

Chapter: 1429

Ahead!

There are several helicopters parked, as well as countless luxury cars, all of which are lined up with the festive “囍” in the sky.

Full of style and shocking!

Especially those helicopters!

Bai Yi and others could tell at a glance that it was a military helicopter!

Pick up with a military helicopter?

Are they dreaming?

At the moment, their family of three was almost paralyzed by fright, and even more could not believe that this was here to pick them up.

Lin Fan, can you have this kind of ability?

Can you even call a military helicopter to get married?

Hallucinations!

This must be an illusion!

just!

At this moment, Long Jiu walked down from a helicopter and walked quickly towards Bai Yi, respectfully saying:

“Excuse me, is it Miss Bai Yi?”

Wow!

Are you really here to pick yourself up?

Bai Yi was completely dumbfounded, she recognized this old man at a glance, he was the commander-in-chief of Jiangnan, a veritable military leader.

He actually came to welcome him in person?

crazy!

At this time, Bai Yi felt like he was going crazy!

The scene in front of me is incredible!

In the next instant, she looked stupid and couldn't believe it:

“I'm Bai Yi, may I ask you... why are you looking for me?”

Long Jiu smiled and said:

“In the name of Mr. Lin, we are here to invite you to this wedding banquet!”

boom!

The atmosphere of the audience burst completely!

Everyone's eyes are full of shock and incredible!

Lin Fan!

Is it really Lin Fan?

how can that be!

How could Lin Fan, a door-to-door son-in-law, have such an ability!

After seeing this place, the neighbor in the neighborhood felt more regretful.

After doing it for a long time, Lin Fan is pretending to be rubbish!

In fact, he is the real super boss, but they used to look down on him like that, really blind!

At this time, they all felt that they had missed a great opportunity to take off.

“Make a mistake, you must be mistaken! My husband has such a great skill!”

Bai Yi kept shook his head, unable to believe that it was all because of Lin Fan.

After three years of getting along, she already knew Lin Fan.

What is his ability to let Long Jiu lead the team and call a military helicopter to greet him?

“Yes, Mr. Long, you must be mistaken! How can we be qualified to enjoy such a privilege?”

Bai Shan also smiled bitterly, and felt it was impossible.

just!

Long Jiu smiled and shook his head:

“Mr. Bai, if you are all unqualified, then no one in the world is qualified?”

Before Bai Shan and others continued to speak, Long Jiu urged:

“Mr. Lin asked me to keep it secret, so after arriving at the scene, let him explain it to you himself!”

In the hearts of Bai Yi and others, the stormy sea suddenly turned up!

There are unimaginable doubts lingering in the heart, lingering!

Then, they got on the helicopter with anxiety.

Head towards Tianjiu Huafu!

Lin Zuo's wedding banquet is officially opened!

.....

At the same time!

The Bai family and the Shen family also rushed to the wedding banquet one after another!

Their faces were full of ecstasy, and it was hard to hide the excitement.

Even more!

They also ordered the female relatives in their homes that today, no matter what, they must try their best to find ways to make Lin Zuo feel good about them.

It doesn't matter even if you are a lover!

Being able to be lovers of such an existence is a blessing that you have cultivated in your eight lifetimes!

So today, all the unmarried female families of the two families are dressed particularly cool. It can be said that all the places where they can be exposed are exposed.

Each one is dreaming of “the sparrow flies on a branch and becomes a phoenix”!

And when they arrived at the venue, they were completely dumbfounded!

Everything in front of me can only be described as magnificent!

luxury!

style!

It's like a king's wedding!

All the plates are made of pure gold!

What's even more exaggerated is that the wedding avenue that the bride and groom walked out was actually paved with diamonds!

All women are completely crazy!

In this life, if they could hold such a grand wedding, they would be happy to live 20 years less!

“The Lin Zuo wedding is indeed a century wedding!”
