

PUNISHED BY HIS LOVE

Chapter 2320 - 2321

Alyce smiled slightly: "Because of you."

Suzi immediately asked: "It was Youming's two sisters who were looking for That time you came here?"

Alyce nodded and said, "That time, Tong Jianan's soul was gone, she hid in the yard, her legs were shaking, I saw it really, I just thought I didn't know anything, I I tried my best to comfort him."

Suzi smiled: "Mom, I didn't expect that I offended you once, and it helped you?"

But Mom. Do you know what it was like to worry about me at that time?

I don't plan to intervene in your relationship, because I think my daughter is a junior and shouldn't intervene.

No matter who you talk to as friends, I support it.

However, it is because before that, Shaoqin was in a restaurant and saw with his own eyes. Seeing Tong Jianan playing drunkenly and looking like a rogue.

This made me and Shaoqin extremely worried.

I asked for leave from the company that day, just to see you.

As a result, I ran into trouble with Pan Youming's two sisters and followed us all the way. Come here, all kinds of coincidences collided.

Don't you know, I saw Tong Jianan's greasy face, and it looked like a little white face eating soft rice, I really wanted to kill him on the spot!

Mom, I'm not afraid Others.

I'm not afraid of him cheating money, it's a big deal to lose some money.

What I'm most afraid of is that he will empty your heart, and in the end, you will be left with no money, will you still be able to live?

I'm mainly afraid of this. “

“Mom knows, mom knows.” Alyce hugged Suzi and said gently.

“Mom knows that you are the most loving mother's daughter in the world.

If you wanted to treat me a little less, the reaction that day would not be so big.

Mom knows that.

However, at that critical juncture, we managed to do it early. After all the hard work, it's almost time to close the net, if you start to panic, everything will be for nothing.

So mom can't tell you the truth.

Mom has made you worry, baby.”

Alyce looked at Suzi apologetically.

“Mom, don't say that. In fact, I don't care enough about you. I thought I would come to see you once a week with my children, so I was very diligent and filial, but I never thought that this month, I don't even know that so many things happened around you.” Suzi felt extremely guilty.

Mom is witty, so nothing matters.

But what if my mother has something to do with her?

Alyce looked at Suzi kindly: “Son, it's not your fault, my mother deliberately hides it from you and doesn't let you know, how could you know, when you come every weekend, I let Tong Jianan deliberately set the time Yes .

I told him that I am so old, and falling in love is a very shameful thing.

Especially I don't want my daughter and son-in-law to know.

Unless one day, I get married. I will notify my daughter.

Besides, there is Your grandfather is watching and listening to Tong Jianan all the time. Tong Jianan doesn't dare to interfere with me at all.

This was originally a plan we made with Police Officer Xiao Yang.

Therefore, my mother will be very safe in terms of personal life. “

“But in this case, wouldn't Tong Jianan want to jump off the wall?”
Suzi couldn't help asking his mother.

Mother smiled: “yes, the ultimate goal that mother and police officer Xiao Yang want to achieve is not only to keep Tong Jianan from getting close to me, but also to want him to see that I have a lot of wealth as much as gold and silver.

Then , let him jump over the wall a few times.”

Suzi was curious again: “Mom, then, for more than a week, how did Tong Jianan jump over the wall?

How did you catch them all in one go? “

Alyce continued to recall.

Since Mr. Shu threatened Tong Jianan, and then Tong Jianan encountered the police who were called by the three sisters Pan Panpan, Pan Gaaigai, and Pan Youyou and blocked the door of Alyce's house, Tong Jianan was like a frightened bird.

Everything came as a surprise.

But, because Alyce kept showing his favor, he couldn't help but respond, but the response could only be sending flowers every day.

Every time this happens, Alyce gets angry: “Don't you like me? If you don't like me, tell me earlier! I won't pester you!”

Tong Jianan said in a very embarrassed way: “I, I promised your father, I.....”

Chapter 2321

“He is not my father! I have never met him!

Why, you want to meet my father You

are a liar, right!

You don’t like me, you actually like my dad’s money?”

“No, Alyce!” Tong Jianan was even more anxious.

“You listen to me, you listen to me first, okay? Whether you admit it or not, he is your father, but he has always existed and is outside your house every day.

You can deny him.

But what about outsiders?

Outsiders have to admit it.

If I want to continue walking with you, I have to obey your father’s arrangements.

He has no other requirements.

He just won’t let me get close to you.

He is doing it for your own good.”

Alyce cried at the time: “Why! Why does he want to do this, he doesn’t see me better, doesn’t see me happy, does he?

Want to force me to recognize him once?

No!

I just don’t recognize him, never ! I ‘ll never recognize

him! I

won't recognize him!

Go tell him, I just want to marry you!"

Tong Jianan: "..."

He really felt that it was too difficult for him to be caught between Mr. Shu and Alyce. .

Sandwich cookies!

Returning to his gang's den, Tong Jianan threw the cup and the plate angrily.

The whole gang was very anxious.

Even the eldest brother frowned: "What can we do? The relationship between father and daughter is like this, and we really can't afford to go in two different directions."

"Is it difficult to give up?" Someone said unwillingly arrive.

"No!" Tong Jianan was the first to object.

Everyone looked at Tong Jianan.

Tong Jianan said: "The old man is very fond of her daughter, otherwise he will not stare at me so much. Since she cares about her daughter, he will not care how much money is spent on his daughter

. He went bankrupt." The

boss's eyes suddenly lit up: "You mean, we used his daughter to threaten him?"

"At the moment, there is only one way, for the sake of safety, we have to dispatch all of our staff this time. Old man Shu is an old fox, and it's hard to deal with."

"Okay! As long as we can get money! We'll make him billions!"

“And then sell his daughter for a good price!”

“Where do we start from?” Boss Ask Tong Jianan.

Tong Jianan sneered faintly: “Alyce has been urging me a lot recently, she already trusts me completely, so I will first provoke her relationship with her father, anyway, she also hates her father

. Push her to let her fly away with me.

Then...”

Everyone listened with joy.

This method is good.

The whole gang was in unanimous approval.

After all, this is a short-term and fast, and can get billions of assets.

After they negotiated, Tong Jianan came to find Alyce.

Opening the door, Alyce’s first words to him were: “Jia Nan, let’s get out of here. As long as I leave my father’s surveillance, I can marry you. Okay, Jia Nan.

” Believe it: “You...what did you say?”
