

Chapter: 1494

what!

At this moment, everyone's faces were full of consternation, and they all wondered if they had auditory hallucinations.

Disqualified from the competition because of poor physique?

What kind of shit reason is this?

One more thing, Qin Xianzhong is outstanding among the two-star warriors, how could his physique be so bad?

If the physique is poor, how can it be possible to join an elite army like Longya?

Senseless!

Everyone was completely stunned!

Because the reason Qin Xianzhong gave was really incredible.

But this is more than that.

At this time, Qin Xianzhong strode towards Lin Fan and his wife, and then under the horrified eyes of everyone, he knelt down and pleaded:

“Miss Bai Yi, I was too self-righteous before. Old Xu has already cleaned me up. I really know I was wrong!”

“I hope that Miss Bai Yi can spare my fate of Qin Xianzhong and let Xu Laokan let me go! Otherwise, my life will be over!”

At this time, Qin Xianzhong still had the slightest arrogance of the past, and there was a thick despair and death dust on his face.

At the same time, he was still using his spare time to look at Lin Fan carefully.

Because he knew that he could only survive if he got Lin Fan's forgiveness.

When you see this scene!

boom!

Zhu Ru's family was immediately stunned, and almost paralyzed to the ground.

“This...what's going on?”

At this moment, they all felt like the sky was spinning, and each of them was so scared that their breathing stopped.

“Bai Yi they know Mr. Xu? Impossible, I must have heard it wrong!”

Zhu Ru's legs became weak with fright.

That's Old Xu, the leader of Longya!

Created an elite army with one hand, sweeping overseas, unstoppable.

In the entire Chinese military, who can't call Xu Lao respectfully?

And Bai Yi knows such a super boss?

Zhu Ru is going crazy with jealousy. Why is Bai Yi's life so good?

Lin Zuo helped her hold a wedding banquet, and now there is Xu Longxiang giving her a head start. What kind of shit luck is this woman?

On the side, Baishan and his wife were already scared to urinate, swallowed fiercely, and looked at Bai Yi uncomfortably:

“Bai Yi, you... do you really know Mr. Xu? Did he teach Qin Xianzhong?”

But at this time, Bai Yi said bitterly:

“Mom, I don't know! I met him at the wedding banquet last time, and we never met again, let alone let him teach Qin Xianzhong.”

do not know?

Upon hearing this, everyone present was stunned, and then looked towards Qin Xianzhong together.

“Qin Xianzhong, you made a mistake! You must have made a mistake! This bitch, she is not even qualified to know Xu Longxiang!”

Zhu Ru had been burned with jealousy and only a little bit of reason was left, so at this time she was madly insulting Bai Yi.

She couldn't accept it, she lost to this woman everywhere!

just!

Snapped!

Immediately afterwards, Qin Xian slapped her face repeatedly.

“Qin Xianzhong, what do you mean? Why are you hitting my girlfriend?”

Zhang Kaiming was immediately upset. As a friend, Qin Xianzhong beat her girlfriend. This was to save his face in public.

“Don't hit your girlfriend? Then I'll hit you!”

Qin Xianzhong suddenly smiled sullenly, and then suddenly punched his open chest.

boom!

Accompanied by a muffled noise, Zhang Kaiming's whole body flew out directly, and then fell heavily to the ground, spitting out blood with a puff.

“Xiao Qin, you...”

Zhu Zhide and his wife were completely frightened!

They couldn't even dream that the helper they found would help Lin Fan deal with them in the end.

However, Qin Xianzhong had a fierce look at this moment, and roared:

“Even I am only worthy of kneeling in front of Miss Bai Yi, what are you guys worthy of insulting Miss Bai Yi?”

“If you dare to speak harshly, I want you to die here on the spot, the king of heaven and I will not face him!”

boom!

At this moment, Zhu Zhide's family was completely blown up, and all were shocked to the extreme.

They suspected that Qin Xianzhong was insane!

Today's Qin Xianzhong is just like Bai Yi's dog.

Bai Yi, what did you do!
