

Chapter 995

Suzi: "..."

This Rayna is really a good hand to cheat friends.

On the other end, Galia was still excited: "Suzi, why did you give birth to such a considerate little dumpling. You are only six years old. You know the gifts you brought back for everyone. I can't wait to take a look at my gift. , I will definitely be satisfied with a hundred."

Suzi: "..."

"You come down quickly!" Galia urged: "I wanted to call you last night and ask what my gift is, but when I think of you just coming back from the field, I must be tired, so what... ..Hehehe,"

"So I endured it last night and didn't bother you. Hurry down now. I will take your ride to work today!"

Suzi: "Okay!"

After closing the thread, she looked back at Lilly: "Lilly, have you brought a gift for Aunt Galia?"

Lilly nodded excitedly: "I have brought my mother."

She held a small black bag to Suzi.

Suzi sighed: "Hey..."

Lilly's Xiaobai rolled his mother's eyes and said, "Mom! Don't sigh, OK?"

"You said yesterday that the gift I brought back would be gang-beated by some of my beautiful aunts, but you guessed it wrong. Aunt Shanshan does

not have a European self, and the beautiful Aunt Rayna does not have a European self. They all like me. Gift eh.”

Suzi: “Well! Then you forgot, your Aunt Shanshan and your Aunt Rayna almost didn’t look like you were scared to death.”

Shen Weiyi: “Hey! I don’t know how you adults are not scared at all. But I think Aunt Galia will definitely be better. Aunt Galia is always a little pepper, and Aunt Galia has the most similar personality to me. She I will not be scared.”

Most importantly, the only kid Shen doesn’t think this gift is terrible at all!

Suzi: “I can’t tell you this little thing, let’s go, go downstairs to give gifts!”

The mother and daughter went downstairs holding hands together, and when they got out of the elevator to the parking lot, Suzi saw a cheerful face.

“Lilly! You little thing who is very troublesome, run over and throw the present to me. Aunt Galia can’t wait.” Galia shouted loudly.

Christopher behind him also smiled.

Looking forward to it.

Galia asked him all the way.

He did not dare to tell the truth.

Besides, he really didn’t know what kind of gift Shen’s only child gave Galia.

Christopher was looking forward to it.

At this moment, how can he care if his cousin will be scared?

Christopher smiled at Lilly, and Lilly ran towards Galia with a smile.

In her hand, she carried a pure black handbag.

That black, jet black.

"Aunt Galia, I knew you would like it, hehehe, Aunt Galia, you are the best with the only one, you know the only thing you want to give away, right? Here you are, you hurry up and have a look." Shen Only handed the small black handbag into Galia's hand.

The small black handbag is so weird.

Galia was taken aback for a moment.

Then, she slowly opened the small black bag. Inside the black bag was a small black box.

"Open it now, Aunt Galia." Lilly looked at Galia with a sweet smile.

Galia was really a little embarrassed.

Don't look at her usually twittering like a little pepper, but she is actually timid.

However, in front of the only face, Galia could only bite the bullet and open the small box.

Immediately afterwards, she said: "Ah..."

Chapter 996

Galia's hands trembled.

She ran around in front of her, but had nowhere to run, so she had to hide behind the car.

Lilly looked at Galia innocently: "Aunt Galia, you...I thought you would like it?"

Galia: "Little girl Shen! Aunt Galia has no grudges against you in the past, and has no grudges recently. What are you doing? What is wrong with Aunt Galia? Tell your aunt, can Auntie change it?"

Shen Only: "..."

So inferior.

Why is everyone afraid of her only gift from Shen?

Are you scared?

Suzi shrugged and looked at Lilly: "Children, the reason why they didn't beat you in a group is because they looked at mom's face. Also, you are too young, they don't want to bully the weak, you understand, shit Boy!"

Lilly was not convinced.

She looked at Galia with such innocence.

Galia was frightened, tears came out: "Suzi, the only thing, what the hell did you give me?"

Suzi bent down, picked up the small box, and patiently said to Galia: "This small black box is made of black gold wood. This piece of black gold wood alone is worth five to six hundred thousand yuan."

Galia: "..."

"This kind of black gold wood is only available on Jiaying Island. Lilly said that Aunt Galia will be married to Jun's house immediately. The threshold for Jun's family is high, so she has to prepare a generous gift for Aunt Galia."

This is actually what Suzi said.

She originally wanted to give Galia a string of black gold and wood beads.

However, Lilly had to give the black box.

The black box is not the only gift Shen wants to give. She wants to use this black box to store gifts.

Galia felt better when she heard Suzi say this.

She trembled and said, "Really...really?"

After a pause, she cried again and said, "But you can't put such scary things in a box."

Lilly pouted his mouth: "The gift inside is not scary at all, Aunt Galia, look."

Galia looked at it with a wink.

The only further introduction: "This snakehead tube is black lipstick, and this black toad bottle is black nail polish. Both the lipstick and nail polish are oils extracted from deep-sea fish. They are harmless. Very good. "

Snake head tube.

Toad bottle.

Black lipstick and black nail polish.

Galia is scared, okay?

"Hehehe, do you like it, Aunt Galia." Lilly tilted his head and looked at Galia.

Galia cried with tears in both eyes: "Lilly, how do you want to kill your Aunt Galia..."

Lilly looked at Galia puzzled: "Aunt Galia, don't you like fancy dress parties very much?"

"The only thing I've heard before is that you like witch dressing, but if you want to make up as a vicious witch, black nails and black lips are the most similar."

"The only black lipstick and nail polish I have always wanted to give Aunt Galia, but I have never seen it. The only thing I saw on Gasing Island, I bought it for you."

Galia: "..."

She is the only one who has said that she likes fancy dress parties.

And just said it once.

That was a month or two ago.

At that time, she went to the mall with Rayna and Suzi. After she was tired, Galia was lazy and offered to offer her to eat ice cream at the ice cream shop while watching Lilly.

Then let Suzi and Rayna go shopping together. At that time, the two were chatting slowly while eating ice cream.

"Only, what games do you like to play." Galia asked.
