

Chapter: 1444

This moment!

Dong Huayu was completely stunned!

He covered his face and looked at Mike in astonishment.

It seemed that he had never thought that Mike would beat him for Lin Fan's sake.

“Shut up! You idiots, Mr. Lin's ability and background, you can guess?”

If Lin Fan is just a doctor of Huaxia, then naturally it is not to be afraid!

But the problem is!

Lin Fan also has a terrifying identity, that is, the sacred hand who is famous all over the world!

He will never forget the fear of being dominated by this man!

A phone call almost ruined him!

Under the unbelievable gazes of both grandfather and grandson, Mike once again knelt down towards Lin Fan and pleaded bitterly:

“Mr. Lin, please believe me, Mike is loyal to you, and he has no two minds!”

In that voice, there was endless fear!

As if Lin Fan is the devil who cannibalize!

boom!

This scene completely horrified both Dong Qianqiu!

There was incredible fear in those eyes!

“Impossible! This is impossible! Doctor Mike, why are you so afraid of him?”

“This guy, what did he do, and who is he?”

Grandpa and grandson are completely dumbfounded!

The scene in front of them made them feel suffocated!

Lin Fan now looks like a monster in their eyes.

just!

The real nightmare has just come now!

Jingle Bell!

A hurried ringtone rang frantically at this moment!

then!

Dong Qianqiu took out his mobile phone in doubt, and then pressed the PA!

“Master, the big thing is not good! There is a huge overseas fund that is maliciously acquiring the company of our Dongshi Pharmaceutical!”

“Now, three companies have been forcibly acquired! If we continue to develop at this speed, at most one week later, we, Dong's Pharmaceuticals, will have to become someone else's!”

what!

Upon hearing this, Dong Qianqiu's hair was completely blown up, and his old face was filled with consternation and disbelief!

Does anyone dare to buy them Dong's Medicine?

Impossible, who is so rich? And they are enemies of Dong's medicine?

Could it be...

Right now, he looked at Lin Fan in disbelief, completely looking like hell.

This guy, he really bought his own pharmaceutical group?

Isn't he just a little doctor?

How could it be so rich!

Dead!

At this moment, the scene fell into a dead silence!

Dong Qianqiu and Dong Huayu both looked at Lin Fan with ghostly eyes.

“It's you, you did it, right?”

And this time!

Lin Fan smiled contemptuously and said:

“I said, I don't need money!”

Then, he ignored Dong Qianqiu's consternation and looked at Mike:

“Get up! I know this has nothing to do with you, and you don't have the guts!”

Wow!

Mike was so moved that he was about to cry, and he knocked Lin Fan a few times in surprise:

“Thank you Mr. Lin for forgiving! Thank you!”

But at this time, Lin Fan didn't bother to look at Dong Qianqiu's grandfather and grandson again, and walked outside under Long Jiu's favor.

Puff!

When Lin Fan left, Dong Qianqiu seemed to be collapsed, falling to the ground feebly, his face full of bitterness:

“Doctor Mike, can you tell me who he is?”

And Mike immediately looked at him like an idiot, and said coldly:

“Dong Qianqiu, you are done! If you dare to offend such a man, your Dong family is doomed to ruin!”

boom!

Upon hearing this, Dong Qianqiu and the other two were immediately scared to pee!

They could clearly feel that Mike's eyes were full of contempt, as if he was looking at a dead person!

It seems that he has stepped into the ghost gate with one foot!

“What the hell is going on, please tell me!”

Dong Qianqiu was in tears, and at this time he just wanted to die to understand.

Mike sneered again and again, and said contemptuously:

“You ask your secretary, where did the funds for the acquisition of Dong's medicine come from? Don't you know everything?”

Dong Qianqiu was shocked suddenly, and then hurriedly asked.

The secretary over there came the words that made Dong Qianqiu completely crazy:

“Master, the funds to buy us come from Universal Group!”
