

Chapter: 1501

what!

Wang Xiangfeng's expression was completely gloomy, and he was so humiliated by the defeated general of the past that he suddenly became angry.

“Dog stuff, if you are looking for death, then I will fulfill you!”

Talking!

His footsteps shook suddenly, the earth burst open suddenly, and his figure rushed out like a cheetah, like a fast-moving trembling speed!

I instantly hit Kou Jianghuai!

“So strong!”

The masters brought by the big brothers on the scene let out a cry of exclamation at this moment.

Obviously, they were all shocked by this scene.

If they think that they are theirs, they will definitely not be able to match the existence in front of them. Although they are both masters, Wang Xiangfeng makes them feel scared as soon as he makes a move.

See it!

Lin Chentao's eyes also showed a fierce color, and looked at Lin Fan faintly:

“Trash, you can explain your last words!”

He also knew that Kou Jianghuai was the strongest person in Longya, as long as he lost, then Longya would completely stop cooking.

At that time, Lin Zuo saw that Longya was a group of Adou who could not support them, so how could he continue to support them?

Lin Fan will become his pallet fish meat, let it be slaughtered!

just!

At this time, Lin Fan's mouth showed a disdainful smile, and he replied coldly:

“Only you?”

Hahaha!

Hearing this, Lin Chentao didn't get angry but laughed, because in his opinion, Lin Fan is already a dead person. Why should he be angry with a dead person at this time?

“Dog stuff, you dare to be disrespectful to the young and old when you die, it's useless for you to be an idiot who doesn't die!”

Zhu Zhide suddenly jumped out and stepped on Lin Fan severely.

Because he knew that the more he stepped on Lin Fan, the happier Lin Chentao would be.

But Zhang Kaiming was more direct, and asked Lin Chentao with a flat face:

“Young Master, do you want me to clean up this choppy for you? I promise that my hands and feet are clean, no one can find out!”

“This will save your hands from getting dirty!”

He actually asked to be Lin Chentao's executioner and helped him kill Lin Fan!

And hearing this, Lin Chentao suddenly laughed:

“Does it look like Lin Fan? This is the difference between you and me. I was born aloof. Even if I don't speak, I am destined to have a group of people scrambling to please.”

“And you are a humble ant. You should be trampled under your feet!”

just!

Lin Fan laughed, with such contempt and sarcasm:

“Roosters and dogs will also have a day when they will ascend to heaven, and the stars will also have a moment of fall. What will happen... we will wait and see.”

Hear the words!

Lin Chentao and others laughed. What did Lin Fan mean by saying that he would rise, and Lin Chentao would fall?

What a foolish dream!

Is this kind of wine bag and rice bag capable of causing the Lin family to fall down?

Don't laugh so hard!

Right now, they were planning to express their ridicule, but the words were still on their lips, but there was a shocking exclamation from the ring.

See you!

Wang Xiangfeng approached Kou Jianghuai in an instant, and then blasted his face with a furious punch.

But at this moment, a ridiculous smile appeared on Kou Jianghuai's face.

boom!

With a loud noise, a shocking scene happened.

A figure was knocked out fiercely, but the person who was knocked into the air was not Kou Jianghuai who everyone thought, but Wang Xiangfeng!

boom!

Everyone held their breath completely at this moment!

A pair of eyes seemed to split at this moment, full of panic and shock.

Wang Xiangfeng was blown off with one punch!

They saw Wang Xiangfeng being blasted off the ring, vomiting blood, a large part of his chest was directly sunken, and he was directly injured and defeated.

At this moment, the audience fell into a dead silence!

And Kou Jianghuai also smiled wildly:

“It turns out that I won't have to lose you for ten rounds!”
