boom!

Bai Yi's face suddenly turned pale, and fell to the ground with a puff, already crying:

“No! I didn't mean it, I didn't pretend to be! I...I just don't know...”

It turned out that this was arranged by Lin Zuo for the first lady!

It turned out that she was dreaming of all this!

How can she have such a good life for Bai Yi to make the whole Jiangnan congratulate the New Year?

She is too naive!

That's why I feel that Lin Fan is capable of hosting such a top luxury wedding banquet!

“It's you! You are deliberately harming me!”

Bai Yi cried and accused Shen Jian and his wife.

She understood everything, no wonder the Shen family had to arrange the venue for her wedding banquet, why Shen Jian and his wife would take her here so enthusiastically.

It turned out that they all wanted to put her to death through the hands of Lin Zuo!

At this time, she was indeed defeated!

Hehe!

Shen Jian and his wife suddenly smiled sinisterly, and naturally they would not admit it at this time.

At the moment, he said in a deep voice:

“Bai Yi, when you were exposed as the first lady, you are so embarrassed that you want to pull us into the water?”

“It's a pity that the eyes of the people are sharp. Everyone knows what is going on at a glance.”

Just listen to this!

The faces of the big guys are even more angry!

Everyone in the Bai family also recovered from the panic, with a deep grin on their faces.

“Grandpa, did you hear that? Bai Yi, a bitch, is not the first lady at all, she is an impersonation!”

Bai Yifan laughed loudly, his face full of joy:

“Let me just say! Lin Fan's trash, how could it be Lin Zuo?”

Humph!

Elder Bai also snorted coldly, his face instantly gloomy:

“Dare to pretend to be the first lady, this bitch is really reckless!”

All the Bai family members breathed a sigh of relief at this moment.

Then, a deep contempt and ferocity appeared on his face.

They also felt that this must be a mistake!

Lin Fan's trash has been like a dog in their Bai family for three years.

How could such a guy be Lin Zuo?

On the side, Zhou Peize also laughed loudly:

“Who is this idiot woman? You dare to spoil Lin Zuo's wedding, don't you want to live?”

“That's right! Don't look at your own virtues, are you worthy to marry Lin Zuo? Mrs. Lin Zuo, that must be a strange woman in the world!”

Li Xian also snorted coldly, looking at Bai Yi, full of disgust.

And this time!

Even Li Xiuyun shook his head. The girl in front of her looked good, but she was too self-righteous. Is this first lady who can fake it if she wants to fake it?

Lin Zuo is not an idiot, how could he not know his wife?

Now!

Everyone condemned Bai Yi, the harsh humiliation, at this moment, pierced Bai Yi's heart fiercely.

It made her pretty face completely pale!

“I don't have one, I really don't have one! I was framed!”

Bai Yi was already crying so badly, tears painted her makeup, she fell to the ground feebly, facing the cold eyes in front of her, she was so desperate and helpless.

“Bai Yi, stop acting! The overall situation is settled, you are dead!”

Cuiping laughed wildly, her eyes full of hatred.

Shen Ling, have you seen it?

Mom took revenge for you!

Today, the Baiyi family must die!

“Come on! Get this bitch pretending to be the first lady!”

Old man Shen also yelled angrily, staring at Bai Yi maliciously.

Wow!

Now!

A group of Shen family members walked towards Bai Yi with a grinning smile.

“I see who dares to hurt my daughter?”

With a roar of anger, Bai Shan grabbed a knife and stopped in front of Bai Yi, staring at everyone present with blood red eyes.

There is a posture of desperate old age!

“Baishan! I can tell you that Bai Yi has already suffered a catastrophic disaster. If you dare to nosy, even you will be ruined and destroyed!”

The old man Bai roared, his face extremely gloomy.

just!

“I believe my daughter, she was framed! She would never do such a thing!”

Baishan gritted his teeth, this is the ghost of the Shen family!

The Shen family wants to harm them, want their family to be destroyed!

He Baishan will never agree!

Even if they fight this old bone, he will never let them touch his daughter's hair!

at this time!

Shen Yumei's body trembled, but she was also holding a fork and stood stubbornly in front of Bai Yi.

“Dad! Mom! You go! I am too stupid to blame others!”

Bai Yi couldn't cry, she had already accepted her fate.

Pretending to be the first lady, Lin Zuo and Madam Lin must be furious, she is already a dead end.

But she didn't want to drag her parents down!

“Stubbornly stubborn, since you want to die, then just do it with you!”

The old man Bai said in disgust, so he ignored it.

“What are you doing in a daze? Do it! Let the family reunite in Huangquan!”

just!

As soon as this is said!

A voice that was violent to the extreme, from the deepest part of the tunnel, abruptly sounded!

“Whoever dares to touch one of their hairs, I will let them die!”
