

Chapter 907

Otherwise, this is just a small island with a population of less than one million!

A cannon can also blast this place into flat ground.

Since Grandpa mobilized his former subordinates to continuously transport some weapons and supplies here, the status of Lanita and her parents on this island has also risen.

Even the monarch of Gasing Island looked at the expressions of his family of three.

On this Gasing Island, there are only two people who do not look at the faces of their Lin family.

One is Pan Haoyang and Pan Siye.

The other is Pan Haojing's daughter, Pan Mingsai.

Pan Minsai sneered and looked at Lanita: "I believe it! You let my dad beat me, my dad will definitely obey your dad for those weapons, but now does my dad know you? You are uglier than the clown now, you Ugly, my father doesn't even know you! Haha, you're so ugly, you're so ugly, no, I have to take pictures..."

After speaking, Pan Mingsai took out his phone and took pictures of Lanita from various angles.

"Pan Mingsai! Don't take pictures of you dead thing!" Lanita dodged around, and Pan Mingsai followed to take pictures.

At this time, Suzi and the only mother and daughter look at me, and I look at you.

Run away!

The mother and daughter rushed out tacitly.

"Want to run! No way!" Before rushing out of the door, two people came in through the door button, one of them gritted his teeth.

Suzi glanced intently, and his heart was suddenly cold.

No one else came in, but Lanita's parents, Jarod and Moira.

When I saw Jarod again, Suzi felt like a world away.

"Xiao Nizhang! You are here after all, do you know that when you come, you will be sent to death?" Jarod looked at Suzi viciously.

Suzi looked directly at Jarod with cold eyes like two icy arrows: "Where is my mother!"

Jarod: "What are you farting!"

Suzi sneered: "Jarod, in this life I can find my mother no matter what, if I can't find my mother, I will take your skin!"

Jarod: "..."

"Oh...Lanita, my daughter, you...what are you, who...who beat you like this, Lanita." At this time, Xu Suddenly Ying saw her daughter being beaten, and her head was full of purple packets.

"Mom! uuu..." Lanita no longer dodges Pan Mingsai when she saw her mother coming. She ran towards her mother and hid behind her mother: "Mom, let Pan Stop this ugly woman, Ming Sai, she always shoots me!"

Moira looked at Pan Mingsai disgustedly: "Assistant! You die girl!"

Pan Mingsai turned off the phone angrily, and she still looked at Lanita mockingly.

Lanita pointed to Suzi and Shen's only two mothers and daughters: "Mom! Suzi came to die today. Let's hand her over to Monarch Pan and let the Monarch execute them directly. No! Let the Monarch threaten them with their mother and daughter. Arron, so that we can make more money!"

Moira sneered fiercely: "Beat my daughter like this! Even if I use her to threaten Arron, I will torture her half to death first!"

If you speak, Moira will rush to fight Suzi.

"Stop it!" At this time, Pan Haoyang, who had been out for a while, suddenly appeared at the door.

Chapter 908

Pan Haoyang still wears sunglasses.

It was really because of his two eyes that were hit by Shen Zhong, they really looked like panda eyes. I just went out to look at my own eyes. Looking at my panda eyes in the mirror, Pan Haoyang was not even angry at all.

Instead, he smiled into the mirror.

He laughed and said to himself: "The little thing is fierce enough! If I give birth to younger siblings with your mother in the future, I will be relieved by your sister's protection."

This is Pan Haoyang's own thoughts in his heart.

After looking at his own eyes in the mirror, Pan Haoyang asked someone to check if Arron had entered the country and where did he settle down?

However, he has not found any clues until now.

Not only that, but there was no outside signal coming in from his mansion.

After an investigation, it was discovered that Suzi's mobile phone was stretched to be turned off manually.

Suzi turned off to protect Arron's whereabouts?

A trace of nameless jealousy flashed in Pan Haoyang's heart.

After the jealousy was over, Pan Haoyang was very pleased in his heart, and he said to himself: "Woman! I like your love and righteousness, you are like this, and I still want to not trouble your husband. I really admire me. . But now that you have fallen into my hands, it is impossible for me to let you return to Arron's side!"

Thinking of this, Pan Haoyang came to his east mansion.

As a result, as soon as I walked in, I saw such a lively living room in my own large living room.

Not only the niece that I hate most usually is here, but also the Lanita family that I hate the most.

"Eh... Uncle, are you here?" Seeing Pan Haoyang coming in, Jarod immediately looked at Pan Haoyang with a smile on his face.

The Lin family's status in Gasing Island is very high, and now Jarod is rich and arrogant no matter where he speaks, but Jarod just doesn't dare to arrogant Pan Haoyang.

Because Pan Haoyang doesn't eat his set.

Pan Haoyang ignored the Lin family of three at all.

But, the more so, the more Jarod fancy Pan Haoyang.

Although Pan Haoyang did not become the monarch of Jiaying Island, Pan Haoyang's prestige on Jiaying Island was not inferior to that of his brother.

Both Jarod and Moira liked Pan Haoyang's good looks and his unruly temperament.

If Pan Haoyang could be Lanita's husband, that would be a very glorious thing.

Their husband and wife's evaluation of Pan Haoyang is that, except that Pan Haoyang is slightly more feminine than Arron, the rest is nothing to lose to Arron.

With this idea, Jarod immediately notified his daughter Lanita.

Originally thought that Lanita had been thinking that Arron would not agree, but Lanita told her parents that she saw Pan Haoyang when she arrived on Jiaying Island.

Lanita felt that the man from Jiaying Island could make her look at Lanita, and only Pan Haoyang, the fourth son of the Pan family, was the only one.

In terms of the ability to take charge of Jiaying Island, Pan Haoyang is much more capable than his older brother Pan Haojing.

It's just that Pan Haoyang's mind is not on the management of Gasing Island.

Pan Haoyang doesn't even see Jiayingdao on the mere.

Even if Gasing Island is not respected anymore, Pan Haoyang's real estate and business abroad are still enough to make him enjoyable for a lifetime.

This is why Lanita really wants to marry Pan Haoyang.

After obtaining the consent of his daughter, Jarod gave the monarch Pan Haojing a new look.

The monarch Pan Haojing couldn't ask for it.
