## Chapter 1832

At the other end, Alyce burst into tears: “Xiangxiang, mother has only one request for you, don't think about it, just live, will you be alive, my daughter?”

Suzi: “...”

mother!

Do you know how hard it is to live?

Suzi also choked up: “Mom, I...”

“Live! You must live! Don't let the only one without a mother, don't let this old man have no daughter, the mother has only your daughter.”

Suzi: “Mom...”

“Promise mom, okay, mom knows that you can survive, and find a way to survive, okay?” Alyce pleaded loudly.

Suzi cried bitterly.

At this moment, it is actually easier to die than to live.

She didn't have a chance this time, she was looking for a chance, and one day she could be freed by death.

But what about mom?

Mom has been homeless for most of her life.

If she loses her daughter again in this grade, the mother will really suffer.

There is only one.

Suzi said with great difficulty: "Mom, I promise you, I will definitely live."

The mother smiled suddenly: "Well, this is my good daughter, Xiangxiang, my mother told you that I am the only one to take care of, you don't have to worry about it, child."

Suzi nodded: "I know mom. Mom, let Shaoqin answer the phone."

At this time, Arron had already answered the phone: "Suzi, you have written down everything Mom said to you, and you must live well."

"Shaoqin... Ying Ming is looking for revenge on you, you must be careful."

Arron: "Listen, live well, I will rescue you as quickly as possible, no matter what you become, you are my beloved wife, no matter what happens to our children, you just need to keep yourself. , understand?"

"Shaoqin..." Suzi was very moved.

After a pause, her tone became extremely small: "Shaoqin, I will be of the same mind as your husband and wife, and we will work together inside and out."

As soon as this sentence was finished, Suzi saw Ying Mingchong, who had been bandaged, come out of the cabin.

"I hung up Shaoqin." Suzi said.

She had just hung up the phone when Ying Ming came to Suzi and snatched the phone from Suzi's hand.

Suzi hung up the phone.

But he can call back.

After a while, it was connected, and it was still Arron's voice: "Suzi..."

"Arron, stay safe!" Ying Ming said.

Arron's tone was calm: "Ying Ming, hello."

"Aren't you worried?" Ying Ming asked.

"What are you worried about?" Arron asked.

Ying Ming immediately laughed wildly: "Haha! Arron, it's rare for you to have today!"

"Do you know how long I've been waiting for today?"

"It was your twin brother who gave me this opportunity! Now I have not only your twin brother, but also your wife!"

"Arron, your younger brother only knows that you have been dealing with him, so he wants to guide me on the island and deal with you together. He said that as long as he deals with you,

as long as he can marry your wife, then the whole island is mine, And all he needs is a small piece of the estate to spend with his wife."

"But your brother doesn't know that you didn't besiege him."

"Your big ship parked outside the island is full of supplies, all for him."

Ying Ming's words sounded like a bell.

Through a curtain, Pan Haoyang in the cabin could hear it clearly.

He was in shock.

The shocked whole person was stunned.

Shocked, he took the bullet out of the crook of his leg and he didn't feel any pain.

original!

It turned out that Arron had never attacked him.

It turned out that the ship was full of supplies, but it has already made his island rich in supplies?

It was Qin Wenyu who lied to him.

## Chapter 1833

Pan Haoyang, who was not under anesthesia on the operating table, suddenly cried.

“Haha!” Ying Ming laughed even more wildly: “Arron! Your younger brother doesn’t even know how affectionate you are, but I do!”

“Back then, you almost died trying to save Kraig’s life.”

“You and the protection of Kraig, that is also a nine-death life.”

“Actually, you are not cruel at all, especially to your relatives.”

“I know you better than anyone, so today, your brother is in my hands, and your wife is in my hands. Do you dare to bombard me with a single shot?” Ying Ming asked.

Arron answered truthfully, “I don’t dare.”

“Haha! Hahaha! I’m so addicted!” Ying Ming laughed.

He said into the receiver: “Arron, I’m here today, I’m calling you in a month, because in a month, I’ll be all ready, if you want your wife to come back to you, If you want your brother to live, be honest with me.”

Arron asked, “What do you want?”

“Fu Group, Nancheng? All, as long as I have it, I will give it to you.”

Ying Ming said: “This month, I will make a clear list.”

At this time, Suzi shouted desperately: “Shaoqin, he wants revenge, what he wants in the end is your life! Shaoqin...”

The phone 'pop' hangs up.

Suzi looked at Ying Ming as if dead.

Ying Ming raised his hand to slap Suzi and finally landed in the air.

He touched Suzi's face: "I won't hit you, nor will I kill you."

"I want you to know how much I cherish you, a woman of the highest quality in the world, and I will marry you when I get everything."

"Do you know why?"

"Because, you are in my hands, I will win without a doubt, you are my invincible magic weapon, with you, Arron will obediently come to die!"

Suzi: "..."

At this moment, she was desperate and angry.

She also gave birth to fighting spirit in despair and resentment.

She sneered: "Okay! I'll wait!"

Ying Ming was very satisfied with Suzi's answer.

He turned his head and shouted loudly with the microphone: "Set sail! Back to the island!"

The ship opened in an instant.

This boat from Nancheng went farther and farther from Nancheng.

Suzi's letter became more and more ruthless, and her eyes gradually lost tears, some were just ruthless.

But at this moment, in Nancheng, her home, Shen Weiyi and Alyce were holding their heads in pain.

"My hard-working granddaughter, grandma will take good care of you, and your mother will definitely come back. Your mother is the strongest, understand, baby?" Alyce said while holding Shen Weiyi.

Shen Weiyi nodded: "Well, the grandma I know, let's wait for mother to come back together."

"My mother will be back soon."

She looked up at her father: "Dad, our whole family is fighting that big bad guy!"

At this time, Arron was the calmest.

He's always been someone who doesn't get angry easily, and someone who isn't easy to knock down.

He calmly said to his daughter, "Before I clean up Ying Ming, I have to clean up another person first!"

Shen Weiyi: "Who is it, Dad?"

Arron hadn't spoken yet, when the doorbell rang.

Who will it be?

Arron thought that Kraig was alive and Yan Yanmin tolerated them.

He called Sister Li: "Sister Li, go open the door."

Sister-in-law Li immediately ran to the door and quickly opened the gate. However, she was stunned when the colleague opened it.

She said angrily: "Please go out! Go out!"

However, Sister Li did not stop the people coming.

The visitor still pushed Mrs. Li away very strongly and came in.

At this time, Arron also turned around and saw the person coming, and two groups of anger suddenly appeared in his eyes: "You actually came to the door yourself!"

## Chapter 1834

Arron raised his hand to slap Fu Zhengxiong's face, but Alyce blocked him: "Shaoqin, you can't hit your father! That's your father!"

Arron: "..."

There was anger in his eyes.

The knuckles clasped in both hands rattled.

However, because Alyce was in the middle of him and Fu Zhengxiong, Arron's hand could not be hit.

Just at this time, Kraig also came.

In fact, Kraig drove Arron here, and when Kraig parked in neutral, Fu Zhengxiong came up by himself.

Fu Zhengxiong heard that the only one who ran back safely, he was extremely excited, he begged Kraig to let Kraig bring him, and Kraig also wanted to ask what happened to Fu Zhengxiong and how he communicated with Pan Haoyang. United.

I want to find an entry point to rescue Suzi from this aspect.

That's why he brought Fu Zhengxiong to Arron.

Kraig looked at Arron apologetically: “Shaoqin, Uncle Fu is your father after all, and besides, even if you kill Uncle Fu, Suzi still can’t be saved, our top priority now is to find a way to save Suzi. return.”

Having said that, Kraig put Arron’s hand down forcibly.

At this time, Fu Zhengxiong saw the small figure from Arron’s hand.

Shen Weiyi was extremely unfamiliar, extremely painful, extremely sad and lost, and looked at his own grandfather.

Just two days ago, she just admitted her grandfather from the bottom of her heart.

The little girl thinks it is good to have a grandfather.

very happy.

Even Shen Weiyi saw his classmates and told them: “I have a grandfather. Although my grandfather is a bit old, my grandfather is a very handsome and handsome old man.”

She even made an appointment with her classmates to come to see her grandfather at home.

Being fooled by Shen Weiyi, the classmates are very rare and want to see Shen Weiyi’s handsome grandfather as soon as possible.

But now...

Shen Wei’s eye circles instantly turned red.

Tears rolled in her eyes, and her tone was very light, even losing the tenderness that is unique to children. She asked quietly, “Aren’t you my grandfather?”

Fu Zhengxiong’s heart was torn apart.

My grandson!

The only granddaughter!

His old voice choked: “Baby, I am your grandfather, my grandfather.”

“Fu Zhengxiong, get out of here! Get out!” Arron roared suddenly.

Fu Zhengxiong was so frightened that he didn't dare to say anything.

He only looked at Shen Weiyi.

The tears in Shen Yiyi's eyes seemed to be shaken off by her father's roar. The tears fell on the cotton wool of her little rabbit head, and the little rabbit head's ears were hit by the tears, and her head was stunned.

Shen Weiyi raised his head and said faintly: “No! You are not my grandfather, you are the one who wants to kill me! I know you are my father's father, but you don't kiss me, you hate me. “

“You've always wanted to kill me.”

“Mr. Fu, you want me to die, why don't you tell me directly? If you tell me directly, I may promise you.”

“Because I want to protect my mother.”

“Don't tell me, now my mother went to save me. She fell into the hands of my fourth uncle. My mother still has a child younger than me in her belly.”

“If my mother dies, it will kill two people.”

“Mr. Fu, do my mother and I have any grudge against you? Why do you kill us again and again? I'm only six years old, and I never saw you before I came to Nancheng. I didn't offend you, why do you always want to kill us? I?”

Fu Zhengxiong: “...”

A six-year-old child seems to have grown up suddenly.

That tone was extremely calm.

Terribly bleak.

Fu Zhengxiong was horrified when he heard it.

It also made him feel ashamed and wanted to die immediately.

“only.....”

“Don’t call me! You didn’t call my name! Go away! You devil! Demon! The devil pretending to be my grandfather! I don’t have a grandpa at all, you are my enemy! Go away! Go away!” The little girl suddenly Sharp voice.

Her childish voice finally came out.

## Chapter 1835

She was so hysterical crying.

“roll.....”

Fu Zhengxiong: “...”

At this moment, two more people came in outside the door.

One of them was Darius.

When Darius heard Shen Weiyi’s scream, he immediately ran in three steps and two steps. Seeing Shen Weiyi crying hysterically, Darius hugged Shen Weiyi.

“The only, the only.” Darius shouted distressedly.

There was another person behind him.

It was Mr. Shu, who was trembling and walking unsteadily.

Mr. Shu, who hasn’t come forward for a long time, looks much older than a year ago.

This year, his health has not been very good.

His relationship with Alyce has eased a little, and it’s just that Alyce is no longer driving him, but Alyce is still reluctant to call Mr. Shu a father.

Seeing Mr. Shu coming in, Alyce asked casually, "Why are you here?"

"I..." Mr. Shu looked at Shen Weiyi distressedly and said, "I just want to see the only one, child...the child is so pitiful."

Shen Weiyi was the doctor's sharp cry: "Go away! You are all bad guys! You damn old man! Why are you still not dead!"

Master Shu: "..."

"You all bully my mother!"

"All bullying my mother!"

"What the hell does my mother owe you? You have to bully my mother like this!" Shen Weiyi went crazy.

He scolded both Mr. Shu and Fu Zhengxiong.

A six-year-old child, how can her mental endurance be as good as that of an adult?

This kind of Shen Wei made Alyce extremely distressed. She hugged the child in her arms: "Don't cry baby, don't cry, grandma is here."

At this time, Rayna and Galia also rushed in.

The two girl colleagues guarded Shen Weiyi and grandma in the middle.

Only then did Shen Weiyi cry loudly: "Aunt Galia, Aunt Rayna, woo woo woo..."

"Don't cry for the only one, don't cry." Rayna put his arms on his hips, and said like a tigress: "Who would dare to bully us Shen Wei in the future, I'll go in with her with a white knife, and come out with a red knife!"

"The only thing in the future, if there is a slight mishap, I can't get around you!"

"I'm a b!tch, I have no money and no power, who the hell am I afraid of!"

After what he said, Fu Zhengxiong was ashamed.

Mr. Shu was also very ashamed.

At this time, Darius said to the old man, "Grandpa, I said... I won't let you come first. You have to come. Look at the only one, what if such a small child is stimulated?"

Mr. Shu explained aggrievedly: "I...I'm just worried about this child, your aunt, and Xiangxiang, I'm worried about them..."

"Grandpa, listen to me, if you put yourself in your own shoes, go back first. I told the driver to take you home first."

The old man Shu nodded lonely.

At this time, Darius comforted Fu Zhengxiong again: "Uncle Fu, you..."

After a pause, he said, "Uncle Fu didn't tell you about me. I'm afraid there is only a grandfather like you in this world who can be ruthless enough to deceive your own granddaughter."

"Do you know what you lied to about your own granddaughter?"

"It's her trust in you and her affection for you."

"Maybe, you will lose your granddaughter in your life."

Fu Zhengxiong burst into tears: "Azhen, I know I'm wrong."

"Uncle Fu, go back first, don't let the only one get stimulated." Darius said.

"I....."

"Get out now!" Arron, who had been calming down his guilty conscience all the time, shouted angrily from the doctor again.

Fu Zhengxiong turned around and took a heavy step.

Just then, his cell phone rang.

Pick it up and connect: “Hello?”

Immediately afterwards, Fu Zhengxiong’s voice changed: “What, dead... dead?”

### Chapter 1836

Fu Zhengxiong’s phone fell to the ground.

Everyone looked at him.

Fu Zhengxiong turned to look at Arron, and said in a low voice, “You... your grandfather is dead.”

Arron: “...”

Everyone: “...”

The old man Fu Hengsheng is also considered to be a long-lived, 102 years old.

Even if it is dead, it can be regarded as the end of life.

So the people present were just shocked, not too sad.

However, as the old Taishan of the Fu family in Nancheng, it is still not a trivial matter to drive a crane to the west.

The foundation of the Fu family in Nancheng can be said to be a tree with deep roots, not only in Nancheng, but also in Kyoto with a wide range of connections.

The death of Mr. Fu is bound to alarm everyone.

So at this moment, even if Fu Zhengxiong wanted to explain something to Arron, and wanted to ask Shen Weiyi's forgiveness, he couldn't be here anymore, and he had to go back to handle the old man's funeral immediately.

"Shaoqin, you don't have to worry too much about the old house. I, I can handle your grandfather's funeral. You...you and Jingyu, you can think of a way to deal with Suzi wholeheartedly." Fu Zhengxiong He looked at Arron in a pleasing manner.

Arron's cold words: "I didn't plan to worry about it, I won't go back at all!"

Fu Zhengxiong: "..."

Arron's words really hurt his father.

But, at this moment, he can't care about anything with his son.

At this time, Kraig supported Fu Zhengxiong and said, "Old man, go back first. I will persuade her from Shaoqin's side. The top priority now is to save Suzi first."

"After all, Suzi's life is in the opponent's hands, and a minute later is more dangerous."

Fu Zhengxiong left in a hurry.

At this time, Kraig came to Shen Weiyi, looking at the excited collapsed little girl, Kraig was bleeding in distress.

He has always regarded the little girl as his daughter.

He has always told Dalia that if they have no children, then they will treat the only one as their child, so seeing Shen Weiyi collapse like this, Kraig's heart is no better than Arron.

His voice became extremely gentle: “The only one, tell Uncle Jun, do you want Aunt Shanshan and brother?”

Shen Weiyi looked at Uncle Jun with tearful eyes: “Uncle Jun, my mother was taken away by the bad guys.”

Kraig nodded: “Uncle knows, uncle promises you that he will save your mother safely, he will! If uncle can’t save your mother, uncle will cut off his head and give it to you.”

Shen Weiyi’s mood was a little better: “Really?”

“Uncle Jun never lies.” Kraig said.

Shen Weiyi’s mood calmed down a little: “Thank you, Uncle Jun.”

Kraig changed the topic a little bit: “The only one, Aunt Shanshan is waiting for you, the little brother is still waiting for you in the hospital, and your mother, who rescued your mother, all need your care, the only one, Uncle told you that you are now the last one in the mission, do you understand?”

Shen Weiyi nodded immediately and said sensible: “I understand, Uncle Jun.”

“So dear, from now on, you have to be sensible, not to get angry, not to collapse, you have to be strong and brave. Only then can you take care of your mother. Do you understand? I know that Shen Wei in our family is the bravest, most sensible and the most sensible. Understood, right?”

Shen Weiyi nodded desperately again: “Uncle Jun I know, don’t worry, I won’t collapse again, I will be calm in the future, because...”

Shen Weiyi choked his throat and forcibly held back his own tears: “Because only in this way can I truly not worry my mother, protect my mother, and protect my father, the only thing I know is that my father is also sad now, we It can’t happen again.”

A small, six-year-old child, she suddenly grew up when her family suffered such great changes.

## **Chapter 1837**

like that person.

Seeing such a sensible daughter, Arron's throat couldn't help choking.

"Shaoqin." Kraig got up and looked at Arron: "Shaoqin, I know how much you hate people in the old house, and I know how much you don't want to attend your grandfather's funeral, but Shaoqin, let me tell you, maybe this It's an opportunity."

Arron's eyes lit up, he looked at Kraig, so Kraig continued to speak.

At this time, Kraig was the calmest person in Arron's house.

Kraig said calmly: "Grandpa's death, when the time comes, all kinds of people will come back and you will be very busy, and they will feel that you are relaxed. Once they feel that we are relaxed, they will It will feel that there is an opportunity, and then we will not know it again..."

"Got it!" Arron immediately understood what Kraig said.

He said coldly: "I will go to the funeral, and I will do it. I want to see what else Qin Wenyu can do."

As for Suzi being held hostage by Pan Haoyang, if it was only his father, Fu Zhengxiong, he couldn't have been bewitched like this.

Among them, there must be Qin Wenyu's push.

After all, it was Arron who killed Qin Wenyu's sons. When there was no chance, he would do so. Once he had the chance, Qin Wenyu would also swoosh and bite.

Kraig also sneered: "I have to tell you Shaoqin when it comes to Qin Wenyu. I brought Uncle Fu here. I also learned something along the way."

"I learned from Uncle Fu that Pan Haoyang really went to Qin Wenyu before he decided to kidnap the unique. He wanted Qin Wenyu and Uncle Fu to deceive the unique. Uncle Fu did not agree at first, but Qin Wenyu did not. Strongly agree."

Hearing Kraig say this, Arron raised his fist and smashed it against the wall.

His hand was smashed with blood.

“Dad...” The only distressed hugged Dad’s hand.

Arron smiled gently at his daughter: “Dad is fine, daddy is fine.”

He hugged his daughter.

Suddenly there is a feeling of being dependent on my daughter.

He thought again, in the past five years, Suzi has also lived with the only one like this, right?

The only one who ran out of his father’s arms took the medicine box and came back. The little child has already applied medicine to his father.

After applying the medicine, Shen Weiyi raised his eyes and said firmly to Arron, “Dad, Weiyi wants to attend the funeral of the great grandfather with you.”

Arron nodded: “Dad bring you.”

No one knows how the father and daughter feel.

However, in the early morning of the next day, Arron drove Shen Weiyi to the Fu family’s old house.

Outside the old house, more than a hundred high-end cars have been heard.

The people in the car came down one after another to offer condolences.

Arron and Shen Weiyi, both wearing black clothes, walked slowly into Bai Su’s old Fu family house.

Seeing the arrival of the father and daughter, everyone was shocked, and even the guests present were shocked.

After all, Arron's wife was kidnapped. It's not a trivial matter, it's something that everyone in the upper circle knows, and they all know that Arron hates his father and aunt very much for this.

Therefore, they did not expect that Arron would bring his daughter to the funeral.

The shock of these people was all within Arron's expectations.

However, what surprised Arron was that he saw a person.

The woman was standing behind Qin Wenyu. She was trying to make herself look sad and solemn, but her tone couldn't help but be proud: "Arron, we meet again."

Arron asked in an extremely cold tone, "Elma, are you the mastermind behind the scenes?"

### Chapter 1838

Elma finally couldn't help laughing: "Arron, you didn't think that I could come back, and I came back alive."

Arron: "..."

This is really unexpected.

Elma was first chased and killed by Kraig, and then escaped with the help of Fu Zhengxiong and Qin Wenyu, thinking that he was carrying Pan Haoyang's child, but he was tortured to death by Pan Haoyang.

At that time, everyone had heard Elma's call for help.

But, everyone knew that Qiu Cun's heart was dead.

But she never thought that she could escape from Elma.

And can go back home.

"How did you get back?" Arron asked lightly.

"Ha!" Elma couldn't help laughing proudly.

But just smiled, she saw a pair of extremely cold eyes staring at her, and those eyes were cold as if they were going to kill.

Elma followed that gaze and saw that it was Shen Weiyi.

After a year of absence, the six-year-old girl has grown into an adult.

The six-year-old Shen Weiyi's eyes were firm, cold and calm.

Much like Arron.

"Miss Qiu, I know you!" Shen Weiyi said coldly.

This sentence, I know you, made Qiu Cun feel a chill on the back of his heart.

"Eh...that..." Qiu Cun's heart stuttered.

"You are very capable." Shen Weiyi said again.

Elma: "... How can this six-year-old girl speak like an adult?

How could she have imagined that a six-year-old child escaped from his uncle's palm alone, walked to the kindergarten on his stomach, and then walked back home from the kindergarten.

She fought through difficulties all the way, but when she returned home, her mother who loved her the most went to rescue her, and fell into the hands of her fourth uncle.

Not only that, but now he is being held hostage by a group of robbers at sea.

It was a devastating blow for a six-year-old.

Shen Weiyi, who was originally bold, calm and careful, naturally became calmer, more informative, and more calm.

“How did you escape from the clutches of my fourth uncle?” Shen Weiyi asked.

Qiu Cun’s heart froze when she was frightened by the only gaze and questioning, but then she thought, how could she be frightened by a six-year-old child?

She immediately said sharply, “Ha! Who am I, Elma?”

“I think when I was abroad, what did I never experience or see? Just your fourth uncle, can he trap me?”

“As long as I do a little trick, it’s still very easy to get out of him!”

“Humph!”

No one knows how Elma escaped from Pan Haoyang’s island.

Only she, Qiu Cun, knew.

She has no organs that can give birth to the next generation, but this also makes it convenient for her to use her body to trade, at least she doesn’t have to worry about getting pregnant again.

After escaping from Pan Haoyang, she had followed many men.

From excavating manure, to changing too.

It was all experienced by her Elma.

The most ruthless one was on the boat, one day and one night, with more than 30 people, and then she fainted from exhaustion.

But after waking up, although the whole person seemed to fall apart, he really returned to Nancheng.

As long as she can go to Nancheng, she can go back to Kyoto from Nancheng.

As long as she comes back, she will naturally want revenge.

In this life, Elma will never have children of her own again, so she will never let any woman she hates feel better.

no way!

The first person she wants to break down is Suzi.

Now, she has almost collapsed.

One more step, one more step, even if Suzi is alive, it is unlikely to get back with Arron.

This is Elma's vicious plan.

## Chapter 1839

Ha ha!

Qiu Cun was very proud in his heart.

Her pride was undisguised in front of Arron, and even more undisguised in front of the child Shen Weiyi.

But Shen Weiyi said sharply: "Well, it shows that you are very scheming."

"That's natural!"

"So, my fourth uncle kidnapped me first, and then tricked my mother into this vicious tactic, is it you who came up with it?" Shen Weiyi asked calmly.

Qiu Cun was stunned for a moment.

This little brat, so smart?

“What nonsense are you talking about! I hate that your fourth uncle is too late! How can I help him come up with ideas?” Qiu Cun said a little angrily.

Shen Weiyi sneered.

She and Dad were standing side by side.

She held Dad’s hand.

At this moment, Dad didn’t speak, because Dad’s eyes were looking at Qin Wenyu.

Shen Weiwei knew that at this grandfather’s funeral, only she and her father were of one mind. As for Uncle Jun, although they were also of the same mind with Dad, Uncle Jun and the others could only come to express condolences, so they couldn’t stay close to Dad. with her.

So, at this funeral, only she and her father worked together to deal with everyone.

At this moment, Dad dealt with Qin Wenyu.

And she Shen Weiyi, let’s deal with this Elma!

What happened to six years old!

Don’t underestimate a six-year-old child!

Shen Weiyi sneered twice, and suddenly said sternly: “Elma! If you weren’t in front of my grandma, I probably wouldn’t doubt you! But you are standing in front of my grandma now! This means that you have contacted my grandma again! “

“But if the hatred between you and my fourth uncle is not resolved, how can my fourth uncle let you get close to my grandparents!” Suzi suddenly scolded.

“Elma! My fourth uncle made you like this!”

“You don’t hate him?”

Elma: “...”

Shen Weiyi said aggressively: “But, with my fourth uncle’s temper and how much my fourth uncle hates you, my fourth uncle can’t tolerate you at all! Unless you take the initiative to admit to him! Take the initiative to give him vicious attention !”

Elma: “...”

She was more and more afraid of this six-year-old child.

The kid didn’t look immature at all.

Not at all like a child.

It’s like an adult who has gone through a lot of wind and waves.

“It’s you!” There were tears in Shen Wei’s eyes.

Besides, she looks like an adult, but she is still a six-year-old child. When she thinks of her mother, Shen Weiyi still cries.

She held back her tears and sneered: “It was you who gave my fourth uncle an idea, let my fourth uncle come to my grandparents, and then let my grandfather find a way to deceive me, so that I can easily get rid of me. Kidnap and take my mother away, right?”

Elma: “...”

“Answer me! Isn’t it!” Shen Weiyi suddenly scolded again.

Elma came back to his senses immediately.

She concealed the fear in her heart, but forced herself to sneer and said calmly: “Shen Weiyi, you are the little princess of the Fu family, the only daughter of the fourth master of the Fu family. For my sake, I didn’t say anything.”

After she finished speaking, she hid behind Qin Wenyu.

At this time, another woman behind Qin Wenyu stood up involuntarily.

It was a strange woman, Shen Weiyi had never seen before.

The woman's eyes kept looking at Arron.

Shen Weiyi immediately understood something.

"Elma!" Shen Weiyi scolded again.

She didn't have to wait for Elma to answer, but pointed to the strange woman next to Elma and said, "You brought this woman here!"

The strange woman immediately smiled gently: "Hello, little princess Fu, I'm Elma's friend, and also a friend of your grandparents."

Shen Weiyi rolled his eyes and sneered: "Want to seduce my father while my mother is away?"

The woman: "..."

Shen Weiyi said her purpose.

She really came to seduce Arron.

No!

It can't be considered a seduction. It was Mrs. Fu, Qin Wenyu, who invited her to come. She has been in Nancheng for several days, but she didn't expect to meet the sudden death of the old lady of the Fu family.

Shen Weiyi sneered: "Don't speak? Even if you don't speak, you admit it yourself, right?"

"You!" The woman was a little angry on her face, but she still didn't break out. She looked at Qin Wenyu with a sullen face: "Old Madam Qin, this is your... granddaughter?"

As soon as she spoke, she looked at Arron again: "Fourth Young Master Fu, I haven't seen you for many years. Is your daughter so old?"

Shen Weiyi: "..."

She raised her head and looked at her father in confusion.

Arron said to Shen Weiyi: "Only, don't be so rude to Miss Jin."

Shen Weiyi asked, "Dad, do you know this Miss Jin? You and her have been hooked up for a long time?" If that was the case, Shen Weiyi would cry to death today.

No, before she cried to death, she had to kill her grandfather and bite her grandma to death!

Bite Elma to death!

Kill all the people who harmed my mother here.

Dad is the only one left!

Let him live alone!

snort!

Thinking of this, Shen Wei's eyes turned red.

“Honestly speaking, Miss Shen.” The woman who was called Miss Jin by Arron looked at Shen Weiyi and spoke to Shen Weiyi in a very equal tone.

Miss Jin asked, “I can call you Miss Shen, a six-year-old child. It stands to reason that she can be a little lady.”

Shen Weiyi immediately said: “Yes! I am Miss Shen! Please introduce yourself!”

Shen Weiyi stood in front of his father and hurriedly said everything.

She raised her head and cocked her feet.

Trying to be as high as Miss Kim.

But she only reached Miss Jin’s waist.

irritating!

Miss Jin smiled slightly: “Hello, Miss Shen, my surname is Jin, my full name is Jin Meitian. My family is a real noble in Kyoto, and I know your Fu family is also a first-class noble in Nancheng. Your father is even more unequivocal in Nancheng. Even if the Jun family and the Fu family come together in Nancheng and Kyoto, they are not as honorable as our Jin family.”

“Because if the Jin family goes back two hundred years, I am a true princess.”

“The princess who is worshipped by all the people.”

She said these things casually, rarely politely, and confidently.

There is no thorn in the words.

She looks so ladylike and refined.

However, there are some words that a six-year-old illiterate cannot understand.

“What are you chasing, what are you modeling? What are you a princess? I am a princess, okay! My uncle Christopher has always

called me a princess! You are so old, what a princess, what a princess! You are still acting like a spoiled child!" Shen Weiyi contemptuously tone said.

Jin Meitian: "..."

Christopher, who had been following not far away, couldn't help but want to laugh.

This little princess is really good when she is messing around.

Haha, maybe it can make the gold medal princess lose her elegance.

But on this occasion, Christopher must not laugh.

He just watched silently.

Jin Meitian still patiently explained to Shen Weiyi: "It's that my ancestors were emperors two hundred years ago."

"Haha!" Shen Weiyi understood now: "But it's not anymore! You said something that happened 200 years ago, go back to 200 years ago!"

## Chapter 1841

Jin Meitian is also not angry.

She still kept smiling: "I mean, I'm still a noble now."

"A nobler nobler than the Jun family in Kyoto and the Fu family in Nancheng."

Shen Weiyi nodded immediately: "Understood, that is, your identity is more noble than our Fu family and my uncle Jun's family. You are the most noble family in the world, the Jin family. Is that right?"

Jin Meitian nodded: "That's what I mean, so little boy, you must be polite and respectful when you talk to me, because your grandparents and your father are very respectful in front of me."

Shen Weiyi suddenly smiled: "Ha!"

Jin Meitian: "..."

“My grandparents are respectful to you. Since your status is so honorable, why do you still think about coming to my mother’s corner! Thinking about seducing my father! Jin Meitian, you must know that my father was married, and his wife It’s my mother.”

“A noble woman like you, are you going to be my dad’s mistress?”

The little girl’s tone was aggressive.

The forced Jin Meitian’s face turned white for a while.

“You! Shen Weiyi! You’re too much!” Jin Meitian scolded suddenly: “When did I say that I’m here to seduce your father, and I’m here to be your father’s mistress? Don’t take a sip. I’m the mistress, I’m the mistress. To seduce your father!”

With words, Jin Meitian turned to look at Qin Wenyu, who had not spoken all the time: “Old Madam Qin...”

Qin Wenyu’s eyes were always on Arron.

Arron has been watching her since he came in, and she felt chills when he saw it.

She also examined Arron and Shen Weiyi.

She wanted to see how much Shen Weiyi and Arron hated her from their expressions.

As a result, seeing Qin Wenyu’s heart froze, she didn’t even hear Jin Meitian calling her.

“Mrs. Qin.” Jin Meitian shouted again.

Only then did Qin Wenyu come back to his senses.

She looked at Arron embarrassedly, trying her best to maintain the majesty of being the mistress of the house: “Shaoqin! I know that you have been in a lot of trouble for Suzi’s affairs these days, but no matter how troubled you are, you have to take care of your own decency! “

“And the only one!”

“She is already a big child! She is about to go to elementary school. As a child of the Fu family, she must learn to be a little lady!”

“You can’t see outsiders like this, just like a little bitch!”

“Especially Miss Jin is our guest!”

“After a while, the head of the Jin family will also take a plane from Kyoto to express condolences to your grandfather. The head of the Jin family is the only family in the whole country. They come to express their condolences for your grandfather, and they are all looking at me and your father’s face!”

At this time, Qin Wenyu could only be so guilty that he moved the Jin family out to suppress Arron.

Arron sneered: “Really!”

Qin Wenyu: “Shaoqin, what tone are you using to talk to Mom!”

She has to work hard to maintain her majesty as a mistress in front of Jin Meitian.

Arron sneered again.

He didn’t say anything, just turned around and left.

“You... Shaoqin!” Qin Wenyu shouted behind him.

Arron didn’t look back.

Only holding Shen Weiyi to go inside.

When the old man died, he was his grandfather after all. Death is a big deal. No matter what, he had to take the only one to kowtow to his ancestors.

When holding Shen Weiyi further and further, Arron said to Shen Weiyi: “Little friend, you were very brave and witty just now. It can be seen at a glance that Jin Meitian is trying to grab a seat with your mother?”

Shen Weiyi raised his head and sneered: "I am very sensitive to all my mother's rivals in love!"

"Yeah! My daughter's agility is first-rate." Arron stepped over.

"Humph! Who made me your Arron's daughter? If there is a father, there must be a daughter." The six-year-old girl had long ago said this sentence on her tablet computer and various cartoons.

Arron couldn't help laughing and said, "But let me tell you little friend, you just showed your edge."

"What's the edge? What's revealing?" Shen Weiyi didn't understand, she looked up at her father.

Arron's face became cold and gloomy: "Qin Wenyu jumped off the wall!"
