## Chapter 1652

The only woman Shen pointed to was squatting on the ground in a corner. Her clothes were outdated and her hair was messy. When she looked closely, she even had some white hair. The woman was skinny and looked at least forty years old. The desolate kind.

Should be... a street sweeper?

But she didn't wear work clothes, she didn't take cleaning tools, she just squatted there and didn't know what she was doing.

At first glance, she looks like a homeless woman.

Xu Zeyan never discriminates against the down and out of the homeless.

Because once, when he and Suzi wandered with the only three people, they were no different from beggars, and they had lived the worst life.

Therefore, Xu Zeyan has always had only sympathy for such people, not contempt.

But even so, he can't marry back as a wife, right?

When Xu Zeyan was in Nancheng, he was considered a son of an aristocratic family. In terms of body, height and appearance, he was not bad at all.

Even if he is a little older now, at thirty-two, he should not be an old man, right?

He wants to have a serious relationship, is it wrong to find a beautiful little girl?

Why was Shen Weiyi assigned him such a girlfriend?

Xu Zeyan couldn't help laughing and crying!

He was so angry that he really wanted to beat Shen Weiyi down:  
"Shen's surname! Am I so bad? You gave me such a girlfriend! Do I have a grudge with you!"

Shen Weiyi tilted his head and looked at his uncle: "Why don't you like her, uncle?"

"Of course! I don't like it very much!"

"But I like it." Shen Weiyi said.

Xu Zeyan: "..."

I really want to say to her very rudely: "You like it, why didn't you find your dad as a girlfriend?" But after thinking about it carefully, the relationship between the characters is not right.

Her father is his brother-in-law.

Xu Zeyan was confused!

"Uncle Zeyan, look, how pitiful this auntie is. The way she squatted there reminded me of my mother." Shen Weiyi said very real.

"I used to be very young, always the size of a pug, and I saw my mom wear rubber boots to work every day."

"At that time, my mother didn't have makeup. In the summer, my mother's face was all red and red, and then the skin was broken."

“My mother works on the construction site during the day, and after dinner at night, she wears leather jackets, leather pants, and rubber boots to help people dig up manure. She can make a lot of money from excrement, which is more than when she moved bricks during the day.”

“Mom was very happy every day in those days.”

“She was able to get a lot of money back and bought beautiful clothes for the only one so that he could go to kindergarten.”

“The rest of the money was used to buy sea water for my uncle, collagen for my uncle’s body, and a lot of medicine for my uncle. At that time, uncle, you had to take medicine every day.”

“After buying all these, my mother saved a lot of money, and she took the money to buy an electric wheelchair for my uncle.”

“Uncle, the mother at that time was very similar to this aunt.”

“My uncle likes my mother so much, I thought my uncle would also like such an aunt...”

Hearing Shen Weiyl’s words, Xu Zeyan’s eyes suddenly turned red.

He never understood why the little thing didn’t like him looking for Chu Tiantian.

I don’t even understand why this little thing found him such a girlfriend.

He thought it was Xiaodong’s prank, and found him

Such an ugly and old woman.

In the end, he was an adult, thinking too dirty.

A child’s heart is always pure and innocent.

Shen’s only thought is also the most real.

My uncle likes my mother, and the little girl always remembers it.

When my uncle and mother lived with the only one, the family of three was very poor, but they were very happy and happy.

## Chapter 1653

They lived together for six years.

In fact, the little girl has always remembered and cared about it all the time. She lives with her mother and father, and only her uncle is left. In her heart, she always wanted to find a home for her uncle like before.

A small person, with a pure heart, just thinks that such a home can make his uncle feel happy and happy.

It was him, Xu Zeyan, who was filthy.

It's that he doesn't understand what the kid is thinking at all.

Xu Zeyan squatted down and held Shen Weiyi in his arms: "It's my uncle who is wrong baby, my uncle is wrong, my uncle doesn't understand Weiwei too much, and the only one is the best child in the world, with the brightest mind and the best way to think about uncle, right?"

Shen Weiwei wandered around his sly little eyes, raised his finger and pointed at Xu Zeyan: "Uncle, you're finally enlightened. Now you know the only girlfriend you can find for you?"

Xu Zeyan nodded, and said incredulously, "Okay, good, very good."

Good is good.

But at this age, is it too old?

Your uncle is only thirty-two anyway!

But this aunt, got more than four, right?

Are you sure that your uncle deserves to be unlucky to find an aunt to be his daughter-in-law in this life?

Of course, Xu Zeyan didn't ask Shen Weiyi like that.

He just kept obeying Shen Weiyi.

Shen Weiyi became more and more happy, she pulled Xu Zeyan: “Uncle, let’s go meet your girlfriend, uncle, don’t look at her clothes so ugly, uncle, you bought her beautiful clothes and cosmetics, just like me Dad treats my mom like that, and I think she’ll be as beautiful as my mom.”

Xu Zeyan: “...”

Did the little thing even think about this order for her?

She really deserves to be his niece of Xu Zeyan!

Seeing that Shen Weiyi was eager to take him to greet the woman, Xu Zeyan didn’t ask: “Wait, Weiyi, my uncle has something to ask you, you... how do you know this auntie? of?”

At this moment, Xu Zeyan seriously doubted whether this old woman not far away would be waiting here for a date with Shen Wei at the invitation of Shen Wei?

Unexpectedly, Shen Weiyi said, “I don’t know her.”

Xu Zeyan: “...”

He almost choked to death on the air he just inhaled!

“Who told me when he was upstairs that he wanted to introduce a girlfriend to me? Who pulled me out! Who pointed to this woman and told me that it was my girlfriend!” Xu Zeyan wanted to beat Shen Weiyi again .

Only then did Shen Weiyi sigh: “Hey! Xu Zeyan! Can you not be angry first! I don’t know her, I just went to dinner when you stayed at Chu Tiantian, and Uncle Christopher happened to drive me here. I The woman I saw from the car.”

“The first time I saw this woman, I fell in love with her.” Shen Weiyi said solemnly.

“It’s love at first sight, isn’t it?”

“Yes!”

Xu Zeyan: “...”

Life, this life! The most awkward thing that Xu Zeyan encountered was the girlfriend that his six-year-old niece imposed on him.

Co-author, she doesn't even know herself!

Just wanted to introduce it to your uncle?

Ok!

As expected of a niece!

I really know it hurts my uncle.

Xu Zeyan looked at Shen Weiyi with a big ‘fu’ written on his face.

Shen Weiyi urged him: “Come on, uncle, you have to take the initiative to greet people, you are a boy, uncle!”

Shen Weiyi pushed, pulled, pulled, and dragged, and actually dragged Xu Zeyan to the woman.

When the woman saw Xu Zeyan coming, she immediately glared at Xu Zeyan: “Sir, you are already quite old, how can you be an old cow eating tender grass!”

Xu Zeyan: “What... what did you say?”

## Chapter 1654

The woman scolded Xu Zeyan with a sullen face: "Say you are an old cow eating young grass! You are in your thirties no matter how old you are! You are cheating, you know!"

Xu Zeyan: "You... what did you say, do we know each other?"

At this moment, he could see the woman's appearance clearly.

Although the woman has white hair and looks not too young, the woman's facial features are correct, and the woman's eyebrows have a deep vertical line.

Like, there are a lot of sad things.

A woman looks like a homeless woman from a distance, but it doesn't look sloppy when she looks up close.

Instead, she was clean and tidy.

It's just that her clothes were washed white everywhere, and there were still broken places on the sides of the top and the cuffs.

Such a woman doesn't look like a rambunctious woman.

Rather like... a princess in distress.

"Auntie, I...I like you very much, can you not be so fierce?" Shen Weiwei was so frightened that he hid in his uncle's arms and looked at the woman.

The woman glanced at Shen Weiyi, and she got even more angry: "You...you still have such a big daughter! You...you leave me right away..."

Halfway through her words, the phone in her pocket suddenly rang.

The woman hurriedly connected: "I..."

Xu Zeyan and Shen Weiyi couldn't hear what was said on the other end of the phone. They only saw the woman running away in a panic while answering the phone.

Xu Zeyan was inexplicable behind him: "Hey, you haven't made it clear yet, how did you go, what's the matter with you?"

However, Shen Weiyi said to Xu Zeyan with certainty, "Uncle, you will see her next time."

Xu Zeyan: "How do you know that I can see her next time, what's the situation?"

Shen Weiyi immediately said: "Well, I have come to my father's company to play several times in the past few days, and I have seen this auntie around here several times."

"So I know that you might meet her next time. You will ask her for her mobile phone number and invite her to dinner."

"By the way, uncle, you have to explain to her that I'm not your daughter, so she doesn't need to be afraid."

Shen Weiyi identified this woman as his uncle's girlfriend.

But Xu Zeyan was full of questions.

Who is this woman?

Clearly the woman knew him.

But, haven't they met?

She also said that his old cows ate young grass.

What does it mean when an old cow eats young grass?

Doesn't it mean that a very old man found a very young girlfriend?

he?

And Chu Tiantian?

Xu Zeyan's heart suddenly felt, could it be this woman, Chu Tiantian's mother?

Thinking about it now, this woman looks like she is forty years old, and she looks a lot like Shang Hongmei described by Chu Tiantian.

With full of doubts, Xu Zeyan went upstairs with Shen Weiyi in his arms.

She sent the only one to Arron's office, and after a few words with Arron, she turned around and went to find Chu Tiantian again.

But found that Chu Tiantian was not in the office.

Asked her colleague, the colleague said that Tiantian went to the bathroom, and went to the bathroom for a while, maybe it was a big one, so the squatting time was long.

Going to the bathroom, it's been a long time?

Xu Zeyan immediately realized that it must be Chu Tiantian who called the woman just now, and she was probably crying in the bathroom.

this woman!

Even harassing Tiantian came to the company!

## **Chapter 1655**

Xu Zeyan was extremely angry.

He took out his mobile phone and called Chu Tiantian, but the answer was very fast, and Chu Tiantian's voice really had a cry: "Brother Zeyan?"

"Tiantian, did your mother harass you again just now?" Xu Zeyan asked straight to the point.

Chu Tiantian immediately said, "No, no, Brother Zeyan."

"No, you're crying!" Xu Zeyan said.

“Tell me the truth, she’s harassing you again?”

Chu Tiantian cried and said, “there is no brother Zeyan, I called her. I just wanted her to stay away from me. I didn’t want her to harass me, so I took the initiative to call her. It’s all right now, Zeyan. Brother Yan, go back, don’t delay the work of your company.”

“I want to be alone, I... I want to cry when I see you, and I can’t help it.”

“So you go back first, I don’t want to cry anymore, I want to work hard.”

Xu Zeyan thought for a while, Chu Tiantian was right, she was able to hold back her strength when she was alone, but she would definitely cry when she saw him. Now it’s working time, so she can’t delay her work.

He sighed and said, “Be strong, I’ll go back first, pick you up after get off work, and go to your house with you.”

Chu Tiantian said heavily: “Mmmm, okay, Brother Zeyan.”

After closing the line, Xu Zeyan came out of the Fu Group.

He subconsciously glanced in the direction just now, and there was no one there.

Is that woman the sweet mother?

If so, that woman’s first impression of Xu Zeyan was not like a bad person, on the contrary, she looked worried.

That woman’s face didn’t have the slightest bit of dust on her face, and she didn’t look like a woman who cheated food and drink at all.

Isn’t she sweet mom?

But, if not, how can she say that he is an old cow eating young grass?

Xu Zeyan was puzzled.

After driving a long way, he figured it out.

After all, there is no writing on the faces of good people, and there is no writing on the faces of bad people.

That woman doesn't look like a bad person, maybe she's in disguise.

She should be Chu Tiantian's mother.

In the evening, when he picked up Tiantian to take her home, Xu Zeyan planned to ask Tiantian seriously.

Tiantian was the first girlfriend he officially recognized, and Xu Zeyan would definitely handle her affairs for her.

This afternoon, Xu Zeyan came to pick up Chu Tiantian early, and he also bought a trunk gift for Chu Tiantian's father.

After all, it was the first time I met my future father-in-law.

When the hairy-footed son-in-law comes to the door, he must bring a generous gift.

Seeing that Xu Zeyan brought so many things to her father, Chu Tiantian was sweet in her heart, but she still said politely on the surface: "Brother Zeyan, my father is not a greedy person, besides, my father's annual income is not enough. Millions, he doesn't lack anything, you are too polite."

Xu Zeyan laughed: "It's the first time I see my future father-in-law, how can I be empty-handed? He doesn't lack anything, but I also want to express my heart."

Hu Tiantian also smiled coquettishly: "When I get home, my father will definitely reprimand me, he always disciplines me not to let me covet other people's petty benefits, especially girls, girls can't covet, otherwise they will not be able to stand outside. temptation, you will be deceived."

Xu Zeyan nodded immediately: "Well, it looks like a good father. Dads are afraid that their daughters will be deceived, let alone being a father. Even my uncle is afraid of being deceived."

"Haha..." Chu Tiantian laughed immediately.

When the car was about to arrive home, Xu Zeyan asked Chu Tiantian, “Tiantian, is your mother pestering you outside the company these days?”

Chu Tiantian asked in surprise: “How do you know?”

“I saw a woman outside your company today...”

“Don’t be deceived by her! She is a liar!” Chu Tiantian said bitterly.

Xu Zeyan was about to say something, but heard Chu Tiantian say: “Brother Zeyan, I’m home, look, my father is picking us up at the door.”

Following the direction Chu Tiantian pointed, Xu Zeyan saw a man waving to them.

He was stunned for a moment: “Your father, is that him?”

### **Chapter 1656**

Xu Zeyan did not expect the world to be so small.

Chu Hongfa turned out to be Chu Tiantian’s father.

“You... know my dad?” Chu Tiantian asked unexpectedly.

Xu Zeyan: "..."

know.

But not familiar.

Xu Zeyan met Chu Hongfa twice in total.

Both times gave Xu Zeyan a bad impression.

The first time was when Xu Zeyan was five or six years old. One year, when his parents took him and his sister to play outside, they were suddenly threatened by several hooligans.

The leader was Chu Hongfa.

At that time, Chu Hongfa was still very young, in his twenties, he took five or six people to force Xu Zeyan's family of three to an unoccupied place in the scenic spot, and threatened them with a knife: "I advise you to give up the Xu Group. , otherwise I want you to look good!"

However, what Chu Hongfa did not expect was that Xu Zeyan's father was not afraid of threats.

Xu Zeyan's father held the knife on his chest: "I think you dare to stab me to death! If you stab me to death, you are a death sentence! Don't try to escape in this life! One day I will find you! I am I'd rather die, and I'll never give in to you!"

After some words, Chu Hongfa almost dropped the knife in his hand.

"Come on, stab me to death! Stab me to death now! I see how you guys can run away!" Xu Zeyan's father spoke even more sternly.

Chu Hongfa's knife suddenly fell to the ground.

"Xu...President Xu, I...I won't kill you anymore, I wasn't intended to kill, I..." Chu Hong was sweating profusely.

A few thugs behind him kicked his ass a few times, and scolded angrily, "You fucking can do bad things!"

Several gangsters turned around and fled.

The rest of Chu Hongfa knelt on the ground alone: "Mr. Xu, can you give me a sum of money for the sake of me not killing you?"

Xu Zeyan's father was annoyed with laughter, he looked at Chu Hongfa with disgust: "What! You don't kill me, you are still kind to me?!"

"I, I was going to end the lives of your family of four. If I don't end your lives now, the other party will not give me money! You...you are alive now, how lucky you are Shouldn't you give me some money?"

Xu Zeyan's father didn't want to mess with him either, so he asked, "How much do you want!"

"One, one million... no no no, five million!" Chu Hongfa spoke like a lion.

You know that was twenty years ago.

At that time, the Xu Group was also in crisis time.

This person actually asked for five million when he opened his mouth.

"Humph!" Xu Zeyan's father's face flushed with anger: "What the hell are you doing! Isn't murder a threat!"

"No...No, no, President Xu, I...I really have no choice, I...I don't owe people money for gambling, it's profitable. , I owe five million, if I don't repay the money, the other party will kill me!" Chu Hongfa's tone became softer and softer.

Xu Zeyan's father also calmed down and asked Chu Hongfa, "What's the situation?"

Only then did Chu Hongfa tell Xu Zeyan's father his story in detail.

It turned out that he had caught the bad habit of gambling a while ago, and after gambled a few times, he lost all his ancestral home.

Later, I owed a lot of money.

It was the black boss who was collecting debts from him who told him that if he didn't pay the money, he would help him kill the family. Not

only would he not have to pay back the money, but they would also give him a sum of money.

Chu Hongfa was forced to be helpless, so he took over this business.

## **Chapter 1657**

But he can't let it go.

In front of Xu Zeyan's father, he begged, entangled, and cheated on him. Later, Xu Zeyan's father really gave him one million because he spared his own life.

Not only that, Xu Zeyan's father also took down the black boss's nest overnight with thunder.

Since then, Chu Hongfa has no worries.

Later, Xu Zeyan's father learned from the black boss that it was the uncle's family who wanted to kill them. And Chu Hongfa was just a pawn who was used.

Xu Zeyan's father warned Chu Hongfa not to gamble in the future!

To correct evil.

Sure enough, Chu Hongfa did not gamble any more after that.

However, considering that Chu Hongfa is not a good person, the Xu family never had any contact with Chu Hongfa.

In the blink of an eye, five or six years have passed.

When Xu Zeyan saw Chu Hongfa again, Chu Hongfa already looked quite decent at that time.

Once Xu Zeyan went to play at a classmate's house. The classmate's family was not very wealthy and lived in an ordinary community. After Xu Zeyan entered the community, he did not expect to meet Chu Hongfa, the man who made him have nightmares for several years.

At that time, Chu Hongfa no longer knew Xu Zeyan.

After all, I had only met once. At that time, Xu Zeyan was only five or six years old. In the past five or six years, Xu Zeyan has grown into a half-sized boy, and he is almost 1.7 meters tall. Naturally, Chu Hongfa did not know Xu Zeyan.

However, Xu Zeyan recognized at a glance that Chu Hongfa was the one who wanted to kill his whole family back then.

Chu Hongfa didn't change much, and looked more decent than before.

He was holding a child in his arms. The child looked over a year old and could not tell a boy from a girl. Chu Hongfa was sitting on the swing with the child in his arms, and the child laughed 'giggling'.

Xu Zeyan was stunned at the time.

This is a ferocious gambler, but he also has such a warm father side.

However, such a good impression lasted for four or five minutes. Later, Chu Hongfa approached a woman with her back to Xu Zeyan. Xu Zeyan couldn't see her face, but he could hear the woman's voice.

The woman spoke to Chu Hongfa in a pleading tone: "Hongfa, I have a fever, can you give me 100 yuan and let me hang a bottle of water?"

"What's the matter! Do you think our money is brought by the wind! We can't live at all, isn't it normal for people to have a headache and a fever! You're squeamish, and you're still hanging on to the water, when the baby is breastfeeding, What do you hang water dolls eat!"

The woman said aggrievedly: "Hongfa, I have a fever, and my body is ill. The children can't eat it!"

"The children don't eat your milk, so you don't need to hang water! Save the money!"

woman:"....."

She had to leave slowly, and just took two steps before she fell softly to the ground.

At that time, Xu Zeyan wanted to go up and help the woman, but the twelve-year-old child, even with his height, was still afraid of the man who had terrorized them.

Just when Xu Zeyan didn't dare to step forward, Chu Hongfa took a step forward and kicked the woman: "What are you pretending to be dead, get up for me and go home, just put an ice towel on it!"

Then, the woman forced herself to support her body and slowly went back.

Xu Zeyan also went to play at his classmate's house.

Later, that classmate moved, and Xu Zeyan never went to that place again.

It's been twenty years in a flash, but Xu Zeyan saw Chu Hongfa again today.

This man is already old, but he is a little bit kinder than when he was young.

Especially when he saw his daughter, the old man smiled even more: "The baby girl is back, let Dad see, what kind of boyfriend did you bring back to Dad?"

Xu Zeyan did not answer Chu Tiantian's question to her just now, but looked at Chu Hongfa blankly: "Mr. Chu, hello, we meet again!"

## Chapter 1658

Chu Hongfa was stunned for a moment, and then asked Xu Zeyan with a smile: "You know me, young man? You must have come to my supermarket to buy something, hehe, I didn't expect you to be my son-in-law, but you have such a good eye. My daughter is one of the best, graduated from a famous university and works in the largest group company in Nancheng. I heard that the boss appreciates her very much."

"Uncle, my name is Xu Zeyan, the current president of the Xu Group. The Xu Group...you should have heard of it." Xu Zeyan looked at Chu Hongfa calmly.

Chu Hongfa was peeling an onion in his hand.

The onion instantly fell to the ground.

He glanced at Xu Zeyan in horror, then returned to normal in an instant, and then smiled at Chu Tiantian: "You girl, you...how did you find a rich boyfriend without telling your father beforehand? , my father was shocked."

Chu Tiantian put her arms around Chu Hongfa's neck: "Dad! Although Brother Zeyan is the boss of the Xu Group, in my eyes, he is just my boyfriend, and here you are... He's just your hairy-footed son-in-law. He's not here to put on airs!"

Chu Hong nodded immediately: "Well, my girl is right!"

As soon as he said it, he held onion's hand and wiped off the sweat unconsciously. This scene was all seen by Xu Zeyan.

However, seeing that Chu Tiantian was so happy, and seeing that Chu Hongfa tried to hide it, Xu Zeyan didn't say anything.

After all, for the 22-year-old Chu Tiantian, she should not know anything about it, even if the father did what, the child is innocent.

What's more, Chu Hongfa loves children very much.

This could be seen by Xu Zeyan when Chu Tiantian was one year old.

He didn't say anything, and followed Chu Tiantian into the Chu family.

Chu family is really good.

There is a single-family villa, two cars at home, and a grandmother, who is about 80 years old, is Chu Hongfa's mother.

This meal was really embarrassing.

Chu Tiantian's grandmother never took her eyes off Xu Zeyan. She looked and laughed for a while.

Every time Xu Zeyan smiled, he felt very fake.

After finally finishing the meal, Chu Hongfa instructed Chu Tiantian: "Tiantian, go talk to your grandma, and Dad wants to talk to Zeyan alone."

"Dad! You are not allowed to be Brother Yan Zeyan!" Chu Tiantian pouted.

"Don't worry, how dare Dad embarrass President Xu." Chu Hongfa looked at Xu Zeyan in a pleasing manner.

Unexpectedly, Chu Tiantian pouted again: "Then, Brother Zeyan, you are not allowed to oppress my father as the president of the Xu Group! He is your future father-in-law!"

Xu Zeyan nodded, "Yes."

"Hurry up and obey!"

Xu Zeyan: "..."

"Tiantian, don't make trouble without reason!" Chu Hongfa scolded Chu Tian.

Chu Tiantian: "Hey... Dad, where did you turn your elbow? You just put it on after seeing the hairy-footed son-in-law. It's boring!"

As soon as it was said, Chu Tiantian made a face at Xu Zeyan and went to grandma's room.

Chu Hongfa and Xu Zeyan walked out together.

After walking out of the villa and walking a long way, on the deserted road, Xu Zeyan said coldly: "Chu Hongfa, I was only six years old when I first saw you, I didn't expect this world to be so small, my future My father-in-law turned out to be an outlaw who once wanted to kill me!"

Chu Hongfa's 'ordinary' kneeled in front of Xu Zeyan.

Xu Zeyan was shocked: "You...what are you doing!"

Chu Hongfa's voice choked up: "Mr. Xu, as soon as you told me you were the president of the Xu Group, I thought it was you, you were a fifty-six-year-old child at the time, and I am so glad I didn't kill you at that time. You, or my daughter will not be a widow."

## Chapter 1659

Xu Zeyan: "..."

He almost got pissed off.

Where does this go.

He scolded coldly: "Get up! Get up and talk!"

Chu Hongfa didn't mean to get up: "Mr. Xu, I called you out just to tell you solemnly that I have already corrected myself. Since that incident, I have regretted it for a long, long time, and I have been seriously ill. I never gambled again after that."

"To teach myself a big lesson, I cut my own little finger off myself."

Chu Hongfa raised his hand to show Xu Zeyan.

Xu Zeyan took a fixed look, Chu Hongfa's little finger was indeed broken.

He didn't speak.

Chu Hongfa continued: “I have been diligent and diligent since then. I take care of my old mother and my daughter by myself. Over the years, I have been old and young. I have never really done a job. something illegal.”

“If you don’t believe me, you can go to the police station to check my records. I’m really a law-abiding petty trader.”

“And since I had a child, I also feel that I used to be a real jerk. I devoted all my energy to educating my daughter. Look at what a good child my daughter is.”

“I beg you, for the sake of my daughter’s lack of a mother since she was a child, don’t tell my daughter about my past, my daughter is a girl, she has no mother since she was a child, it really hurts her, you... .. As long as you treat my daughter well, I’m willing to let me die.”

Chu Hong looked at Xu Zeyan bitterly.

He was in tears.

It’s kind of pathetic.

Xu Zeyan didn’t know what to say.

As a child, Chu Hongfa was his nightmare, and he was not afraid of this person until he was a teenager.

But she never thought that she would be relatives with this person.

Moreover, he also saw with his own eyes how Chu Hongfa treated Chu Tiantian’s mother, which was different from what Chu Tiantian said?

Xu Zeyan thought about it for a while and then said to Chu Hong: “Tiantian is a good girl, you are you, she is her, and besides, it was an attempt to kill our whole family back then, so I won’t pursue what happened back then. .”

“Of course, I won’t tell Tiantian, because I don’t want her to have a shadow in her heart.”

“Get up!”

Only then did Chu Hongfa start tremblingly: “Thank you, thank you, President Xu, thank you, thank you!”

After a pause, he expressed his position to Xu Zeyan: “Mr. Xu, don’t worry, I will definitely teach my daughter to be a husband and a child in the future, to be a good husband and wife, and let her be an obedient and obedient good wife, although my daughter is very good , but I also know that it is a sweet blessing for a well-off family like ours to marry a celebrity in Nancheng.”

“I, I will definitely train you a qualified good wife, don’t worry!”

As for Chu Hongfa, it makes Xu Zeyan feel that Chu Hongfa is very slave and has no backbone.

He has already said that he will not be involved in the sweet things, the past things are over, Chu Hongfa still nodded and bowed to him like this, which shows that this person is a flattering person.

Xu Zeyan’s impression of Chu Hongfa was still not very good.

He sighed. He didn’t want to see Chu Hongfa’s flinching appearance again, so he changed the subject and asked deliberately, “Tiantian never had a mother since she was a child, what’s the matter? Where is her mother?”

Chu Hongfa immediately sighed and said, “Eh...it’s my Chu Hongfa’s retribution. I didn’t study well when I was young, and ended up marrying a wife who almost hurt me.”

“Not only did she almost make me bankrupt, but she also left Tiantian and walked away since she was a child.”

Xu Zeyan calmly asked, “Then, where is Tiantian’s mother now?”

## Chapter 1660

Chu Hong sighed again: “Who knows where she died, here and there for a while without a regular job! A woman who lives around the clock all day and night, it’s a shame for Tiantian to have such a mother. !”

Seeing Chu Hongfa say this, Xu Zeyan thought of the woman he saw outside the Fu Group company.

The woman’s face was pale, but her body didn’t have the odor of the dust that came out of the day and night.

However, Xu Zeyan wasn’t sure if that woman was Chu Tiantian’s mother.

He tentatively asked Chu Hongfa: “How did you meet Tiantian’s mother?”

Chu Hongfa was stunned for a moment, and then he blurted out: “You ask this, what do you mean?”

His expression was obviously a little nervous, and some were wary.

Xu Zeyan smiled lightly and told Chu Hong, “To tell you the truth, Tiantian has been harassed recently. It seems that her mother called her...”

“This damn woman! It’s so hateful! I want to kill her!” Chu Hongfa said suddenly.

Xu Zeyan sneered: “Why, is it possible that you want to kill again?”

Chu Hongfa immediately smiled awkwardly: “No, no, Mr. Xu, I don’t mean that, I just think this woman is too abhorrent! She didn’t support

her daughter since she was a child, you didn't support her when you were young, and you come and harass her when she grows up. She, what do you want the child to think?"

After a pause, he asked Xu Zeyan: "Isn't there a way for the court to sue her about this? I heard that as long as there is blood relationship, even if she doesn't raise Tiantian for a day, Tiantian will raise her? Isn't it?"

Xu Zeyan nodded: "That's what it means."

Chu Hongfa suddenly slammed the protective fence next to him: "Hey! Damn!"

Xu Zeyan said in a soothing tone: "I came to your house today, one is to visit Tiantian's father, and the other is to help Tiantian solve her mother's problems, because if her mother harassed her again, it will have a very big impact on her work and life. Da, this matter must be resolved, can you tell me how you and Tiantian's mother got married and divorced?"

Although Chu Tiantian had already told him.

However, Chu Tiantian was not a party after all, not to mention that when her mother left, she was still very young.

Many memories are vague.

Hearing Xu Zeyan's question, Chu Hongfa immediately sighed, and then the grievance came.

"Back then, I took one million from your father, and to be honest, it wasn't enough to pay off the debt. I still had to support my old mother. What should I do? I worked everywhere, several times a day, and it was very hard during that time. "

"And a few of our neighbors knew that I had been involved in gambling, so they spread it all over the place, and no one introduced me to a girlfriend. Procrastination. Even if I am very hardworking, no one wants me.

I regretted it at the time.

I regret not being able to gamble in my life.

What's the use of regret?

I am also ashamed of myself.

I thought that I might not find a daughter-in-law in my life.

But just when I was desperate, I picked up a girl on the road.

The girl was working in a nightclub at a very young age.

When I found the girl that day, she was beaten all over her body. I took her home and raised her for a long time. Later, I learned that the girl also owes others money, and she owes a lot, about 100,000 yuan.

I was very happy.

Isn't this picking up a girl just picking up a daughter-in-law?

I don't mind helping her pay back hundreds of thousands, and I don't mind if she has ever sat on stage, as long as she is willing to live with me.

I don't despise her.

Because we used to have blemishes, we just make do with it.

She also agrees.

## Chapter 1661

The biggest obstacle to our union is that I am a dozen years older than her.

However, I really love her. She conceived a child shortly after we got married. At that time, my mother and I, as well as her, our family of three were very happy.

If you have a child, you will be able to live a good life. “

After a pause, Chu Hong sighed heavily, with annoyance on his face: "Who would have thought..."

When he said this, he suddenly stopped talking.

Only a black face.

Xu Zeyan could hear that he and Chu Tiantian said the same thing.

It's just that Chu Tiantian is not as detailed as what Chu Hongfa said.

Xu Zeyan asked, "What's wrong?"

"Shame, what a shame!" Chu Hongfa sighed.

He looked at Xu Zeyan with an indescribable expression: "You said, how can that man endure such a thing?"

"I was so kind to her, I took her in, and I helped her pay off her debts of more than ten thousand yuan. Our family of four had a good life, but after a few years of being with me, she just... Just had an affair outside."

"The scandal between her and that man was caught by me!"

"I caught rape in bed!"

"Mr. Xu, you say I'm a man, an upright man, can I tolerate her?"

Xu Zeyan: "..."

He didn't speak.

Not to mention Chu Hongfa, any man in this world would tolerate such a thing.

Chu Hongfa said viciously: "To tell you the truth, Mr. Xu, I was really impulsive at the time, I couldn't care about anything anymore, I was going to chop that man into a wreck with a knife, that man I was frightened and begged for mercy like a dog in front of me, but I wasn't tempted, I don't think it's a big deal if I kill him."

"But when I raised the knife, my daughter knelt in front of me."

“My sweet cry is very pitiful in front of me. I only have this one daughter. She has been my baby since I was a child, the pearl in my palm. If I kill and pay for my life, what will I do with my sweet?”

“Not only does she have no mother, she also has no father. What about my little princess?”

“When I saw my daughter, I forcibly put up with this useless anger. When I got home, I was seriously ill. My daughter and her grandma have always taken care of me. Since then, Tiantian’s mother never never came back.”

Xu Zeyan: “You...don’t be too sad.”

After a pause, he asked, “Then why did she suddenly come back now?”

Chu Hongfa sneered: “Why! She’s getting old and fading! After all, she’s already forty this year, right? Without forty, she’ll be thirty-nine! A woman of three or four years old is going to sell her color, who wants it? ?”

“She is lazy and lazy. Naturally, she can’t get along outside, so she wants to come back and rely on her daughter.”

“What’s more, my current supermarket is very prosperous. I have saved a lot of money for Tiantian for more than ten years. Tiantian herself is also working hard. I think she is thinking about Tiantian’s money. .”

“I figured out Mr. Xu, if she harassed Tiantian again, we’ll go to court to sue her! I don’t believe that I won’t win her!”

Xu Zeyan didn’t know what to say for a while.

He came here to find out.

You can only make further plans if you understand the situation first.

This evening, in front of Chu Tiantian, Xu Zeyan didn’t mention the events of Chu Hongfa’s past. They are just communicating about Chu Tiantian’s mother.

Before leaving in the evening, when Xu Zeyan got up to say goodbye, he suddenly asked Chu Hong a question: “You and Tiantian’s mother didn’t seem to have a marriage certificate, right?”
