

# PUNISHED BY HIS LOVE

## I' m Sorry My Love Novel Alternative

### Chapter 2366

Arron sneered indifferently: "Do you say it again?" On

the other end, Shu Mingxia was born with a sneer: "Arron! You think I am Are you kidding me? Then I'll tell you! I'll figure it out later! I've already kidnapped your daughter anyway, so I've offended you. I'll just

offend you completely.

I killed you directly!

Say it, you want your daughter! You still want your trillions of assets!"

Arron said casually: "Of course I want trillions of assets."

Shu Mingxia: "You. ....Are you a beast? You don't even care about your daughter's life?"

Arron sneered meaningfully: "What do you think?"

Shu Mingxia: "..."

He covered his phone and turned around. He went over and discussed with his two younger brothers: "Arron is crazy! He must be crazy! Damn, he doesn't even want his own daughter! He wants his trillions of assets! This... how can this be? What to do?"

Shu Mingtian sighed: "Brother, Shen Weiyi is a girl after all! For an industrial family as big as the Fu family, a girl is the icing on the cake, don't forget that Shen Weiyi is not Arron's only child. He

also has two sons!

For someone like Arron who is used to being ruthless and has always done some unexpected big things.

Sacrificing one of his daughters. What's the point?

When we kidnapped, we should not kidnap Shen Weiyi, but his two oldest sons.

right!

Both are kidnapped!

His two sons are very young, as long as they are kidnapped by us, they will not be able to escape at all, how can they be so cunning like this big one!

As cunning as her father!

Unexpectedly, at the age of twelve or thirteen, he could sneak away.

Brother, it is not too late, while Arron is still looking for his daughter, we will kidnap his son first! “

Shu Mingxia looked at his second brother: “You already said that Arron would not care about his daughter, and even Arron himself said that he wants money, not a daughter.” How could he possibly find a daughter? “

“No matter if you want money or a daughter, then you can't look for nothing at all!” Even if Arron doesn't look for it, Suzi will look for it! It is rumored that Arron is afraid of his wife. Once Suzi speaks, Arron will definitely find his daughter.

He just didn't want to pay to redeem his daughter.

However, he will still spend a lot of human and financial resources to find it!

Shu Shu Mingtian, the second brother of the Shu family, realized that the eldest brother is really an elm lump!

Such a elm lump is also responsible for kidnapping others!

That's enough!

After listening to the second brother's analysis, Shu Mingxia was really relieved.

He immediately said, "Listen. Second brothers! Taking advantage of the chaos now, they definitely can't take care of the two little ones in the family. Besides, they thought that Shen Weiwei was still in our hands, and in any case, they never thought that we would kidnap his two sons again!

When we tie their two sons back, Arron will go bankrupt!

Let Arron kowtow to us and plead guilty! "

"Good!" "

"Listen to your big brother!" "

The three brothers are all people who do great things!

When planning this kind of thing, they were not at all timid.

After all, it is a descendant of the famous Shu family!

After some conspiracy, the three brothers waited until it was dark before going down the mountain quietly.

After all, he has lived abroad since he was a child, and went to primary school, middle school, and university abroad.

The campus life of foreign universities is very rich. Coincidentally, all three brothers have participated in some drama performances on campus.

Although they are not professional drama clubs, they have learned a lot.

Acting is a no-brainer.

And makeup.

## **Chapter 2367**

The three brothers are all top make-up masters.

After dark, the three brothers came to a suburb, bought some paint and started to dress themselves up.

It also took about an hour, and the three brothers' makeup was finished.

Looking at each other, they felt that they didn't know the person in front of them.

The three familiar brothers didn't know each other, let alone Darius and Darius's parents, they deliberately came outside the Shu family's old house first, and said to the guards standing guard outside the Shu's house: "I'm sorry, we came from a long way. My condolences, may I ask the old man Shu..."

"The old man has been buried! You are late!" said the guard standing guard outside the door angrily.

How ridiculous!

Condolences can even come late!

This is the greatest disrespect to the dead!

The guard didn't even look at the three brothers.

"Then...we...we want to go in and talk to Shu Qinggong and his wife, and greet them, okay?" The boss, Shu Mingxia, asked again.

"The second old man and the fourth young master of Shu are not at home!" The guard replied angrily?

"Why...isn't the old man buried, why are they all...not at home? Did they go to the grave to guard the grave?" Shu Mingxia asked knowingly.

The guard didn't want to deal with Shu Mingxia anymore.

He just looked up into the distance.

Darius laughed at himself and said, "It's all my fault for being late. We didn't see Mr. Shu for the last time, so let's go to Mr. Shu's grave and pay his respects."

"Master." The younger brother shouted: "We... we don't know where the old man's cemetery is."

Shu Mingxia sighed softly: "The old man Shu is a famous person in Nancheng and Kyoto, his purpose, let's just walk on the street casually. If you ask someone, everyone will know."

"Don't go!" the guard said immediately!

Shu Mingxia: "What's the matter?"

"The fourth young master and his parents are not in the old man's cemetery! At present, the old man's purpose is not open! It's no use for you to go! Besides, there is a big event in the Shu family these two days! I'm not in the mood to entertain you! Let's go!" The guard said the truth.

"Wh, what's the big deal? Does it matter? Is it Uncle Shu Qinggong, he is sick because of the loss of his father's heart? Which hospital Uncle Shu Qinggong is in, tell me quickly!" Shu Mingxia's anxious tears were about to come out.

Au Pair looked soft-hearted.

He immediately softened his tone and said, "Don't be in a hurry, it's useless to be anxious, this is not the eldest young master of the Shu family, the second young master, the third young master, hey, he can do things too well! It is clear that the fourth master Fu is here to preside over the funeral, People are so busy.

In the end, these three brothers are so good, they tied up their children while they were in chaos!

What is this!

I am the janitor of the Shu family, and I feel ashamed!

Shame!

No, Master and Madam and All the four young masters, including all the domestic servants of the Shu family, went out to find the child!

I tell you!

Don't talk about anyone else, it's me. If I saw the three brothers, I would dare to kill them alive.

It's not good to keep filial piety to the master, but I learned to kidnap other people's children !

Nonsense! “

Shu Mingxia immediately comforted: “Well, you...you're busy. Since that's the case, we won't bother. When Uncle and Madam Shu Qinggong come back, I'll come and visit again.” “

“Goodbye. “The guard said.

The three brothers Shu Ming and Xia left the Shu family mansion with great excitement, and then drove all the way to the high-end community where Arron was located. They

had already planned

.

People from the Fu family came out to sign in person.

Thinking about this all the way, they repeated the division of labor with each other, and the car unknowingly arrived at the high-end community where Arron was located. The

car had not yet entered the gate, but just stopped outside the gate. Around the car, they were surrounded by people and cars.

“This...what's going on? Shu Mingxia looked outside in horror. Outside the

car, Shen Yiyi shouted in a condescending tone like a queen: “Three uncles, are you coming to my house as guests?” “
