631

A love.

As for other ideas, really no.

With this idea in mind, Xu Zeyan went to meet a girl he didn't know.

Only after meeting did he know that the girl was only twenty-two years old this year.

The girl is very watery and graceful.

She also took the initiative to Xu Zeyan: "Hello, Brother Xu, I have known you for a long time."

Xu Zeyan was surprised: "Ah? You... know me?"

The girl smiled and said, "Yes, you often come to the Fu Group, and sometimes you bring Mr. Fu's little princess with you. We all feel your patience with the little princess and the way the little princess calls your uncle. It's very warm, and everyone in the company likes you very much."

"I'm honored to meet you."

Xu Zeyan: "..."

He was caught off guard.

After connecting to the bathroom, he called Arron: "Fourth brother, what's the situation, this girl is much younger than me, she is only twenty-two years old, and I am thirty-two! Fourth brother! I am her father. Also, does she know me?"

Arron is really like a male matchmaker, and he introduces everything in detail: "The girl's name is Chu Tiantian. She graduated from college one year ago. Before she graduated from college, she was an intern in the Fu Group. It is a very duty, very A serious girl who can bear hardships very little, she works hard in the company and has a very good character! The most important thing is that she has a clean family background, does not worship money, and has no princess disease."

"But she's ten years younger than me!"

"It's nothing to be ten years younger! Have a good relationship!" Arron simply gave a death order.

Xu Zeyan: "I'm your brother-in-law!"

"You called me fourth brother ten years ago! It's now!"

Xu Zeyan: "..."

"I can't control you anymore! Fall in love with me!"

Xu Zeyan: "..."

He came out of the bathroom disheartened, and in front of Chu Tiantian, he had to change back into his clothes with a faint smile.

"What do you want to eat, you order." Xu Zeyan asked very gentlemanly.

In the end is the son of the family.

Now, because he is in charge of the entire Xu Group, his posture and style are still very attractive to girls.

Chu Tiantian can't say that she fell in love with him at first sight. In fact, she started to have a crush on this loving and righteous man very early.

Hearing Xu Zeyan say this, Chu Tiantian blushed suddenly.

She lowered her head and said in a very gentle voice, "Mr. Xu, I'll just do whatever I want."

Xu Zeyan was a man in his thirties who knew a girl's psychology very well. He immediately said gently, "Then let me order you some desserts that girls of your age like to eat?"

"Well, fine."

When Xu Zeyan was about to wave to the waiter, his cell phone rang.

He thought it was Arron who was calling to urge him to treat the girl properly, but when he opened it, he saw that it was not Arron's call, and he immediately connected: "Hello, who is it?"

An anxious voice came from the other end: "Mr. Xu, can I trouble you... There is a problem in our courtyard, there is... a woman who is a little mentally ill, she... ..she said she wanted to see you, she said only you can help her."

Xu Zeyan: "..."

She looked at Chu Tiantian in embarrassment.

Chu Tiantian immediately said with understanding: "I heard Mr. Fu say, you... often pay attention to the affairs of the Dazayuan. Is there any problem over there that needs to be solved by you? We won't eat for now. Now, I will go to the large courtyard with you, maybe I can help."

"Okay." Xu Zeyan suddenly had a certain favorable impression of the girl in front of him.

A little warm in my heart.

When driving all the way to the large courtyard, he couldn't help but look at the girl a few more times.

The girl is just a little younger, nothing else is wrong with her.

The car quickly arrived at the courtyard, and before entering the door, Zu Zeyan heard a woman crying loudly in the courtyard: "I beg you, let me see Mr. Xu, please?"
