

## Chapter 701

And a word, made the anger of uncle Bai Hai's heart more and more surge.

Wow...

Suddenly a few mouthfuls of scarlet blood spurted out of his mouth.

See this scene.

Bai Yi: "..."

Bai's family: "..."

Zheng Tian: "..."

Everyone was speechless. They couldn't imagine how cheap this fellow Lin Fan was. Not only did he make a profit for the Bai family. Fifty million, even Bai Hai was so angry that he vomited blood again and again.

This guy is simply a devil.

It's more than that!

Lin Fan turned his gaze and looked straight at Wu Xuepeng.      Huh

... With just one look, Wu Xuepeng only felt his scalp numb, and the feeling was as if he was stared at by a hungry wolf, making him cold all over.

"You are fired!"

Wow!

This sentence fell in Wu Xuepeng's ears, making his face pale as paper.

It's over, are you over?

Wu Xuepeng's heart was filled with the thought that he was about to lose this high-ranking position, the huge salary, and the boundless resentment.

His red eyes, staring stubbornly Lin Fan shouted:

“Boy, I advise you not to take it back to the command to fire me, we all is well otherwise, I now call the police, tell you shot hurt!!!”

Said Then, Wu Xuepeng pointed to his broken arm.

Call the police!

After hearing Wu Xuepeng’s words, the Bai family members who had blown their lungs before suddenly brightened their eyes.

That’s right, Lin Fan made a tough shot.

They broke Wu Xuepeng’s arm directly, then they could call the police and ask the police to arrest him for intentional injury.

Thinking of this, the uncle Bai Hai and the others, with their faces full of ecstasy, said to Wu Xuepeng: “Mr. Wu, yes, you should call the police now.”

“This kid has completely constituted a deliberate injury. As long as the police arrive, he will be arrested immediately!” At this moment, everyone in the Bai family seemed to see hope again, and they reminded Wu Xuepeng.

This is more than that.

“Mr. Wu, since he fire you, then you do not need to stay here! As long as you call and let the police catch this bastard, then we open the door for you Pak Group, are always welcome!”

Grandpa White Sea this one Then, Wu Xuepeng’s eyes lit up.

A thick hideous color appeared on his face:

“Hahaha...good!”

After speaking, Wu Xuepeng stared at Lin Fan and smiled abnormally:

“Boy, did you hear that? I’ll call now. , And, I absolutely do not accept reconciliation, then you will wait to go to jail! Hahaha...”

Not only him!

Bai Hai and others beside him were also very excited and laughed at Lin Fan.

Bai Yi brushed her pretty face, pale as paper.

Chapter 702

That's right!

Lin Fan is indeed true, which constitutes the crime of intentionally hurting others, and once Lin Fan is really caught...

Thinking of this, Bai Yi's pretty face is even paler, she can't help but grabs Lin Fan by the corner of his clothes, wanting to speak, let him reconcile .

just.

"Fight! Call the police now! I...wait!"

Lin Fan smiled slightly and said playfully to Wu Xuepeng.

what!

This sentence made Bai Yi and everyone confused.

They didn't expect Lin Fan to be so calm, and even asked Wu Xuepeng to call the police now, as if they couldn't wait.

This...

the people around looked at Lin Fan at this moment, as if they were looking at a madman, full of incredible.

"Okay! Boy, you have a kind, then I hope you will be as hard as you are now when you are caught in jail soon!"

Wu Xuepeng smiled grimly, took out his mobile phone, pressed the alarm number, and called.

Soon, the call was connected.

Wu Xuepeng hurriedly added fuel and vinegar, and said all the evil deeds of Lin Fan and the harm he had caused him.

However, the answering person at the other end of the phone heard the word 'Lin Fan', but was silent for a while, and even heard a burst of cold breath.

Ok?

Wu Xuepeng was taken aback for a moment. He sounded like the police station answerer on the other end of the phone was frightened.

impossible!

People in the police station, how could they be frightened by the two words Lin Fan!

Right now Wu Xuepeng couldn't help but shook his head vigorously, throwing this absurd idea out of his mind.

"Okay, sir, please wait a moment, we will arrange for the police immediately!" The answerer at the other end of the phone, after speaking politely, hung up the phone.

Until then!

Wu Xuepeng, Uncle Bai Hai and the others sneered at Lin Fan one by one.

"Hahaha...Lin Fan, aren't you arrogant? I'll see how arrogant you are in the police station!"

"Go to jail, haha, I'm afraid you will be spent in jail!"

"It's really evil. Bad retribution, our Bai family's money is not so easy to take!"

The gloating voices of everyone, one after another.

It's just that Lin Fan didn't care about all this.

He received one transfer agreement after another from Zheng Tian and others, and Bai Yi kept signing his name.

Until Bai Yi just signed all the documents.

Beep...

beep...

the sound of the police siren sounded, but everyone saw that a police car had stopped at the door of the

Blue Ocean Building.

Wow!

When the car door opened, a middle-aged man in a police uniform suddenly got out of the car with a few strong policemen.

However, everyone was taken aback after seeing the middle-aged policeman headed by him.

Because the other party is not an ordinary policeman.

It was Niu Yunkui, the chief of the Jiang City Police Department.

Chapter 703

“Oh my God, it turned out that the Bull Bureau personally led the team. It seems that this kid Lin Fan really caused a disaster!”

“Humph! That’s natural! Do you think Wu Xuepeng has been the general manager of Blue Ocean Building for so many years, but there are still some Networking ?” “Wait for a good show! This kid really deserves it!”

Many Bai family members laughed.

Not only them!

After seeing Niu Yunkui, Wu Xuepeng was also full of excitement.

He knows Niu Yunkui and has eaten together several times, so he is considered an acquaintance.

The other party sent out the police obviously to help him. Thinking of this, Wu Xuepeng hurriedly greeted him:

“Thank you so much! I didn’t expect that you would come in person! This friendship, my brother, will definitely make up for it next time, please You drink!”

Wu Xuepeng’s face was full of ecstasy.

However, he did not see the deep contempt in Niu Yunquina’s eyes.

“Let’s talk, what’s going on?” Niu Yunkui asked lightly.

When he heard this, Wu Xuepeng immediately added the words spoken by the police to the police and said in detail again.

Until after listening.

Niu Yunkui took a deep look at Wu Xuepeng's arm with a playful look:

"It was your arm that he interrupted?"

"Yes! Niu Ju, you want to avenge me!" Wu Xuepeng grinned with pain. With a pitiful face, he said to Niu Yunkui.

And seeing this scene, Niu Yunkui nodded even more:

"Don't worry!" With that said, Niu Yunkui grabbed Wu Xuepeng's other intact arm, and then asked curiously:

"Is this arm okay?"

Huh?

Whether it was Wu Xuepeng or the Bai family around him, he was taken aback.

They don't understand, Niu Yunkui is not arresting people now, but is asking what Wu Xuepeng's intact arm does.

"Niu Ju ! This arm is okay, you should..." Wu Xuepeng wanted to urge Niu Yunkui right now .

But his words are not finished yet!

Click!

A broken sound suddenly came, and under everyone's stunned mouth, Wu Xuepeng's intact arm was also...broken.

"

Ahhhhh ..." Wu Xuepeng trembled in pain, screaming again and again.

Both his arms slumped down, completely deformed.

pain!

It crashed cold sweat from his forehead Wu Xuepeng, flowing more than, let him panic, let him stunned:

“My arm is broken cattle clouds cow ..... Kui, what are you doing that you should also snapping my arm!?!”

Senseless Up!

At this moment, not only Wu Xuepeng was dumbfounded, but the Bai family beside him, including Bai Yi, couldn't believe what they saw.

Didn't Niu Yunkui come to catch Lin Fan?

How could he, like Lin Fan, also discounted Wu Xuepeng's other arm, what a...how could it be possible.

Everyone was dumbfounded.

Just heard this.

Niu Yunkui smiled coldly:

“Criminal Wu Xuepeng, you dare to resist arrest! During your tenure as the general manager of Blue Ocean Building, you raped a total of three women, including an underage woman! In addition, you embezzled company funds up to 5 million! Now! You are arrested!”

Chapter 704

Now you are arrested!

After hearing Niu Yunkui's words.

Wow...

the people in the entire hall were in an uproar, and a thick look of horror appeared on everyone's faces. How can it be.

Obviously it was Wu Xuepeng who called the police to deal with Lin Fan, but now these policemen arrived, not only interrupted one of Wu Xuepeng's arms, they even listed several crimes and arrested the informant?

This...this is beyond everyone's imagination.

“No!!!”

“Niu... Director Niu! You must have made a mistake. I called the police because I was injured.

You...you...”

Wu Xuepeng was stunned.

Because the charges Niu Yunkui said were indeed committed by him, rape and embezzlement of public funds, each of which was enough for him to sentence more than ten years.

But he couldn't figure it out. These policemen didn't come to arrest him long ago, and didn't come to

arrest him late. When they sued Lin Fan, they came to arrest the reporter.

This is simply incredible.

Could it be...

Wu Xuepeng suddenly thought of a certain possibility, and instantly turned his eyes, staring at Lin Fan.

“Because of him?”

A fearful thought came to his mind.

Perhaps it is precisely because the person he called the police to arrest was Lin Fan, so these policemen searched for his charges and came to arrest him.

boom!

After thinking of this idea, Wu Xuepeng only felt his scalp numb, and he couldn't imagine what status Lin Fan was to receive such protection from the police.

“Grab!”

At this moment, Niu Yunkui smiled coldly and waved his palm.

Suddenly, several policemen next to him suddenly rushed forward and pushed Wu Xuepeng to the ground.

“No! Lin...Mr. Lin, I was wrong! Please let me go! I really know that I was wrong, please have a lot of yours, forgive me!”

Wu Xuepeng was pressed to the ground, suddenly sending out a killing pig. Howl.

Only after his words were uttered, the surrounding uncle Bai Hai and others could hardly believe their ears.

What...what's going on?

Why didn't Wu Xuepeng refute his accusation, instead begging Lin Fan?

Could it be that Lin Fan did all this?

But how is this possible!

Not only the uncle Bai Hai, but even Bai Yi had an expression of seeing a ghost, and the look at his husband was even more incredible.

However, Lin Fan's face did not have the slightest emotional fluctuation, and all of this seemed to have nothing to do with him.

Until everyone's shocked eyes.

Wu Xuepeng, the person in charge of the Blue Ocean Building, was like a dead dog and was taken out of the building by several policemen.

Until then, Niu Yunkui cautiously bowed to Lin Fan and Bai Yi, and said:

“Miss Bai, Mr. Lin! The criminal has been brought back to justice, thank you for their cooperation!”

What!

Bai Yi's head was a little confused, she didn't even know what she had cooperated with.

## Chapter 705

Especially after seeing Director Niu Yunkui's respectful look towards herself, she was even more confused, unable to figure out what was going on.

Until Niu Yunkui and all the police escorted Wu Xuepeng to leave completely.

Quiet!

The entire lobby of the Blue Ocean Building fell into a dead silence.

The eyes of everyone in the Bai family stared at Bai Yi and Lin Fan, one by one, like a mourning test, and their faces looked like ashes.

That's it!

The Blue Ocean Building finally fell into Bai Yi's hands, and their Bai family was wiped out for one hundred and fifty million. This made a trace of ominous premonition permeated the hearts of all Bai family members.

quickly!

Lanhai Building is renamed-New Baishi Group!

As soon as this news came out, Jiang City was shaken.

However, this does not stop. When it is heard that Cai Guofu will transfer all the industries under his name to Bai Yi for free, even after Cai Guofu's brothers have evaporated.

boom!

Jiang City shook, and almost everyone could not imagine how Bai Yi did it.

During the trip to the sea of clouds in just two days, he accepted billions of assets. This terrifying rate of gold absorption simply fell below everyone's attention.

From this moment on, the New Bai Group has completely entered people's eyes, and even everyone has a premonition that this is the rise of a business legend and the beginning of the Bai Group's downfall.

Bai family!

All the senior Bai family gathered together, but the atmosphere was dull and suffocating.

On the floor of the main hall, there are two people kneeling, it is Bai Hai and Bai Yifan.

At this moment, the faces of the father and son were as ugly as dead gray, and there was a faint unbelievable in their expressions.

“Dad! This thing is really weird. Brother Cai Guofu is in the sea of clouds, but they are so rebellious! How can they be for no reason, evaporate from the world, and even such a huge amount of industry, cheap Bai Yi’s dead girl!”

Uncle Bai Hai looked at the old lady, his face full of bitterness.

And Bai Yifan shook his head vigorously, and said:

“Grandpa, I always feel that all this has nothing to do with Bai Yi, but with Lin Fan!”

What!

Hearing this, Mrs. Bai’s eyes narrowed slightly:

“Yifan, you continue to say!” At this moment, everyone’s eyes were concentrated on Bai Yifan.

Bai Yifan took a deep breath, and said the incredible guess in his heart:

“Grandpa, I have already inquired clearly. When in the sea of clouds, Lin Fan had friction with Cai Guofu’s younger brother Cai Guoquan, which led to Cai Guoquan.

His hands and feet were interrupted by Shengsheng!” “For this, Cai Guofu was furious, and even sent a killer to assassinate Lin Fan!”

“But somehow, all the four killers died! Instead, Cai finally died. Brother Guofu also disappeared without a trace!” That said.

Bai Yifan actually felt a faint coldness on his back, thinking of Lin Fan’s delicate face, he actually had a chilling illusion.
