

Chapter: 1454

boom!

Everyone was completely dumbfounded at this moment, and they all wondered if there was auditory hallucination in their ears.

A waste, order Li Quan to do something?

Isn't this looking for death?

Who is Li Quan, a well-known entrepreneur, who came to the south of the Yangtze River with a hundred dollars to explore the world, and is now worth over 100 billion.

The industries under his hands cover all walks of life, and the entertainment company is just one of his many subordinates.

Lin Fan, a son-in-law, ordered him to do something?

Let alone Wang Feifei, even Xiaomei thought Lin Fan was crazy.

“Zhang Yichen, where did you get Ambi? It laughed me to death, he even dared to order the chairman of the board, not to take a pee and follow his own virtues!”

Wang Feifei smiled extremely ironically:

“Trash, now not only is Zhang Yichen going to die, you are also dead!”

With Li Quan's character, Lin Fan would never be let go.

“Dog stuff, are you looking for death?”

Li Quan suddenly jumped into thunder, his eyes filled with hatred, and no one had ever dared to speak to him like this.

Immediately, he was completely angered and roared:

“Security guard, where are all the dead? Disable me by crippling this crap!”

A trash, pretend to be in front of him?

court death!

Upon hearing this, Wang Feifei smiled extremely happily, staring at Lin Fan with bitterness:

“Yes, yes, yes, chairman, this kind of unaware of the heights of the boy, absolutely can not be merciless! You have to beat him!”

just!

Zhang Yichen frowned and stepped forward and said:

“Li Quan, I advise you not to do this.”

After all, she has been cooperating with Li Quan for so many years, there is still a lot of benevolence and righteousness, and she doesn't want to see Li Quan looking for her own death.

But Li Quan didn't think so, he looked at Zhang Yichen with a sneer:

“Zhang Yichen, now I know that I was wrong, but it's too late!”

“But, Dong Mingfeng also said that as long as you are willing to spend the night with him, he can let you go without blame!”

what!

Zhang Yichen's face suddenly became gloomy, let her sleep with her?

What do these people think of her?

“You don't have to dream, even if I die, I won't succumb to you.”

Zhang Yichen's voice suddenly became cold and severe.

She kindly saved Li Quan's life, but Li Quan thought they were afraid of him?

Even use Lin Fan as a threat!

Hopeless!

Upon hearing this, Li Quan snorted coldly:

“Shame on your face, then you just watch your concubine be beaten into a maimed by me!”

“Do it!”

A group of security guards came over with their batons, planning to clean up Lin Fan.

Ding!

But at this moment, there was a sudden noise from the elevator door, and a group of people in Chinese tunic suits strode out.

From the posture and footsteps, one can tell at a glance that these people are in their own right!

Each of them was magnificent and powerful, without even looking at Li Quan and the others, their eyes just stayed on Lin Fan.

It was as if Lin Fan was the only one in their eyes!

Lin Fan couldn't help frowning, his eyes fell on the badge on their chest.

Longya's people, are they here soon?

Then, a group of elites from Dragon Tooth walked towards Lin Fan in stride, and almost half of them knelt in front of Lin Fan.

“I wait, see Lin Zuo!”

Quiet!

The whole scene suddenly fell into a strange silence.

At this moment, it seemed that even the air had become harsh.

Seeing this, Li Quan and the others were all stunned. Those eyes were as if they had seen a ghost, and they were thick and unbelievable.

Who are these people? Why did they kneel in front of Lin Fan when they came?

Are they dreaming?

Is this rubbish worthy of being treated with such respect?

Especially, they saw the expressions of these people with extreme awe, as if they were looking at a god.

This is incredible!

However, facing these dragon teeth members, Lin Fan was indifferent to the extreme, and nodded gently:

“Ok!”
