

Chapter 741

Another account!

At this moment, after hearing this sentence from Leng Bufan, the expressions of everyone around him changed.

They don't understand, what else is there to settle!

It's just that they looked at Leng Bufan's sullen expression, and they knew that things were definitely not that simple.

Lin Fan squinted his eyes slightly, and said coldly,

"What account?"

"Huh! What account! Kid, don't pretend to be confused!" In Leng Bufan's eyes, thick jealousy and madness flashed:

"You hit I hurt my subordinates, do you want to give me an explanation for this account! "

What!

Hearing this, everyone was stunned.

Only then did they understand that Leng Bufan was actually breaking his fist for a murder.

However, this incident was clearly the first murderer who took the lead, and his skills were not as good as others. How could he blame Lin Fan?

The talents around Jiangshi, although they were dissatisfied with Leng Bufan at this moment, they were afraid of the identity of the other party, and no one dared to speak up.

On the contrary, Lin Guangyao next to him jumped out:

"Yes! Shao Leng is right! Lin Fan, you have to pay the price if you make an attack !" Lin Guangyao's hatred for Lin Fan is like a surging river. But now that there is such an opportunity, I naturally refuse to let it go.

More than him!

Even Bai Yifan and Shen Jian, who were next to him, also hated Lin Fan. At this moment, they said:

“I agree with Young Leng! If you hurt someone, Lin Fan will pay the price!”

“Hmph! Was hurt! As it should be!”

At this moment, the three of them were completely in Leng Bufan’s camp. They couldn’t wait to see, Lin Fan paid a heavy price for it.

See this scene.

Bai Yi’s pretty face was pale as paper.

There was a deep sense of disappointment in his eyes.

She did not expect that her cousin, her cousin, and her old squad leader were so vicious that they would do everything possible to harm her husband.

“Lin Fan, you...”

Bai Yi looked at Lin Fan, his eyes full of guilt.

If it were not for her fear of offending Zhou Nan, she would not bring Lin Fan here, let alone fall into such a situation.

It’s just that Bai Yi is surprised.

Lin Fan’s face was still calm, without the slightest anxiety or panic.

Instead, after he patted Bai Yi’s arm, he looked at Leng Bufan and smiled sensibly:

“What do you want to do?”

“Simple!”

Leng Bufan smiled evilly, then pointed to the Lingnan six evil spirits next to him, smiling. Cruel and ferocious:

“You wounded one murderer with one punch! Then, let the other five evil spirits learn your methods!”

Wow!

As soon as this remark came out, everyone around was in an uproar.

Leng Bufan actually left Lin Fan alone against the other Lingnan Five Fiends?

This... the handsome Jiangshi around, looked at each other.

Chapter 742

They have heard that the strength of the six Lingnan evil spirits is extremely balanced, that is to say, among the other five people, picking one at random is definitely not weaker than one evil spirit.

The five quasi-grand masters are afraid that even the real masters will be difficult to resist.

And now, Lin Fan is just a person.

Two fists are hard to beat four hands, let alone now, full of all hands!

How can it be done?

At this moment, everyone around Lin Fan's plight became more and more pity.

In their eyes, Lin Fan faced the Five Fiends alone, which was almost a mortal situation.

However, this still does not stop.

Leng Bufan glanced greedily at Bai Yi's hot body, and smiled more evilly:

"Boy, if you win, you can open a condition at will, I will say nothing!"

"But if you lose, Then you have to leave your wife...stay!"

What!

Hearing this, the group of outstanding Jiangshi people around were startled again.

They fully understand until this moment.

It turns out that Leng Bufan is doing everything for Bai Yi!

From the beginning, he talked with Lin Fan for Bai Yi.

Let Zhou Nan frame up for Bai Yi, and now make things difficult for Lin Fan, also for Bai Yi!

Wow...All of a sudden, the talents around them were extremely contemptuous of their uncommon character.

One by one even waited for Lin Fan to fight for his breath, to defeat the five evil spirits, and to gain face for himself and Jiang Shi.

Bai Yi's face was as pale as paper.

Only then did she know that she was the one who caused Lin Fan again and again.

"Lin Fan, don't promise him! If you can't beat them, you will die..." In Bai Yi's beautiful eyes, a thick mist of anxiety emerged.

She didn't want Lin Fan to take risks for herself.

Heard this.

Lin Fan could not help but rubbed Bai Yi's head affectionately, and said with a smile:

"Wife, rest assured!"

Finished!

He turned his gaze and brushed it, staring at Leng Bufan.

dense! Terrible!

Lin Fan's gaze at the moment seemed to have a terrifying magical power, and the surrounding temperature suddenly dropped to freezing point, and the guests shuddered.

Especially Leng Bufan, after Lin Fan's sharp eyes like a knife fell on his body, he only felt as if he was being stared at by a demon.

It made him stand upside down one by one.

"You...you!!!"

Deng Deng Deng!

Leng Bufan retreated several steps violently, his face was pale, his entire face was full of fear, and he couldn't believe that the look in a person's eyes could be so terrifying.

"Because you are a member of the Shengshi Group, I have tolerated you again and again!"

"Who ever thought, but you have been looking for death again and again!" Lin Fan stared at Leng Bufan and laughed at that evil terror.

Chapter 743

It's just that his sentence fell.

boom!

The whole box was completely exploded.

Arrogant! Arrogant!

Everyone around, whether it was Bai Yifan and the others, or those Jiangshi wise men, could not believe their ears.

Crazy...

Everyone stared at Lin Fan as if they were looking at a madman. How could they not think that this guy was so bold and dare to say that Leng Bufan wanted to die?

This...I'm afraid I'm tired and crooked!

Even Leng Bufan was completely dumbfounded.

He is the son of the president of Shengshi Group!

Also the grandson of Great Master Leng Aotian.

Not to mention the small place in Jiang City, even in Jiangnan City, no one would dare to talk to him like that.

And now...

"Little... kid, you dare to scold me! Okay... you're fine!" Leng Bufan flushed, completely annoyed into anger:

"If this is the case, then I will treat you as agreeing!"

” The five evil spirits of Lingnan! You take action together and interrupt this kid’s limbs to me! Now! Immediately! Immediately!” There was a kind of madness in Leng Bufan’s voice.

Obviously, at this moment, he wanted to tear Lin Fan alive.

And hear this!

The five evil spirits of Lingnan next to each other suddenly stood up:

“Yes! Master!”

After saying this, the five people turned their eyes and locked Lin Fan at all.

Hoop!

On the bodies of the five people, a horrible aura rolled out, like five tigers, giving people a terrifying aura of fear and trembling.

In the entire box, a cold wind seemed to blow, causing everyone around Lingling to shiver, and their faces were full of shock.

Only Lin Fan.

His jet-black hair floated slightly in the cold wind.

However, the smile at the corner of his mouth became more and more gloomy:

“Five evil?”

“No! Five reptiles, nothing more!”

What!

Five reptiles!

At this moment, after hearing Lin Fan’s words, the atmosphere in the box was quiet again, and everyone around was completely confused.

They originally thought that facing the terrifying aura of the Lingnan Five Fiends, Lin Fan would definitely panic, fear and uneasy.

But how could he not think that this guy was so aggressive and arrogant.

court death!

This is angering the five evil spirits of Lingnan, so his fate will be even more miserable.

really!

After Lin Fan's words fell, the aura of Lingnan Five Fiends became more and more turbulent.

The terrifying coercion of the Five Dao quasi-masters, like a rolling wave, drowned Lin Fan in front.

"Good! Very good! Our six evil spirits in Lingnan have disappeared for ten years. It seems that the juniors nowadays have long put us in their eyes!" The two evil spirits licked their dry lips, his eyes splashed. Bloodthirsty luster:

"In that case, then your head, I want it!"

In the words of the two murderers, the murderousness appeared.

Chapter 744

The same is true for the four murderers next to them.

"Hey! Boy, you shattered my elder brother's fist! Then I want your right hand for the three murderers!"

"In that case, then his left hand belongs to me the four murderers!" "His right leg belongs to my five murderers!" "

..."

The words of the five evil spirits of Lingnan at the moment revealed a ferocious taste.

It fell in the ears of everyone around, making everyone's scalp numb.

Five people locked Lin Fan's head, hands, and legs!

This is obviously a rhythm to tear Lin Fan alive.

For a moment!

The people around looked at Lin Fan's gaze, and they felt pity to the extreme. In their eyes, no matter

how strong Lin Fan was, at this moment, they would only be slaughtered by the five evil spirits.

Bai Yi next to her was even more frightened.

Anxious tears rolled down from her beautiful eyes:

“Lin Fan, I beg you, hurry up! I don’t want to see you killed, I don’t want to...”

Sad!

despair!

Bai Yi also didn’t believe that Lin Fan could survive in the hands of the five spirits in Lingnan. After all, the shadow of the tree, the name of the person, and the name of the other five were too terrifying.

And if Lin Fan is dead, then what is the meaning of her being alive.

The dense tears wet Bai Yi’s pretty face.

And seeing this scene, Lin Fan’s heart trembled slightly.

He stretched out his hand to help Bai Yi wipe the teardrops on Qiao’s face, one by one, but as each tear was wiped away, the killing intent in his eyes became more and more turbulent:

“Wife, they made you cry! Then they... damn it!”

What!

Lin Fan’s words stunned Bai Yi.

And just before she understood what Lin Fan meant.

Huh!

Bai Yi was surprised to find that after Lin Fan wiped off the last teardrop on her pretty face, her whole person seemed like a phantom, and suddenly disappeared.

fast! fast! fast!

Lin Fan’s speed was so fast that everyone in the box couldn’t believe his eyes.

In the eyes of everyone around, Lin Fan simply disappeared out of thin air, making everyone's eyes almost fall out.

And the next murderer was a big loss for Lin Fan.

From the very beginning, his gaze was fixed on Lin Fan.

And until this moment!

Yiqiu saw Lin Fan disappear, and his complexion suddenly changed:

"Be careful, this guy has attacked!!!"

In Yiqiu's voice, there was a tremor.

After he was shattered by Lin Fan's fist, he had already put away all the contempt for Lin Fan in his heart, knowing that this person's strength is almost comparable to a master.

But now he was shocked to discover that not only his strength, but Lin Fan's speed, he was afraid that he had reached the level of a master.

And with a fierce exit reminder.

The Lingnan Five Fiends next to him were also taken aback. The moment they discovered Lin Fan had disappeared, they suddenly felt a cold gust of wind sweeping toward the five of them!

Chapter 745

"Damn, this kid is too fast, be careful!" An exclamation resounded.

With a flash of the five figures, they wanted to violently retreat to the surroundings.

Just at this moment.

A terrifying voice resounded in the ears of the six evil spirits:

"You want my left leg?"

Boom!

As soon as this word came out, it fell in the ears of the six evil spirits, and his eyes suddenly became round. He only felt a chill on his back, as if a devil appeared behind him.

"No..."

Liu Xiu let out a scream of horror in his mouth.

But as the screams resounded, everyone around was surprised to find that Lin Fan did not know when, appeared behind Liu Xiu, one of his whip legs was thrown out!

Smashed fiercely on the left leg of the six fierce!

Click!

The crisp sound of bone fragmentation burst out. Everyone couldn't believe it. Under Lin Fan's whip leg, the left leg of the six evil spirits broke instantly like a rotten wood.

He seemed to have been hit by a train, and he was swept and kicked out.

Puff!

Six evil spirits were kicked into the air for several meters before they fell to the ground like a dead dog.

His left leg was completely deformed, and the white bone spurs completely pierced the skin and clothes of his left leg and revealed it.

The bloody horror above made everyone around him take a breath.

”

Sixth ! No...impossible!” “Sixth brother!!!”

The four evil spirits of Lingnan next to him were completely confused at this moment.

They looked at the six evil spirits who had completely passed out from the pain, each of them felt as if they were falling into the ice cellar, and they were extremely cold.

More than them!

The most shocking was Leng Bufan and others.

One... one trick?

Leng Bufan and the others couldn't believe it in their dreams. Before the five evil spirits in Lingnan could react, they were solved by Lin Fan with one move.

What a...how could it be possible.

Shocked!

Horrified!

At this moment, Leng Bufan had a strong bad feeling in his heart. He felt that he had really kicked an iron plate, provoking a terrible existence that could not be provoked.

However, what frightened him had just begun.

After the six evil spirits were kicked and broken by Lin Fan's left leg, the whole person kicked into a coma.

Lin Fan's eyes rolled, and he locked onto the other four evil spirits in Lingnan:

"Next, it's up to you!"

Boom!

As soon as these words came out, the four evil spirits of Lingnan next to him were shocked to death.

Especially when they saw that Lin Fan's figure flashed and disappeared again, immediately scaring the courage of these four wicked men!

"Be careful, this guy is here again!"

The cold sweat on the forehead of the two evil men rushed down.

The four of them immediately wanted to back to back to guard against Lin Fan.

It's just that Lin Fan's figure appeared in front of them like a ghost.

"You... want my right leg?" The words fell!

Lin Fan once again faced the Five Fiends with one leg and swept out.

Chapter 746

"Asshole!!!" The Five Fiends were almost mad. When he saw Lin Fan's whip leg sweeping, he also kicked Lin Fan fiercely.

Bang!

The two whip legs collided.

The only thing that stunned the Five Fiends was that he only felt Lin Fan's whip leg sweeping like a terrifying mountain.

Even if he used all the strength of his body, he could only watch his right leg...

click, burst!

Bang!

Inside the box, a dull sound once again sounded.

Under the stunned eyes of everyone, Wu Xiu's right leg burst open. Under the majestic force of terror, his whole person once again flew out like a dead dog.

Fell to the ground.

Quiet...

At this moment, in the entire box, there is a bloody breath, there is no sound, only a personal crazy heartbeat.

Broken leg!

coma!

Everyone looked at the five and six evil spirits who looked like dead dogs on the ground. They only felt their hearts, almost jumping into their throats.

Another murderer was solved by one trick.

The dense cold sweat almost covered the foreheads of everyone around at this moment, frightening them and shocking them.

If Lin Fan abolished the six evil spirits in one move, it might be explained as luck.

So now one move has abolished the five evil spirits.

This is simply incredible.

“No... impossible! You, how can you be so strong!”

Leng Bufan only felt that his body was icy, looking at Lin Fan as if he was looking at a devil.

Grandmaster?

He knew that under the combined forces of the five evil spirits of Lingnan, even if the master master faced them, it would be extremely difficult.

But now, Lin Fan's two moves to abolish the two, it was like a ruin, it was too hard for him to believe.

And beside.

Lin Guangyao, Bai Yifan, and Shen Jian looked at Lin Fan as if they were looking at a monster.

Guru!

The three of them swallowed fiercely, and looked at each other. They could see the panic and horror in each other's eyes.

Is this... or is it the waste of their mocking resentment?

Two tricks to abolish the two murderers?

This is simply going against the sky.

but!

Lin Fan didn't care about the shock of everyone around him.

His face was calm and indifferent, as if he had just crushed two ants, and at this moment, he slowly walked towards the remaining Lingnan three evil spirits.

Da da da!

His footsteps were slow, but fell in the ears of the Lingnan three evil spirits, but it was as if stepping on their hearts, making the three of them horrified to the extreme.

“Go together! Take revenge for the old five and six!” The second murderer let out a stern roar.

When they heard this, the three couldn't help but glance at each other. In each other's eyes, a thick madness and hideousness instantly burst out.

Like three tigers, they culled towards Lin Fan together.

“Die to me!”

Phew!

With three iron fists, the air blasted and slammed down at Lin Fan.

Chapter 747

Just saw this scene.

Lin Fan not only didn't have the slightest worry, but the bloodthirsty arc at the corner of his mouth became more and more intense:

“You want my left hand? Right hand?”

“Then... fulfill you!” The words fell!

Lin Fan's fists almost resembled lightning, and he swung away at the iron fists that Four Fists and Three Fists had smashed.

One enemy two?

Seeing this scene, Leng Bufan and others became even more nervous.

They seemed to see hope.

“Abolish him! Definitely he can be abolished! I don't believe that he alone can face the attacks of two murderers at the same time!”

Sweat dripped down Leng Bufan's forehead.

The whole person's body is completely tense.

And just when he only felt his heart, it was tense to stop beating.

Click!

Click!

Two loud sounds came, but they were the iron fists of the Four Fists and the Three Fists. After colliding with Lin Fan's fists, they all burst into pieces!

It's more than that!

After Lin Fan smashed the fists of the two murderers with his fists, the fists of the two murderers next to him had already hit the top of his head.

However, he didn't dodge, he watched the two fierce iron fists, slamming them on his head.

"Die to me!!!" The second fierce face was ferocious and cruel.

At this moment, he almost used his punch to the extreme, striving to take advantage of the gap between his two brothers' fist blasts to kill Lin Fan.

Bang!

Punch, hit!

"Success... have you succeeded?"

After seeing the fists of the three evil men and the four evil men being shattered by Lin Fansheng, the fists of the two evil men fell on Lin Fan's head.

Leng Bufan and the others were extremely ecstatic.

Die!

Must die!

Leng Bufan and others only felt that their palms were covered with sweat.

However, just a hint of joy, when it just appeared on their faces, it completely solidified.

Click!

They were stunned to see that after the second murderer's punch hit Lin Fan's head, his arm seemed to

have been under the force of boundless horror, and it was completely broken.

“Ah ah ah!”

Two fierce shrill screams, the people were Fan Zhen force, life Zhenfei out.

Puff!

Puff!

Puff!

Three dull sound of the landing.

Two, three, four!

All his arms broke and fell to the ground.

Chapter 748

Quiet...

The box at this moment has no idea how many times it has fallen into this deadly silence.

Looking at the five wicked men who fell on the ground, and then at their broken arms and legs, a cool air followed the soles of the feet of the people around them, rushing straight to their foreheads, making their scalps numb.

Especially Leng Bufan.

He seemed to have seen a ghost, as if he had been drained of all his strength, and fell to the ground, completely dumbfounded:

“No...impossible! The six evil spirits in Lingnan were trained by my grandfather himself, how could he be so easily tuned? Abolished!”

“Grandmaster? Top grandmaster?”

“How could he be a top grandmaster?”

Leng Bufan was completely dumbfounded.

He originally thought that abolishing Lin Fan and taking Bai Yi was almost a certainty.

But he couldn't even dream that the door-to-door son-in-law, who was turned into a waste by the people of Jiang City, was so terrifying and tough.

The six evil spirits of Lingnan that he is proud of are like a group of chickens and dogs in the hands of this person, and they are so vulnerable.

More than him!

At this moment, even Bai Yi was stunned.

She looked at the scene, she was like a husband who was descending from a demon, Bai Yi only felt that her worldview was broken.

"How could Lin Fan... be so strong?"

Bai Yi had seen Lin Fan defeat more than 20 people alone, but that was just an ordinary person.

Among the six evil spirits in Lingnan, it is completely possible to pick one at random.

And now!

Lin Fan crushed, but the six fierce men who once dominated the Jiangnan underground world, and they were so relaxed and free, as if crushing a group of ants.

This made Bai Yi's eyes look at Lin Fan strange.

Just now.

Lin Fan didn't care about everyone's shock, he didn't even look at it, the five evil spirits on the ground gave him a glance.

Instead, he took a step towards Leng Bufan.

clatter!

The sound of his footsteps seemed to contain magical powers, and every step he fell made Leng Bufan's body tremble.

Especially, Lin Fan's stern voice sounded,

“Now, you lose!”

“It’s time to accept the punishment!”

What!

Leng Bufan looked at Lin Fan, who was slowly approaching, his whole body was in the ice cellar, only feeling completely cold:

“No...I am a member of Shengshi Group! I am grandmaster Leng Aotian’s grandson!”

“Boy , You... If you dare to disadvantage me, my father will not let you go, my grandpa will not let you go, nor will Shengshi Group let you go!”

Leng Bufan’s voice was trembling.

Just heard this!

Lin Fan’s smile became more and more stern:

“Don’t worry, I won’t kill you!”

“I just want to...abandon you!”

Chapter 749

Don’t worry, I won’t kill you!

When Leng Bufan heard Lin Fan’s words, he was completely relieved.

He was originally afraid that Lin Fan, a lunatic, would really kill him and kill him.

And now.

Obviously his threat played a role, this guy is afraid of his background.

However, Leng Bufan wanted to say something.

Lin Fan’s next words made him completely dumbfounded.

“I just want to... abolish you!”

Boom!

In a word, let Leng Bufan's heart that had just been put down once again.

Abolished?

Is this guy thinking...

a terrible idea, which appeared in Leng Bufan's mind, almost scared him to pee.

However, just when Leng Bufan wanted to turn around and flee, he saw Lin Fan approaching and kicked him violently against his crotch.

call!

fast!

Almost to the extreme.

Leng Bufan only felt a chill under his crotch, making him terrified and desperate:

"No!!!"

The screams resounded in the box.

The people around saw in amazement that Lin Fan had already kicked hard between Leng Bufan's legs.

Puff!

A crackling sound came from Leng Bufan's crotch, and he was kicked out two meters away.

He knelt on the ground with a puff.

Tick!

Tick!

Dense liquid and blood flowed out from under the cold crotch, and the majestic pain, like a tide, completely swept his nerves.

"Ah ah ah!"

Screams shrill peerless.

Everyone saw that Leng Bufan's whole body was like a cooked prawn, kneeling on the ground, he clamped his legs, but the blood and liquid continued to penetrate the clothes and flowed to the ground.

Broken!

Also... wasted!

The sound of inhaling cold air continued to resound in the box.

crazy!

Whether it was Bai Yifan and the others, or the handsome men in Jiang City, they were all shocked by Lin Fan's actions.

"God...Oh my god! He abolished Leng Shao? It's over, this one broke the sky!"

"Lin Fan, you are not crazy! Do you know that Leng Shao is from Shengshi Group! We are from Jiangshi Tianlong Group and Shengshi Club are all the properties of Shengshi Group! You are over! You are dead!"

"Madman! You madman!" The people around were completely panicked.

After all, Leng Bufan's identity background was too terrifying, and now that Lin Fan abolished Leng Bufan in front of everyone, that Shengshi Group and Great Master Leng Aotian would most likely spread the anger to everyone here.

A trace of panic filled everyone's minds.

Especially Zhou Nan.

Her pretty face was as white as paper, and she hurried forward, trying to help Leng Bufan:

"Bai Yi, what a good thing your husband did! He deserves to die, you deserve to die too! Wait! Shengshi Group will not let you go! You are completely finished!"

Chapter 750

A deep resentment flashed on Zhou Nan's face.

Immediately after.

She seemed to have thought of something, her eyes brightened, and she quickly said to Leng Bufan:

“Young Leng, hurry up and call Tianlong Group Chairman Xu Tianlong and the eldest sister of the Shengshi Club, Blood Rose! Let them deal with this kid! Revenge must Revenge for you!”

Xu Tianlong!

Blood rose!

These are the giants of black and white who dominate Jiang City, especially all of them are directly under the command of Shengshi Group.

Once he knew that Lin Fan had abolished Leng Shao, then Lin Fan would surely meet the monstrous anger of the two giants.

And heard this.

Leng Bufan nodded in pain. The cold sweat on his forehead was like turning on a faucet. He threw his mobile phone to Zhou Nan and said bitterly,

“Call! Call Xu Tianlong and Blood Rose!” Help me kill this bastard!”

“After the phone call, take me to the hospital! I can’t be dismissed, I haven’t gotten married yet and have children, I...” That said.

Leng Bufan’s painful Ji Lingling shuddered, and could no longer speak.

Zhou Nan is quickly open the phone, while looking forward to number, while pernicious white against Iraq, said:

“!!! White Iraq waiting for you and your spouse to your cold little harm in such a way, so go die”

finish words!

Zhou Nan immediately found Xu Tianlong’s phone number in Leng Bufan’s phone book, and quickly dialed it.

And when she cracked and finished talking about the situation, she hung up the phone, her face was full of ecstasy:

“Leng Xiao! Xu Tianlong and Blood Rose are at Caesars Hotel now!”

“They will come soon!”

What!

Hearing Zhou Nan’s words, everyone in the box was shocked again.

Xu Tianlong and Blood Rose are now at Caesars Hotel?

Did they come to meet Leng Bufan?

Happened to arrive?

Wow...

Thinking of this, the surrounding guests boiled again.

“Boy, you think you are unlucky! You hurt Leng Shao, Xu Tianlong and Blood Rose, two big brothers, will never let you go easily!”

“Hahaha...Lin Fan, you are crazy! Once it broke the sky! You just wait for it to be done!”

“...”

At this moment, the surrounding guests once again looked at Lin Fan and Bai Yi with pleasure, compassion, and regret!

Almost everyone agreed that the arrival of Xu Tianlong and Blood Rose meant that Lin Fan was over!

“Lin...Lin Fan!” Bai Yi’s pretty face didn’t have a trace of blood.

She walked to Lin Fan’s side and stretched out her jade hand, clutching Lin Fan’s palm tightly.

“Wife, are you afraid?” Lin Fan smiled and asked curiously.

Heard this.

Bai Yi was slightly startled, and when she saw Lin Fan’s delicate face, her panic disappeared instantly:

“With you, I...not afraid!”

“You live , I will live! If you die, I will die with you!”

Chapter 751

Bai Yi said this from the bottom of his heart.

Because she knows.

Lin Fan offended Leng Bufan because of himself.

Lin Fan abolished Leng Bufan because of himself.

Live and die with this man, Bai Yi has no complaints...no regrets!

Hearing this, and looking at Bai Yi's steadfast pretty face, Lin Fan couldn't help but feel a trace of warmth in his heart. He held Bai Yi's pretty face and kissed her deeply on the forehead: “My wife, I said With me, no one in this world can hurt you! ”

What!

At this moment, everyone around saw that Lin Fan and Bai Yi were still loving at this time, and the noise suddenly became more intense.

“Idiot! Although he is powerful, he really thinks he is invincible?”

“Yes, this guy is not only a lunatic, but also a fool! The Shengshi Group belongs to the Global Group, which is the most terrifying existence in the world, he thought Can you fight against the prosperous world alone?”

“Wait! Madness must be woeful, he... is over!”

“...” The surrounding Bai Yifan, Shen Jian, and Lin Guangyao seemed to have seen the end of Lin Fan's sad reminder at this moment. general.

The hearts of the three were both happy and complicated.

Bang!

At this moment, the door of the box was pushed aside from the outside, and a group of black-clothed figures hurried in.

Hoop!

At this moment, in the shocking sight of everyone in the box, a group of big men in suits and shoes rushed in.

ten people!

Twenty people!

Fifty people!

In the blink of an eye, the densely packed big man in the suit crowded this huge box of hundreds of square meters.

Even more terrifying is.

All of these big guys exuded an astonishing evil spirit, and it was obvious that each one was a cruel character who licked blood.

“This is... the people of the Shengshi Club!”

Seeing this scene, the guests in the box took a breath. They didn't expect that there would be so many people in the Shengshi Club.

Now!

Lin Guangyao, Bai Yifan, Shen Jian and others looked at Lin Fan with even more complexity and pleasure.

That's it!

In their eyes, Lin Fan was settled this time.

Hoop!

At this moment, as these nearly a hundred men in black broke in, they all separated a pedestrian passage.

One after another, figures came from outside the box.

The head is a woman.

A blood-red dress wrapped her enchanting and exquisite figure tightly, looking hot and charming.

The shawls of long wavy hair are scattered, and the red lips are breathtakingly beautiful.

She is the blood rose.

This is more than that.

Behind the blood rose, there are also a group of figures, stepping forward.

Xu Tianlong!

Tiger Lord!

Master Dao!

Zhou Wanshan!

Chapter 752

Looking at these big bosses one after another, the hearts of everyone in the box were jumping faster and faster.

Any big boss can shake the existence of Jiangshi.

And now, everything came together.

“Oh my God! Many big guys ! It seems that Young Master Leng Bufan’s face is too great!” “Yes, these big guys have obviously been to the hotel long ago, just to meet Leng Young! This time that Lin Fan He Bai Yi is miserable!”

“...” The surrounding guests talked a lot, looking at Lin Fan and Bai Yi from time to time, and they were full of playfulness and pity.

Especially when the last figure walked into the box.

boom!

The whole box was completely exploded.

“That’s Zhang Guohao No. 1! Oh my God, he... why did he come too!”

” Damn! Leng Shao’s network looks more terrifying than we thought, and even No. 1 appeared!”

“... ..”

At this moment, with the appearance of No. 1 Zhang Guohao, the whole box was completely boiling.

All the top bosses in Jiang City were present.

This terrible lineup made everyone in the box feel numb at a glance.

And the opposite.

Leng Bufan and Zhou Nan were ecstatic to the extreme after seeing so many big guys coming.

“Mr. Zhang! You are here just right! There is a murderer here. He not only interrupted the hands and feet of my six men, but also abolished me! Ask Mr. Zhang to be fair for me!

Leng Bufan is the first to say to Zhang Guohao.

After all, Among these big bosses, Zhang Guohao’s status is absolutely the highest.

However, the scene of Leng Bufan’s astonishment appeared.

After listening to Leng Bufan’s words, Zhang Guohao didn’t say a word.

silence!

Especially when he looked at Leng Bufan’s eyes, there was no enthusiasm, no compassion, but a deep contempt and ridicule.

This... After seeing Zhang Guohao not uttering a word, Leng Bufan was slightly startled, and said to Blood Rose and Xu Tianlong quickly:

“Blood Rose! Xu Tianlong! Both of you are from Shengshi Group!”

“Now, I was hurt, and you have to take revenge for me! Revenge!” There was resentment and ferociousness in the cold voice.

But something that made him even more daunting happened.

Silent!

There were hundreds of people who came in, but no one answered him.

Quiet...

At this moment, the atmosphere in the box is extremely strange.

It was densely packed with people standing.

But there is no word!

No one said.

Everyone's eyes just looked at Leng Bufan indifferently, as if they were looking at a stranger.

This...

After discovering that something was wrong, the surrounding Bai Yifan and others, as well as all the guests, had a bad feeling in their hearts.

They originally thought that these big men came for Leng Bufan.

But it seems that it is not so!

Chapter 753

"What's the matter? Blood Rose! Xu Tianlong! Are you dumb? I am the only son of Leng Kang, the president of Shengshi Group! I am now injured. Don't you even let go of a fart?"

Leng Bufan was full of face. Unbelievable, he screamed frantically at Blood Rose and Xu Tianlong.

Only after his words resounded.

A playful voice followed:

"They won't listen to you!"

What!

Hearing these words, Leng Bufan and all the guests in the box were startled.

Looking at the place where the sound came from, they were surprised to find that the speaker turned out to be...Lin Fan.

"Lin, what are you...what are you talking about?"

Leng Bufan's eyes widened, and the premonition in his heart grew stronger.

clatter!

And just when he couldn't believe it, Lin Fan took a step forward, staring at his panicked face, and jokingly said:

"Because they are not here for you at all!"

Wow...

Lin Fan's words, As if a stone thrown into the calm lake surface, making the surrounding Bai Yifan and others completely uproar.

Not for Leng Yifan?

how can that be!

Leng Yifan's identity, Leng Yifan's background, these bigwigs didn't come for him, but for whom else could they come.

"Fart! You...you are talking nonsense! Xu Tianlong and Blood Rose are both my father's subordinates, and Mr. Zhang Guohao is also my grandfather's old acquaintance!"

"They didn't come for me, could it be because of you, the son-in-law?"

cold extraordinary incredible scream.

And heard this.

Lin Fan also shook his head:

"No! They didn't come for me either!"

"But for... my wife!"

Boom!

Bai Yi?

impossible!

After hearing this, no one could believe it.

After all, Bai Yi is known as the president of Jiang City's first beauty, but in terms of identity and background, she and Xu Tianlong and other giants are not at the same level.

How could these big guys come for her.

The surroundings shook their heads and looked at Lin Fan as if they were looking at an idiot.

It's just that Lin Fan's words fell!

What shocked everyone's eyes happened.

Hoop!

After Lin Fan's words were spoken, Zhang Guohao, Xu Tianlong, Blood Rose and more than a hundred people, as if they had received some kind of instruction, turned towards Bai Yi.

Then, he bowed deeply.

"I'll wait, follow Miss Bai Yi's instructions!"

"I'll wait, follow Miss Bai Yi's instructions!"

"..." The uniform voices echoed in the box.

And when I saw this spectacular scene, after hearing the horrible words.

boom!

Leng Bufan, Zhou Nan, Bai Yifan, and others, could hardly believe their ears, as if they were being struck by thunder and stiff.

Chapter 754

be quiet!

At this moment, the atmosphere in the box was extremely quiet and suppressed.

Whether it was Leng Bufan and others, or Bai Yifan and others, they all looked at the densely packed hundreds of bowing figures, and their eyes were filled with thick incredible.

“How... how is it possible! Zhang Guohao, Blood Rose, Xu Tianlong, they are all here for Bai Yi?”

“This, it’s impossible!”

Leng Bufan’s eyes were wide and wide, and he still dreamed now. general.

Xu Tianlong and Blood Rose are both direct subordinates of their Prosperity Group, and they are not for his prosperous young master, but for a woman.

This made Leng Bufan unacceptable and unacceptable.

More than them!

At this moment, even Bai Yi in front of everyone was holding his small mouth tightly, and on her pretty face, there was a deep disbelief flashing.

how so!

Bai Yi was completely confused.

She is just the president of a Xiaoxin Bai family, not to mention Xu Tianlong and other giants, even a second-rate family is far better than her Xin Bai family, several times stronger.

And now, all these giants bowed to themselves and obeyed her instructions?

This is like a fantasy.

At this moment, Leng Bufan’s frightened voice exploded:

“Xu Tianlong! Blood Rose! Why, do you know what you are doing?”

Leng Bufan was angry.

His subordinates were all wounded, his whole person was abolished, and now even the subordinates directly under the Shengshi Group were standing on the side of Lin Fan and Bai Yi, which made him feel terribly angry.

In an instant, everyone’s eyes were focused on Xu Tianlong and Blood Rose.

curious!

Shocked!

Obviously all the guests around couldn't understand why the two did this.

However, it was in the sight of everyone's astonishment.

I saw Xu Tianlong, Blood Rose and others, slowly straightening up. They looked at Leng Bufan, full of indifference and disdain:

"Master Leng, we have our own reasons for doing this! In addition, let me tell you something. You can't offend people!"

"Yes! Young Leng, I advise you to apologize to Mr. Lin now, otherwise you will not only harm yourself, but also your father and even your grandfather!"

What!

When I heard the words of Xu Tianlong and Blood Rose.

Everyone around was confused again.

Some people can't afford to provoke?

Could it be Lin Fan and Bai Yi?

Moreover, what Lin Fan and Bai Yi have, Xu Tianlong actually said, Leng Shao might even harm his father and grandfather, this...how is it possible.

The words of the two made Leng Bufan's complexion even more ashen.

crazy!

At this moment, he even felt that Blood Rose and Xu Tianlong were absolutely crazy.

Chapter 755

His father is Leng Kang, President of Shengshi Group!

His grandfather is Leng Aotian, one of the two great masters in Jiangnan.

And Lin Fan and Bai Yi are just two little people in Jiangshi, how could they threaten his father and grandfather.

Blood Rose seemed to see through Leng Bufan's unrestrainedness, and immediately smiled coldly:

"Leng Shao, I will give you three days. If within these three days, you have not pleaded guilty to Mr. Lin Fan and Miss Bai Yi, then we will report to the group. At that time, what I will bring to you and President Leng Kang will be unimaginable!"

Boom!

The words of the blood rose even more revealing a strong self-confidence, causing the whole box to be in an uproar again.

It's just that Lin Fan didn't care about the shock of these people. He took Bai Yi and walked slowly outside the box under the escort of Blood Rose, Xu Tianlong, Zhang Guohao and others.

Only the shocked and confused people were left.

Until Lin Fan waited for everyone, left the box.

Depressed!

The tranquility in the box was restored once again, and the atmosphere was simply suffocating.

Puff!

Zhou Nan seemed to have lost all strength and fell to the ground.

Only then did she find that her back clothes had been wet with cold sweat.

"Bai...How did Bai Yi do it?"

Zhou Nan only felt a shock from the soul.

She used to be jealous of Bai Yi, but this time she came to Jiang City and invited Bai Yi to show off her boyfriend to this woman.

But who can think of it.

Bai Yi's husband turned out to be a top master, and she has the terrifying ability to command all the giants in Jiang City.

This gave Zhou Nan a deep sense of frustration.

"Leng... Leng Shao! That blood rose is so confident, do Lin Fan and Bai Yi really have terrible identities that we don't know?"

Zhou Nan asked Leng Bufan as if thinking of something with a horrified face.

Not just her!

At this moment, Leng Bufan also had a deep fear, especially thinking that if Lin Fan and Bai Yi really had any terrible identities, and they affected his father and grandfather, then he would be completely finished.

"I...I don't know!"

Leng Bufan swallowed fiercely, and his voice trembled.

At this moment, almost everyone could see Leng Bufan's panic.

Just at this moment.

A figure came out:

"Younger Leng, don't worry! Blood Rose and Xu Tianlong were all deceived by Lin Fan!"

What!

This sentence caused Leng Bufan to be taken aback for a moment. He quickly turned his head and looked around, only to find that the speaker was Lin Guangyao.

"Do you know the inside story?"

Leng Bufan's face showed a trace of excitement and quickly asked.

And everyone around him also looked at Lin Guangyao.

Obviously, every one of Blood Rose and Xu Tianlong was extremely curious about why they listened to Lin Fan and Bai Yi's words.

Chapter 756

And feel the curious eyes of everyone around.

A trace of complacency appeared on Lin Guangyao's face before he said:

"Yes! Young Leng, I know why Blood Rose and Xu Tianlong obey Bai Yi and Lin Fan like this!"

"Because of Lin Fan, Have a Skeleton King Card!"

Boom!

When Lin Guangyao's words fell, Leng Bufan was struck by lightning.

Skeleton King Card!

The highest level card of Shengshi Group.

Three of these cards have been issued in Huaxia, and each one is controlled by the giants with the highest status in China.

Even his father had just seen him, and he hadn't even touched it.

And now...

"No...impossible! How could that Lin Fan have the Skeleton King Card? Does he...what terrifying identity does he really have?"

Leng Bufan's forehead was dripping with cold sweat.

If Lin Fan is really the master of the Emperor Card, then he and his father will really be in disaster.

However, Lin Guangyao smiled slightly, and then said bitterly:

"Young Master Leng, Lin Fan stole the Skeleton Emperor Card!"

"He was using this card from his head to deceive Xu Tianlong and blood. Rose!"

"So, I hope you can report your father, Mr. Leng Kang, to this thief and fraudster and give him the harshest punishment!"

Boom!

Lin Guangyao fell, and the whole box was completely exploded.

Stole?

That Lin Fan was so daring to steal the Skeleton King Card.

After listening to Lin Guangyao's narration, everyone in the entire box was in a complete uproar.

crazy!

Everyone's eyes were full of incredible.

You must know that the issuer of the Skull Emperor Card is not Shengshi Group, but the real issuer is Universal Group.

Universal Group, the most terrifying behemoth in the world, let alone a master, no one dares to offend even a master.

Even if it is an international giant, there is only one end to offending the Global Group, and that is...death!

And now!

Lin Fan stole the Skeleton King Card from the Universal Group. Once the matter is revealed, then what awaits him and Bai Yi will be a disaster.

"So that's it!" At this moment, Leng Bufan, a slight grin appeared at the corner of his mouth, and the delight and resentment in his eyes flickered:

"No wonder Xu Tianlong and Blood Rose would obey him! It turns out that he deceived them with the Skeleton Emperor Card!"

Leng Bufan almost confirmed that Lin Fan is not only a thief, but also a fraudster.

After all, with a small person like Lin Fan, how could it be possible to have such a noble card.

This is almost incredible.

And beside.

Bai Yifan and Shen Jian also said quickly:

“Young Master Leng, you are the young master of Shengshi Group. Please report this matter quickly! President Lengkang will send someone to deal with it!”

“Yes! Young Master Leng, this time he hurt you. If you stole the Emperor Card, you must not spare this kid!”

Chapter 757

The two added fuel and jealousy, and their hearts were extremely happy.

They seemed to have been able to see Lin Fan’s miserable and pathetic end.

Hearing persuasion, Leng Bufan’s face became more and more fierce:

“Huh! My father will come to Jiangshi in a few days. Let this bastard jump for a few days in the next few days. Then, the new hatred and the old hate will be counted! ”

I must make him better than dead!”

Leng Bufan’s eyes were splashed with a thick ferocious color.

When they heard this, Lin Guangyao and the others next to him were extremely excited and ecstatic.

...

And at the same time!

On the way back to Liyuan Mansion.

On Bai Yi’s pretty face, there was still a deep confusion and consternation, as if until now, he still hadn’t recovered from the shock of this banquet.

Lin Fan is the master?

And can you command giants like Xu Tianlong and Blood Rose?

This...

Bai Yi couldn’t accept it. She turned her head and couldn’t help looking at Lin Fan who was driving next to her with complicated eyes:

“Lin...Lin Fan! All this is because of you, right?”

Bai Yi is not a fool, let alone Be dazzled by Xu Tianlong and others' respect.

In her eyes, she is just a former president who was removed from the Bai family, nothing more.

In terms of identity, status, and even a single hair of those big men, they can't match it.

And the only explanation is his husband... Lin Fan.

"Wife! Why did you suddenly say that!" Lin Fan gave a dry smile, but didn't know how to answer.

And see this scene.

The shock in Bai Yi's heart became stronger and more accurate. It all started because of Lin Fan:

"Lin Fan, I don't know how much you hide! But I want to tell you, don't be so reckless in the future. That's it!" That's it!

Bai Yi's pretty face was full of deep concern:

"Today, you are the young master of the Shengshi Group! Grandmaster Leng Aotian's grandson!"

"They will definitely get revenge, then you..."

Tick!

At this point, Bai Yi's beautiful eyes turned red, and tears fell.

She is afraid!

She was afraid that Lin Fan would really die!

See this screen, Lin Fan heart of a fiercely pumping, the moment will not help Mercedes-Benz parked in the street, this turned his head, facing the White Yi said:

"! My wife, I promise you, the future will be low-key."

"But This time you can rest assured that Shengshi Group can't hurt me, Leng Aotian... also can't hurt me!" The words were domineering and arrogant.

In particular, the tone of watching everything makes Bai Yi even more incredible.

She shook her head, and didn't entangle Lin Fan too much on this issue.

Rather, he had silently begun to figure out how to make Lin Fan leave Jiang City and leave this place of right and wrong that might kill him.

Chapter 758

One night, slowly passing away!

One piece of news caused a sensation in Jiangshi.

The son of Leng Kang, the president of Shengshi Group, was attacked by Lin Fan of the Xinbai Group in Jiangshi and suffered a severe blow.

Shao Leng issued an order that all forces that wanted to cooperate with the New Bai Group would become the enemy of the Shengshi Group.

boom!

As soon as this news came out, the whole Jiang City was in an uproar.

crazy!

Countless upper-class people suspected that the New Bai Group and Lin Fan were crazy at this moment, and even dared to provoke Leng Bufan, which was almost dead.

Suddenly, many forces that originally planned to establish cooperation with the New Bai Group have all retreated.

The bad news of the Xinbai Group almost swept the entire Jiangshi business community.

Everyone thought that the New Bai Group was completely finished.

It's just that this news has not yet been calmed down.

Another sensational explosion news blasted Jiang Shi.

Three days later!

The murderous great master, Blood Buddha, will come to Jiang City to challenge Grand Master Lin and avenge his disciple Blood Wolf!

Wow!

Bloody Buddha!

After the name came, countless martial arts forces in Jiang City were all dying.

Murderer!

The name "Blood Buddha Tu" can be said to have made countless Chinese forces frightened, and almost everyone was terrified when such a murderer came to Jiang City.

This is more than that.

After the news that the Blood Buddha Tu was about to come to Jiang City broke out, a series of news swept through.

Great Master Leng Aotian came out of the mountain, intending to come to Jiang City to slay the Blood Buddha!

The Great Master Helanshan declared that he would leave the Blood Buddha Tu in Jiang City and bury his bones here!

The two great old masters in Jiangnan were all disturbed.

Suddenly, Jiang City was surging.

Master Lin, Bloody Buddha, Leng Aotian, Helan Mountain!

Almost everyone is looking forward to the appearance of the four great masters three days later.

This has also made Jiangshi a storm point for the entire Jiangnan Province, and countless forces of all sizes in Jiangnan dare to come to Jiangshi, looking forward to witnessing this century war.

Just let the ups and downs outside, but for Lin Fan, he didn't care at all.

He still buys vegetables and cooks every day, washes the floor and moppes the floor. It seems that everything has nothing to do with him.

however!

Just two days later, quietly passed.

When Lin Fan and Bai Yi were busy in the Blue Ocean Building, they were completely alarmed by a phone call.

The phone was opened by his father-in-law Baishan.

It's just that you can clearly hear the whistle of cars and the noise of passersby from the phone, as well as the sound of Baishan that almost cry.

And the content of the phone, there is only one!

Mother-in-law Shen Yumei... had a car accident!

Chapter 759

On the road in Jiangshi, a Mercedes Benz was driving fast.

"Lin Fan, hurry up! Hurry up!"

Bai Yi's beautiful eyes were red, and tears had already wetted that beautiful face.

And heard this.

Lin Fan didn't reply, just stepped on the accelerator.

Hum!

The Mercedes Benz was humming and roaring, like an arrow from the string, in the traffic flow of Jiangshi road, constantly speeding through.

It wasn't until five minutes later that Lin Fan saw from a distance that the roadside in front was a circle of passers-by.

"Wife.

Arrived!" Lin Fan stopped the Mercedes Benz by the side of the road, and quickly got out of the car with Bai Yi.

When the two separated the crowd and came inside, they suddenly saw a woman lying on the ground.

Her left leg has completely deformed, and the scarlet blood completely wets the trouser leg.

Especially her originally graceful cheeks are now as pale as paper, with beads of sweat dripping from her

forehead.

It is Shen Yumei.

“Mom!”

Seeing Shen Yumei’s tragic situation, Bai Yi suddenly let out a mournful wailing and rushed forward.

“Mom! Why did you get hit by a car, who did it? Who did it?”

Bai Yi burst into tears at this moment, and it was the first time she saw her mother, so miserable.

But Shen Yumei was so dizzy with pain that she couldn’t answer at all.

The Baishan beside him said with red eyes:

“Bai Yi, your mother and I went for a walk in the park, but never thought that when we crossed the sidewalk, a Bentley would run through a red light and rushed over.”

“Your mother couldn’t react, and was broken a leg by that Bentley!”

What!

Run the red light!

Hearing this, Lin Fan’s complexion darkened, and he asked in a cold voice,

“Where is that car?”

Not only Lin Fan, but Bai Yi also looked puzzled, because when they came over, they didn’t see anything on the side of the road. The shadow of a Bentley car.

“That car ran away and escaped from the accident! And I saw it was a license plate from Jiangnan City!”
Baishan said, tears rolled down.

Wow!

In a word, it made Lin Fan’s complexion even more ugly.

Although Shen Yumei is usually acrimonious, but to Lin Fan, she truly regarded Lin Fan as her family and her own child.

Lin Fan also admitted Shen Yumei's mother from his heart.

But now!

At the moment, Lin Fan wanted to step forward to check Shen Yumei's injuries, but at this moment.

Bumble! Bumble!

The whistle sounded loudly, but an ambulance was approaching.

"Xiao Fan, the ambulance is here! After your mother was hit, I called the Yifan Chinese and Western Hospital!" Bai Shan said quickly.

Hearing this, Lin Fan relaxed a little.

The Yifan Chinese and Western Hospital is his hospital. Every doctor in it has extraordinary medical skills but is worthy of trust.

Chapter 760

quickly!

From the ambulance, walk down two paramedics and an emergency doctor.

After the emergency doctor stepped forward to check Shen Yumei's leg, he said to the two caregivers next to him:

"The patient just broke his leg, so please get into the car!"

Hearing the order, the two caregivers wanted to immediately. Turning Shen Yumei's body, she put her on a stretcher.

However, at this moment, Lin Fan took a closer look at Shen Yumei's leg wound, his complexion changed slightly:

"Wait a minute!"

After speaking, he immediately stepped forward and stopped the movements of the two caregivers.

Ok?

This scene not only caused the doctor and nurse to be taken aback, but even Bai Yi and Baishan's father and daughter turned their heads in doubt.

"Who are you? Why are we stopping us from treating patients!" The doctor shouted angrily, filled with deep dissatisfaction.

Lin Fan did not speak.

Instead, she stepped forward and took a closer look at Shen Yumei's broken leg. Then she said:

"I am the son-in-law of the wounded! You can't carry my mother-in-law on a stretcher now. You must take the bone first! Otherwise, her leg will be completely Discarded! "

What!

As soon as Lin Fan's words came out, the doctors, nurses, and even the father and daughter of Baishan were all dumbfounded.

Must be boned first?

Otherwise the leg is broken?

Everyone looked at Lin Fan at this moment, as if they were looking at a fool.

"Nonsense! I just saw it. The patient just had a broken leg and there is no other problem. It's too late to go back to the hospital to get the bone!" The doctor looked at Lin Fan's gaze, full of anger:

"Also, you are injured Family members of the victim, this is wasting time. If the injured person bleeds too much and is dangerous because of your relationship, will you bear the responsibility?" The doctor said, righteously.

Upon hearing this, Bai Yi also complained to Lin Fan dissatisfiedly:

"Lin Fan, what are you doing! You are not a doctor, so quickly let them send our mother to the hospital!"

Not only Bai Yi, Bai Shan I also thought that Lin Fan was talking nonsense, and said dissatisfied:

"Lin Fan, now is not when you are in the limelight, your mother's injuries are the most important!"

In Baishan's view, his son-in-law said this at this time, obviously for the sake of being limelight. That's it.

This made Baishan extremely disappointed.

however!

Lin Fan didn't care about the accusation of the two of them. He turned Shen Yumei's broken leg slightly outwards, pointed at a sharp bone spur, and said to the doctor:

“You are an emergency doctor, don't you will double-check it? ” ”

my mother's bones broken spines, has stuck to the aorta, if the random movement, will only pierce the aorta, can not stop the bleeding! ”

What!

In a word, the doctor's complexion changed slightly.

He hurried forward and took a closer look.

After he saw the position where the sharp bone spurs were against, his face suddenly shook, pale as paper.
