Chapter: 1517

Ok?

Being so reprimanded by Bai Yi, Mayweather suddenly became angry and snorted coldly:

"President Bai, it seems that you still don't know the situation. If it weren't for someone's special request, do you think I would fall in love with your little new Bai family?"

Then, he smirked and said:

"Since you want to cooperate, don't you have to show some sincerity?" It was the first time that he saw such a beautiful Chinese woman, so he fell in love at first sight, and he wanted to play with it fiercely. "So taking advantage of others is someone else's order?"

Lin Fan sneered and asked in a bad tone.

Ok?

Mayweather glanced at Lin Fan, but said with an arrogant expression:

"Who are you? Is there any place for you to speak here?"

Bai Yi immediately glared at Mayweather and scolded:

"He is my husband!"

I thought that if Lin Fan's identity was spoken, the other party would

be somewhat restrained.

Unexpectedly!

Mayweather froze for a moment, then laughed wildly:

"It turns out that this is your wasteful son-in-law? President Bai, I heard that you have found a door-to-door son-in-law in the Bai family. You have to rely on you to make a living."

"What's so good about this kind of waste, why don't you follow me, hahaha!"

Wow!

As soon as the voice fell, Bai Yi's face was splashed with water.

"Mr. Mayweather, you are too much!"

Bai Yi was trembling with anger. What does this take her for?

A bitch who does his best by himself?

After speaking, she directly picked up her bag:

"Lin Fan, let's go!"

And this time!

Mayweather wiped the water off his face, and then a grinning smile appeared on his face:

"Bai Yi, if you step out of this door, I can assure you that none of the global pharmaceutical companies will dare to do business with you!" "You should know that I have such an ability!"

As the leader of the pharmaceutical sales industry, Mayweather does have this energy, enough to suppress Bai Yi's vaccine to a pitiful sales volume.

"you!"

Bai Yi suddenly turned around and stared at the other party angrily. The other party is too shameless, this is obviously to force her to submit!

Mayweather smiled ho ho and continued arrogantly:

"Bai Yi, don't worry about answering me, and then think about it. I think you should have my phone number?"

"No, I can answer you now! Don't dream!"

With that said, Bai Yi was angrily grabbing Lin Fan's hand, preparing to leave.

There was also a fierce light in Mayweather's eyes, and it seemed to be completely irritated by Bai Yi's lack of knowledge.

The president of a small company dare not put him in his eyes!

Then, Bai Yi's vaccine will never circulate internationally!

However, this time!

Lin Fan smiled coldly and flicked his fingers, and a ring fell parabola towards the back.

Then with a click, it fell in front of Mayweather.

Ok?

Mayweather was taken aback for a moment and dared to swear, but Lin Fan and Bai Yi had disappeared at the door.

"What kind of shit?"

Mayweather picked up the peculiar ring with a look of contempt, but after a glance...

boom!

In an instant, his expression changed wildly!

The brain seemed to explode in an instant, and his face was full of shock!

"Magic... Lord of the Rings?"

He can't believe his eyes!

Lord of the Rings! How could the Lord of the Dark King's ring appear here?

That is a symbol of the supreme dominance of the dark emperor. Seeing the Lord of the Rings is like seeing the dark emperor's deity! Puff!

In the next instant, he was paralyzed to the ground in fright, his entire back was already wet with cold sweat, and there was a deep panic in his eyes.

understood!

At this moment, he completely understood!

No wonder the above would assign him to talk about cooperation with Bai Yi!

Because the man in front of him is the Dark Emperor!
