

# Chapter: 1427

Cuiping smiled bitterly and said,

“Father-in-law, I heard that Bai Yi’s couple wanted to invite the Bai family to their wedding banquet. We can pretend to take them to the Lin Zuo wedding banquet, and then take Bai Yi in the wedding dress to the main venue!”

“Hey, you said if Lin Zuo and Mrs. Lin Zuo knew that an outsider had robbed them of the limelight, what would they do?”

boom!

The entire Shen family was completely shocked.

If so, Lin Zuo and his wife must be furious.

The two of them planned the wedding of the century, but Bai Yi, a strange woman, took the limelight. I don’t know if she thought she was a bride, so the Lin Zuo couple could let them go?

Lin Fan and Bai Yi are bound to die!

“Okay! OK! My wife is smart, this trick is absolutely amazing!”

Shen Jian suddenly laughed, and he was also ecstatic at this time.

“Okay! Cuiping, you have a good idea, just do as you say!”

Mr. Shen said with a grinning smile.

“This time, I want Lin Fan and Bai Yi to die without a place to be buried!”

They all plan to frame Lin Fan and Bai Yi!

Not long after, Lin Fan and Bai Yi walked in and invited them to the wedding, as always.

Seeing Shen Jian and Cuiping, Lin Fan suddenly sneered.

“Uncle, aunt, it’s been a long time since I saw you! I really didn’t expect to see you again at Shen’s house!”

boom!

As soon as these words came out, Shen Jian and Cuiping’s lungs were exploded.

Immediately, Cuiping glared at Lin Fan, viciously scolding,

“Lin Fan, you have killed my daughter, and dare you to say cold words?

I will never let you go!

”

just!

Lin Fan sneered.

“Are you not letting me go, or am I not going to let you go? What you did to my parents, I still don’t settle accounts with you!”

Hear the words!

Both Shen Jian and his wife laughed ferociously, staring at Lin Fan viciously.

“Yes, we did it! We just wanted to kill your family! What can you do to us?”

now!

Their Shen family is highly regarded by Lin Zuo, even Bai Yi, the Jiangnan Communist Party, can’t do anything to them.

Therefore, they are extremely arrogant!

At this moment, Bai Yi’s face was extremely gloomy, and the other party nearly killed her parents. In the end, there was a trace of guilt,

and instead they said cold words?

Is this conscience letting the dog eat it?

Bai Yi became more regretful for inviting people like the Bai family and the Shen family. Her relatives are simply inferior to pigs and dogs!

“All right!”

Father Shen waved his hand to interrupt everyone, and then he stared at Lin Fan maliciously:

“Let us participate! However, there is a condition!”

“What conditions?”

Bai Yi frowned.

“That is the venue for the wedding, we must choose!”

After saying this, Mr. Shen was already rubbing his hands with excitement, as if Lin Fan and Bai Yi at this time were dead in his eyes.

He is determined to kill both Lin Fan!

And everyone in the Shen family who was present also sneered, with a sullen look in their eyes, looking forward to seeing how unlucky Lin Fan was.

Bai Yi was also a little suspicious, and asked:

“Where do you think it should be held?”

“Of course it is the best hotel in the entire Jiangnan Province, Tianjiu Huaful!”

Ok?

As soon as these words came out, both Lin Fan and Bai Yi were taken aback. Isn’t this the place where their wedding was held?

“OK, alright!”

Bai Yi agreed directly.

what!

accepted?

Elder Shen and others never thought that Bai Yi could be so simply!

Now!

All the Shen family laughed grinningly, staring at Lin Fan and Bai Yi maliciously.

This idiot, I’m afraid he still doesn’t know that he has a disaster.

And Mr. Shen laughed loudly:

“Really my good niece, don’t worry! We will attend your wedding!”
