Chapter 1822

Suzi's whimper suddenly stopped.

"You... What did you say Shaoqin? What did you say?" She couldn't believe her ears.

She thought how could fate play such a joke on her?

"Our daughter, she came back by herself." Arron said sadly.

Suzi: "..."

She paused for a long, long time.

She could hear Arron whimpering on the other end of the phone.

"Shaoqin..." After a long lapse, Suzi's tone was extremely weak and ethereal.

"Since the only one has gone back, I can rest assured Shaoqin, you must take good care of the only one, and then... find a kind-hearted woman..."

"Don't say it! Don't say it! Suzi, I'll wait for you to come back! You'll be back soon! Don't say that!" Arron was suddenly furious.

Here Pan Haoyang also heard Arron's voice on the phone.

He already knew that Shen Weiyi had returned to Arron.

For Pan Haoyang, this was like stabbing a knife in his wound.

It turned out that all the affection he showed to him was a lie to him, and it turned out that the only one still tried every means to get back to his parents.

Damn it!

At that moment, Pan Haoyang wanted to kill everyone around him.

But when he saw Suzi's appearance, he suddenly softened.

He hugged Suzi and begged her bitterly: "Suzi, you don't want to die! You can't seek death, for the child in your belly, for the only, you think the only has returned to his father, how happy this is Son?"

In order to comfort Suzi, Pan Haoyang had to endure the pain and say this to Suzi.

Suzi looked at Pan Haoyang: "Haoyang, you... are you willing to let me go back to reunite with my husband and my daughter?"

"No!" Pan Haoyang shuddered suddenly.

"Ha!" Suzi sneered.

Pan Haoyang said eagerly to Suzi: "He doesn't love you! Suzi, are you awake? You are eight months pregnant, but what is Arron doing? He doesn't take care of you and the only one, as long as he can Be careful with your mother and daughter, do you think I might hold you and the only one kidnapped?"

"Do you think I have a chance?"

Suzi was silent: "..."

It seems that what Pan Haoyang said is quite reasonable, huh?

Suzi looked at Pan Haoyang with an angry smile.

Seeing Suzi smiling, Pan Haoyang's eyes flashed with hope: "Suzi, listen to me, you have suffered too much in your life, and a large part of these hardships were brought to you by Arron, Suzi, wake up, Arron can't bring you happiness."

"She is a selfish person, and he has only his ambitions in the center of his eyes. Women and children are dispensable things for him."

"You have to understand this! Suzi!"

"But I'm different."

With that said, Pan Haoyang lifted the curtain of the cabin and pointed to the largest and brightest room in the cabin to show Suzi: "Do you know what's in there?"

Suzi shook his head indifferently: "How do I know what's in your cabin?"

"It's the doctor! And all the equipment!"

"Even, a blood bag with the same blood type as yours is ready."

"Because I was afraid that you were born on the boat, I found the doctor, the equipment, the best midwife, everything for you."

"Suzi, although you are not pregnant with my child, I will still cherish your life, including the child in your womb. Could it be that Suzi can't impress you like this?"

"I, Pan Haoyang, have never been a man with ambition and dominance as the most important thing. I just want to live a small life."

"Have a little time with my beloved, that's all!"

Suzi: "..."

He was so sincere.

Chapter 1823

So sincere, so humble.

Suzi suddenly lost his temper.

She froze.

She smiled indifferently: “Forget it, Pan Haoyang, I don’t blame you, and please don’t stop me, anyway, now my daughter has returned to my husband, although I have one in my stomach, but my husband has not yet When he sees it, he naturally doesn’t expect that much when he can’t see it.”

“Besides, there is the only one by Shaoqin’s side.”

“Their father and daughter are dependent on each other and take care of each other. I’m relieved that I’m not alone.”

“So Pan Haoyang, please don’t stop me, I really don’t want to stay in this world, I’ve had enough.”

She said it so calmly and so firmly.

She really doesn’t want to live in this world.

Because Pan Haoyang can blatantly go in and out of Nancheng without being known by Arron, it means that there must be someone behind Pan Haoyang who is an accomplice.

For example, Fu Zhengxiong and Qin Wenyu.

Another example is King Chengyin of Kyoto.

Maybe Pan Haoyang also united with some remnants of foreign forces.

Otherwise, Pan Haoyang wouldn’t have entered Nancheng so quietly.

If it is what Suzi thinks, Suzi absolutely cannot let him face such a dangerous situation.

Because Suzi felt that since she had already fallen into the trap of being afraid of good things, it would be really difficult for her to return to Shaoqin, and with Shaoqin’s temper, Shaoqin would definitely want to save her Suzi for bankruptcy. come out.

But what about after the bankruptcy?

How do Shaoqin and the only one live?

Or, what if something unexpected happened to Shaoqin?

Orphaned again?

“No!” Suzi frowned in pain.

She is absolutely unable to let the only one become an orphan.

The only one is six years old.

For the first five years, he has been displaced, and it has only been more than a year since he finally had a father. In any case, even if Suzi sacrificed himself and the child who was about to be born in his womb, he would still have to save his only future life.

Therefore, Suzi must die!

“Pan Haoyang, let me die, this is the best way for me to solve the relationship between me and you and your brother!”

“If you take me back, your brother will never be able to live with you in this life. With Shaoqin’s temperament, he will not let you go. At that time, the fish and the net are broken because of my fight, and I will not be able to go underground to see my dead mother-in-law. .”

“So Pan Haoyang, let me die!”

“No, Suzi, I love you! I love you!” Pan Haoyang said reverently.

“But I don’t love you! You lunatic! You’re too crazy! Crazy! I don’t love you! Listen, I don’t love you! I don’t love you! Who do you think you are? Pan Haoyang, I found that you are really enough. Change too! Someone else’s wife you love, someone else’s daughter! Even when I’m pregnant, you have to love the child in my womb! Are you born with a cuckold?”

“If you really like to be cuckolded and you like to pick up a cheap dad, you can marry a daughter-in-law, let your daughter-in-law sleep with

someone else, and come back when you're pregnant, won't you do it?"

"Why do you have to rely on me!"

"I hate you!"

Suzi tried every means to stimulate Pan Haoyang, just to get Pan Haoyang to let go of her as soon as possible, and let him throw himself into the sea!

However, Pan Haoyang smiled sadly: "Suzi, don't do this, don't do this, can't I send you back? I'll turn the bow of the boat now and send you back.

I'd rather die myself, and I won't let you and the only go wrong.

I love you.

I love you and the only one, love the child in your belly, and truly love you. "

He said, Pan Haoyang suddenly shouted: "Turn the bow of the boat and send Suzi back."

Suzi: "..."

"It's too late!" Suddenly a thunder-like voice came from the sea.

Chapter 1824

Suzi was shocked by the sound and covered his ears subconsciously.

And Pan Haoyang saw Suzi shrinking helplessly and covering his ears, so he hurried to cover Suzi's ears.

Suzi vigorously threw Pan Haoyang aside: "Go away!"

At this moment, all the goodwill she had accumulated for Pan Haoyang was exhausted.

She hated Pan Haoyang's stalker!

Let her be separated from her husband and children for eight months of pregnancy. If there is a knife, she can stab Pan Haoyang to death now.

But now it's not just Pan Haoyang who is holding her hostage, it seems that something else has happened?

Suzi looked up at the sea.

Only then did I find that another ship was on the sea.

bigger than the current ship.

On the high deck, someone was shouting to Pan Haoyang and Suzi with a big microphone in his hand.

That ship, that person, was like a pirate seen in a movie or TV show, and there was a sturdy smell in his voice.

"What's the matter!" Suzi asked Pan Haoyang in an anxious tone.

Pan Haoyang looked into the distance with such a vicious look in his eyes, and said in his mouth, "Damn it! This damn Ying Ming! He didn't keep his promises! I gave him a piece of the island, but he didn't. Keep your word! Damn it!"

"Who is Ying Ming?" Suzi asked.

At this time, Pan Haoyang also concealed Suzi again: “Ten years ago, Ying Ming was also a very famous noble son in Kyoto. Later, the Ying family fell into poverty and became extremely poor. At that time, Ying Ming was only eighteen years old. He was unwilling to accept gifts and facilities from outsiders. He gathered a gang of robbers.”

“Sure enough, he’s a robber!” Suzi sneered.

Pan Hao Yangyin said with this face: “Afterwards, there was a little climate for his family robbery, which led to many dignitaries in Kyoto asking him to pay him protection fees. The two of them joined forces to destroy him.”

“Shaoqin?”

Suzi sneered: “Pan Haoyang, are you talking nonsense? It’s none of Shaoqin’s business, don’t you frame yourself up!”

“Ten years ago, your elder brother Arron also lived in dire straits! And your mother, both of them suffered the pain and suffering of exile abroad at that time!”

“At that time, Shaoqin was not recognized by the Fu Group, how could he have the ability to subdue a robber!”

When he heard Suzi say this, Pan Haoyang also sneered.

He looked at Suzi contemptuously: “You really don’t know your husband!”

Suzi: “...”

“Suzi, listen carefully!” Pan Haoyang’s eyes suddenly turned red.

“It’s true that Arron was exiled abroad! But he was accompanied by his mother from beginning to end!”

“Not only that, his father Fu Zhengxiong gave him a lot of living expenses every month! His mother is a very high-end architectural designer abroad, and the monthly salary is enough to be a middle class!”

“When your husband Arron was in exile abroad, he not only had a car to drive! A maid took care of him! He also had extra money to fill his wings!”

“When he was 18, he already had his own club.”

“Do you know what club that club is?”

Suzi looked at Pan Haoyang in amazement.

Pan Haoyang smiled sadly: “Do you know about cold weapons?”

Suzi: “...”

She naturally knew about cold weapons, such as swords and long hairs that were used for war in ancient times.

“Why are you telling me this!” Suzi had given up hope for life, so at this time, Suzi turned a deaf ear to the clamor from the big ship.

Chapter 1825

“I’m telling you this to tell you that your husband, your exiled husband who lived a hard life, actually had a club that corresponds to the cold weapon, the hot weapon club, when he was eighteen years old.”

“His private club!”

“Since you know cold weapons, you also know hot weapons, don’t you?” Pan Haoyang’s tone was filled with incomparable grief.

At this moment, the clamoring gasp got closer and closer.

But Pan Haoyang and Suzi didn’t care at all.

Come and come.

Maybe she will jump into the sea in the next second.

Regarding the hot weapon Pan Haoyang mentioned, Suzi and Arron have been married for almost two years, and she also brought it with Arron seven years ago, so she naturally knows what a hot weapon is.

Suzi did not speak.

She only looked at Pan Haoyang.

At this moment, she suddenly felt that Pan Haoyang was too pitiful.

The expression on his face was extremely sad, extremely longing, extremely envious, and extremely jealous: "At the same age of 18, my parents did not want me to go to college when I was admitted to the university, and they scolded me with all kinds of foul language. ."

"At the same age of eighteen, my father always wanted to turn me into a eunuch so that I would have no future."

"Because he said I was a scumbag, a bastard."

"At the same age of 18, my mother pinched me all day long. There was no good place to pinch me. It was a little inconsiderate, so my mother made me kneel on the glass slag."

"But what about your husband's eighteen?"

"Having his mother by his side, his father's high living expenses, the best university for him, and enough extra money to let him grow his wings."

"At the same age of 18, although he is an illegitimate child exiled by the Fu family, he has quietly made a name for himself abroad, and he can also make friends with Kraig and many other life and death brothers!"

"Thus, forming his own circle."

"Because he was powerful enough at the time, Ying Ming, who was quickly killed by Kraig, had no choice but to flee abroad."

"I originally thought that he would continue to be able to do a good job with what he had grabbed for many years in a foreign country, but he never thought that Kraig would even chase him abroad to punish him severely."

“But Yingming isn’t something to be messed with either. Yingming, who was so desperately chased by Kraig, just gave it a shot and fought with Kraig. die.”

“Ying Ming, who thought he could win, met Arron at a critical moment.”

“Arron didn’t know Kraig at that time, but he chose to save Kraig’s life, help Kraig deal with Ying Ming, and almost killed Ying Ming.”

“Later, Ying Ming escaped by pretending to be dead, and then he sat on a dilapidated freighter and fled to Africa, starting his escape career.”

“No one thought that Ying Ming would make a fortune in Africa.”

When it came to this, the ship that had worn Pan Haoyang’s face completely.

Pan Haoyang, Suzi, and some of the entourage they put on felt that people were constantly stepping on the boat.

Suzi didn’t even look up, she just sneered contemptuously: “Pan Haoyang, go ahead and say, that Ying Ming is a robber who burns, kills and loots! Even if you don’t tell me, I know why he made his fortune in Africa! “

“It’s really not people. You told me that this person has so many pasts, are you trying to clean up for him?”

“He came to destroy you, and he still cleansed him?”

“Pan Haoyang, you’re such a weirdo!” Suzi stood up suddenly, regardless of her huge pregnant belly, she just ran towards the bow of the boat regardless of her body.

Since she has become someone else’s prisoner, if she died early, she would be less insulted.

Because Suzi had heard that this Ying Ming was the mortal enemy of her husband Arron.

“My father will save you soon.” Shen Weiyi cried and cried.

Very pitiful.

Suzi’s heart was torn to pieces.

Bleeding in my heart.

She gritted her teeth, her brows furrowed into a pimple.

Resisting the tears in his eyes, Suzi said into the receiver, “Baby, my mother promises you that my mother will never die, but you have to take good care of your father at home and listen to your father’s words, understand, baby?”

Shen Weiyi nodded desperately: “I understand mom. Mom, you must be brave. The only one is very brave, the only one is not afraid of the fourth uncle, the only calmly thinks of a way, and finally escaped from the fourth uncle. Mom, you can too. of.”

The six-year-old child knew how dangerous the situation his mother was in at this moment.

Suzi had already heard from Pan Haoyang’s mouth that the man who came to grab the boat now was her husband Arron’s number one enemy.

And it is still the number one enemy that has been dormant for the past twenty years.

At this moment, Suzi must tell her husband immediately. She softly coaxed the only one: “the only one who doesn’t cry, you have to be strong, do you know that baby, you can find a way to come back, and so can mom, mom is still waiting for you to help mom take care of the baby in mom’s belly. . Okay the only one?”

Shen Weiyi nodded desperately: “Well, good mother, I will definitely do the best I can.”

“The only one, let Dad answer the phone.” Suzi said.

On the other end, it has been replaced by Arron: “Suzi, what happened over there, I can hear it intermittently on the phone, it seems to be Ying Ming?”

“Is that the fugitive Ying Ming from ten years ago?”

Suzi nodded in a hoarse voice: “Shaoqin, this man named Ying Ming must have come prepared, he is coming for you, you must be careful, Shaoqin, this man has been dormant here with Pan Haoyang all the time. , so I didn’t notice it at all, Shaoqin, you have to be careful, Shaoqin, I won’t die, I will definitely hold on to the end...”

Before she could finish her words, she was already surrounded by another group of people in uniform who swarmed up.

These people are all golden, and they are all holding heavy weapons.

Suzi immediately hung up the phone and hid it.

At this time, a man of five and three thick came in from the periphery of the crowd.

There is nothing wrong with the man’s name being Ying Ming.

Not only is he tall and tall, with a slender figure, his facial features are also extremely handsome.

It doesn’t look anything like the robber fugitive of the past.

Suzi looked at the man calmly.

The man didn’t look at Suzi, but looked at Pan Haoyang: “Pan Haoyang, you just told me before, and I never believed it. I didn’t expect that I saw with my own eyes today that you are really an infatuation.”

“Ying Ming! You are so shameless!” Pan Haoyang said through gritted teeth.

“Haha!” Ying Ming suddenly laughed wildly: “Pan Haoyang! You can only blame you for being too naive!”

“Do you know how long I’ve wanted your island?”

“Five years!”

“For five years, I’ve been planning how to get your island, because this island is the closest to Arron’s Nancheng, but the things I just planned that haven’t been implemented have been taken first by you!”

“You really have a lot of money! You used 900 million in one fell swoop for such a small island.”

“You are the king of the island! It’s already very difficult for me to attack again. I can only outsmart it. I can only save the country first, and find a way to get close to you first.”

“But I didn’t expect you to be an idiot!”

“I originally thought that I had to spend a lot of time to gain your trust, and then I slowly plotted your island. Who knows that you don’t care about your island at all?”

“You actually handed it over to me, and the purpose is to let me find a way to send you back to Nancheng? Ahahaha! You are such an idiot.”

Chapter 1827

“What do you mean when you say you are young when you are twenty years old? Love brain.”

“Yeah! Love Brain!”

“Idiot! You are spoiled by your own love brain!”

“Don’t blame me!”

Ying Ming smiled recklessly.

In Ying Ming’s eyes, the man named Pan Haoyang in front of him was really a hundred times more difficult to deal with than Arron.

Until now, Ying Ming felt a tingle in his heart when he thought of Arron’s ruthlessness and lack of procrastination in dealing with him back then.

Ying Ming is not afraid of Kraig.

But he was afraid of Arron.

Therefore, I hate Arron even more.

Yingming's biggest wish in this life is to kill Arron, so winning this island is Yingming's plan for the past five years, but he didn't expect that Pan Haoyang would take the lead.

What made him even more unexpected was that Pan Haoyang would offer to cooperate with him Yingming.

Moreover, the conditions of cooperation almost made Ying Ming wake up from a dream.

A month ago, Pan Haoyang said to Ying Ming, "As long as you can help me go back to Nancheng and hide, and the whole island belongs to you, I just want to be a commoner on your island and live a good life with my wife and children. Do you agree to the deal?"

Ying Ming was dumbfounded at the time.

He agreed on the spot: "Agree! Agree! Of course I agree!"

However, after he helped Pan Haoyang to sneak into Nancheng, he realized that Pan Haoyang and Arron were twins.

twin!

How could Ying Ming keep him?

Therefore, at this very moment, Ying Ming wanted to destroy Pan Haoyang in this sea, so that Pan Haoyang would never return to that small island.

In this way, it is even a demonstration for Arron.

"Detain Pan Haoyang first." Ying Ming said to those sturdy subordinates.

"Get out of the way!" Before a few burly men approached Pan Haoyang, Pan Haoyang started to take down four or five burly men in a row.

With his hard skills, no one can capture him if he wants to.

He really didn't want the island.

The reason why he didn't want it was because he didn't want to be Fu Zhengxiong and Qin Wenyu's puppet.

If Pan Haoyang really wanted to guard the island, how could Ying Ming come in?

Blame the damned fugitive Ying Ming! To be so untrustworthy, he can't wait for his Pan Haoyang to return to the island safely, so he will be destroyed in this sea.

Such a sinister Yingming!

However, at this moment, Pan Haoyang can't control so much anymore, the only thing he can do now is to protect Suzi.

If he is caught, then Suzi is really miserable.

Pan Haoyang gritted his teeth and punched and kicked the burly man beside him.

Chances are that every kick can kill someone.

A few minutes later, those people dared not approach him because they were afraid of him.

At this time, Pan Haoyang kept Suzi behind him, and said to Suzi in a bleak tone: "I'm sorry Suzi, I hurt you, but I love you, this will not change. You will never understand. My love, I will never understand why I love you so much, the only child in your womb so much."

"Because you are not me." Pan Haoyang said bleakly.

Suzi: "..."

At this moment, she suddenly wanted to cry.

Cry for Pan Haoyang.

At this time, Ying Ming came to Suzi and looked her up and down:
“Are you Arron’s wife?”

Chapter 1828

Suzi held out his pregnant belly and looked at Ying Ming without any fear: “If you want to kill or cut it, it’s up to you!”

Ying Ming: “...”

Seeing that Yingming didn’t speak, Suzi said in a calm tone: “Look at my big belly, right? That’s right, Arron’s child, if you kill me now, you are equal to one corpse and two lives, so hurry up. , you’re making more money first.”

“Come on! Stab me in the stomach with a knife.”

“Let me die early and get free.”

Suzi is a very thoughtful person.

When it fell into Ying Ming’s hands, Suzi knew that it was absolutely impossible for him to survive.

Feel free, just be quick.

She smiled calmly and looked at Ying Ming.

Ying Ming was stunned again.

He pointed at Suzi with a gun, and chuckled: "If... I said if, if I didn't dislike you as a pregnant woman, would you be my s3x slave?"

"Yingming! I'll take care of your grandma!" Pan Haoyang suddenly stood up, stomped his feet, and kicked straight at Yingming.

If it was a head-to-head fight, Ying Ming might not be able to beat Pan Haoyang.

After all, Pan Haoyang is also a ruthless man.

If he doesn't make a move, he can kill someone if he makes a move.

However, Pan Haoyang was not strong.

Before his foot could hit Ying Ming, he was shot by Ying Ming and broke his leg.

"Ow..." Pan Haoyang fell straight to the ground, rolling on the ground in pain.

He rolled in front of Ying Ming, his hands suddenly hugged Ying Ming's feet, and then desperately shouted to Suzi: "Suzi, run! Run! Jump into the sea, jump into the sea, maybe you can have a chance, run. ..."

"Bang!" Ying Ming shot Pan Haoyang's wrist again.

Immediately after the third shot.

Pan Haoyang's other line was interrupted.

"Pan Haoyang..." Suzi burst into tears.

He is his uncle after all.

The second son of Shanna's mother.

Since I was a child, I have never enjoyed a little warmth from my parents, and I have never seen my mother in my life.

He was also a sad man.

Although he did something wrong, he was very good to the only one and himself.

Suzi squatted down with difficulty, holding his waist, crying bitterly: “Pan Haoyang, what are you doing, Pan Haoyang...”

Pan Haoyang’s head was covered in sweat.

He gritted his teeth and said with difficulty: “Suzi, I love you, I love you, do you understand? I not only love you, I also love the only one, I also love the child in your belly, I am more than Arron. love you.”

Suzi nodded desperately: “I know, I know Pan Haoyang, I know, stop talking, cover your wound, don’t lose too much blood.”

“Don’t worry!” Ying Ming’s condescending voice came from above.

“I won’t let Pan Haoyang die easily,” Ying Ming said.

He said, Ying Ming kicked the curled up Pan Haoyang: “Pan Haoyang, you can only blame yourself. You are just as ruthless as your twin brother Arron. If I confront you head-on, I won’t be able to deal with you.”

“But you’re not in the fucking mind of dealing with me.”

“Your mind is all about digging up your brother’s corner, and your whole mind is trying to destroy your brother’s family!”

“Aha! Think I, Ying Ming, picked up a bargain!”

“However, since you’re in my hands, I’m sorry, I definitely can’t spare you lightly! I want to use you! Use your sister-in-law Suzi to hit Arron hard.”

“Pan Haoyang, guess what the whole man will think of me when I hang the dog heads of you and Arron on the ancient city gate wall in Nancheng one day?”

Thinking of this, Ying Ming immediately said with high spirits: "At that time, you will definitely treat me like you respect the emperor and Shen Ming?"

"I get so excited when I think of a scene like that."

"if....."

Chapter 1829

Having said this, Ying Ming looked down at the clumsy pregnant woman with a very large belly and said, "If Arron knows that I have slept with his pregnant wife, I wonder if Arron will vomit blood. ?"

"Hey, pregnant woman. What about you, you haven't answered me yet, are you willing to be my s3x slave?" Ying Ming looked at Suzi insultingly.

In the past few years, although he has not returned to China and has not seen Arron, he also knows a little through the various halls.

He knew that Arron had a very strong wife.

Knowing that Arron loves her wife very much.

A woman who can be loved by two men, Arron and Pan Haoyang, must be unusual.

To be honest, Yingming wouldn't stop touching her because she was pregnant.

Didn't Pan Haoyang say that he had a doctor and equipment on board.

The big deal is a cesarean section, and the child is taken out and thrown into the sea.

Feeding her for a month.

That would be his Ying Ming's surname slave.

If the service is good, maybe he can spoil this woman well.

Ying Ming waited to see Suzi's resistance to him, and scolded him alive.

That's the most delicious.

But he never thought that Suzi, who had a pregnant belly, suddenly smiled charmingly: "Suzi is lucky to be favored by Ying Ye."

Ying Ming: "..."

Suzi's next words are even more eye-catching.

She slowly got up and smiled more charmingly: "Master Ying, I, Suzi, don't have any other skills, but I can assure you that my kung fu in that area is absolutely top-notch. month pregnant belly, but my kung fu is still as good as any woman."

"Master Ying, do you want to try it?"

Ying Ming: "..."

He was simply stunned.

It is rumored that Suzi is very arrogant and would rather die than yield. It was because of this character that she completely attracted Arron and conquered Arron.

Could it be that this slutty woman in front of you is fake?

Just in a daze, the big belly has already walked up to Ying Ming.

Her smile is like a bright autumn wave.

Very breathtaking.

Ying Ming was stunned for a few seconds.

It was during these few seconds that Suzi instantly pulled out a sharp dagger from Ying Ming's waist and stabbed Ying Ming with great precision.

"Pfft!" A knife stabbed in.

Ying Ming: "..."

Everyone present: "..."

Including Pan Haoyang, who was crying in pain, was stupid.

No one expected that Suzi would be so decisive.

So fearless.

She held the short dagger pierced into Ying Ming's chest with one hand, then turned to look at Pan Haoyang, and said lightly, "Haoyang! You should also learn something, if you want to deal with your enemy, rely on your arrogance alone. Strength is useless! You have to learn tricks that are more sinister and more damaging than your opponent!"

Yu Bi, she looked at Ying Ming again and smiled innocently: "Mr. Ying! I forgot to tell you! I am not only charming and seductive, but I am also a tigress! Those who can bite you and bleed can kill you. Damn, a tigress with a cub!"

"I'm sorry, Mr. Ying. Before you hurt my husband, I'll kill you first!"

"Go to hell! You scumbag!" Suzi suddenly drew his knife and wanted to stab a second time.

However, after all, her strength was too small.

It was easy for her to stab, but she didn't have the strength to pull the knife out.

Ying Ming smiled: "Suzi, I really didn't see you wrong, I finally understand why Arron brothers like you so much, I finally understand why Pan Haoyang doesn't want Jiangshan, and the small island he bought for 900 million yuan. with you."

"Suzi, if I marry you, I will be good to you for the rest of my life, okay?" Ying Ming held the knife in one hand and spread out the other arm, dragging Suzi's waist.

Chapter 1830

Suzi was simply incredible.

She looked at Ying Ming and sneered very lightly: “You fucking crazy! You are an idiot! I am eight months pregnant, you want to marry me? Like Pan Haoyang, you like to be cuckolded. Son, do you like to pick up a cheap daddy?”

Suzi was really angry.

Her original purpose was only to die quickly, and then to be able to solve a great enemy for her husband, she felt that she really made a profit.

But he never thought that this robber and thief named Ying Ming, like Pan Haoyang, wanted to marry her.

Is she, Suzi, unlucky enough?

Not too much to marry her.

It's the robber who wants to marry her!

What the hell did she do!

Ying Ming said very seriously: “Suzi, I'm not crazy.”

“I was serious.”

“Do you think I don’t know you? I’m going to marry you the first time I see you. I must be crazy?”

“But no.” Ying Ming smiled sadly.

Suzi: “...”

I am paralyzing you!

There was never this moment when Suzi wanted to scold foul language.

She looked at Ying Ming in disbelief.

Ying Ming said: “Your husband is my number one enemy. If I want to deal with him, I will definitely spend money to collect all kinds of information, so I am not in the country, and I still know your husband very well.”

“And you.” Ying Ming took the knife on his chest.

The blood gurgled out from the handle of the knife, making it extremely shocking to see.

But he did not frown or draw his knife.

Just like that, holding the knife on his chest with one hand and Suzi with the other, it made Suzi extremely speechless.

She suddenly had an idea in her heart that this thief was actually a tough guy.

Ying Ming continued: “I also know you a little bit, I know that you used to save a noble boy named Joan in Nancheng, you were also pregnant at the time, and you actually used your arm to block Sanford twice. Knife.”

“Therefore, Sanford’s life was saved.”

“And you, because you were pregnant at the time, you couldn’t get anesthesia, so the surgery was performed without anesthesia.”

“You know, don’t say you’re a pregnant woman, even if I’m a big man, it’s hard to do this.”

“And later.”

Ying Ming sighed: “You take care of the other son’s brother Sanford, you treat him as a brother, a lifelong brother, in order to buy him a wheelchair, a woman’s family, standing in the muddy water on the construction site ten hours.”

“Such a woman who values love and righteousness is rarely found in the world.”

“Even if I’m a thief, I, Ying Ming, hope that I can have such a woman by my side in my life. It’s worth dying for me!”

Ying Ming played with women a lot in his life.

From the time he was in Kyoto, although his status was low and he often robbed and robbed, he was tall, tall and mighty. His arrogance and arrogance had conquered many women.

After being chased by Arron and fleeing for a few years, he was also of no use to foreign girls.

Figure it out.

Dozens are not in the minority.

However, Suzi was the only one who really impressed her.

When she wants to be charming, don’t look at her pregnant belly, but her charmingness can make him feel relaxed.

When she was about to decide, she caught him off guard more than any other woman.

In the end, she was pregnant and was frightened, so her strength was too low, and he was tall and mighty, so she stabbed him together without hurting his organs.

He didn’t feel any pain.

I just feel that it is an honor for me.

Suzi was angry, and the photo paper wanted to raise his hand and scratch the face of the robber.

At this time, a woman suddenly ran over to the man.

The woman was walking a little on tiptoe, and the shorter leg couldn't bend a little, but she ran very fast and came to Ying Ming: "You... what's the matter with you?"

Ying Ming smiled gently at the woman: "I'm fine."

"Brother!" the woman shouted.

Chapter 1831

After shouting, she turned around and glared at Suzi: "You are killing my brother with a knife?"

Suzi: "..."

"Woman, you are courting death!" The Pojiao woman raised her hand and was about to beat Suzi violently. Her hand was very fast, and her fist attacked with a sturdy wind.

"Be careful, Suzi, this is a witch!" Pan Haoyang, who was curled up on the ground, shouted.

However, before the woman's fist hit Suzi's face, Ying Ming grabbed her: "Yingzi! Don't be rude to your sister-in-law like this."

sister in law?

The girl called Yingzi looked at Suzi.

Suzi gritted his teeth: "Ying Ming, you killed me! Kill me! You devil!"

She punched and kicked.

But Ying Ming grabbed her feet: "Suzi, don't make trouble, you are not suitable for such a large movement now, it will hurt your child."

“This child, Arron, has never been seen before. He is mine! Whether it’s a boy or a girl, I will treat it as my own.”

“I’ll take care of your ancestors!”

Ying Ming: “My ancestors are all dead, and there is only one widowed mother. When I was a child, she took me to wash and cook with a powerful man in Kyoto...”

“Later, my widowed mother also died.” Ying Ming said bleakly.

“Brother, stop talking!” Yingzi said while holding Ying Ming’s arm: “Come in quickly and let the doctor inside wrap it up.”

Ying Ming said to the person next to him, “Be optimistic about Madam.”

The four said immediately, “Yes, Lord Ying!”

Ying Ming looked at Pan Haoyang who was curled up on the ground again: “Bring him in too, I want to heal his gunshot wound, and I want Pan Haoyang to watch me marry Suzi!”

“Yes, Lord Ying!”

Suzi: “...”

She watched as Pan Haoyang was carried in.

Seeing that Ying Ming also went in, she was left alone on this deck.

A total of four people surrounded her.

Don’t say she’s pregnant.

Even if she wasn’t pregnant, she couldn’t run away.

A burst of despair rose in my heart.

What is she going to do?

What is she going to do?

At this time, Suzi's cell phone rang again.

She originally hid her phone under her body, but she pressed the mute button on the phone. When she confronted Ying Ming just now, the phone kept ringing again, and she didn't connect.

At this time, Suzi immediately took it out and connected it.

She only glanced at the mobile phone number and said eagerly: "Shaoqin, listen to me, Shaoqin, this man named Yingming came prepared."

"He knows everything about us, you must be careful, you must be careful, don't take it lightly."

"Shaoqin..."

On that end, no one spoke.

Suzi was stunned for a long time: "Shaoqin, is that you? Shaoqin?"

"Shaoqin, why don't you speak? Shaoqin?" Suzi was a little anxious.

She shouted again: "the only, is it you the only, is the father not around? Where is the father? the only, are you crying? Mom has heard your sobbing, baby, listen to mom, mom is not by your side You have to be a big girl."

"You will not only take good care of your father in the future, you..."

"Yi, you help your mother take care of your grandma, you know? Your grandma's life has been too hard, the only, you can't cry, you must be brave."

"The only one!" At the end, Suzi ordered.

There was a sudden cry on the other end of the phone.

That voice was not a child's voice.

The voice was not necessarily bleak and hoarse.

The voice shouted sternly: "Xiangxiang, my daughter..."

Suzi suddenly burst into tears: “Mom, you...why are you here?”
